IMPROVEMENT HEARINGS

This time and place having been set and advertised for the purpose of further considering the final passage or rejection of ordinance to lay out, open and extend a public street or road known as Wales avenue from its present southerly terminus to Logan avenue, the City Clerk called for any one who desired to protest against the same.

James Marino of 50 Logan avenue appeared and stated that he objected to said improvement as his property would be taken away from him, and Mr. John Orrico of 48 Logan avenue stated he was against the said improvement. Mr. and Mrs. Theodore Steingraber of 52 Logan avenue protested that the improvement would cost too much for them to carry on said improvement.

Commissioner Fagen announced that no one being present for the improvement, in the face of the objections, he would recommend that the ordinance be not passed.

By Commissioner Fagen:

Resolved, That ordinance entitled "An ordinance to lay out, open and extend a public street or road known as Wales avenue, from its present southerly terminus to Logan avenue, and also to establish grade on said extension thereof as herein provided

and also to improve that portion of Wales avenue between its southerly terminus and Logan avenue as hereinafter provided, in accordance with the provisions of Chapter 152, of the Laws of 1917, and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefitted thereby," be and the same hereby is rejected and that it do not pass.

Adopted.

Yeas: Commissioners, Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

This time and place having been set and advertised for the purpose of further considering the final pasage of an ordinance, entitled "An Ordinance to provide for the making of private connections with sewer, gas and water mains and conduits for wires in and along Ogden avenue, from Congress street to its northerly terminus, in the City of Jersey City, in accordance with the provisions of Chapter 152, of the Laws of 1917, and the various supplements thereto and amendments thereof," the City Clerk called for anyone who desired to protest against the same. No written protests were received and no one appeared to protest, Commissioner Fagen moved the adoption of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains and conduits for wires in and along Ogden Avenue, from Congress Street to its northerly terminus, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and the amendments thereof

Whereas, The Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that there has been introduced an ordinance at the meeting of the Board of Commissioners of the Mayor and Aldermen of Jersey City providing for the improvement of Ogden Avenue, from Congress Street to its northerly terminus, in the City of Jersey City; and

Whereas, There are already laid and existing and there will be laid in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connection with said sewer, gas and water mains and conduits for wires; and

Whereas, After said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas or water mains and conduits for wires without tearing up a portion of the said proposed improvement; now, therefore,

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

1. That after notice shall have been served or shall have been given as provided by law to owners or parties in interest of lands fronting on Ogden Avenue, from Congress Street to its northerly terminus, such owners or parties in interest shall within the time mentioned in said notice, which shall not be less than thirty days after the passage of this ordinance, cause at their own cost and expense, private connections to be made between each such lot of land twenty-five feet or less in width, owned or controlled by them, and the sewer, gas and water mains and conduits for wires in said street.

2. If the work of making private connections with said sewer, gas and water mains and conduits for wires shall not have been completed within the time mentioned in said notice, then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof

shall be assessed against any lands or real estate benefited.

3. The said improvement of making such house connections is local in character as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby, if same is done by the City.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote.

Yeas:—Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays:—None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas—Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays—None.

This time and place having been set and advertised for the purpose of further considering the final passage of an ordinance for the improvement of Enos Place from a point about 107 feet west of the westerly line of Sip Avenue to Newkirk Street, and Newkirk Street from Enos Place to Summit Avenue by the construction of a sewer therein, the cost of same to be assessed against the property benefited thereby, the City Clerk called for any one who might desire to protest against the same.

The following appeared and protester that they have sewer connections and drain into Sip Avenue sewer.

J. F. Baum, 9 Enos Place, Lot 13.

Mrs. G. D. Baker, Lot 11.

Patrick Noonan, Lot 12.

Sarah Secor, Lot 16.

Robert Underwood, Lot A.

Mrs. J. McGimpsey, Lot 14.

Commissioner Fagen stated that the sewer when constructed should have drained into Newkirk Street sewer because of the grade, and now the sewer is inadequate to handle the development of the neighborhood. It is necessary to put in a new sewer to connect with Newkirk Street and recommended the passage of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance to improve all that part of Enos Place and Newkirk Street, in the City of Jersey City, by construction of a sewer in accordance with the provisons of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

Whereas, It is deemed advisable by the Director of the Department of Streets and Public Improvements that Enos Place from a point about 107 feet west of the westerly line of Sip Avenue to Newkirk Street and in Newkirk Street from Enos Place to Summit Avenue should be improved,

Therefore the Board of Commissioners of Jersey City do ordain:

That all that part of Enos Place distant about 107 feet west of the westerly line of Sip Avenue; thence running in a westerly direction, along the center line of Enos Place, to the center line of Newkirk Street; thence running in a southerly direction, through the center line of Newkirk Street, across Summit Avenue to connect with present sewer in Newkirk Street and Summit Avenue, shall be improved as follows:

1. To cause an eighteen inch vitrified pipe sewer to be constructed in Enos Place commencing at a point in the center line of Enos Place, distant about 107 feet west of the westerly line of Sip avenue; thence running in a westerly direction, along the center line of Enos Place, to the center line of Newkirk street; thence running in a southerly direction through the center line of Newkirk street across Summit avenue to connect with present sewer in Newkirk street and Summit avenue in accordance with plan herewith at-

tached; said sewer to be constructed in conformity with the provisions of chapter 152, of the laws of 1917, and the various supplements thereto and amendments thereof, and in accordance with specifications to be specially prepared, said sewer to be of suitable dimensions, and in accordance with the established plans of sewerage, together with all the necessary manholes, receiving basins and appurtenances.

2. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited.

3. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

4. That this ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close:

Adopted.

Yeas: Commisioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

ORDINANCE HEARING:

This time and place having been set and advertised for the purpose of further considering the final passage of an ordinance entitled, "An Ordinance changing the name of Terry Alley to Walnut street," the City Clerk called for anyone who might desire to protest against the same.

No one appeared to protest and no written protests being received, Commissioner Fagen moved the adoption of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

AN ORDINANCE CHANGING THE NAME OF TERRY ALLEY TO WALNUT STREET.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. That Terry Alley between Bevan street and its present westerly terminus be and the same is hereby changed to Walnut street.

Section 2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close:

Adopted.

Yeas: Commisioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION AND SIGN HEARINGS

This time and place having been set and notice advertised for the purpose of considering the application of Astor Tsibikas for permission to erect sign to project eight feet from building line at premises 732 Bergen Avenue, the City Clerk called for any one who might desire to protest. No written protests were received and no one appeared to protest. Commissioner Saul moved the following:

By Commissioner Saul:

Resolved, That application of Astor Tsibikas for permission to erect sign to extend eight feet from building line at premises 732 Bergen Avenue, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. By Commissioner Saul:

Whereas, application has been made by Irving Max to construct a large public garage for the accommodation of more than five motor vehicles at 553 Summit Avenue, Jersey City, which is between Van Reipen Avenue and Pavonia Avenue, and

Whereas, said premises are in close proximity to three churches and a large theatre where large bodies of citizens daily congregate, and within 150 feet (exclusive of the public street known as Van Reipen Avenue, which has its terminus at Summit Avenue) of one of said churches.

Therefore, be it resolved, that the appication of said Irving Max for the construction of said pubic garage at 553 Summit Avenue, which is a garage for the housing of more than five motor vehicles, be denied, for the reason that same is within 150 feet (exculsive of the public street known as Van Reipen Avenue, which has its terminus at Summit Avenue) of a church contrary to the provisions of garagraph 8 of Section 3 of an ordinance entitled "An ordinance regulating and restricting the location of trades and industries, and the location of buildings designed for specified uses, and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries of districts for the aforesaid purposes and providing penalties for the violation of its provisions," and for the further reason that in the judgment of this body—

reasonable consideration being given to the character of the neighborhood in question, in which immediate neighborhood there are three churches and a theatre where large bodies of men, women and children daily congregate —this permission should be denied for the better protection of public health, safety and general welfare, and further that this application is not denied because of the fact that the plans were not filed with the Superintendent of Buildings at the time the application was made.

IMPROVEMENT HEARINGS

This time and place having been set and notice advertised for the purpose of further considering the final passage of the following ordinance:

"An Ordinance to improve all that part of Cator Avenue, from Garfield Avenue to Princeton Avenue, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character."

"An Ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Cator Avenue, from Garfield Avenue to Princeton Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to, and will be assessed against the property benefited thereby."

The City Clerk called for anyone who might desire to protest against the final passage of the said ordinance. No one appeared to protest and no written protests were received.

Commissioner Fagen moved the adoption of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Cator Avenue, from Garfield Avenue to Princeton Avenue, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefitted thereby, being local in character.

Whereas, it is deemed advisable by the Director of the Department of Streets and Public Improvements that Cator Avenue, from Garfield Avenue to Princeton Avenue should be improved,

Therefore, The Board of Commissioners of Jersey City do ordain:

That, all that part of Cator Avenue, from Garfield Avenue to Princeton Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To cause a grade to be established and the street for the full width thereof graded to the established grade by e cavating or filling the same to the established grade.

2. To have new 5x16-inch bluestone curb set in concrete on either side thereof.

3. To have new cement walks five (5) feet in width laid on each side thereof.

4. To have the carriageway paved thirty (30) feet in width with asphalt pavement on a 6-inch concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner; said improvement to be made in conformity to the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof and in accordance with specifications to be specially prepared.

5. The said improvement is local in character as defined by the statutes above referred to, and the cost of same will be assessed against the property benefitted thereby.

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Cator Avenue, from Garfield Avenue to Princeton Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefitted thereby.

Whereas, the Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Cator Avenue, from Garfield Avenue to Princeton Avenue; and,

Whereas, there are already laid and existing in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no

private connections with said sewer, gas and water mains or conduits for wires; and,

Whereas, after said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits without tearing up a portion of the proposed improvement which shall then have been completed; therefore,

The Board of Commissioners of Jersey City do ordain:

1. That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Cator Avenue, from Garfield Avenue to Princeton Avenue, such owners or parties in interest shall within the time mentioned in said notice, which shall not be less than thirty days after the passage of this ordinance, cause, at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer, gas and water mains or conduits for wires in said streets.

2. If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof shall be assessed against any lands or real estate benefitted.

3. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefitted thereby.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Emerson Avenue, from Logan Avenue to Holy Name Cemetery, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

Whereas, the Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Emerson Avenue, from Logan Avenue to Holy Name Cemetery; and

Whereas, there are already laid and existing in said streets, sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, after said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvement, which shall then have been completed; therefore

The Board of Commissioners of Jersey City do ordain:

1: That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Emerson Avenue from Logan Avenue to Holy Name Cemetery, such owners or parties in interest shall within the time mentioned in said notice which shall not be less than thirty days after the passage of this ordinance cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer gas and water mains or conduits for wires in said streets.

2: If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice, then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof shall be assessed against the any lands or real estate benefited.

3: The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4: All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn and Mayor Hague.

Nays: None.

This time and place having been set and notice advertised for the purpose of further considering the final passages of the following ordinances:

"An ordinance to improve all that part of Whitman Avenue, from Sip Avenue to Holy Name Cemetery, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character."

By Commissioner Fagen:

An Ordinance to improve all that part of Whitman Avenue, from Sip Avenue to Holy Name Cemetery, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character.

Whereas, It is deemed advisable by the Director of the Department of Streets and Public Improvements that Whitman Avenue, from Sip Avenue to Holy Name Cemetery should be improved.

Therefore, the Board of Commissioners of Jersey City do ordain:

That all that part of Whitman Avenue, from Sip Avenue to Holy Name Cemetery in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2. To have new 5 x 16 inch blue stone curb set on each side the road where necessary.

3. To have new cement walks 5 feet in width laid on each side.

4. To have the carriageway paved 36 feet in width with asphalt pavement on a 6-inch concrete base, and all other work done that may be necessary to provide for the flow of the surface water and to complete the improvement in a good and substantial manner; said improvement to be made in conformity with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof and in accordance with specifications to be specially prepared.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

Whereas, On October 29, 1924, Harry Rothbart paid the sum of $3,064.18, namely, $3,028.20 for the principal plus $43.55 accrued interest, less $7.57 rebate for the full year 1924, taxes against lot 24B in block 1807, being 203-205 Harrison Avenue, as entered in cash book "A2," page 1,662; and

Whereas, Subsequently the state of

taxes and assessments reduced the valuation of said property $3,000, or $108.15 in taxes, thereby making an overpayment of $108.15 in 1924 taxes; and

Whereas, The said Harry Rothbart has lost the original receipt showing the payment of this tax, and he makes affidavit to the effect that he will indemnify and save harmless the City of Jersey City from any loss arising out of said refund of taxes as per affidavit on file in this office; and

Whereas, the said Harry Rothbart has left his canceled check dated October 29, 1924, for $3,064.18, made payable to James Radigan, City Collector, which check is a part of said affidavit; therefore, be it

Resolved, That a warrant be ordered drawn in favor of Harry Rothbart in the sum of $108.15, charging the same to 1924 taxes.

Adopted.

By Commissioner Moore:

Whereas, On May 16, 1925, John A. Lancaster paid the sum of $331.50, namely, $279.00 principal, plus $52.50 accrued interest, for assessment No. 746, improvement of Clark Avenue between Mallory Avenue and Water Street, against property known as lot 25 in block 1769, on Clarke Street, as entered in cash book "U," page 382; and

Whereas, An error was made in computing interest on the said assessment bill against the above mentioned property, the correct amount of interest should have been $40.59 instead of $52.50, thereby making an overpayment in interest in the sum of $11.91; therefore, be it

Resolved, That a warrant be ordered drawn in favor of John A. Lancaster in the sum of $11.91, charging the same to interest account of assessment No. 746.

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinance:

"An Ordinance authorizing $5,300.00 Temporary Improvement Bonds of the City of Jersey City."

The City Clerk called for anyone who might desire to protest against the final passage of the foregoing ordinance. No one appeared to protest and no written protests were received.

Commissioner Moore moved the adoption of the following ordinance:

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An Ordinance Authorizing $5,300.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $5,300.00 is hereby apropriated for the purchase of two (2) 1½ ton truck chassis for use in the Department of Parks and Public Property.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $5,300.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission," approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the city, and attested by the City Clerk, and shall recite they are issued to temporarily finance

The purchase of two (2) 1½ ton truck chassis.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul, and Mayor Hague.

Hearing having been adjourned and continued from time to time to this date, for the purpose of further con-

sidering the final passage of the ordinances for the Improvement of Cornelison Avenue from Summit Avenue to Fairmount Avenue, and for the making of private connections therein, the City Clerk called for anyone who might desire to protest against the passage of said ordinance.

Commissioner Fagen reported that in view of the protests heretofore received, he would recommend that said ordinance be passed.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Cornelison Avenue, between Summit Avenue and Fairmount Avenue, in the City of Jersey City, by improving with asphlat pavement, in accordance with the provisions of Chapter 152, of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed upon the property to be benefited thereby.

Whereas, it is deemed advisable by the Director of the Department of Streets and Public Improvements that Cornelison Avenue, between Summit Avenue and Fairmount Avenue should be improved.

Therefore, the Board of Commissioners of Jersey City do ordain:

That all that part of Cornelison Avenue between Summit Avenue and Fairmount Avenue, in the City of Jersey City, County of Hudson and State of New Jersey shall be improved as follows:

1: To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2: To have the present curb reset in concrete, and new 5x16 in. bluestone set in concrete where necessary on each side thereof.

3: To have new cement walks five (5 ft.) feet in width laid on each side thereof.

4: To have the carriageway paved thirty (30 ft.) feet in width with asphalt pavement on a 6 in. concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner; said improvement to be made in conformity to the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof and in accordance with the specifications to be specially prepared under your direction.

5: The said improvement is local in character as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close:

Adopted:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

By Commissioner Fagen:

"Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Cornelison Avenue, between Summit Avenue and Fairmount Avenue, in the City of Jersey City in accordance with the provisions of Chapter 152, of the Laws of 1917 and the various supplements thereto, and amendments thereof. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

Whereas, the director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board

of Commissioners of Jersey City providing for the improvement of Cornelison Avenue, between Summit Avenue and Fairmount Avenue, and

Whereas, there are already laid and existing in said streets, sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, after said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvement which shall have been completed; therefore

The Board of Commissioners of Jersey City do ordain:

1: That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Cornelison Avenue, between Summit Avenue and Fairmount Avenue, such owners or parties in interest shall within the time mentioned in said notice which shall not be less than thirty days after the passage of this ordinance cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width, owned or controlled by them,(and the sewers, gas and water mains or conduits for wires in said streets.

2: If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice then the Director of the Department of Streets and Public Improvements shall have such private connections made and the cost and expense thereof shall be assessed against any lands or real estate benefited.

3: The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4: All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Whereas, on June 8, 1925, August E. Kopf, of 2532 Boulevard, paid the sum of $1,018.62, namely, $1,031.50 principal less $12.88 rebate for the prepayment of the second half 1925 taxes against property known as Lot 27 in Block 1823, being 182 Jewett Avenue, as entered in cash book "A," page 177; and

Whereas, the said August E. Kopf intended to pay the first half of said 1925 against the above mentioned property amounting to $516.25 instead of the full amount; and

Whereas, he stopped payment of his check No. 1806, dated June 8, 1925, for $1,018.62 on the Lincoln Trust Company of New Jersey due to the fact that there is insufficient funds in said bank to cover same; therefore be it

Resolved, That the payment of the full year's taxes for the year 1925 be and the same is hereby cancelled of record, charging the same as follows:

1925 taxes with.....$1,018.62
1925 rebate account with..... 12.88

Be it further

Resolved, That a warrant be ordered drawn in favor of the City Treasurer of Jersey City in the sum of $1,018.62 to reimburse the Lincoln Trust Company of New Jersey for credit given the City of Jersey City for the like amount on June 9, 1925.

By Commissioner Moore:

Whereas, on June 5, 1925, George Churik of 247 Warren Street paid the sum of $1,114.85, namely, $1,123.25 less $8.40 rebate for the pre-payment of the second half 1925 taxes against property known as lot 28A in block 1952, being 21 Monticello Avenue, as entered in cash book "D," page 1425; and

Whereas, the said George Churik mailed his check and tax bill covering the above mentioned property to this office before June 1, 1925, taking advantage of the 3% rebate for the prepayment of the second half; and

Whereas, an error was made in computing the amount of rebate allowance of the second half amount, namely, $561.62, the amount of rebate allowed being $8.40, wherein same would have been $16.85, or a difference of $8.45 in rebate; therefore be it

Resolved, That a warrant be ordered drawn in favor of George Churik in the sum of $8.45, charging the same to 1925 rebate account.

Adopted.

Resolved, That upon the recommendation of the General Purchasing Agent, contract for the furnishing and delivering of hay, grain, feed, etc., to the several municipal stations from July 1st to December 30th, 1925, be and hereby is awarded to Carscallen & Cassidy at the prices named in its bid, it being the lowest bidder, and that the Corporation Counsel be and he hereby is authorized and requested to prepare and have executed the necessary contract therefor.

Received and ordered placed on file in the office of the City Clerk for a period of two weeks for the purpose of public inspection.

By Commissioner Fagen:

Whereas, On June 3, 1925, Dr. Leo F. Crowley paid through error the sum of I353.81 for the first half 1925 taxes against property known as lot A1 in block 1819 being 146 Belmont Avenue as entered in cash book "C," page 1031; and

Whereas, On June 15, 1925, the above mentioned property was apportioned as per Apportionment No. 3194, part of said property having been conveyed to the said Dr. Leo F. Crowley by H. W. Greenberg the present owner of the other part; as follows:

Bill, 31962A; block, 1819; old lot, A1; new lot, A2; assessed to H. W. Greenberg, val., 10700; taxes, $367.54.

Bill, 31962B; block, 1819; old lot, A1; new lot, A3; assessed to Leo F. Crowley; val., 9,900; taxes, $340.07.

and

Whereas, The said Dr. Leo F. Crowley having made payment in the sum of $353.81 covering the said property before same was apportioned on our books, which amount is in excess of the amount of taxes assessed against him after said property has been apportioned, namely; $340.07, or an overpayment of $13.74 in taxes; and

Whereas, Due to the fact that the said Leo F. Crowley paid his taxes in full, he is entitled to a rebate of 2½ percent on the second half principal, namely; $170.03 or $4.25 rebate; therefore, be it

Resolved, That a warrant be ordered drawn in favor of Dr. Leo F. Crowley in the sum of $17.99 charging the same as follows:

1925 taxes with $13.74
1925 rebate account with..... 4.25

By Commissioner Saul:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $18,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commisisoners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $18,000.00 is hereby appropriated for the improvement of Plaza, at Bergen and Sip Avenue, known as Block 1865, Plot A2.

Section 2. For the purpose of meeting said appropriation and of temporarily financing said improvement, which is not yet completed (such improvement not being current expenses), $18,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality government by an Improvement Commission," approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Section 3. Said bonds shall bear interest at the rate of not exceeding six per cent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City and attested by the City Clerk, and shall recite they are issued to temporarily finance improvement of Plaza, at Bergan and Sip Avenues.

Section 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form and shall mature in such time or times, subject to the provisions hereof, as he may determine, and all other matters in respect thereof shall be determined by said Director.

Section 5. Said bonds shall at maturity be paid out of the proceeds of funding bonds or, if not so paid, a tax shall be levied and collected suffcient in amount to pay said bonds as they mature. In each year after the date of said bonds a tax shall be levied and collected sufficient in amount to pay the interest on said bonds.

Whereas, The Port of New York Authority has applied to this Board by written petition for the grant of permission to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to construct, lay and maintain and operate certain additional tracks along its present right of way in a general southwesterly direction (1) across 18th Street projected; (2) across Monmouth Street projected between 17th Street and 18th Street projected; (3) across 17th Street projected west of Monmouth Street projected, and (4) across 13th Street underneath the present viaduct, as shown upon plan annexed to the said petition so presented to and filed with this board, entitled:

PORT OF NEW YORK AUTHORITY

Proposed additional tracks along New Jersey Junction Railroad between Hoboken Avenue and 13th Street, Jersey City. To effectuate interchange of freight between Belt Line No. 13 and Pennsylvania Railroad.

And Whereas, The proposed development will result in a material reduction in the railroad freight rate system to the benefit of shippers and consumers along the said line of development, and

Whereas, Said Board of Commissioners duly advertised the fact of the making of such application, and a publice hearing thereon having been held for the purpose of receiving objections thereto, and no objections having been urged against the granting of the desired permission,

Now, therefore, The Board of Commissioners of the Mayor and Aldermen of Jersey City, do ordain as follows:

1. Permission is hereby granted to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to lay, construct, maintain and operate, in addition to the tracks already in existence at the point hereinafter mentioned, the following lines of track:

(a) Two lines of track crossing the northerly line of 18th Street projected between Coles Street and Monmouth Street projected and being approximately 325 feet west of the westerly line of Coles Street and approximately 70 feet east of the easterly line of Monmouth Street projected, and continuing southwesterly crossing the southerly line of 18th Street projected to a point approximately 370 feet and 380 feet, respectively, west of the westerly line of Coles Street and approximately 12 feet and 25 feet, respectively, east of the easterly line of Monmouth Street projected;

(b) One line of track crossing a portion of 18th Street projected, between Coles and Monmouth (projected) Streets, distant northerly at right angles from the southerly line of 18th Street projected approximately 25 feet, and distant easterly from the easterly line of Monmouth Street projected approximately 55 feet, and distant westerly, from the westerly line

of Coles Street approximately 340;

(c) Four lines of track crossing Monmouth Street projected in a southwesterly direction distant southerly from the southerly line of 18th Street projected, respectively, approximately 10 feet, 35 feet and 70 feet therefrom; and on the westerly side of Monmouth Street projected approximately 70 feet, 90 feet, 115 feet and 155 feet, respectively;

(d) Four lines of track crossing the northerly line of 17th Street projected in a southwesterly direction distant respectively weasterly from the westerly line of Monmouth Street projected approximately 16 feet, 60 feet, 75 feet and 90 feet therefrom; and distant easterly from the easterly line of Hoboken Avenue at a point at right angles with the westerly line of Monmouth Street projected in continuation of the northerly line of 17th Street projected, approximately 185 feet 200 feet, 215 feet and 260 feet, respectively, therefrom; and continuing southwesterly, crossing the southerly line of 17th Street projected at points approximately 50 feet, 105, feet, 120 feet and 135 feet, respectively, west of the westerly line of Monmouth Street projected;

(e) One line of track crossing the northerly line of 13th Street in a southwesterly direction underneath the present viaduct distant westerly from the westerly line of Monmouth Street projected approximately 770 feet along the northerly line of 13th Street; and continuing southwesterly crossing the southerly line of 13th Street at a point 825 feet, approximately, west of the westerly line of Monmouth Street projected;

(f) Such turnouts, switches and connections as may be necessary for the construction and maintenance of the lines of track above described.

Provided, However, That nothing herein contained shall be deemed to constitute a grant or recognition of any right of way or franchises except as hereinbefore expressly and specifically granted, nor to waive any rights of The Mayor and Aldermen of Jersey City to require the removal of any tracks crossing Hoboken Avenue if the said tracks are not now lawfully authorized, nor shall this ordinance be construed as a waiver of any rights whatsoever which the said City of Jersey City may now have in and to that part of the streets over which any tracks of said railroad now cross, nor a recognition on the part of the Mayor and Aldermen of Jersey City of any right of said railroad to occupy Hoboken Avenue; or to occupy any other of said streets, otherwise than under and pursuant to the rights hereby expressly granted;

2. For the privileges accorded herein, said beneficiaries, their successors or assigns, shall pay annually to the Board of Commissioners of Jersey City the sum of Eleven Hundred and Ninety ($1,190.00) Dollars proper proportion of which shall be paid semi-annually to the City Comptroller of Jersey City at his office in the City Hall, on the first days of August and February next, succeeding the day when this ordinance shall become effective and each year thereafter in like manner.

3. This ordnance shall take effect immediately.

The City Clerk read the foregoing ordinance as read the foregoing or-ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

By Commissioner Moore:

Resolved, That the following ordinances do now pass:

An ordinance authorizing $564,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $564,000.00 is hereby appropriated for the construction of New 7th Precinct Police Station and First Criminal Court Building.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $564,000.00 Temporary Improvement Bonds shall be issued in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the construction of New 7th Precinct Police Station and First Criminal Court Building.

Sec. 4. Said bonds shall be sold by the Director of The Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient amount to pay the interest on said bonds.

By Commissioner Moore:

Whereas, On June 1, 1925, Andrew Berna paid the sum of $8.59 for the first half of 1925 personal taxes assessed against his automobile assessed at a valuation of $500, or $17.18 in taxes as per bill No. 56522, book 13, page 19, and payment entered in cash book "D," page 1407; and

Whereas, Subsequently the Hudson County Board of Taxation per Judgment No. 518 cancelled said assessment of $500, or $17.18; and

Whereas, Due to the above mentioned facts, the first half payment made by Andrew Berna should be refunded; therefore be it

Resolved, That a warrant be ordered drawn in favor of Andrew Berna in the sum of $8.59, charging the same to 1925 personal taxes.

Adopted.
Yeas:—Commissioners Fagen, Moore, Quinn and Saul.
Nays:—None.

By Commissioner Moore:

Whereas, On June 8, 1925, Eliza Stange of 124 Irving Street paid the sum of $212.98 for the full year 1925 taxes against properties known as lots 28 and 29 in block 890, being 124-126 Irving Street, as per bills Nos. 15202 and 15203 as entered in cash book "D," page 1435; and

Whereas, Through error, no rebate was allowed for the prepayment of the second half of said taxes, wherein she should have been allowed 2½ per cent rebate on the second half, amounting to $106.49 or $2.66 rebate; therefore be it

Resolved, That a warrant be ordered drawn in favor of Eliza Stange in the sum of $2.66, charging the same to 1925 Rebate Account.

Adopted.
Yeas:—Commissioners Fagen, Moore, Quinn and Saul.
Nays:—None.

By Commissioner Moore:

Whereas, On June 9, 1925, George Booth of 139 Charles Street paid the sum of $89.21, namely: $90.31 less $1.10 rebate for the pre-payment of the second half 1925 taxes against property known as lot E in block 868, being 139 Charles Street, as entered in cash book "A," page 178; and

Whereas, Subsequently the Hudson County Board of Taxation per Judgment No. 330 reduced the valuation of said property $500, or $17.18, also cancelling poll tax against the said property; and

Whereas, Due to the above mentioned facts, the said George Booth is entitled to a refund of $17.18 in 1925 taxes and $1.00 poll tax, making a total of $18.18; therefore be it

Resolved, That a warrant be ordered drawn in favor of George Booth in the sum of $18.18, charging the same as follows:

1925 taxes with $17.18.
1925 poll tax account with $1.00.

Adopted.
Yeas:—Commissioners Fagen, Moore, Quinn and Saul.

By Commissioner Moore:

Whereas, on May 21, 1925, Chas. Hetzer paid the sum of $348.50 namely: $353.81 for the full year 1925 taxes less $5.31 rebate for the pre-payment of the second half against property known as lot B9 in block 1353 on Wade Street as per bill No. 23,188 and entered in cash book "A" page 63; and

Whereas, subsequently the Hudson County Board of Taxation per Judgment No. 100 reduced the valuation of said property $500, or $17.18 in taxes, thereby making an over-payment in the sum of $17.18; Therefore Be It

Resolved, That a warrant be ordered drawn in favor of Chas. Hetzer in the sum of $17.18, charging the same to 1925 taxes.

Adopted:

Yeas:—Commissioners Fagen, Moore, Quinn and Saul.

Nays:—None.

By Commissioner Moore:

Whereas, on June 11, 1923, the owner of property known as lot 96 in block 1796 being 25 Clendenny Avenue paid the sum of $95.83 for the first half of said taxes as per bill No. 30,781 as entered in cash book "D" page 1290; and

Whereas, on September 27, 1923, the owner of said property paid the sum of $94.88 namely: $95.83 for the principal less $.95 rebate for the second half of said taxes against the above mentioned property as entered in cash book "A1" page 308; and

Whereas, on June 14, 1923, The Thomas Wright Co., Inc., through error paid the sum of $95.83 for the first half of said taxes against the property specified above as entered in cash book"C1" page 1010, wherein he intended to pay the first half of 1923 taxes against lot 19 in block 1799 being 26 Clendenny Avenue; and

Whereas, on October 27, 1923, he again through error paid the sum of $95.83 namely: $95.83 less $.48 rebate for the second half of 1923 taxes against lot 96 in block 1796 being 25 Clendenny Avenue, wherein he intended to pay the second half of 1923 taxes against lot 19 in block 1799 being 26 Clendenny avenue, thereby making an erroneous payment of the full year taxes in the sum of $191.18; Therefore Be It

Resolved, That a warrant be ordered drawn in favor of The Thomas Wright Co., Inc., in the sum of $191.18, charging the same to 1923 taxes.

Adopted:

Yeas:—Commissioners Fagen, Moore, Quinn and Saul.

ORDINANCE HEARINGS

This time and place having been set and advertised for the purpose of further considering the final passage of the following described ordinances:

"An ordinance authorizing $214,000.00 School Notes of the City of Jersey City."

"An ordinance authorizing $306,-103.00 Emergency Bonds of the City of Jersey City."

"An ordinance authorizing $600,-000.00 Temporary Improvement Bonds of the City of Jersey City."

The City Clerk called for any one who desired to protest against the passage of same. No one appeared to protest and no written protests were received. Commissioner Moore recommended the passage of said ordinances.

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

"AN ORDINANCE AUTHORZING $214,000.00 SCHOOL NOTES OF THE CITY OF JERSEY CITY.

RECITALS:

The Board of Education and the Board of School Estimate of this city has requested this Board of Commissioners to make an appropriation of $214,000.00 for refurnishing and stallation of new equipment in Public Schools. This Board concurs in the request of the Board of School Estimate for such appropriation and consents thereto irrespective of the amount thereof.

Now, Therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $214,000.00 is appropriated for the refurnishing and installation of new equipment in Public Schools of Jersey City.

Section 2. Pursuant to an Act of the Legislature of the State of New Jersey entitled: "A Supplement to an Act Entitled, 'An Act to Establish a Thorough and Efficient System of Free Public Schools, and to Provide for the Maintenance, Support and Management Thereof,' approved October 19, 1903, relating to the financing of school improvements," constituting Chapter 112, P. L. 1916, to provide funds to meet the appropriation of either the levy or the collection of taxes or of the authorization or sale of permanent bonds as may subsequently be determined, promissory notes of the City of Jersey City shall be issued as the money is called for by the Board of Education, such notes shall mature in not exceeding one year, and may be renewed from time to time by similar notes provided the renewal notes shall mature in not exceeding three years from the date of the original notes for the renewal of which they are issued.

Section 3. Said notes shall bear interest at the rate of not exceeding 6 per cent per annum, and shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form and shall mature in such time or times, subject to the provisions hereof as he may determine.

Section 4. Said notes shall be executed by the Mayor and the Director of the Department of Revenue and Finance, under the seal of the City, and attested by the City Clerk, and shall be general obligations of the City of Jersey City.

Section 5. In each year after the date of said notes, a tax shall be levied and collected, sufficient in amount to pay the interest on said notes.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $306,103.00 emergency bonds of the City of Jersey City.

Whereas, The Board of Education of this City has decided that it had under-estimated in its annual estimate the amount of money necessary for the current expenses of and for repairing and furnishing public schools of this City to the amount of $306,-103.00.

Now, Therefore, The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. In conformity with the provisions of Chapter 236 P. L. 1925, the sum of $306,103.00 is appropriated to the Board of Education for the purpose of repairs to buildings and furnitures and current expenses of the public schools of this City.

Section 2. In accordance with the provision of an Act of the Legislature of the State of New Jersey entitled

"An Act concerning Municipal and County Finances" approved March 28, 1917, as amended and for the purpose of meeting said appropriation $306,-103.00 emergency bonds shall be issued, bearing interest at a rate not to exceed 4 per cent per annum, said bonds shall mature on or at the option of the City before December 31, 1926, and shall be signed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall state they are issued to pay the cost of current expenses of the public schools for the school year 1925-1926.

Section 3.

Section 3. A tax shall be levied and cellected sufficient in amount to pay the principal and interest of said bonds at maturity.

Section 4. The Emergency Bonds herein authorized are awarded and sold to the Sinking Fund Commission of Jersey City at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said bonds prepared, and after the execution thereof to deliver same upon receipt of purchase price therefor.

The City Clerk read the foregoing ordinance as ready for final passage.

An ordinance authorizing $600,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $600,000.00 is hereby appropriated to pay the awards for lands taken and damages sustained in the widening of Bergen Avenue, from Bergen Square to Montgomery Street.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $600,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an act of the Legislature of the State of New Jersey, entitled, "An act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township or any municipality governed by an Improvement Commission," approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding 6 percent per annum and may from time to time be renewed. No bonds issued in purance of this ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City and attested by the City Clerk, and shall recite they are issued to temporarily finance the widening of Bergen Avenue.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected sufficient in amount to pay said bonds as they mature. In each year after the date of said bonds a tax shall be levied and

collected sufficient in amount to pay the interest on said bonds.

Sec. 6. The aforesaid appropriation is to apply to local improvements and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof as ready for final passage.

ORDINANCES

This time and place having been set and advertised for the purpose of further considering the final passage of the following ordinances:

An ordinance for the relief of William J. Murphy and Margaret Murphy of the City of Jersey City, County of Hudson, and State of New Jersey, in relation to the encroachment of frame building situated at 33 Van Reipen Avenue, and known as Lot 16, Block 384, Jersey City, New Jersey.

An ordinance for the relief of Catherine Foley, widow, of the City of Jersey City, County of Hudson, State of New Jersey, in relation to the encroachment of the building situated at 174 St. Paul's Avenue in the City of Jersey City,

the City Clerk called for anyone who might desire to protest against the same. No one appeared to protest and no written protests were received. Commissioner Fagen moved the adoption of said ordinances.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance for the relief of William J. Murphy and Margaret Murphy of the City of Jersey City, County of Hudson and State of New Jersey, in relation to the encroachment of frame building situated at 33 Van Reipen Avenue, and known as Lot 16, Block 584, Jersey City, New Jersey.

Whereas, It has been brought to the attention of the Board of Commissioners of the Mayor and Aldermen of Jersey City by petition of William J. Murphy and Margaret Murphy that there is a building erected and used as for dwelling purposes, which building extends beyond the building line of said Lot 16 as follows:

Said building encroaches on the northeasterly side of said lot five-tenths (.5) of a foot and on the southeasterly side of said lot seven-tenths (.7) of a foot as shown on survey made by Frederick Dunham, December 10, 1924, and annexed to the application in this matter now on file in the office of the City Clerk, City Hall, Jersey City, New Jersey; and

Whereas, Said William J. Murphy and Margaret Murphy pray permission to maintain the said encroachment and a public hearing having been held thereon after due notice being given in accordance with the statute and there being no objection thereto:

Now, therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain as follows:

1. That permission is hereby granted to William J. Murphy and Margaret Murphy, their heirs, successors or assigns to maintain the said building now erected on said premises as the same now stands until such time as the same shall be removed or require a reconstruction or a rebuilding, at which time the same shall be made to conform to the building line as established.

2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance for the relief of Catherine Foley, widow, of the City of Jersey City, County of Hudson, State

of New Jersey, in relation to the encroachment of the building situated at 174 St. Pauls Avenue in the City of Jersey City.

Whereas, it has been reported to the Mayor and Board of Commissioners of Jersey City by petition of Catherine Foley, widow, that there is a building erected at 174 St. Pauls Avenue, which building extends beyond the building line of said avenue, as follows:

Said building encroaches on and beyond the building line of St. Pauls Avenue seventeen one-hundredths of a foot (.17") at the southeasterly corner thereof, as shown on survey hereto attached made by Joseph W. Obreiter dated March 10, 1925, and also said building encroaches upon certain lands owned by the City of Jersey City to the extent of twenty-nine one-hundredths of a foot (.29') on premises situated at the northeasterly corner of Summit and St. Pauls Avenues; and

Whereas, said Catherine Foley, widow, prays permission to maintain the said encroachments and a public hearing having been held thereupon after due notice given in accordance with the statute, and there being no objection thereto; now, therefore,

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain as follows:

1. That permission is hereby granted to Catherine Foley, her heirs, executors, administrators and assigns to maintain the said building now erected on said premises as same now stands until such time as the same shall be removed or require a reconstruction or rebuilding, at which time same shall be made to conform to the building line as established.

2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

Nays: None.

This time and place having been set and notice advertised for the purpose of further considering the final passage of the following ordinance:

"An ordinance to lay out, open and extend a public street or road known as Wales Avenue, from its present southerly terminus to Logan Avenue, and also to establish grade on said extension thereof as herein provided and also to improve that portion of Wales Avenue between its southerly terminus and Logan Avenue as hereinafter provided, in accordance with the provisions of Chapter 152, of the Laws of 1917, and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby,"

the City Clerk called for any one who might desire to protest against the same.

Mr. James J. Marino of 50 Logan Avenue, John Orrico of 48 Logan Avenue and Mr. Steingraber of 52 Logan Avenue appeared protesting against the improvement, in that it will discommode them for the winter should the improvement be made immediately; that if their property is to be taken they want to know when their property will be taken and an estimated amount of what will be given them.

Mrs. M. Pierro of Logan Avenue appeared with a delegation of property owners favoring the improvement and requested that the improvement carried on as fast as the law will permit.

Commissioner Fagen moved the passage of the ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to lay out, open and

extend a public street or road known as Wales Avenue, from its present southerly terminus and Logan Avenue and also to establish grade on said extension thereof as herein provided and also to improve that portion of Wales Avenue between its southerly terminus and Logan Avenue as hereinafter provided, in accordance with the provisions of Chapter 152, of the laws of 1917, and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

Whereas, It is deemed necessary in the opinion of the Director of Streets and Public Improvements to lay out, open and extend Wales Avenue from its southerly terminus to Logan Avenue, and also to establish grade on said extension thereof as herein provided and also to improve that portion of Wales Avenue between its southerly terminus and Logan Avenue as herein proposed; therefore

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE MAYOR AND ALDERMEN OF JERSEY CITY:

1. A public street or road shall be laid out, opened and extended in Jersey City, being the extension of Wales Avenue from its present southerly terminus to Logan Avenue, and said lands and real estate required to be taken for making of said improvement are located and described as follows:

PART LOT No. 23, BLOCK No. 1617

Commencing at a point in the present southerly terminus of Wales Avenue, where the easterly line of Wales Avenue as now opened intersects the same; thence (1) running in a westerly direction along the southerly terminus parallel with the northerly line of Logan Avenue and distant 100 feet at right angles therefrom, 5.05 feet to a point where the westerly line of Lot No. 23 intersects the same; thence (2) running in a southerly direction and along the westerly line of Lot No. 23, 86.63 feet to a point where the easterly line of Wales Avenue as now opened, if extended in a southerly direction, would intersect the same; thence (3) running in a northerly direction along the easterly line of Wales Avenue extended in a southerly direction 86.75 feet to the point or place of beginning—containing 218.74 square feet.

2. The Board of Commissioners of The Mayor and Aldermen of Jersey City hereby determine to take and appropriate for the purpose of laying out, opening and extending said public street or road such lands and real estate as may be necessary therefor, upon making compensation to the owners thereof at a price to be agreed upon, or if an agreement as to compensation cannot be made, by the payment of damages according to law.

3. The damage resulting from laying out, opening and extending said street or road shall be paid, and the benefits assessed upon the property.

4. The above described area, including lands and buildings taken shall be improved as follows:

(a) By the establishment of a grade on the center line of Wales Avenue from its present southerly terminus to Logan Avenue, which grade shall be and the same is hereby established as follows:

Commencing at a point where the center line of Wales Avenue as now opened, intersects its present southerly terminus at an elevation of 34.50 ft.; thence running along said center line of Wales Avenue, as now opened if extended in a southerly direction, on a descending grade of 4.35 ft. per 100 ft., a distance of 100.17 ft. to the northerly curb line of Logan Avenue, at an elevation of 30.04 ft.

(b) That that portion of said street so extended shall be graded to the full width thereof as will be more fully shown on map or profile of same made by the Chief Engineer of the Department of Streets and Public Improvements.

(c) By excavating, setting new 5x16 inch curb, set in concrete on either side; new bluestone flagging 4 ft. in width laid out on either side; and the carriageway to be paved 30 ft. in width with old Belgian blocks on 6 inch concrete base (blocks to be furnished by City).

(d) For the purpose of more completely carrying out the intention of this ordinance, full power and authority is hereby granted to the department actually in charge of said improvement to do all other work that may be necessary to provide for the proper and adequate flow of the surface water of said street, and to complete the improving of said street in a good and substantial manner.

(e) All work herein authorized shall be done in strict conformity with the plans and specifications to be specially prepared for the improvement herein authorized.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefitted.

6. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

7. That this ordinance shall take effect immediately.

The City Clerk read the foregoing ordinances as ready for final passage.

Whereas, Contract was heretofore entered into on the third day of July, 1923, between the Mayor and Aldermen of Jersey City and Joseph L. Sigretto for the furnishing of materials and construction of section No. 1 of a trunk sewer from Dover to Boonton and a sewage disposal works, which contract, by permission of the Board of Commissioners of the Mayor and Aldermen of Jersey City, was assigned to Alberta Contracting Corporation, said assignment having been consented to by the National Surety Company, surety on the bond of the contract between said Mayor and Aldermen of Jersey City and Joseph L. Sigretto; and

Whereas, Said contract was completed and all the work called for thereunder accepted by the Mayor and Aldermen of Jersey City upon recommendation of the Director of the Department of Streets and Public Improvements by resolution of the Board of Commissioners adopted June 23, 1925; and

Whereas, Under provisions of Section CC of said contract it is provided that two per cent (2%) of the amount of the contract price is to be retained for a period of one year from the date of the acceptance of the work, namely, June 23, 1925, as a bond to guarantee the proper maintenance of said work, all of which is set forth in said Section CC; and

Whereas, Said Director of the Department of Streets and Public Improvements recommends that the said contractor be permitted to substitute the bond of an authorized surety company in the sum of twenty-four thousands dollars ($24,000.00) in lieu of the said two per cent (2%) being retained by the Mayor and Aldermen of Jersey City; provided, however, that the bonding company executing the original bond files its consent to the substitution of a bond in place of the retained percentage of two per cent (2%) called for under the contract above referred to, conditioned for the maintenance of

said work in accordance with provisions of the contract;

Resolved, That the bond of an authorized surety company in the sum of twenty-four thousand dollars ($24,000.00) be accepted by the Mayor and Aldermen of Jersey City in substitution for the retained two per cent (2%) of the contract price to insure the proper maintenance of said work for a period of one year from and after June 23, 1925, which said bond and consent of the original surety shall be approved as to form by the Corporation Counsel and as to sufficiency by the Director of the Department of Revenue and Finance.

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinance:

"An ordinance to amend an ordinance entitled: 'An ordinance creating the office of General Purchasing Agent of Jersey City' and General Storekeeper of Jersey City, and defining their powers and duties; and providing for a method of purchase of all supplies and materials and of audit and payment of all claims and supplies," approved the fourth day of May, 1914.

The City Clerk called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received.

Commissioner Quinn moved the adoption of said ordinance.

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An ordinance to amend an ordinance entitled "An ordinance creating the office of 'General Purchasing Agent of Jersey City' and 'General Storekeeper of Jersey City' and defining their powers and duties; and providing for a method of purchase of all supplies and materials and of audit and payment of all claims and supplies," approved the fourth day of May, 1914.

Be it enacted by the Board of Commissioners of The Mayor and Aldermen of Jersey City:

1. Paragraphs 1, 2, 4, 5 and 8 of Section 8 of the ordinance to which this ordinance is an amendment be and the same are hereby amended to read as follows:

8. (1) The General Purchasing Agent shall purchase all supplies and materials required exceeding twenty-five dollars in cost and not in excess

of one thousand dollars after competitive bidding, but without advertisement; provided that at least five separate and bona fide sealed written proposals or bids for such supplies, or materials are sought by circular application, and at least three received from manufacturers or actual dealers for the supplies or materials purchased from the lowest bidder, provided, however, if in his judgment, the lowest bidder is not responsible, nor the terms advantageous to the City, he shall submit all bids or proposals received to this Commission in open meeting, with his recommendation thereon, in writing, whereupon his responsibility or further authority in the award of such particular proposed purchase shall cease and thereupon final disposition of same shall be made, by the Commission in open meeting, not sooner than five days after receipt of report of said Agent. A like course shall be followed by him in less than three proposals to be acted upon by the Commission in a similar manner after a lapse of five days.

(2) All supplies or materials to be purchased for any department or office, the cost of which shall exceed one thousand dollars, shall be contracted for only after public advertising in accordance with law. It shall be the duty of the General Purchasing Agent to prepare all proposals and specifications or advertisements and forward the same to the City Clerk for publication in the official newspapers of the City; such advertisements or proposals shall call for the submission of bids to said General Purchasing Agent at a certain specified time on a certain day, and in the Assembly Chamber, where they shall be opened and the bids announced and recorded publicly.

(4) On all purchases in excess of one thousand dollars where less than three bids or proposals are submitted on the date and at the place specified for the receipt of such proposals or bids for any supplies or materials; seals on said bids shall not be opened; time and date of receipt shall be stamped on the outside covering of each proposal and record made after number has been assigned to each bid, and proposal, by the representative of the Director of Revenue and Finance; thereupon the General Purchasing Agent shall make written report of number of bids received on proposed purchase, and submit same with the sealed proposals or bids so stamped to the Commission in open meeting for final disposition therein by that body.

(5) On all purchases in excess of one thousand dollars where three bids or proposals are received, at the time and place advertised, opened, recorded and stamped, as hereinbefore provided, the General Purchasing Agent shall award the purchase to the lowest bidder, provided, however, if in his judgment the lowest bidder is not responsible nor the terms advantageous to the City, he shall submit all bids or proposals received at the time and place advertised, to this Commission, with his recommendations thereon in writing whereupon final disposition thereof shall be made by this Commission, in the manner and form as hereinbefore provided for bids under one thousand dollars received in the like case.

(8) The General Purchasing Agent after certification of the Director of Revenue and Finance as hereinbefore provided shall make award of purchases to the lowest bidder. And upon purchases under subdivision 2, i. e., purchases over one thousand dollars, the Corporation Attorney upon requisition of the General Purchasing Agent, approved by the Director of Revenue and Finance, shall forthwith prepare contracts in the proper form to best protect the City's interest, and said contracts shall be executed by the proper officials in triplicate, to be endorsed in addition to the endorsements now required by the General Purchasing Agent, that the rules provided for herein have been complied with, and one copy thereof filed in the City Clerk's Office and one copy filed in the office of the Director of Revenue and Finance.

Where, however, purchases under sub-division 2 have been referred to the Commission and by them finally disposed of by award to the lowest responsible bidder with terms most advantageous to the City, said award shall in all cases be made by the Commission by resolution directing the General Purchasing Agent to requisition, and the Director of Revenue and Finance to approve said requisition, upon the Corporation Attorney for the drawing of a contract, which contract shall be drawn and executed as provided in this section above, and furthen endorsed by the General Purchasing Agent as to the facts connected with its award.

2. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

3. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as being ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Quinn and Saul.

Nays: None.

By Commissioner Quinn:

Resolved, That the hearing on the foregoing ordinance do now close:

He advised the Board that the committee will meet very shortly with reference to establishing an air port within striking distance of New York and urged the co-operation of the Board of Commissioners in the matter.

Mr. J. J. Cullington, of the Jersey City Chamber of Commerce, appeared before the Board and also urged the co-operation of the Board for the purpose of establishing an air port in this city.

Commissioner Moore stated that the Board of Commissioners would be pleased to co-operate with the committee.

Counsellor John Warren appeared before the Board at this time and stated that a client of his, the Tube Realty Co., is desirous of constructing a building to contain stores and apartments on the Old Lahey Property, situated on the southeast corner of Magnolia Avenue and Summit Avenue; that due to the undecided building line caused by the present development in the Bergen section, his client wanted the assurance that he would be compensated for damages in the event that the line was set back.

Commissioner Fagen advised Mr. Warren that at the present time an organization headed by Mr. Randall was working out certain plans for the development of the Bergen section and that when they presented their plans the Board of Commissioners would co-operate for the best interests of the development. He suggested that Mr. Warren communicate with Mr. Randall. In conclusion Commissioner Fagen moved that the application of Mr. Warren be referred to the Superintendent of Buildings for investigation and report back to the Board.

George J. Wolfe appeared before the Board and requested permission to construct a building to be used for store and offices at 24-26 Seidler Street.

Commissioner Saul advised Mr. Wolfe that no action could be taken by the Board until the Zoning Commission had reported, and suggested that he take the application to the Zoning Board.

Counsellor Stephen Piga appeared before the Board with reference to the application of Bower & Grossman for permission to build apartments and stores on the west side of the Boulevard between Lexington and Clendenny Avenue.

Commissioner Fagen advised Mr. Piga that the matter had been referred to him and that through an oversight had neglected to make the investigation. He suggested that the matter be laid over to August 11th, 1925, at 3 P. M., in the Assembly Chamber, City Hall, Jersey City.

John Wirtz appeared before the Board and requested permission to erect two private garages in the rear of 208 Olean Avenue.

Commissioner Moore moved that the application be referred to the Building Department for investigation and report.

Mr. Edward Doltz appeared before the Board and requested that permission be granted to John Doltz to erect five single private garages in the rear of 96-98 Tuers Avenue.

Commissioner Fagen stated that before voting on the application he would like to view the property and requested that the application be referred to him.

CITY ORDINANCES

This time and place having been set and advertised for the purpose of further considering the final passage of the following ordinance: "Rezoning from residential so as to include within the business district, Lots 64 and 65A in Block 1833, Montgomery Street, Jersey City, N. J."

the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the ordinance.

Counsellor Wortendyke appeared with a large delegation of residents and property owners adjacent to the location of the proposed rezoning site, and through Counsellor Wortendyke, protested against the proposed rezoning.

Mrs. W. J. Emily of 885 Montgomery Street also spoke against the proposed change.

Mr. J. A. Mackay also protested against the proposed change.

Mr. Somers, the applicant for the change in the designation from residential to business, appeared and stated that he had the consent of the property owners on his side of the street.

Commissioner Moore advised Mr. Somers that in view of the fact that such a large number of persons appeared to protest and that only the applicant appeared in favor of the application, the policy of the Board was that the protestants must be given preference. Thereupon Commissioner Moore directed the City Clerk to read the ordinance and call the roll.

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An ordinance to amend an ordinance, entitled "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specific uses and regulating and limiting the height and bulk of buildings hereafter erected, and

regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries and districts for the aforesaid purposes and providing penalties for the violation of its provisions," passed March 21, 1922.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

1. That the "Use District Map" forming a part of the ordinance to which this ordinance is an amendment, be and the same is hereby amended so as to include within the business district Lots 64 and 65A in Block 1833, Montgomery Street, Jersey City.

2. This ordinance shall in no wise limit or restrict any other section of the ordinance with relation to the regulations concerning said district.

3. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was rejected by the following vote:

Yeas: None.

Nays: Commissioners Fagen, Moore, Quinn and Saul.

By Commissioner Moore:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

Nays: None.

At this time Mr. A. Drossner appeared before the Board and requested permission on behalf of the Lafayette & Greenville Bus Owners' Association to conduct a bazar on the Eagle Club's grounds, at Ocean Avenue and Forrest Street. He stated that the proceeds would be donated to charity.

Commissioner Quinn advised Mr. Drossner that the general public of Jersey City are opposed to such affairs and that his policy is to grant such applications to churches and fraternal organizations only. Therefore he could not grant a permit to him.

The hearing on the improvement of Van Houten avenue and other streets, having been adjourned to this time and place, several property owners appeared and urged the undertaking of the proposed improvement. Commissioner Fagen advised those present that the improvement of Van Houten avenue hinged upon the proposed improvement of Sterling avenue and that no action could be taken on Van Houten avenue until Sterling avenue has been acted. However, he suggested that the property owners select a committee to meet with him (Commissioner Fagen) and that some temporary arrangement be made to relieve the situation by filling in with broken stone, as was done on Sterling avenue. The property owners agreed to appoint a committee to meet Commissioner Fagen at 2 p. m. Wednesday, August 19th, 1925.

Commissioner Fagen thereupon moved that the hearing be adjourned for a period of two weeks.

Counselor Samuel Greenstone of 49 Brinkerhoff street, appeared before the Board and requested permission to change the present frame residence 175 Myrtle avenue, Jersey City, by adding a brick addition, the building when altered, to be used as a synagogue.

Commissioner Saul informed Mr. Greenstone that under the law a frame residence cannot be converted to any other purpose.

This time and place having been set and advertised for the purpose of further considering the final passage of an ordinance authorizing $10,000.00 Emergency Bonds of the City of Jersey City to prevent an epidemic of small-pox, entitled "An Ordinance authorizing $10,000.00 Emergency Bonds of the City of Jersey City," the City Clerk called for anyone who might desire to protest against the passage of same. No one appeared to protest and no written protests were received, Commissioner Moore moved the adoption of said ordinance.

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An Ordinance authorizing $10,000.00 Emergency Bonds of the City of Jersey City.

Whereas, There has been a number of smallpox cases among the population of the City, and in the opinion of this Board it is advisable to take precautions to prevent an epidemic of smallpox by employing extra doctors and nurses and to purchase sufficient vaccine to vaccinate the people to prevent the spread of the disease, and the City is without funds to meet the necessities and the conditions created thereby for the preservation of the public health,

Now, therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $10,000.00 is hereby appropriated for the purpose of employing extra doctors and nurses and to purchase vaccine, to vaccinate the population of the City to prevent an epidemic of smallpox.

Section 2. By authority of an Act of the Legislature of the State of New Jersey entitled "An Act concerning municipal and county finances." Approved March 28th, 1917 as amended and for the purpose of meeting said appropriation $10,000.00 Emergency Bonds shall be issued, bearing interest at a rate of four per cent per annum, said bonds shall mature on or at the option of the City before December 31st, 1926, and shall be signed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk and shall state they are issued to pay the cost of the preventative measures taken to prevent an epidemic of smallpox during August and September, 1925.

Section 4. The Emergency Bonds

herein authorized are awarded and sold to the Sinking Fund Commission of Jersey City at par and accrued interest and the Director of the Department of Revenue and Finance is authorized and directed to have said bonds prepared, and after the execution thereof to deliver same upon receipt of purchase price therefor.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

ORDINANCE HEARINGS

This time and place having been set and advertised for the purpose of further considering the final passage of the following described ordinances:

"An ordinance granting permission to J. W. Greene, Inc., to construct a steel and wire glass marquise in front of its building at 306-320 Grove Street, Jersey City, New Jersey."

The City Clerk called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received.

Commissioner Fagen moved the adoption of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to J. W. Greene' Inc., to construct a steel and wire glass marquise in front of its building at 306-320 Grove Street, Jersey City, New Jersey.

The Board of Commissioners of Jersey City do ordain:

Section 1. Permission is hereby granted to J. W. Greene, Inc., to construct in front of its building at 306 to 320 Grove Street, Jersey City, a steel and wire glass marquise extending 10 feet from the building over the sidewalk and 18 feet in length, all of which is more particularly shown on the blueprint annexed to the said petition heretofore filed herein.

Section 2. This ordinance shall be in full force and effect for a period of twenty years but no work of construction shall have begun thereunder until the acceptance thereof shall have been filed with this board in the manner required by law.

Section 3. In accepting the privileges of this ordinance and the operation and maintenance herein authorized, the beneficiaries thereby do agree to assume full, complete, and undivided responsibility for any and all injury and damage to persons or property by

reason of such construction or maintenance and to hold the city harmless therefrom.

Section 4. All work herein authorized shall be under the supervision of the Superintendent of Buildings and shall be constructed in accordance with plans to be filed with and approved by said official.

Section 5. For the privilege herein granted the J. W. Greene, Inc., shall pay annually to the Board of Commissioners of Jersey City the sum of $1.00, at the office of the City Comptroller in the City Hall, Jersey City, on the first day of October next succeeding the time when this ordinance shall become effective, and each year thereafter in like manner.

Section 6. This ordinance shall not become effective until an acceptance in writing shall be filed with the City Clerk of Jersey City within 30 days after notice given the said beneficiaries by the City Clerk of Jersey City.

The City Clerk read the foregoing ordinance as being ready for final passage.

ORDINANCE HEARINGS

This time and place having been set and advertised for the purpose of further considering the final passage of the following described ordinances:

"An ordinance for the relief of Harry E. Le Long of the City of Jersey City, in the County of Hudson and State of New Jersey, in relation to the encroachments of the building and appurtenances situated on the northwest corner of Ocean Avenue and Dwight Street in said City of Jersey City."

The City Clerk called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protest was received.

Commissioner Fagen moved the adoption of said ordinance.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance for the relief of Harry E. LeLong of the City of Jersey City in the County of Hudson and State of New Jersey, in relation to the encroachments of the building and appurtenances situated on the northwest corner of Ocean Avenue and Dwight Street in said city of Jersey City.

Whereas, It has been reported to the Mayor and Board of Commissioners of Jersey City by petition of Harry E. LeLong that there is erected a building on the northwest corner of Ocean Avenue and Dwight Street, being in said city, known as Lot 29, Block 1324, Street No. 459 Ocean Avenue, used for store and dwelling purposes, which building with appurtenances extends beyond the building line of Ocean Avenue and beyond the building line of Dwight Street as follows:

The cornice across the front of the building extends over the building line of Ocean Avenue to the extent of about .4 of a foot and the cornice along the side of the building extends over the building line of Dwight Street to the extent of about 1.65 feet; the concrete steps at the corner extend over the building line of Ocean Avenue and also over the building line of Dwight Street to the extent of about 1.10 feet; the concrete entrance steps on the side of the building extend over the building line of Dwight Street to the extent of about 2 feet; the areas on the side of the building extend over the building line of Dwight Street to the extent of about 3 feet; the building itself at the rear thereof extends over the building line of Dwight Street to the extent of .35 feet, gradually diminishing as it approaches the center of the building, at which point it is on the building line. The cellar doors on the side of the building extend over the building

line of Dwight Street to the extent of about 5 feet. All as shown on a survey made by Joseph W. Obreiter on February 6, 1925, which is part of the above application and now on file in the office of the City Clerk, City Hall, Jersey City; and

Whereas, The said Harry E. LeLong prays permission to maintain said encroachments, and a public hearing having been held thereon after due notice given in accordance with the statute and there being no objections thereto,

Now therefore, the Board of Commissioners of Jersey City do ordain as follows:

Section 1. That permission be and the same is hereby granted to Harry E. LeLong, his executors, administrators and assigns, to maintain the said building with the appurtenances now erected on said lands as the same now stands, insofar as it relates to the aforesaid encroachments until such time as the same shall be removed or requires reconstruction or rebuilding, at which time the same shall be made to conform to the building line as established.

Section 2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

MEETING OF SEPTEMBER 15, 1925

Minutes of a Regular Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., Tuesday, September 15th, 1925, at 2 P. M.

Present: Commissioners Fagen, Moore, Quinn, Saul, and Mayor Hague.

Absent: None.

CITY ORDINANCES

This time and place having been set for the purpose of considering the final passage of the following ordinance:

An ordinance to amend an ordinance, entitled "An ordinance regulating and restricting the location of buildings designed for specific uses and regulating and limiting the height and bulk of buildings hereafter erected, and regulating and determining the area of yards, courts and other open spaces surrounding buildings, and establishing the boundaries and districts for the aforesaid purposes and providing penalties for the violation of its provisions," passed March 21, 1923. (Rezoning westerly side of the Hudson Boulevard between Hague Street and Secaucus Road.)

the City Clerk read the ordinance and then called for anyone who might desire to protest against the passage of the ordinance.

No one appeared to protest and no written protests were received against the ordinance.

By Commissioner Saul:

Resolved, That the hearing on the ordinance for the re-zoning of the westerly side of the Boulevard between Hague Street and Secaucus Road, be and the same is hereby adjourned and continued to Tuesday, September 29th, 1925, at 2 P. M., Standard Time, in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul, and Mayor Hague.

Nays: None.

FRANCHISE HEARINGS

At this time Counsellor Minard, representing the Erie Railroad Company, appeared before the Board and stated that his company had negotiated as far as possible for the acquiring of land on Twelfth Street, in connection with the proposed vacation of Eleventh Street, and that there are about five parcels on which condemnation proceedings have been commenced.

Miss J. Clarke, of 247 Twelfth Street, Jersey City, N. J., appeared and stated that the Erie Railroad Company had not as yet purchased her property. Mrs. T. Drumm also appeared before the Board and stated that her property has not been acquired by the Erie Railroad as yet.

Corporation Counsel Brogan advised the Board that from his understanding the Erie Railroad Company cannot proceed until the Tunnel Company acts, and that action was up to Counsellor Carey.

Mrs. Drumm stated that up to the present time no one of authority has called on her to actually discuss the matter.

Mrs. Dunn, representing the Campbell Estate, also appeared and stated that their property had not been taken over by the Erie Railroad Company.

In conclusion the Mayor advised those present to meet with Corporation Counsel Brogan at his office in the City Hall, on Friday, September 18th, 1925, at 10 A. M. so that the matter be promptly discussed. The Mayor also recommended that the hearing be adjourned for a period of two weeks and then another adjournment for a period of two weeks.

HEARINGS

Counsellor James F. Gannon, Jr., appeared before the Board and stated that he represented the West Side Construction Company and urged that a permit be granted for the construction of 28 private garages on an interior lot at 127 Delaware Avenue, Jersey City, N. J., said garages to serve the tenants of the three 20-family houses on Kensington Avenue.

Commissioner Fagen stated that in his opinion garages are constructed in excess of the demand. Mr. Gannon stated that it was so in some sections.

Commissioner Fagen stated however, that he would not vote for the permit unless the residents and property owners in the section were granted a public hearing.

In conclusion Commissioner Saul stated that he would send one of his inspectors to investigate the matter and recommended that the matter be laid over for one week.

Counsellor Charles Young appeared before the Board at this time and protested against the permit which was granted for the construction of a garage at the northeast corner of the Boulevard and Carlton Avenue. He stated that his client was assured by the Superintendent of Buildings that no permit would be granted and then a permit was granted.

Commissioner Saul stated that the reason the permit was denied on the first application was that the roof was to be constructed of wood and that subsequently a new application was filed making the entire building fireproof and in accordance with rules and regulations governing such matters, the City had to grant the permit.

MISCELLANEOUS BUSINESS

By Commissioner Fagen:

Resolved, That the hearings on the following ordinances be and are hereby adjourned and continued to Tuesday, September 29th, 1925, at 3 o'clock p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.:

"An ordinance granting the Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company and each of them, their and each of their successors and assigns the right to construct and maintain bridges over certain streets in Jersey City."

"An ordinance for the vacation of Eleventh Street in Jersey City, N. J."

"An ordinance for the vacation of Provost Street in Jersey City, N. J."

Adopted.

Yeas: Commissioners, Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

In connection with the applications filed by the Exchange Transportation Company by Fred Sternkopf, president, requesting the Board to create certain bus lines or routes from Jersey City via the proposed vehicular tunnel to New York and to grant them permission to operate motor buses over the said routes, the Mayor at this time stated that these applications should be acted upon very carefully because of the fact that it was a very important project involving a large amount of money, and that if there was any benefit to be derived the people of Jersey City should know about it and that Jersey City should receive whatever benefit there is. Further, that in view of the fact that the tunnel will not be completed for some months, Jersey City could not take proper action at this time. In conclusion, he moved that the application be denied.

By Mayor Hague:

Resolved, That the application filed this day with the Board of Commissioners of Jersey City by the Exchange Transportation Company by Fred Sternkopf, president, requesting the Board of Commissioners to create bus lines or routes and to grant permission to the said Exchange Transportation Company to operate and maintain motor buses along said routes, as follows:

Journal Square, Jersey City, to Varick and Canal streets, New York city, and return.

City of Newark to New York city and return.

MEETING OF SEPTEMBER 22, 1925

Minutes of a Regular Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., on Tuesday, September 22, 1925, at 2 p. m.

Present: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Absent: None.

This time and place having been fixed for hearing to show cause as to why the contract of Connell & Murtha for the paving of Congress Street, from Central Avenue to Paterson Plank Road (outside of car tracks and the rails of the Public Service Railway Corporation), should not be abandoned, the City Clerk read the notice served on Connell & Murtha at 1122 Hudson Street, Hoboken, N. J., and advised the Board that said notice had been sent by registered mail and acknowledgment received.

Thereupon Commissioner Fagen declared the hearing open and called for anyone who may be present representing Connell & Murtha. No one appeared for Connell & Murtha.

In accordance with the resolution passed by the Board of Commissioners at the meeting held September 15, 1925, Commissioner Fagen outlined the charges as preferred against Connell & Murtha, in that the said contractor has unreasonably delayed the work as evidenced by its actual progress as compared with the required progress, the work has not been fully completed within the time designated in said contract for its completion, but that it has been abandoned, that there is no material on the street to show that the work is to be resumed, that there are lien claims filed with the City against the said contractor for material, all of which tends to show that the work has been abandoned. He therefore recommended that the contract be abandoned and that the Board authorize him to employ the City's street repairmen to complete the contract, and to purchase the necessary materials, all of which shall be paid for out of the balance of the money appropriated by the City for the said contract. Commissioner Fagen thereupon moved the following resolution:

By Commissioner Fagen:

Whereas, Contract was heretofore entered into between this City and Connell & Murtha bearing date of October 27, 1924, for the regulating and paving with granite block, concrete foundation, the roadway of Congress Street, from Central Avenue to Paterson Plank Road (outside of car tracks and rails of the Public Service Railway Corporation) in accordance with the specifications and proposals forming a part of said contract; and

Whereas, The said contractors have not proceeded to complete or to perform said contract in the manner required thereby or by the specifications thereunto annexed; and

Whereas, The Chief Engineer of the Department of Streets and Public Improvements in accordance with that portion of the specifications as found on page eight under the heading, "If Contract Is Not Completed as Per Terms," as certified to the director of said department by letter that the said contractors were unnecessarily delaying in the performance of said work; and

Whereas, Said contractors were thereupon notified to appear before this Board on this day, Tuesday, September, 29, 1925, at three o'clock p. m. (Daylight Saving Time), in the Assembly Chamber, City Hall, Jersey City, N. J., and show cause why action should not be taken by this Board under the provisions of said

contract; and

Whereas, Notice was also given to Fidelity and Deposit Company of Maryland, surety on the bond given in connection with the said contract; therefore be it

Resolved, That, upon the recommendation of the said director said contractors be and they are hereby notified to discontinue all work under said contract or specifications annexed thereto, all being done in pursuance of section of said specification above referred to; be it further

Resolved, That the City Clerk be and he is hereby directed to forward a certified copy of this resolution to the contractors and to the Fidelity and Deposit Company of Maryland.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Later in the meeting a member of the firm of Connell & Murtha, contractors on Congress Street, appeared and said that he had been in the Assembly Chamber previous and at 3 o'clock but no Commissioners being present, that he went to the Engineers' office of the Department of Streets and Public Improvements and from there came in to the Commission meeting and was surprised to find that his contract was abrogated and said that he could continue on with the contract. Thereupon, Commissioner Fagen said that he would be very much pleased if the contractor could finish his contract as he had all the desire in the world to help the firm and it would be to the advantage of the city to have the contractor finish his work and would therefore move:

By Commissioner Fagen:

Resolved, That the hearing and resolution rescinding and declaring the contract of Connell & Murtha passed this day be reconsidered and rescinded and said hearing be reopened.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Thereupon a member of the firm of Connell & Murtha at whose solicitation the above hearing was reopened and resolution rescinded and reconsidered—declared that although he was overtime and the facts as stated by the Director's communication was true, in extenuation said that the engineers of the Department on several occasions did not give him grades. The Director of Streets and Public Improvements said that he was informed by the engineers and that it was just the contrary; but that if Messrs. Connell & Murtha could give assurances of their financial ability by producing material upon the street, that he would consent and would move that a continuation of one week be allowed to the said contractors and thereupon moved as follows:

By Commissioner Fagen:

Resolved, That the contractors, Connell & Murtha, who recited this day to show cause why their contract should not be declared abandoned for nonfulfilment according to specifications, be allowed a further week to demonstrate their ability to finance and finish their contract on Congress Street of that part which lies without the rail.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

This time and place having been fixed for hearing to all persons interested for or against the application of Louis Theisen to erect eight individual garages at 282 Columbia Avenue, the City Clerk read the notice that was served upon the interested persons through the Police Department, and then called for anyone who might be interested in the application.

The applicant, Louis Theisen appeared before the Board and urged that the permit be granted to him.

Several property owners appeared and protested against the granting of

the application. Mrs. Weiserfeld, of 293 Columbia Avenue, stated that Mr. Theisen had four garages erected at the present time; that the street is about to be fixed; that the additional garages will depreciate adjacent property.

Mr. Theisen stated that the four garages were erected five years ago; that he has two lots and the rest of the plot is vacant.

Mrs. Weiserfeld stated that the adjoining property are all private houses.

Commissioner Fagen suggested to Mr. Theisen that he build a house on the plot. Mr. Theisen replied that such an improvement will not pay him.

Thereupon Commissioner Fagen moved that the application be denied inasmuch as the proposed garages will endanger life, limb and property, especially be dangerous to younger children, and will create an extra fire hazard.

The following resolution was then moved:

By Commissioner Fagen:

Resolved, That the application of Louis Theisen for permission to erect eight individual garages at 282 Columbia Avenue, be and the same is hereby denied, for the reason that said garages would endanger life, limb and property, would be especially dangerous to the younger children, and would create an extra fire hazard.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

At this time Counsellor James Pyle appeared before the Board requesting that a permit be granted to Clott Bros. to construct a brick building on the east side of Fowler Avenue, running from Danforth to Cator Avenue, said building to be used for stores and a living apartment over each store on each corner of the building. He stated that the application had been presented in the usual way and had been rejected by the Zoning Commission on the ground that the section is zoned against stores. Further, that on account of Fowler Avenue having been cut through, his clients' plot is irregular, being 225 feet on Fowler Avenue, 17 feet deep on Cator Avenue and 18 feet deep on Danforth Avenue, and that the structure as proposed is the only logical improvement; that the improvement will benefit the neighborhood. He also stated that the building will occupy the entire plot of ground.

Commissioner Saul stated that under the law the building cannot occupy the entire plot of ground.

Mr. Pyle agreed to make whatever modifications required by the Building Department.

In conclusion the Mayor suggested that Mr. Pyle communicate with Commissioner Saul so that the matter may be again considered at the next meeting of the Board of Commissioners on September 29, 1925.

Counsellor Frederick Henn, appearing for Joseph Contras, requested a permit for the construction of a public garage at 62-64-66 St. Pauls Avenue. He stated that at the present time sheds and stables are erected there.

Commissioner Saul stated that it was unfair to the adjacent property owners, because the garage will occupy 100 per cent of the plot and at the present time there are two apartment houses there, one on each side of the proposed garage, further that under no circumstances can the garage be erected within ten feet of the adjacent buildings.

The Mayor recommended that the application be received and that a public hearing be called so that all persons who may be interested either for or against the application may be heard. Thereupon the matter was laid over for a period of two weeks.

Counsellor Robert Brenner appeared before the Board at this time and requested permission for the Hub Realty Company to erect six stores with living apartments over said stores at 2257-2259 Boulevard. He stated that an application had been filed some time ago by a Mr. Hartstein for the construction of stores only, and the ap-

plicant was advised that a permit would be granted provided living apartments were constructed over the stores.

Commissioner Saul asked Mr. Brenner if a new application had been filed in the usual manner and he was informed that no new application had been filed. Thereupon the Commissioner advised Mr. Brenner that he must file a new application which will take the usual course.

FRANCHISE HEARINGS

This time and place having been advertised and notices posted for the purpose of holding a public hearing on the following described applications for franchise privileges:

Application of Mack-International Motor Truck Co. for permission to construct and maintain a vault under the sidewalk at Giles Avenue, between Broadway and the Penn. R. R. Co.

Application of the Lehigh Valley Railroad Company for permission to lay and maintain a double track crossing Henderson Street south of Grand Street.

Application of the Lehigh Valley Railroad Company requesting the vacation of a portion of the intersection of Essex and Van Vorst Streets, the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against any of the above described applications. No one appeared to protest and no written protests were received against any of said applications.

By Commissioner Fagen:

Resolved, That the hearing on the following described applications:

Mack-International Motor Truck Co., vault, Giles Avenue.

Lehigh Valley R. R. Co., double track Henderson Street south of Grand Street.

Lehigh Valley R. R. Co., vacation of portion of intersection of Essex and Van Vorst Streets,

be and the same is hereby adjourned and continued to Tuesday, October 6, 1925, at 3 p. m., standard time, in the Assembly Chamber, City Hall, Jersey City, N. J.

This time and place having been advertised for the purpose of further considering the final passage of the following ordinance:

An ordinance granting permission to the United New Jersey Railroad & Canal Company, Owner, The Pennsylvania Railroad Company, Lessee, to construct or cause to be constructed a siding or spur track on Warren Street extending or connecting the existing siding on Warren Street in a southerly direction approximately 136 feet to the plant of Builders' Material Corporation, to provide shipping facilities for said corporation,

the City Clerk read the ordinance and then called for anyone who might desire to protest against the passage of the foregoing ordinance. No one appeared to protest and no written protests were received against the passage of said ordinance.

Thereupon Commissioner Fagen moved the adoption of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to the United New Jersey Railroad and Canal Company, owner, the Pennsylvaniavaia Railroad Company, lessee, to construct or cause to be constructed a siding or spur track on Warren Street extending or connecting the existing siding on Warren Street in a southerly direction approximately 136 feet to the plant of Builders' Material Corporation, to provide shipping facilities for said corporation.

Whereas, United New Jersey Railroad and Canal Company, owner, and Pennsylvania Railroad Company, lessee, made application to the Board of Commissioners of Jersey City, by written petition, for permission to extend the existing siding or spur track on

Warren Street by an extension of said siding from its present southerly terminus to the plant of the Builders' Material Corporation, a distance of approximately 136 feet, said petition having annexed thereto a plan showing the proposed extension; and said Board of Commissioners having duly advertised the same and having held a public hearing for objections thereto, at which no one appeared to make objections to the permission asked for;

Therefore the Board of Commissioners of Jersey City do ordain:

Section 1. Permission is hereby granted to the United Jersey Railroad and Canal Company (the Pennsylvania Railroad Company, lessee) to construct or cause to be constructed a spur track or siding to connect the southerly end of the existing siding on Warren Street with the plant of Builders' Material Corporation, a distance of approximately 136 feet, in the manner shown upon the plan annexed to the said petition presented to and filed with this Board.

Section 2. This ordinance shall be in full force and effect for a period of twenty years, but no work of construction shall be begun thereunder until an acceptance of this ordinance shall have been filed with this Board in the manner required by law.

Section 3. In accepting the privileges of this ordinance and the operation and maintenance herein authorized, the beneficiaries thereby agree to assume full, complete and undivided responsibility for any and all injuries or damages to persons and property by reason of such operation and maintenance and to hold the City harmless therefrom.

Section 4. For the privileges accorded herein said United New Jersey Railroad and Canal Company (the Pennsylvania Railroad Company, lessee), its successors or assigns, shall pay annually to the Board of Commissioners of Jersey City the sum of $244.00, in proper proportions, which payments shall be made semi-annually in advance to the City Comptroller of Jersey City at his office in the City Hall on the first days of January and July next succeeding the day when this ordinance shall become effective, and each year thereafter in like manner.

Section 5. This ordinance shall be subject to all conditions contained in the ordinance granting permission for the laying of the present track in Warren Street to which this extension of track is to be connected to and made a part hereof.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Sec. 1. The sum of $600.00 is hereby appropriated for the improvement of Crawford Street from Summit Avenue to the westerly terminus in addition to the sum heretofore appropriated for said purpose.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $600.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent per annum, and may from

time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the improvement of Crawford Street.

Sec. 4. Said bonds shall be sold by the Director of The Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Sec. 6. The aforesaid appropriation is to apply to local improvements and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

CITY ORDINANCES

This time and place having been advertised and set for the purpose of considering the final passage of the following ordinance:

An ordinance authorizing $12,500.00 Temporary Improvement Bonds of the City of Jersey City (additional land, Jersey City Library, Montgomery Street),

the City Clerk read the ordinance and then called for anyone who might desire to protest against the passage of said ordinance. No one appeared to protest and no written protests were received against the final passage of said ordinance.

Commissioner Moore thereupon moved the following ordinance:

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $12,500.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $12,500.00 is hereby appropriated for the purchase of Lot D, Block 271, Mercer Street, for additional land for the Jersey City Library.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $12,500.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission," approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance purchase of additional land for Jersey City Library.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance

was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

FRANCHISE HEARING

The hearing on the vacation of Eleventh Street having been adjounred and continued to this time and place, the City Clerk called for anyone who might desire to be heard in the matter.

Counsellor Minard appeared for the Erie Railroad Company.

Mr. Thomas A. Drumm of 100 Bentley Avenue appeared as an interested property owner on Twelfth Street.

Mr. Drumm stated that he had reduced the price he was asking for his property from $35,000.00 to $27,500.00 and that the Erie Railroad Company had increased their offer from $23,000.00 to $25,000.00, there still being a difference of $2,500.00.

Corporation Counsel Brogan advised the Board that Mr. Drumm's case would probably be adjusted, but that the difficulty at the present time is that the Erie Railroad Company will negotiate, but the Tunnel Commission will not take any action. Mr. Minard stated that he has requested his company to agree on Mr. Drumm's price.

Mr. Brogan stated that at the conference held about ten days ago the Erie Railroad Company was represented by an expert and counsel; the property owners were present, but the stumbling block was the Tunnel Commission.

The Mayor stated that the Tunnel Commission was seeking the vacation of Eleventh Street and by their action are obstructing the progress of said vacation. He futher stated that the street will be vacated as soon as the property is adjusted fairly to the property owners, and that the property which cannot be negotiated will have to go into litigation. He also suggested that the Board of Commissioners send an official communication to the Tunnel Commission advising them that the Erie Railroad Company is willing to negotiate with Mr. Drumm, also that the Tunnel Commission's failure to take action was holding up the procedure in the vacation of Eleventh Street.

Mr. Drumm at this time requested the Board to advise the Tunnel Commission that they are destroying property values in the Horseshoe section of Jersey City by letting property which they have acquired go to ruin. Fires have been started in the buildings and the property is being neglected. The Mayor advised Mr. Drumm that he would instruct the Health Bureau to take steps to remedy the conditions.

The Mayor also suggested that Mr. Minard advise Mr. Brogan as to the property owners who will not negotiate, so that Mr. Brogan may send for them and discuss the matter, in order that a settlement may be reached.

In conclusion the Mayor directed Mr. Brogan to prepare a communication to be sent by the Board of Commissioners to the Tunnel Commission, advising them of the action taken by the Erie Railroad Company in the case of Mr. Drumm, and also that the vacation of Eleventh Street was being obstructed on account of the Tunnel Commission's inactivity in the matter.

The following resolution was thereupon moved:

By Commissioner Fagen:

Resolved, That the hearing on the following ordinances be and are hereby adjourned and contniued to Tuesday, October 13, 1925, at 3 o'clock p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.:

"An ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street."

"An ordinance granting the Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company and each of them, their and each of their successors and assigns,

the right to construct and maintain bridges over certain streets in Jersey City."

"An ordinance for the vacation of Eleventh Street in Jersey City, N. J."

"An ordinance for the vacation of Provost Street, in Jersey City, N. J."

Adopted.

ALTERATION HEARINGS

This time and place having been set and notice advertised for the purpose of considering the applications of:

Morris Friedlander, sign at 755 Montgomery Street.

Dr. Benj. Rose, sign, 126 Newark Avenue.

the City Clerk called for anyone who might desire to protest against the granting of said permission. No one appeared to protest and no written protests were received:

By Commissioner Saul:

Resolved: That application of Dr. Benjamin Rose for permission to erect sign to extend seven feet from building line at premises 126 Newark Avenue, Jersey City, be approved same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

PETITIONS AND COMMUICATIONS

From James Gregory, requesting permission to erect sign at 327 Barrow Street.

Received.

From the Rotary Club, submitting copy of resolution passed by them urging the Board of Commissioners to repave Exchange Place.

From the Journal Square West Association, asking the City Commission to acquire by condemnation or purchase, a public highway or pedestrian concourse along the course of the present path from Van Reipen Avenue to Boulevard Plaza, of a width of at least from 20 to 25 feet.

Received.

In connection with the foregoing petition a large delegation of property owners and residents, members of the Journal Square West Association, appeared before the Board and urged the necessity of making this improvement as soon as possible before proposed improvements make the cost prohibitive.

Commissioner Moore advised the delegation that the Commission approved the proposed improvement but due to the fact that a great many improvements had to be taken care of in the past few years and at present the demands that are being made upon the City, the proposed plan would have to be worked out with the general financial condition. He suggested, however, that the plan be submitted to Commissioner Fagen for investigation.

The Mayor also advised the delegation that the Board favored the project but would like to know the probable cost.

In conclusion the Mayor referred the matter to Commissioner Fagen for the purpose of having the Engineering Bureau make surveys and estimates.

HEARINGS:

At this time Counsellor Thomas Meaney appeared before the Board on behalf of Isaac Abrahams who filed an application with the Board of Commissioners in June, 1925, for permission to convert business property into a garage at Columbia Avenue and Lincoln Street. He stated that at the time of filing the application the matter was referred to Corporation Counsel Brogan who is ready to make his report today.

Mr. Brogan stated that the premises were used as a factory and it is the applicant's desire to use it now as a garage and that as long as the plans complied with the bulding code, the Board had no right to deny it.

Mr. Meaney stated that when the application was filed, five or six persons objected. They protested against the building being used for a factory and now it is to be used as a garage, and that it was not introducing any new business, the building formerly having been used for business.

The mayor advised Mr. Meaney that it was the policy of the Board to notify adjacent property owners and action depended on the said property owners.

Commissioner Saul stated that he was concerned in the plans complying with the building code and as far as the use of the building, that would come before the Board for action.

In conclusion, the Mayor advised Mr. Meaney to prepare a preliminary sketch and submit it to the Building Department for report to the Board.

Mr. Meaney stated that he was not asking for action in the matter, but merely wanted the Board to take the matter under advisement.

Counsellor Jacob Singer appeared before the Board on behalf of a client and stated that an application had been filed for permission to construct a one-story brick building on the northwest corner of Griffith Street and Summit Avenue and the application had been rejected by the Zoning Commission; that the building would be an improvement to the neighborhood; and that there are stores and garages on the block at the present time. Commissioner Saul stated that the matter was up before the Board in June, 1925, and that another application was filed by the Counsellor on September 5, 1925.

Counsellor Singer stated that in 99 out of 100 cases, in such cases, the applicant will engage counsel, start mandamus action and usually gets a permit; that he was appearing before the Board to satisfy his client that the matter was being properly presented.

The Mayor stated that in view of the application having been denied, there could be no reasonable excuse given to property owners for the granting of the permit at the present time. Mr. Singer then requested that the matter be given a public hearing.

Thereupon the Mayor advised the City Clerk to arrange for a public hearing in the Assembly Chamber, City Hall, Jersey City, on Tuesday, October 13, 1925, at 3 p. m.

Counsellor Pyle appeared before the Board at this time with reference to the application of Clott Bros. for permission to construct a one-story brick store building with living apartments over each corner store, on the east side of Fowler Avenue between Cator Avenue and Danforth Avenue.

Commissioner Saul stated that the plans complied with the building code.

The Mayor advised Mr. Pyle that a public hearing will have to be held in the matter, and in accordance therewith instructed the City Clerk to arrange for said hearing on Tuesday, October 6, 1925, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City.

From Free Public Library, submitting resolution passed by their Board of Trustees on Sept. 25, 1925, requesting the board to appropriate $40,000.00 for the acquiring of additional land on Montgomery Street for the Free Public Library.

Received and referred to Commissioner Moore.

In accordance with the terms of the following resolution, which was adopted by the Board of Commissioners at the meeting held September 22, 1925:

"Resolved, That the contractors, Connell & Murtha, who recited this day to show cause why their contract should not be declared abandoned for non-fulfillment according to specifications, be allowed a further week to demonstrate their ability to finance and finish their contract on Congress Street of that part which lies without the rail," the City Clerk announced that the extension of one week had expired, and then called for anyone who might desire to be heard in the matter. Messrs. Connell & Murtha did not appear, nor were they represented by anyone.

Thereupon Commissioner Fagen moved the following resolutions:

By Commissioner Fagen:

Whereas, contract was heretofore entered into between this city and Connell & Murtha bearing date of October 27, 1924, for the regulating and paving with granite block, concrete foundation, the roadway of Congress Street from Central Avenue to Paterson Plank Road (outside of car tracks and rails of the Public Service Railway Corporation) in accordance with the specifications and proposals forming a part of said contract, and

Whereas, the said contractors have not proceeded to complete or to perform said contract in the manner required thereby or by the specifications thereunto annexed, and

Whereas, the Chief Engineer of the Department of Streets and Public Improvements in accordance with that portion of the specifications as found on page eight under the heading, "If Contract is not completed as per terms" as certified to the director of

the said department by letter that the said contractors were unnecessarily delaying in the performance of said work, and

Whereas, said contractors were thereupon notified to appear before this board on this day, Tuesday, September 29, 1925, at three o'clock p. m. (Daylight Saving Time) in the Assembly Chamber, City Hall, Jersey City, N. J., and show cause why action should not be taken by this board under the provision of said section of the said specifications, and

Whereas, notice was also given to Fidelity and Deposit Company of Maryland, surety on the bond given in connection with the said contract, therefore, be it

Resolved, That upon the recommendation of the said director said contractors be and they are hereby notified to discontinue all work under said contract or specifications annexed thereto, all being done in pursuance of section of said specifications above referred to, be it further

Resolved, That the City Clerk be and he is hereby directed to forward a certified copy of this resolution to the contractors and to the Fidelity and Deposit Company of Maryland.

CITY ORDINANCES

This time and place having been fixed and public notice having been advertised for the purpose of considering the final passage of the following ordinance:

"An ordinance authorzing $62,000 Temporary Improvement Bonds of the City of Jersey City."

The City Clerk read the ordinance and then called for anyone who might desire to protest against its final passage. No one appeared to protest and no written protests were received against the final passage of said ordinance.

Commissioner Fagen thereupon moved the following ordinance:

By Commissioner Fagen for Commissioner Moore:

Resolved, that the following ordinance do now pass:

An ordinance authorizing $62,000.00 temporary improvement bonds of the City of Jersey City. The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $62,000.00 is hereby appropriated for the construction of a 15-in. V. P. sewer in Terrace Avenue from a point 16 feet south of Reserve Avenue to a point about 105 feet south of Zabriske Street; an 18-in. V. P. sewer from a point about 330 feet south of Thorne Street to the north line of Bleecker Street; thence a 24-in V. P. sewer to and connecting with the sewer in North Street.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $62,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough,

Village, Town, Township or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City and attested by the City Clerk, and shall recite they are issued to temporarily finance the building of the sewer in Terrace Avenue.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect therof shall be determined by said Director

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Sec. 6. The aforesaid appropriation is to apply to local improvement and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen for Commissioner Moore:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

HEARINGS

This time and place having been fixed by the Board of Commissioners for the purpose of holding a public hearing in the matter of the application filed by Fred Henn, Attorney for Jos. Contras, requesting permission to erect a public garage at No. 62, 64, 66 St. Pauls Avenue, Jersey City, N. J., the City Clerk advised the Board that all parties in interest had been notified, and then declared the hearing open.

Counsellor Henn stated that the application was for permission to construct a public garage at 62, 64, 66 St. Pauls Avenue; that the property was until recently in the zone limited for residential purposes and has been changed; that opposite the proposed garage there is constructed twenty-eight garages up to the building; next door to that on the opposite side of the street is located the plant of the Prospect Milling and Planing Company; across the street, is the Oakland Lumber Company; on the northeast corner there is a factory building at the present time vacant; east of this factory there is the manufacturing plant of the Gutzon Butcher Fixture Company; adjoining the proposed site of the garage is two brick apartment houses; that there is a frame building constructed seven feet from the proposed garage; that he has investigated the property owners on the block and has secured the consent of seven of the owners; that there are 16 or 17 property owners on the block, some of which are unavailable and others refuse to sign, although they are in favor of the proposed garage; that the location is six lots from the corner of Baldwin Avenue, on the north side of the street; that the character of the neighborhood is solely set out for industrial purposes; likewise on Fleet Street, which is one block south; that

at the present time on the site is located wagon sheds and stables which are to be destroyed and the brick garage erected.

Seven property owners of the particular vicinity where the garage is proposed to be erected appeared before the Board, and through Attorney Cieciuch, protested against the erection of the garage, in that the section was really and truly a residential block; there are a number of apartments and contain any where from four to ten families each; that the erection of this garage, a public garage, would be detrimental not only to the property owners, in lowering property values, but would be an additional fire hazard; that the tenants are mostly large families with children; that St. Pauls Avenue is really the main artery of children going to and from Public School No. 6; that the garage is to be erected between two apartment houses, one of which has ten families and the other eight; that there is a frame dwelling between the ten and eight family buildings; that one or two of the factories are vacant and no work being done there; that such a public garage would clutter up the section and make it a business section instead of a residential section as it now stands.

Mr. Henn stated that from his understanding, the protestants were opposed to a public garage, but not to private garages.

Mr. Cieciurch replied that his clients do not object to a person having a garage for his or her own private use, but they certainly do object to a public garage where there are children going to and from school.

Commissioner Saul stated that after hearing the arguments he would recommend that the application be denied and for the further reason that according to the plans the proposed garage will be within ten feet of a building used for living apartments. Thereupon the Commissioner moved the following resolution:

By Commissioner Saul:

Resolved, That the application filed by Fred Henn, Attorney for Joseph Contras, requesting permission to construct a public garage at 62, 64, 66 St. Pauls Avenue, Jersey City, N. J., be and the same is hereby denied, because of the fact that said proposed garage would be erected within ten feet of a building used for living apartments, and because of the protests registered by property owners in the vicinity of said proposed garage, against the erection of said public garage.

Adopted.

Yeas: Commissioner Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

This time and place having been fixed by the Board of Commissioners for the purpose of holding a public hearing on the application filed by James Pyle, attorney for Clott Brothers, requesting permission to erect a one-story brick building with living apartments over each corner store, on the east side of Fowler Avenue between Cator and Danforth Avenues, the City Clerk advised the Board that all parties in interest had been notified, and then declared the hearing open.

Counsellor Pyle appeared for Clott Brothers and stated that the proposed improvement seemed to be the only logical one to make on the plot; that across the street there was a lumber yard.

Mr. Guy Cafiero, as spokesman for the fourteen property owners and residents of the vicinity, who appeared before the Board and protested against the proposed improvement, stated that at the present time there were sufficient stores to take care of the needs of the neighborhood; that directly in the rear of the proposed improvement, new two-family houses are to be erected; that Clott Brothers had an opportunity to sell their plot, but asked an unreasonably high price.

Commissioner Fagen stated that the property opposite was not a lumber yard, but was a vacant plot owned by a

Mr. Lyons who had erected many of the houses up in the section and the lumber there at the present time belonged to Mr. Lyons.

The protestants urged the Board to reject the application because the neighborhood was residential.

Commissioner Fagen stated that while it seems to be a nice development, following out the policy that the Board of Commissioners has adopted and has been pursuing for a number of years, in this where an applicant comes into a neighborhood and desires to put up a building that is not of the character prescribed by the Zoning Act and violent protests are made by immediate property owners in the neighborhood, that the Board does also lean toward the property owners who are there and have their property before the proposed applicant desires to build, and although this is a piece of property that cannot be utilized unless something like the proposed building is constructed, still the protestants are afraid that it will hurt their property. The man across the street who will sustain more damage than those present, is unable to be here today, but on account of the precedent established, he feels compelled to recommend to the Board that the application be rejected as applied for, on the grounds as set forth.

Thereupon Commissioner Fagen moved the following resolution:

By Commissioner Fagen:

Resolved, That the application filed by James Pyle, Attorney for Clott Brothers, requesting permission to erect one-story brick building with living apartments over each corner store on the east side of Fowler Avenue, between Cator Avenue and Danforth Avenue, be and the same is hereby denied, because of the fact that several property owners appeared and protested against said proposed improvement, and the proposed building does not conform to the character of building as prescribed by the Zoning Act.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

At this time Counsellor Pierre Cook appeared before the Board and presented an application for stores and show rooms to be erected by Mrs. M. W. Deymann, at 804 Bergen Avenue. He stated that the matter has been approved by the Zoning Commission, and that the application was referred to the City Commission by Commissioner Saul.

Commissioner Saul advised the Board that in his estimation it appeared to him like an extension to a garage that is built right through, in the rear of a church, on Bergen Avenue; that it is on the east side of Bergen Avenue; that it will be erected to the front, on Bergen Avenue; that it is right adjacent and right up to a frame building; that similar applications have been denied; that in his opinion the Board can only reject the application.

Commissioner Fagen stated that if the proposed improvement was capable of being turned into a garage or service station, right by a church, it is going to destroy the present development which is going on in the vicinity and which involves a large sum of money.

The Mayor stated that development and improvements have been commenced and partly completed that will cost over one million dollars, affecting that particular section of the City.

Mr. Cowan, the architect for the proposed building, stated that they intend to remove the present two-story frame building and that the only garage which will be there is the one erected there at the present time, having the same entrance.

Commissioner Saul stated the building is designed so that it can be used for a garage and that his recommendation is that the application be denied because of this fact, and also for the reason that the building will be within ten feet from a frame residence.

Commissioner Saul asked Mr. Cowan if the building as proposed could not be used for a garage. Mr. Cowan re-

plied that he supposed it could be used for a garage.

Mr. Cook stated that there was no intention on the part of the owner to use the building for a garage; that if the building were to be converted into a garage, it would require extensive alterations.

In conclusion Commissioner Saul stated that the application in the office calls for extension of present garage and that the application as presented to the Board was a subterfuge.

Thereupon Commissioner Saul moved the following resolution:

By Commissioner Saul:

Resolved, That the application presented to the Board of Commissioners by Counsellor Pierre Cook for Mrs. Margaret M. Deymann, requesting permission to erect stores and show room at No. 804 Bergen Avenue, Jersey City, N. J., be and the same is hereby denied because of the fact that the proposed building is designed so that it can be used for a garage and because said proposed building would be within ten feet of a frame residence.

Adopted.

At this time Counsellor Isaac Gross appeared before the Board in behalf of Pollack & Gershonowitz who have applied for permission to construct a 3-story brick building on the northeast corner of Fleet Street and Concord Street (No. 28-30 Concord Street), to be used for three stores and seven apartments above. He stated that there are at present stores located on the two opposite corners.

Commissioner Fagen asked Mr. Gross what the nature of the adjoining building was. Mr. Gross stated that it was a two-family frame dwelling house.

Commissioner Saul suggested that a public hearing be held in the matter one week from today, so that the property owners and residents of that section may be heard. The Board concurred in the recommendation and the City Clerk was directed to fix a hearing for Tuesday,, October 13, 1925, at 3 P. M., in the Assembly Chamber, City Hall, Jersey City, N. J.

Counsellor Stephen Piga appeared before the Board and presented an application for Grossman & Bower asking permission to construct one two-story brick and one three-story brick buildings at 2321-2327 Boulevard to be used for stores and living apartments. He stated that this application was similar to the one granted by the Board for buildings on Lexington Avenue and the Boulevard, and that the business section was gradually moving in that direction.

Commissioner Fagen stated that he was familiar with the neighborhood and there are a lot of garages there.

Commissioner Saul recommended that the matter lay over for one week and referred to Commissioner Fagen for report.

Counsellor Robert Brenner appeared before the Board and presented an application for the Hub Realty Co., requesting permission to erect a two-story brick building the first floor to be used for store purposes.

The Mayor stated that this application was presented some time ago for store building only and he had suggested that if living apartments were added on the building the Board would consider the application. However, he requested Mr. Brenner to induce the owners to make it a three-story building so that two families could be provided for, because of the fact that the section was rapidly developing.

Commissioner Saul recommended that the Counsellor take the matter up with the owners and report back next week with plans showing what is proposed to be erected.

ALTERATION HEARINGS

This time and place having been set and notice advertised for the purpose of considering the application of:

James Gregory, sign, 327 Barrow Street.

The City Clerk called for anyone who might desire to protest against the granting of said permission. No one

appeared to protest and no written protests were received.

By Commissioner Saul:

Resolved, That application of James Gregory for permission to erect sign to extend eight feet from building line at premises 327 Barrow Street, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

MEETING OF OCTOBER 13, 1925

Minutes of a regular meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., Tuesday, October 13, 1925, at 2 p. m.

Present: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Absent: Commissioner Moore (excused).

CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of the following ordinance:

"An ordinance authorizing $240,000.-00 school notes of the City of Jersey City,"

the City Clerk read the ordinance and then called for anyone who might desire to protest against its final passage. No one appeared to protest and no written protests were received against the final passage of said ordinance.

Commissioner Fagen thereupon moved the following ordinance:

By Commissioner Fagen for Commissioner Moore:

Resolved, That the following ordinance do now pass:

"An ordinance authorizing $240.000.-00 school notes of the City of Jersey City.

RECITALS

The Board of Education and the Board of School Estimate of this City has requested this Board of Commissioners to make an appropriation of $240,000.00 for the purchase of a site for the new school No. 22 in the Lafayette section of the City.

This Board concurs in the request of the Board of School Estimate for such appropriation and consents thereto irrespective of the amount thereof.

Now, therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $240,000.00 is appropriated for the purchase of a site for the new school No. 22 in the Lafayette section of the City.

Sec. 2. Pursuant to an Act of the Legislature of the State of New Jersey entitled "A supplement to an act entitled an Act to establish a thorough and efficient system of free public schools, and to provide for the maintenance, support and management thereof," approved October 19, 1903, relating to the financing of school improvements, "constituting Chapter 112, P. L. 916, to provide funds to meet the appropriation of either the levy or the collection of taxes or of the authorization or sale of permanent bonds as may subsequently be determined, promissory notes of the City of Jersey City shall be issued as the money is called for by the Board of Education, such notes shall mature in not exceeding one year, and may be renewed from time to time by similar notes provided the renewal notes shall mature in not exceeding three years from the date of the original notes for the renewal of which they are issued.

Sec. 3. Said notes shall bear interest at the rate of not exceeding 4 percent annum, and shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form and shall mature in such time or times, subject to the provisions hereof as he may determine.

Sec. 4. Said notes shall be executed by the Mayor and the Director of the Department of Revenue and Finance, under the seal of the City, and attested by the City Clerk, and shall be general obligations of the City of Jersey City.

Sec. 5. In each year after the date

of said notes, a tax shall be levied and collected, sufficient in amount to pay the interest on said notes.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen for Commissioner Moore:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION HEARINGS

This time and place having been set and notice advertised for the purpose of considering the following applications:

Peter Benete, sign at 713 Bergen Avenue,

Fowler Social Club, extension, 103 Franklin Street,

the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the granting of said applications. No one appeared to protest and no written protests were received.

By Commissioner Saul:

Resolved, That application of Peter Benete for permission to erect sign to extend eight feet from building line at premises, 713 Bergen Avenue, Jersey City, be approved, same having been duly alvertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That permission is hereby granted to the Fowler Social Club to erect one-story extension at premises 103 Franklin Street, Jersey City, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that plans filed and work done will comply with all Building Department rules and requirements.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

HEARINGS

This time and place having been fixed by the Board of Commissioners for the purpose of holding a public hearing in the matter of the application filed by Jacob J. Singer, attorney for Schachter Bros., requesting permission to erect one-story brick building for store purposes at 216 Griffith Street, being the northwest corner of Griffith Street and Summit Avenue, the City Clerk advised the board that all parties interested had been notified that said hearing would be held, and then declared the hearing open.

Counsellor Singer stated that his client was desirous of erecting a small brick building for stores in the rear of the plot; that on that very block there are a number of stores and various business places; that he understands objection has been made by some of the property owners to the proposed stores and he is desirous of making any arrangement that may satisfy the objectors.

Mr. Louis Klein of 218 Griffith Street and five other property owners and residents of the immediate neighborhood appeared and protested against the proposed building for stores. Mr. Klein stated that at present the place of the proposed improvement is filthy and dirty; that garbage cans were always in front of the place, and dirt piled up; that there are at present 16 stores within a stone's throw of that place, taking it from Zabriskie Street to Griffith Street, and on Summit Avenue from Summit Avenue to Milton Avenue; that he does not see the need for more stores; that complaint has been made to the police of the dirty condition of the place; that there is always danger of a fire from

the refuse; that after the complaint was made, the garbage cans and dirt was put in the yard; that at present from Summit Avenue down to the Boulevard is a nice residential section; that his own property is a one-family house.

The Mayor stated that in view of the fact that the neighborhood was residential, residents having lived there a long time, that they could not move away, and when they appear before the Board and object to an undesirable improvement the policy of the Board has been to uphold the protests and reject the application.

Commissioner Quinn stated that it was a very nice residential neighborhood and moved the rejection of the application.

The Mayor in conclusion advised the protestants that the Board of Commissioners will reject the application, but the applicant will probably apply to the court and the City may be compelled to grant the permit.

By Commissioner Quinn:

Resolved, That the application filed by Jacob J. Singer, attorney for Schachter Bros., for permission to erect one-story brick building for store purposes at 216 Griffith Street, being the northwest corner of Griffith Street and Summit Avenue, be and the same is hereby denied.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

This time and place having been set by the Board of Commissioners for the purpose of holding a public hearing on the application filed by Isaac Gross, attorney for Pollack & Gershonowitz, requesting permission to erect a three-story brick building to be used for stores and living apartments on the northeast corner of Fleet Street and Concord Street, being property known as No. 28-30 Concord Street, the City Clerk advised the Board that all parties interested were notified that said hearing would be held, and then declared the hearing open.

Counsellor Gross appeared for the applicants and urged the granting of the application.

No one appeared to protest against the application. The Mayor stated that probably through some misunderstanding no one appeared to protest and advised Mr. Gross that he was not in favor of granting the application until the Board was satisfied that there was no objections on the part of adjoining residents and property owners.

Commissioner Saul agreed with the Mayor's statement and made a motion that the matter lay over for one week to further investigate any possible objections.

The Mayor suggested that Mr. Gross submit his plans to the uilding Department for checking, which will probably take about a week, and that if there are no objections filed at the next meeting of the Board on Tuesday, October 20, 1925, the Board would grant the permit.

At this time Counsellor Philip Miele appeared before the Board and stated that he was appearing for Counsellor Robert Brenner, who was ill at home, with reference to the application of the Hub Construction Company for permission to construct a two-story brick building to be used for stores and living apartments above at 2257-2259 Boulevard. He stated that in compliance with the request of the Mayor the owners of the proposed building had been requested to build a three-story building, providing for an additional living apartment, and that the owners claim that from an economic point of view the extra story could not be built, the plot being only 25 by 100.

The Mayor advised Mr. Miele that he would much prefer the three-story building on account of it being located on the Boulevard, a valuable site and a rapidly developing section. However, he stated that if the two-story building was satisfactory to Commissioner Saul with reference to complying with the building code and other building department regulations the application would be granted.

By Mayor Hague:

Resolved, That permission be and the same is hereby granted to the Hub Construction Company to erect a two-story brick building to contain six stores on the first floor and two living apartments on the upper floor at No. 2257-2259 Boulevard, in accordance with the regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Grossman & Bouer to erect one three-story brick building and two two-story brick buildings to be used for stores and living apartments above, at 2321-2327 Boulevard, in acordance with the regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

At this time Mr. George H. Stades, Architect, appeared before the board and presented an application for Isaac Gordon requesting permission to erect a four-story building containing three stores and living apartments above at 144 Old Bergen Road.

Commissioner Saul stated that as long as the applicant was willing to erect a 4-story building, he was in favor of the application.

Commissioner Fagen stated that the location was directly facing Columbia Park and that he would much rather have residences built there. In conclusion he requested that the matter be referred to him for report at the next meeting of the board.

FRANCHISE HEARINGS

The hearing on the ordinances relative to the vacation of Eleventh Street having been adjourned and continued to this time and place, the City Clerk called for anyone who might desire to be heard in the matter.

Counsellor Minard, representing the Erie R. R. Company, appeared and stated that the Drumm property had been settled for $27,500.00, also the Lesser property had been agreed upon, and that the only remaining property still pending is the Clarke property and the Muddaloin property.

The Mayor advised Mr. Minard that all the property owners would have to be satisfied before final action is taken by the City and he suggested that all the property owners be summoned to appear before Commissioner Fagen and Corporation Counsel Brogan to discuss the matter, and the property owners who refuse to negotiate will have to go into the Courts for adjustment.

Mr. Minard advised the Board that he had ready for delivery to the Board of Commissioners, indemnity agreements, one for each ordinance, the railroad company agreeing to indemnify the City against any damage that may be caused by the passage of the said ordinances, which provide for the vacation of the street and changing the grades of certain streets.

The Mayor stated that he was not in favor of lowering any of the streets, especially Jersey Avenue; that the depressions in the streets are unsightly and after a rainstorm appear like pools; that the railroad has been running over Coles Street, Jersey Avenue and Monmouth Street for a number of years without depressing the street, and he could see no good reason for lowering said streets now. He stated, however, that he does not object to slightly lowering Erie Street, Grove Street or Henderson Street.

Mr. Minard stated that his company has plans prepared showing exactly what is to be done, and it is not their intention to lower the streets a single inch in that sense of the word, and the only thought was to extend tracks over Eleventh Street, for which there must be ample room.

In conclusion, the Mayor stated that all property owners in that section, most of whom are poor people, must be properly satisfied and that then the Board will act. He also suggested that Mr. Minard present deeds and agree-

ments to Commissioner Fagen and Mr. Brogan, who shall check the matter thoroughly and then submit a complete report on the matter to the board.

Thereupon the following resolution was introduced:

By Commissioner Fagen:

Resolved, That the hearing on the following ordinances be and are hereby adjourned and continued to Tuesday, October 27, 1925, at 3 o'clock p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

"An ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street."

"An ordinance granting the Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company and each of them, their and each of their successors and assigns the right to construct and maintain bridges over certain streets in Jersey City."

"An ordinance for the vacation of Eleventh Street in Jersey City, N. J."

"An ordinance for the vacation of Provost Street in Jersey City, N. J."

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

RECEPTION OF BIDS

This time and place having been fixed and public notice advertised for the purpose of receiving proposals for the construction of an 18-in. vit. pipe sewer in Enos Place, from a point about 107 feet west of the westerly line of Sip Avenue to Newkirk Street and in Newkirk Street to connect with sewer at Newkirk Street and Summit Avenue, the City Clerk read the public notice and then called for bids, and the following bids were received:

18-in. Vit. Pipe Sewer Enos Pl.

1. S. J. Scarano, 90 per cent of standard with surety company bond.

2. Vittorio Cussotti, 94 per cent of standard with surety company bond.

3. Samuel Colacurcio, 81.25 per cent of standard with surety company bond.

4. Chas. Scalzo, 118 per cent of standard with surety company bond.

5. Alfonso Lettieri & Son, 99.9 per cent of standard with surety company bond.

On motion of Commissioner Fagen the reception of bids was ordered closed, the bids received, opened and read and referred to the Director of the Department of Streets and Public Improvements for investigation and report.

HEARINGS

The hearing on the application of Counsellor I. Gross for Pollack & Gershonowitz requesting permission to erect a three-story brick building to be used for stores and living apartments on the northeast corner of Fleet Street and Concord Street, being No. 28-30 Concord Street, having been adjourned and continued to this time and place in order to investigate any possible protest that may be filed since the filing of the application, the City Clerk called for anyone who might desire to be heard in the matter.

No protests were filed and no written protests were received. Commissioner Saul stated that he had no objection to the improvement in view of the fact that no one appeared to protest, and moved the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Parkview Development Company (Pollack & Gershonowitz), to erect a three-story brick building to contain two stores and one apartment on first floor, and three apartments each on the second and third floors, at 28-30 Concord Street, Jersey City, in accordance with the regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

The application filed by George H. Stades for Mr. I. Gordon, requesting permission to erect a four-story building for stores and apartments at 144 Old Bergen Road, having been referred to the Director of Streets and Public Improvements for investigation and report, Commissioner Fagen submitted a report recommending that the application be rejected because of the fact that the neighborhood is residential and the residents think that there are sufficient stores in the locality at present.

Mr. Gordon appeared before the board and stated that his intention is

to build only one store on the corner, for which he has a prospective tenant, who is desirous of establishing a drug store and also that he intends to erect the finest possible building with apartments over the store, involving an expenditure of about $200,000.00.

Commissioner Fagen stated that he could not determine just what kind of a building was to be erected from the information on hand, but in view of the fact that it was to be a large improvement, as Mr. Gordon explained, he would recommend that Mr. Gordon submit a pencil sketch of the proposed improvements as soon as possible, and that the matter lay over for one week for further consideration.

Mr. Gordon agreed to submit the sketch at an early date.

At this time Counsellor L. E. Hermann appeared with Mr. Charles Campbell and presented their application for permission to erect a building to be used for a store and living apartment at 47-49 Storms Avenue. In compliance with a previous request made by Commissioner Saul, they submitted a plan showing the floor layout.

Commissioner Saul examined the plans and stated that it appeared to him that the proposed improvement could be converted into a garage by merely adding doors to the vacant spaces and that he did not like the idea of making the second floor larger in area than the first as the plans show; that a garage has no right within twenty feet of a building used for a residence; that if the permit should be granted, under no circumstances could the place be used for a garage. He also requested that a fireproof roof be built.

In conclusion Counsellor Hermann agreed to make the necessary changes as requested by Commissioner Saul and also agreed to submit an agreement that the building would never be used for a garage.

Commissioner Saul thereupon moved that the matter lay over for a period of one week, to Tuesday, October 27, 1925, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

ALTERATION HEARINGS

This time and place having been fixed and public notice advertised for the purpose of holding a public hearing on the following described applications:

Mary Schaefer, brick extension at 70 Gardner Avenue (168 Monticello),

Herman Rausch, electric sign at 150 Newark Avenue,

Samuel Goldstein, sign, 300 Central Avenue,

Mae Mirielle, sign, 331 Ocean Avenue,

James Clancy, sign, 3029 Boulevard, the City Clerk read each public notice of hearing and then called for anyone who might desire to protest against any of the above described applications. No one appeared to protest and no written protests were received against any of said applications.

Commissioner Saul thereupon moved the following resolutions:

By Commissioner Saul:

Resolved, That permission is hereby granted to Mary Schaefer for permission to erect one-story brick extension at premises 168 Monticello Avenue, Jersey City, same having been duly advertised according to law and no protestants appearing. This permission is given with the understanding that plans filed and work done will comply with all Building Department rules and requirements.

MEETING OF OCTOBER 27, 1925

Minutes of a Regular Adjourned Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., on Tuesday, October 27, 1925, at 4 o'clock p. m.

Present: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Absent: Commissioner Moore (excused).

The Mayor discussed with the Board the conditions that have arisen from the coal strike and thereupon moved the following resolution:

By Mayor Hague:

Whereas, Due to the strike at the coal mines, there is a serious shortage in Jersey City and other cities of coal for domestic use; and

Whereas, This office, mindful of the fact that many of our poorer people, being unable to purchase coal in large quantities in advance of the season, will be seriously affected by the coal shortage, has caused an investigation to be made by the Board of Health; and

Whereas, The investigation has disclosed that some coal is now available; and

Whereas, This condition is unforeseen and a situation that could not be foreseen; therefore, under the provisions of the Home Rule Act, Chapter 152, of the Laws of 1917, and under the provisions of Chapter 178 of the Laws of 1919;

Be it resolved, That an emergency is declared to exist and that the Director of the Department of Public Affairs be and he hereby is authorized and empowered to purchase from time to time, without advertising and receiving proposals for same, while the said emergency continues, coal in sufficient quantities to alleviate the serious condition which is found to arise, and that said coal be distributed either from any coal yard where same may be obtained and purchased or from any other place that may be designated by said Director at cost; and be it

Further resolved, That the approximate amount to be so expended for coal is Six Thousand ($6,000.00) Dollars.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

MEETING OF NOVEMBER 2, 1925

Minutes of a Regular Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, on Monday, November 2, 1925, at 2 p. m.

PRESENT: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

ABSENT: None.

IMPROVEMENT HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the undertaking of the following proposed improvement, and also for considering the adoption or rejection of an ordinance covering said improvement, the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the undertaking of said improvement.

No one appeared to protest and no written protests were received against said improvement and the passage of the ordinance.

Mrs. Lyons of 182 Nelson Avenue and Mr. Charles Sozogni of 186 Nelson Avenue appeared and stated that they favored the proposed improvement.

Commissioner Fagen thereupon moved the adoption of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:—

An ordinance to establish a legal street grade for Nelson Avenue, from the northerly curb line of Hague Street to the center line of Secaucus Road.

Whereas the Director of the Department of Streets and Public Improvements has filed a map recommending the establishment of a legal grade for Nelson Avenue from the northerly curb line of Hague Street to the center line of Secaucus Road, and

Whereas, It appears that it is for the best interests of the City to establish said legal grade as hereinafter provided, and

Whereas, Said street has been dedicated and accepted as a City street, therefore

The Board of Commissioners of Jersey City do ordain:

That the legal grade of Nelson Avenue from the northerly curb line of Hague Street to the center line of Se-

caucus Road shall be and the same is hereby established as follows:

Commencing at a point formed by the intersection of the center line of Nelson Avenue with the northerly curb line of Hague Street with an elevation of 124.80 feet; thence running in a northerly direction on a descending grade at the rate of 1,284 feet per 100 feet, a distance of 80.2 feet to an elevation of 123.77 feet; thence still running in a northerly direction on a vertical curve for a distance of 40.0 feet to an elevation of 123.71 feet; thence still running in a northerly direction on an ascending grade at the rate of 1.00 foot per 100 feet to the center line of Secaucus Road, a distance of 98.33 feet to an elevation of 124.69 feet, as shown more fully on maps attached to original ordinance on file in the office of the City Clerk.

This ordinance shall take effect as soon as it has been published as required by law, after final passage.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved that the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Herman Wurrett appeared before the Board and requested that permission be granted to him for the construction of a concrete building in the rear of 94 Stevens Avenue, to be used for four garages for pleasure cars.

Commissioner Saul examined the plan and application and recommended that the matter be referred to the Director of Streets and Public Improvements for investigation and report.

ALTERATION HEARINGS:

This time and place having been set and notice advertised for the purpose of considering the applications of:

John Bouke, sign, 287a Central Avenue.

Warshawskt Bros., sign, 499 Jackson Avenue.

Philip Beisele, sign, 685 Newark Avenue.

The City Clerk called for anyone who might desire to protest against the granting of said permission. No one appeared to protest and no written protests were received:

By Commissioner Saul:

Resolved, That application of John Bouka for permission to erect sign to extend seven feet from building line at premises 287a Central Avenue, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply will all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Resolution authorizing the issuance of not exceeding $300,000.00 Tax Anticipation Notes of 1925.

Resolved as follows:

On November 12, 1925, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1925, the City shall borrow the sum of $300,000.00 and shall issue therefor Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled, "An Act concerning municipal and County Finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended and by virtue of this resolution, and shall be dated November 12, 1925, and shall mature on or at the option of the City before December 31, 1925, and shall bear interest at the rate of Five per cent. per annum, payable at maturity, and shall be signed by the Mayor and the Director of the Department of Revenue and Finance, under the seal of the City, and attested by the City Clerk.

The Director of the Department of Revenue and Finance, being the chief financial officer of the City, who signs the notes herein authorized, states (a) they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $8,290,473.00 (c) that the total amount of said instruments outstanding (including this issue) is $3,100,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the notes herein authorized.

The said notes are awarded and sold to The Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

Adopted.

By Commissioner Moore:

Resolution authorizing the issuance of not exceeding $880,000.00 renewal tax revenue bonds of 1921 of the City of Jersey City, and providing for their payment.

Whereas, the Courts and other lawful bodies did remit and abate $880,000.00 of real and personal taxes levied for the fiscal year 1921, and the city has $880,000.00 of tax revenue bonds of

1921, due December 1st, 1925, outstanding and unpaid issued against said remitted and abated taxes, with no supporting collectible taxes of said fiscal year to meet said bonds at maturity; and

Whereas, it is necessary to provide for the payment when due of the said $880,000.00 tax revenue bonds of 1921, by the issuance of $880,000.00 renewal tax revenue bonds of 1921, in conformity with an act of the Legislature of the State of New Jersey entitled "An Act concerning Municipal and County Finances," approved March 28th, 1917, as amended, now therefore be it

Resolved as follows:

The City shall borrow the sum of not exceeding $880,000.00 and issue therefore $880,000.00 renewal tax revenue bonds of 1921, pursuant to the statute recited in the preamble of this resolution. The said renewal tax revenue bonds shall be dated December 1, 1925, and $176,000.00 thereof shall mature on December 1 in each of the years 1926 to 1930 inclusive; shall bear interest at the rate of 4 per cent per annum, payable semi-annually on the first days of June and December in each year and shall be in the denomination of $176,000.00 each; provided, however, that the bonds issued in pursuance of this resolution shall not exceed the gross amount of such notes or bonds as shall represent the amount of taxes of 1921 cancelled or remitted by the courts and other lawful bodies as the result of litigation.

The money to be raised by the issuance of said bonds, shall be applied to the payment of the tax revenue bonds of 1921 as stated in the recitals hereof.

Both principal and interest of the bonds herein authorized are payable at the office of the City Treasurer of said City.

The renewal tax revenue bonds herein authorized shall be signed by the Mayor and the Director of the Department of Revenue and Finance, under the seal of the City, and attested by the City Clerk, and said Bonds are awarded and sold to the Sinking Fund Commission of Jersey City at par and accrued interest, and the City Comptroller is hereby directed to have said bonds prepared and after the execution thereof, to deliver same upon the receipt of the purchase price therefor.

The faith and credit of the City of Jersey City are hereby pledged to the payment of the principal of said bonds, and the interest thereon, and an amount sufficient for said purposes shall be included in each annual budget of the City of Jersey City, and taxes shall be levied and collected sufficient to meet said principal and interest.

Adopted.

Resolution authorizing the issuance of not exceeding $43,848.21 interest deficiency notes of the City of Jersey City.

RECITALS

Whereas, On June 1, 1925, the City issued $3,078,000.00 4½ percent General Improvement Serial Bonds dated June 1, 1925; interest payable on the first days of December and June thereafter, and

Whereas, On December 1, 1925, there will have accrued six months interest on a part of the principal of the above bonds amounting to $43,848.21, and the City is without funds to meet said interest, now therefore be it

Resolved, By the Board of Commissioners of the Mayor and Aldermen of Jersey City

(1) No other provision having been made for the payment of $43,848.21, six months accrued interest on part of the principal on the bonds referred to the preamble of this resolution, the sum of $43,848.21 shall be borrowed to pay same. Such indebtedness shall be evidenced by the issuance of Interest Deficiency Note dated November 18th 1925, and payable on or at the option of the City before June 1, 1926, and shall bear interest at the rate of four percent per annum, and shall be exe-

cuted by the proper officials according to law.

(2) The said Interest Deficiency Notes shall be general obligations of the City, and are issued in conformity to an act of the Legislature of the State of New Jersey, entitled, "An Act Concerning Municipal and County Finances," approved March, 1917, and the acts amendatory thereof and supplemental thereto.

(3) The said notes are awarded and sold to the Sinking Fund Commission of Jersey City at par and accrued interest, and the City Comptroller is authorized and directed to have said notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

By Commissioner Fagen:

Introducing an ordinance entitled "An Ordinance for the relief of Antonio Frisina and Rosa Frisina, his wife, in relation to the encroachment of the frame building, consisting of apartments for the accomodation of two families situated on the northerly side of Eighth Street, distant 66.86 feet westerly from the westerly side of Monmouth Street, in the City of Jersey City, County of Hudson and State of New Jersey, and known as the street number 340½ Eighth Street."

On motion made, seconded and carried, the foregoing ordinance was received and read and ordered placed on file for a period of two weeks for the purpose of public inspection and giving public notice thereof.

CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final

passage of the following ordinances:

"An ordinance authorizing $196,000.00 temporary improvement bonds of the City of Jersey City."

"An ordinance authorizing $95,000.00 temporary improvement bonds of the City of Jersey City,"

the City Clerk read the public notices and then called for anyone who might desire to protest against the final passage of said ordinances. No one appeared to protest and no written protests were received against the final passage of the foregoing ordinances.

Commissioner Fagen for Commissioner Moore thereupon moved the following ordinances:

By Commissioner Fagen for Commissioner Moore:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $196,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Alderman of Jersey City do ordain:

Sec. 1. The sum of $196,000.00 is hereby appropriated for the improvement of sundry streets in Jersey City and the construction of a sewer in Newkirk Street, as per schedule on file in the office of the Director of the Department of Streets and Public Improvements.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $196,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent, per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the improvement of sundry streets in Jersey City and the construction of a sewer in Newkirk street.

Sec. 4. Said bonds shall be sold by the director of the Department of Revenue and Finance, and shall be in such form and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall at maturity be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Sec. 6. The aforesaid appropriation is to apply to local improvements and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

HEARINGS

This time and place having been fixed for the purpose of holding a public hearing on the application of the Eagle Grocery Company for permission to erect three one-story brick stores at Nos. 132-134 Mallory Avenue, Jersey City, the City Clerk advised the

Board that he had instructed the police department to notify all persons in the vicinity of the proposed improvement, who might desire to protest against said buildings, and then declared the hearing open. The City Clerk called for anyone who might desire to protest. No one appeared to protest and no written protests were received against said application.

Commissioner Saul stated that in view of the fact that no one appeared to protest against the application, having been notified by the Police Department that said hearing would be held, the application should be granted. He thereupon moved the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to the Eagle Grocery Company to erect three one-story brick buildings to be used for store purposes, at Nos. 132-134 Mallory Avenue, Jersey City, N. J., in accordance with plans filed and according to the rules and regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn and Saul.

Commissioner Fagen at this time reported verbally on the application of Herman Wurret for permission to erect four garages in the rear of 94 Stevens Avenue, which had been referred to him for investigation. He stated that he inspected the premises and found garages erected there at the present time; that the house is a tenement and the garages will be the proper distance.

Commissioner Saul thereupon moved that the permit be granted.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Herman Wurret to erect a concrete block building on the rear of No. 94 Stevens Avenue, to be used for private garages for four pleasure cars for the benefit of the tenants in the tenement house on the premises, as per plans filed and in accordance with the rules and regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn and Saul.

Nays: None.

At this time, Counsellor Robert Brenner appeared before the Board and requested that permission be granted for the construction of 34 garages at No. 1 Prospect Street. He stated that a large number of garages are erected there at the present time.

Commissioner Saul moved that the matter be referred to the Director of the Department of Public Safety for investigation and report.

By Commissioner Fagen for Commissioner Moore:

Resolution authorizing the issupance of $5,100,000 tax revenue bonds of 1925, of the City of Jersey City, New Jersey.

RECITALS

It is hereby estimated that the amount of the tax revenues levied in the City of Jersey City, New Jersey, for the year 1925 for municipal and local school purposes, and for State and County purposes which are collectible by the Collector of the taxing district, that will be delinquent on December 2, 1925, will exceed $10,000,000.

In order to refund tax anticipation notes of 1925 which are now outstanding in the amount of $3,100,000, and

to procure funds for the purpose of making payments which may lawfully be made out of the proceeds of such taxes, including the payment of State and County taxes, as and when required by law, it will be necessary to borrow the sum of $5,100,000 in anticipation of the receipt of such delinquent tax revenues, and to issue therefor tax revenue bonds of 1925, pursuant to the provisions of an act of the Legislature of the State of New Jersey, entitled "An act concerning municipal and county finances," approved March 28, 1917, constituting Chapter 192 of the Laws of 1917 as amended, now therefore,

Be it resolved, By the Board of Commissioners of the Mayor and Alderman of Jersey City, as follows:

Section 1. In anticipation of the delinquent tax revenues referred to in the recitals hereof, and for the purposes recited, tax revenue bonds of 1925 shall be issued in the aggregate principal amount of $5,100,000, in pursuance of the provisions of the act referred to in the said recitals.

Sec. 2. Said bonds shall be dated December 2, 1925, shall be payable March 1, 1926, shall bear interest at the rate of five percentum (5%) per annum, payable at maturity, shall be fifty-one (51) in number, in the denomination of $100,000, each numbered from one (1) to fifty-one (51) inclusive; provided, however, that the bonds which may be issued by virtue of this resolution shall, on the date when they are delivered not exceed the amount of unpaid delinquent taxes of 1925, including taxes which have been imposed or levied, but which have been set aside or vacated or amended.

Sec. 3. Said bonds shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF NEW JERSEY
CITY OF JERSEY CITY
TAX REVENUE BOND OF 1925

The Mayor and Aldermen of Jersey City, a municipal corporation of the State of New Jersey, hereby acknowledge itself indebted and for value received promises to pay to ———— or registered transferee the sum of One Hundred Thousand Dollars ($100,000.00) on the first day of March, 1926, together with interest thereon at the rate of 5 per centum (5%) per annum. Both principal and interest of this bond are payable in lawful money of the United States of America at the office of the Treasurer of said City.

This bond is registered on the books of the City and is transferable only upon presentation to the Comptroller with a written asignment, duly acknowledged or proved. Upon presentation of this bond with such an assignment, the Comptroller will note such transfer on this bond and on said books.

This bond is one of an issue of $5,100,000 bonds of like tenor, issued pursuant to an act of the Legislatune of the State of New Jersey, entitled: "An act concerning municipal and county finance," approved March 28, 1917, and constituting Chapter 192 of the laws of 1917, as amended, and a resolution of the Board of Commissioners of said City duly adopted on November 10, 1925.

It is hereby certified and recited that all conditions, acts and things required by the constitution and statutes of the State of New Jersey to exist, to have happened and to have been performed precedent to and in the issuance of this bond exist, have happened and to have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of said City is within every debt and other limit prescribed by the constitution and laws of said state. The Director of the Department of Revenue and Finance who has signed this bond, being the chief financial officer of the City, states: (a) that this bond is issued pursuant to the act above referred to; (b) that the total borrowing power authorized by said act for tax revenue notes or bonds, such as this instrument, is $.....; (c) that the amount of tax revenue notes and bonds of 1925 outstanding (including the issue of which this bond is one), is $.....

In witness whereof, The Mayor and Aldermen of Jersey City has caused this bond to be signed by its Mayor and its Director of the Department of Revenue and Finance and its Corporate Seal to be affixed thereto and attested by its City Clerk and this bond to be dated the 2d day of December, 1925.

.....,
Attest: Mayor.

MEETING OF NOVEMBER 17, 1925

Minutes of a regular meeting of the Board of Commissioners of Chamber, City Hall, Jersey City, on Tuesday, November 17, 1925, at 2 p. m.

Present: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Absent: Commissioner Moore (excused).

ORDINANCE HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the dedication of a street or road to be known as Kensington Avenue, and for further considering the final passage of an ordinance covering said dedication, which ordinance is entitled: "An ordinance to accept the dedication of Lot B-3, Block 1701, as part of Kensington Avenue, Jersey City, New Jersey, which lot lies 100 ft. west of the westerly line of Delaware Avenue, and just south of the northerly line of Kensington Avenue, extended," the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the final passage of said ordinance.

No one appeared to protest and no written protests were received against the final passage of the ordinance.

Counsellor John Mulvaney and Counsellor James F. Gannon, Jr., appeared before the Board and urged the passage of the ordinance. Mr. Gannon stated that the street was being dedicated to the City; that the tax arrears had been paid and the two tax sales against the property had been redeemed.

The Mayor stated that if the dedication met with the approval of the Director of the Dept. of Streets and Public Improvements, the Board would grant the application.

Commissioner Fagen replied that he had considered the matter and found that the tax arrearages and tax sales had been adjusted and thereupon moved the adoption of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to accept the dedication of Lot B-3, Block 1701, as part of Kensington Avenue, Jersey City, New Jersey, which lot lies 100 ft. west of the westerly line of Delaware Avenue, and just south of the northerly line of Kensington Avenue, extended.

Whereas, The West Side Construction Company, a corporation of the State of New Jersey, has by instrument in writing under date of October 20, 1925, and filed with the City Clerk of the Mayor and Aldermen of Jersey City, dedicated to the public use for a street or road strip of land situated in Jersey City, Hudson County, New Jersey, which is described as follows:

Beginning at a point in the northerly line of Kensington Avenue, being one hundred feet west of the westerly line of Delaware Avenue, and running thence (1) westerly along the northerly line of Kensington Avenue extended westerly one hundred feet (100 ft.) to a point; thence (2) southerly and parallel with Delaware Avenue thirty-one and five-tenths (31.5 ft) to a point; thence (3) easterly and parallel with the northerly line of Kensington Avenue extended westerly one hundred feet (100 ft.) to a point; thence (4) northerly and parallel with Delaware Avenue thirty-one and five-tenths (31.5 ft.) to the point or place of beginning;

as by reference to said dedication will more fully appear;

Be it ordained by the Board of Commissioners of the Mayor and Aldermen of Jersey City:

1: That said strip of land described

above be and the same is hereby accepted as and for a public street or road, and the name thereof shall be Kensington Avenue, Jersey City.

2: That a copy of this ordinance be filed in the office of the Register of Deeds of Hudson County, New Jersey.

3: This ordinance shall take affect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the following applications:

Tamco & Bass, sign, 343 Central Avnue;

M. Shapiro, sign, 716 Bergen Avenue, the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the said applications.

No one appeared to protest and no written protests were received against the said application.

By Commissioner Saul:

Resolved, That application of Tamco & Bass for permission to erect sign to extend eight feet from building line at premises 343 Central Avenue, Jersey City, be approved, same having been duly advertied according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That application of M. Shapiro for permission to erect sign to extend eight feet from building line at premises 716 Bergen Avenue, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is given with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

HEARINGS

At this time Counsellor Robert Brenner appeared before the Board in reference to his application for the erection of 34 additional private garages at No. 1 Prospect Street by Robert Mrotzek.

Commissioner Quinn, to whom the application was referred at the previous meeting of the Board, reported that he had made an investigation and found that the proposed garages will be out of the way and will not interfere with neighbors or residents in the vicinity, and that if the application meets with the requirements of the building department he would move the adoption of a resolution granting the permission.

Commissioner Saul stated that the application is for additional garages and that garages are erected there at the present time.

Thereupon Commissioner Quinn moved the following resolution:

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to Robert Mrotzek to erect 34 additonal individual private garages at No. 1 Prospect Street, providing that said garages comply with the rules and regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mrs. Evelyn Norris Halstead of 117 Randolph Avenue, Jersey City, N. J., appeared before the Board at this time and requested permission to erect addi-

tional private garages at 117 Randolph Avenue. She stated that the present garages are frame.

Commissioner Saul advised the Board that under the law the garages could not be erected because the present garages are frame and that if Mrs. Halsted would remove the present 31 feet of frame garages, a permit would be granted for the erection of 62 feet of brick garages.

Mrs. Halsted agreed to remove the present frame garages and erect new brick garages on the entire 62 foot lot.

The matter was then referred to the Building Department for the preparation of a new application.

FRANCHISE HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of the following ordinances:

"An Ordinance granting permission

to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to lay additional tracks crossing 18th, 17th, Monmouth and 13th Streets in Jersey City pursuant to a certain comprehensive plan for the development of the Port of New York, proposed by the Port of New York Authority and approved by the Interstate Commerce Commission of the United States,"

the City Clerk read the public notice and then called for anyone who might desire to protest against the final passage of the above described ordinance. No one appeared to protest and no written protests were received against the final passage of said ordinance.

Commissioner Fagen thereupon moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to lay additional tracks crossing Eighteenth, Seventeenth, Monmouth and Thirteenth Streets in Jersey City pursuant to a certain comprehensive plan for the development of the Port of New York Authority and approved by the Interstate Commerce Commission of the United States.

Whereas, The Port of New York Authority and the New York Central Railroad Company have applied to this Board by written petitions for the grant of permission to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to construct, lay and maintain and operate certain additional tracks along its present right of way in a general southwesterly direction (1) across Eighteenth Street projected; (2) across Monmouth Street projected between Seventeenth Street and Eighteenth Street projected; (3) across Seventeenth Street projected west of Monmouth Street projected; and (4) across Thirteenth Street underneath the present viaduct; as shown upon plans annexed to the said petitions so presented to and filed with this Board, entitled:

PORT OF NEW YORK AUTHORITY

Proposed additional tracks along New Jersey Junction Railroad between Hoboken Avenue and Thirteenth Street, Jersey City. To effectuate interchange of freight between Belt Line No. 13 and Pennsylvania Railroad.

And whereas, The proposed development will result in a material reduction in the railroad freight rate system to the benefit of shippers and consumers along the said line of development.

And whereas, Said Board of Commissioners duly advertised the fact of the making of such application, and a public hearing thereon having been held for the purpose of receiving objections thereto, and no objection having been urged against the granting of the desired permission.

Now, therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City, do ordain as follows:

1. Permission is hereby granted to the New York Central Railroad Company, owner of the New Jersey Junction Railroad, to lay, construct, maintain and operate, in addition to the tracks already in existence at the point hereinafter mentioned, the following lines of track:

(a) Two lines of track crossing the northerly line of Eighteenth Street projected between Coles Street and Monmouth Street projected and being approximately 325 feet west of the westerly line of Coles Street and approximately 70 feet east of the easterly line of Monmouth Street projected, and continuing southwesterly crossing the southerly line of Eighteenth Street projected to a point approximately 370 feet and 380 feet respectively west of the westerly line of Coles Street and approximately 12 feet and 25 feet respectively east of the easterly line of Monmouth Street projected;

(b) One line of track crossing a por-

tion of Eighteenth Street projected between Coles and Monmouth (projected) Streets distant northerly at right angles from the southerly line of Eighteenth Street projected approximately 25 feet, and distant easterly from the easterly line of Monmouth Street projected approximately 55 feet, and distant westerly from the westerly line of Coles Street approximately 340;

(c) Four lines of track crossing Monmouth Street projected in a southwesterly direction distant southerly from the southerly line of Eighteenth Street projected, respectively, approximately 10 feet, 35 feet and 70 feet therefrom; and on the westerly side of Monmouth Street projected approximately 70 feet, 90 feet, 115 feet and 155 feet, respectively.

(d) Four lines of track crossing the northerly line of Seventeenth Street projected in a southwesterly direction distant respectively westerly from the westerly line of Monmouth Street projected approximately 16 feet, 60 feet, 75 feet and 90 feet therefrom; and distant easterly from the easterly line of Hoboken Avenue at a point at right angles with the westerly line of Monmouth Street projected in continuation of the northerly line of Seventeenth Street projected, approximately 185 feet, 200 feet, 215 feet and 260 feet, respectively, therefrom; and continuing southwesterly crossing the southerly line of Seventeenth Street projected at points approximately 50 feet, 105 feet, 120 feet and 135 feet respectively, west of the westerly line of Monmouth Street projected;

(e) One line of track crossing the northerly line of Thirteenth Street in a southwesterly direction underneath the present viaduct distant westerly from the westerly line of Monmouth Street projected approximately 770 feet along the northerly line of Thirteenth Street; and continuing southwesterly crossing the southerly line of Thirteenth Street at a point 825 feet, approximately, west of the westerly line of Monmouth Street projected;

(f) Such turnouts, switches and connections at may be necessary for the nections as may be necessary for the lines of track above described.

Provided, however, That nothing therein contained shall be deemed to constitute a grant or recognition of any right of way or franchise except as hereinbefore expressly and specificlaly granted, nor to waive any rights of the Mayor and Aldermen of Jersey City to require the removal of any tracks crossing Hoboken Avenue if the said tracks are not now lawfully authorized, nor shall this ordinance be construed as a waiver of any rights whatsoever which the said City of Jersey City may now have in and to that part of the streets over which any tracks of said railroad now cross, nor recognition on the part of the Mayor and Aldermen of Jersey City of any right of said railroad to occupy Hoboken Avenue; or to occupy any other of said streets, otherwise than under and pursuant to the rights hereby expressly granted;

2. For the privileges accorded herein said beneficiaries, their successors or assigns, shall pay annually to the Board of Commissioners of Jersey City the sum of two hundred and fifty $250.00) dollars, proper proportion of which shall be paid semi-annually to the City Comptroller of Jersey City at his office in the City Hall on the first days of January and July next succeeding the day when this ordinance shall become effective and each year thereafter in like manner.

3. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the following described applications:

Lehigh Valley R. R. Co., alter coal trestle, Black Tom;

Evening Journal Association, sign top of building, 101-103 Sip Avenue;

the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the granting of said applications. No one appeared to protest and no written protests were received against said application.

By Commissioner Saul:

Resolved, That permission is hereby granted to the Lehigh Valley Railroad, lessee, to alter present coal trestle of Lehigh Valley Railroad on Pier at Black Tom, by erecting coal shed 14-ft. 10-in x 28-ft. 10-in.x36-ft. 0-in. high, as per plans on file, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that plans filed and work done will comply with all Building Department rules and requirements.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That application of the Evening Journal Association for permission to erect open steel framework for electric sign on top of five-story building at premises 101-103 Sip Avenue, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

At this time Counsellor John Mulvaney appeared before the Board requesting that action be taken on the application of the Lehigh Valley Railroad Company for permission to construct a spur on Washington Street.

Commissioner Fagen advised him that certain papers had to be filed and that he would investigate the matter, and on his recommendation the matter was laid over for one week.

Counsellor John T. Ridley appeared before the Board and requested that permission be granted to Lena Katz to erect an apartment house containing stores at 343 Bergen Avenue.

Commissioner Saul stated that the application should be granted because the block contains stores at the present time.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Lena Katz to erect a four-story brick building to contain two stores on the first floor and living apartments on the upper floors at 341-343 Bergen Avenue, Jersey City, N. J., as per plans filed, provided that the construction of said building complies with the rules and regulations of the Building Department governing such matters.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Leon Halperin appeared before the Board at this time and requested permission to erect a three-story brick building to contain a store and living apartments at 145 Mallory Avenue.

Commissioner Saul recommended that the matter be laid over for a period of one week.

At this time a large delegation of the Greenville Merchants' Association appeared before the Board and through Mr. Goldowsky, Mr. Hollenberg, Mr. Jaeckel urged the Board to improve the lighting system on Ocean Avenue, Old Bergen Road, Rose Avenue and Danforth Avenue. They stated that this district was the oldest shopping district and should receive attention in preference to other sections, such as Jackson Avenue and other streets.

Commissioner Fagen advised the Board and the delegation that he was working on the matter and that the Public Service Corporation are ready to continue in Grenville very soon, the other streets being almost completed. He stated that he had advised the merchants just what progress was being made and that he was doing the best he could under the circumstances.

The Mayor stated that he was sure that Commissioner Fagen was handling the matter in the best possible manner.

Commissioner Fagen stated that the Ocean Avenue section would be given the same lighting improvement as Jackson Avenue but the improvement cannot be accomplished in a moment.

Mr. S. Gerner of the Greenville merchants asked the Board if it would be possible to improve the section between Greenville and Bayonne in order to encourage the business from Bayonne. He stated that there is a lot of trade that can be attracted from Bayonne.

Commissioner Fagen advised the merchants that such an improvement would be advisable and he suggested that they appeal to the Lehigh Valley Railroad Company and the Currie Estate for their co-operation.

In conclusion the Mayor advised the merchants that Commissioner Fagen could not set any definite date for the completion of the lighting system, but he felt sure that the Commissioner was proceeding as rapidly as possible.

CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of "An ordinance authorizing $50,000.00 Emergency Bonds of the City of Jersey City," the City Clerk read the public notice and then called

for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received against the final passage of said ordinance.

Commissioner Moore thereupon moved the following ordinance:

By Commissioner Moore:

Resolved, That the following ordinance do now pass: An Ordinance authorizing $50,000.00 Emergency Bonds of the City of Jersey City.

Whereas, the Budget Appropriation for 1925 for the purchase of supplies for the Jersey City Hospital is insufficient to maintain the hospital to the end of the year, and it is necessary to run the hospital to take care of the patients and the preservation of the public health, and the city is without funds to meet the conditions and necessities created thereby:

Now, therefore, The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $50,000.00 is hereby appropriated for the purchase of supplies for the Jersey City Hospital for the months of November and December, 1925.

Section 2. In pursuance of an Act of the Legislature of the State of New Jersey entitled "An Act concerning municipal and county finances." Approved March 28th, 1917, as amended and for the purpose of meeting said appropriation $50,000.00 Emergency Bonds shall be issued, bearing interest at a rate of 4 per cent. per annum, said Bonds shall mature on or at the option of the City before December 31st, 1926, and shall be executed by the proper City officials and shall state they are issued to purchase supplies for the Jersey City Hospital for the months of November and December, 1925.

Section 3. The Emergency Bonds herein authorized are awarded and sold to the Sinking Fund Commission of Jersey City, at par and accrued interest and the Director of the Department of Revenue and Finance is authorized and directed to have said bonds prepared, and after the execution thereof to deliver same upon receipt of purchase price therefor.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Moore, Quinn, and Mayor Hague.

Nays: None.

By Commissioner Moore:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, and Mayor Hague.

Nays: None.

ALTERATION HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the following applications:

D. A. Schulte, Inc., sign, 2-4 Concourse.

J. W. Greene, Inc., three signs, 316 Grove Street.

Aaron Roth, sign, 540 Newark Avenue.

The City Clerk read the public notice of hearing on each application and then called for anyone who might desire to protest against any of said applications. No one appeared to protest and no written protests were received against any of said applications.

By Commissioner Quinn for Commissioner Saul:

Resolved, That application of J. W. Greene for permission to erect three (3) signs around marquise at premises 316 Grove Street, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, and Mayor Hague.

Nays: None.

By Commissioner Quinn for Commissioner Saul:

Resolved, That application of Aaron Roth for permission to erect sign to extend eight feet from building line at premises 540 Newark Avenue, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

By Commissioner Quinn for Commissioner Saul:

Resolved, That application of D. A. Schulte, Inc., for permission to erect sign to extend seven feet from building line at premises 2-4 Concourse, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, and Mayor Hague.

Nays: None.

At this time Counsellor L. E. Hermann appeared before the Board to file plans for the construction of a building by Charles Campbell on Storms Avenue. He stated that he had made several telephone calls to Commissioner Saul and was unable to get in touch with him.

The Mayor advised Counsellor Hermann that he would much prefer to have Commissioner Saul present when the plans are filed and suggested that Mr. Hermann file the plans with Mr. Duff of the Building Department, and that the matter would be taken up at the next meeting of the Board.

Introducing an ordinance entitled: "Supplement to an ordinance entitled: 'An Ordinance regulating the installation, consumption and maintenance of city water and tariff of rates governing the sale thereof,' passed August 12, 1924."

The foregoing ordinance was introduced, received and read, and ordered placed on file for a period of at least two weeks for the purpose of public inspection and giving public notice thereof.

By Commissioner Moore:

Whereas, Through error of the city property known as block 1819, lots 19A and 19B, on Kensington Avenue, owned by F. C. Kleim, has been assessed for the years 1917 to 1924, inclusive, as 50 feet by 135 feet, when it really should have been assessed as 50 feet by 100 feet, as shown by deed; and

Whereas, In making correction for the year 1925 Mr. F. C. Kleim discovered that he had been paying taxes since 1917 on 50 by 135 feet; and

Whereas, Due to the above mentioned facts, the said F. C. Kleim requests that he be reimbursed for taxes paid in excess for the above mentioned years, as shown below, viz.:

Year	Overcharged Valuation	Tax Rate	Amount Paid in Excess
1917....	$354	$21.00	$7.43
1918....	354	12.93	4.58
1919....	354	32.54	11.53
1920....	354	30.97	10.96
1921....	354	29.16	10.32
1922....	530	34.48	18.27
1923....	530	37.58	19.92
1924....	530	36.05	19.11
			$102.11

Therefore, Be it

Resolved, That a warrant be ordered drawn in favor of Frank C. Kleim in the sum of $102.11, charging the same as follows:

1917 taxes with	$7.43
1918 taxes with	4.58
1919 taxes with	11.52
1920 taxes with	10.96
1921 taxes with	10.32
1922 taxes with	18.27
1923 taxes with	19.92
1924 taxes with	19.11

By Commissioner Moore:

Whereas, A personal tax assessment for the year 1922 was levied against A. Shaw of 750 Bergen Avenue, Jersey City, at a valuation of $300, or $10.35 in taxes, as per bill No. 54084, book 11, page 4, block 1904; and

Whereas, Under date of September 29, 1925, this office was notified by James Murphy, 15 Exchange Place, Jersey City, that the said A. Shaw of 750 Bergen Avenue has been adjudged a bankrupt, and that he was elected trustee and E. W. Demarest referee; and

Whereas, Under date of October 9, 1925, this office submitted all unpaid personal taxes due against the said A. Shaw to the Law Department for the collection of same; and

Whereas, On October 21, 1925, the Law Department of Jersey City filed a proof of claim for the said collection of unpaid personal taxes with Elmer W. Demarest; and

Whereas, Under date of October 26, 1925, Mr. James J. Murphy, trustee, reported to Mr. Thomas J. Brogan, Corporation Counsel of Jersey City, that the said claim could not be paid due to the fact that there is no money left in the account to meet same; therefore, be it

Resolved, Upon the recommendation of the Law Department, that the unpaid personal taxes for the year 1922, at a valuation of $300, or $10.35 in taxes, be and the same is hereby cancelled of record, thereby closing said account on our books.

By Mayor Hague:

Whereas, The strike of the anthracite coal miners has now continued for some three months, with no present indications of an early settlement of the differences between the miners and their employers, and

Whereas, There has not been on the market for the past month any of the domestic sizes of anthracite coal, and the price of substitutes has risen above the reach of the average wage earner, great inconvenience and real suffering have already been caused in the homes of our people, especially among the poorer classes and to those who have small children or sickness; and

Whereas, If this situation continues there cannot fail to be extreme suffering among our people, which without doubt will be accompanied by epidemics of diseases; and

Whereas, The public press has for some time been carrying stories with prophesies by meteorologists and other scientists that we may expect one of the most severe winters ever experienced in this climate,

Therefore be it resolved, That this Board of City Commissioners do believe it their duty to lay this grave situation before the Governor of the State of New Jersey, the Honorable George S. Silzer, with the request that he immediately take action toward ending these conditions, by communicating with the President of the United States, looking to concerted action on the part of the President and the various Governors of the states, to the end that decisive steps be taken at once to safeguard the lives and health of our people, and

Be it further resolved, That the City Clerk of Jersey City send to the Governor of New Jersey a certified copy of this resolution and that he communicate with the governing bodies of the principal cities and towns of New Jersey, suggesting that they take similar action in petitioning

the Governor for prompt and decisive action.

Adopted.

MEETING OF DECEMBER 8, 1925

Minutes of a Regular Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., on Tuesday, December 8, 1925, at 2 o'clock P. M.

Present: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Absent: None.

HEARINGS

The application of Charles Campbell for permission to erect a building at 49-51 Storms Avenue, Jersey City, N. J., having been laid over to this time and place, the City Clerk called for anyone who might desire to be heard in reference to the application.

Counsellor L. E. Hermann appeared for the applicant.

Counsellor William Gannon appeared for Antonio Collalla, owner of a frame dwelling next door to the proposed building.

Mr. Hermann stated that he was ready to move the application of Mr. Campbell for the approval of the plans.

Mr. Gannon stated that he opposed the application on behalf of Mr. Collallo, because from the best information at hand the space is to be used for garage purposes and will constitute a fire hazard to Mr. Collallo's building. Further, that his technical objection is that he cannot see how a permit can be issued, because on his inquiry at the Building Department he was informed that no plans have been filed according to the Building Code.

Commissioner Saul then presented a sketch of the proposed building.

Mr. Gannon insisted that the sketch does not comply with the code of Jersey City, no application with plans having been filed.

Commissioner Saul stated that the code provides that a complete set of plans must be filed.

The Mayor stated that in his opinion it would not be fair to Mr. Campbell or Mr. Hermann to insist upon the presentation of a set of plans which would cost a great deal of money to prepare, before learning that the application would be granted.

Commissioner Saul stated that no permit has been granted on a sketch.

The Mayor advised Mr. Gannon that the Board could not reject the application on the grounds that no plans had been filed, because that objection could not be sustained and Mr. Hermann could comply with that objection by filing plans.

Mr. Gannon insisted that he must have plans to sustain the facts he claimed. However, he stated that out of courtesy to the Mayor and Board of Commissioners, he would waive that objection and then stated his objections on the following three grounds: First, the proposed building is intended to be used for garage purposes for storage of automobiles, constituting a fire hazard to the property of his client immediately adjacent. Second, it is a violation of Section 8 of the Zoning Act. Third, the erection of the proposed building is in violation of that section of the Zoning Act which has zoned that particular section for residential purposes only, and prohibits garages for more than two cars.

The Mayor stated that the board is familiar with the application, this being the third time it has been brought before the board.

Counsellor Hermann stated this application is an entirely new application and is not the same as those presented by Mr. Milton and Mr. Van Winkle.

Mr. Hermann then related the filing of the application on September 16 requesting permission for a two-story brick building at 49-51 Storms Avenue, to be used for one store on ground floor, with coal bin and boiler room with living apartment on second floor to be used by Mr. Campbell. He read several communications that he had sent to Mr. Saul regarding the application. He presented photographs and mentioned locations where permits had been granted for garages with living apartments above. Mr. Hermann stated that he is not asking for anything that he is not entitled to and does not intend to build a garage, and that he is now prepared to make any modifications that the board will request.

Mr. Hermann mentioned garages under living quarters at Newark Avenue and Fifth Street and also at 49 Sherman Avenue.

Mr. Duff of the Building Department in reply to Commissioner Saul's request, advised the board that the Sherman Avenue matter was merely a driveway through to the rear yard, and that the Newark Avenue and Fifth Street building was entirely fireproof without any connection to the living apartments.

The Mayor wanted to know what the difference was between the former applications and this one.

Commissioner Saul explained in detail that the area of the second floor was larger than the first floor and there is a space to the easterly side where cars can be put in, and the lower floor could be arranged so that it could be used for garage purposes.

Mr. Gannon stated that by reason of cars being stored in the open space in the event of a fire, it could be easily communicated with his client's frame building adjoining. Commissioner Saul agreed with Mr. Gannon.

Mr. Hermann stated that it was not Mr. Campbell's idea to use this space for the storage of automobiles and that he is willing to close up that space, install a concrete roof and also have Mr. Campbell sign an agreement that it will not be used for garage purposes.

The Mayor stated that the use of such a vacant space for auto storage purposes would be a hazard and could not be permitted.

Mr. Hermann stated that he would join with the Commission in imposing every possible safeguard of fire hazard. He mentioned the large public garage recently erected on Sip Avenue immediately adjoining a frame building.

Commissioner Saul advised Mr. Hermann that when an application for a garage is filed, and if the adjacent people acquiesce, then the application is granted. Mr. Hermann then stated that if such was the case, it becomes a private hazard and not a public hazard.

The Mayor then advised Mr. Hermann that the hearing would close and the Board would be guided solely by Commissioner Saul's judgment in the matter.

Thereupon the following resolution was moved:

By Commissioner Saul:

Resolved, That the application of Charles Campbell for permission to erect a building at 49-51 Storms Avenue, Jersey City, N. J., be and the same is hereby denied, for the following reasons: That the second story of the building will be used for living apartments, the first story, part of which is so designed, the same can be used for garage purposes. This will constitute a building partly used on the first floor for garage purposes and the storage of automobiles, and the second story for living apartments and said building as designed will not be of fireproof construction, and will be a fire hazard.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Hermann thereupon offered to concrete that portion of the floor under the private garage now existing, and to brick in the open space. He stated that he would like to modify his offer now so that the matter could proceed without delay on account of

the winter coming on. He requested that the resolution as adopted would permit him to renew the application next week.

The Mayor advised him that early action would be taken by the Board as soon as he submitted plans in accordance with Commissioner Saul's recommendation, and suggested that he confer with Commissioner Saul. Commissioner Saul replied that the application would be granted when the plans are actually filed and comply with the code.

Counsellor Gannon stated that he is willing to be bound by Commissioner Saul's judgment as to whether or not the plans will show a fire hazard.

In conclusion Mr. Hermann withdrew his plans to file plans at a future date for the consideration of the Board of Commissioners, showing a fireproof construction.

At this time Counsellor Henry Runyon, August Carrell, Messrs. Wahl and Goldberg and Freeholder Michael Gill appeared before the Board and urged that action be taken to relieve the sewer conditions on the Boulevard at Journal Square. Mr. Runyon stated that there is no sewer from the Plaza down to the Elks' Club; that last July the Universal Security Company made application for a sewer, and Commissioner Fagen laid a large pipe; that a connection was made with the pipe which led into a dead end sewer, throwing the water back into the cellars; that Commissioner Fagen had informed him that he is anxious to proceed with the sewer system, but has no funds to finance the work. Mr. Runyon urged that the funds be provided. He also stated that Messrs. Wahl & Goldberg are planning a 15-story building, and r. Carrell has plans for an eight-story building in the Journal Square area, and cannot proceed without proper sewerage. He also urged the Board to undertake the construction of the westerly concourse which has been petitioned for by the residents and property owners of the Journal Square West section. Mr. Runyon stated that these improvements are absolutely essential and will create ratables to pay for said improvements.

Commissioner Fagen stated that it would be necessary to build two sewers, one on each side of the street, in order to avoid ripping up the centre of the Boulevard; that the concourse improvement was not as pressing as the sewer improvement at the present time; that the sewer is an immediate necessity because there are four or five large buildings in the course of construction on the north side of the Boulevard requiring the sewer and water facilities and that the financing of the sewer will not be so heavy because it will be a vitrified pipe sewer.

Counsellor James F. Gannon, Jr., stated that thousands of people are interested in the establishment of the new concourse going west, whereas only a few people are asking for the sewer improvement.

Freeholder Gill stated that the matter was very serious, the leaders being connected on said buildings, there is no place for the water to go and goes into the cellars of the buildings.

The Mayor advised the delegation that the sewer was an important improvement for the Journal Square Section and that Commissioner Fagen, to whom was referred the previous applications for concourse and sewer improvements, was making a thorough investigation of the proposed improvements and will submit his reports upon completion of the surveys, conferences and investigations.

Counsellor Atwood Wolf appeared before the Board at this time and stated that he was appearing as counsel for the Jackson Avenue Business Men's Association, who are desirous of having the Board establish a new bus line which will give contact to two points along Jackson Avenue, one along Sterling Avenue and another along Mallory Avenue. This line will act as sort of a crosstown line and will be a benefit to the residents of the newly developed sections and also help the business men on Jackson Avenue.

In addition to the establishment of the line, the Ocean Avenue bus men have asked for an extension of their line to the Ford plant and the Western Electric plant. This extension will not be operated for the present. Mr. Wolf stated that the fare would be five cents.

The Mayor requested Mr. Colford, supervisor of the jitney bureau to submit his opinion of the changes. He stated that the matter would have to go before the Public Utility Commission and further, that the Greenville line was loaded down now. Mr. Wolf replied that if the demand is created, new buses will be added to the line.

In conclusion he Mayor suggested that Mr. Wolf meet with Mr. Colford and discuss the matter thoroughly, and then Mr. Colford with his assistants can make a thorough investigation and report his findings to the board.

ALTERATION HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the following applications:

M. A. Dellatorre, sign, 3494 Boulevard.

Harry Schwartz, sign, 161 Jackson Avenue.

FRANCHISE HEARINGS

The hearing on the ordinances in connection with the proposed vacation of 11th Street, having been adjourned and continued to this time and place, the City Clerk called for anyone who might desire to be heard in the matter. Counsellor Minard for the Erie R. R. Co. appeared before the board and stated that he has ready to submit bonds indemnifying the city against any possible damages or expenses in connection with the proposed vacation.

Commissioner Fagen, to whom the proceedings had been referred for investigation and report, advised the board that he was ready to submit a tentative report and read a lengthy report and the board thereupon discussed with Mr. Minard the proposed changes in the grades of the various streets.

Mr. Minard requested the board to take action on three of the four pro-

posed ordinances, because the ordinance for the street changes does not involve immediate action, said changes being necessary only when the development of the area is under way. The mayor asked Mr. Minard what the proposed development was, and Mr. Minard replied that his company intended to erect a series of freight houses, the first unit being a yard at Monmouth Street, and it is therefore necessary that Eleventh Street and Provost Street be acted upon now.

Commissioner Fagen advised Mr. Minard that in the proposed street changes he believes that the matter should be referred to the Assessment Commission for the purpose of arranging a hearing on any possible damages.

In conclusion Commissioner Fagen recommended that the matter be referred to the Corporation Counsel and Mr. Minard for the purpose of working out the legal difficulties so that when the matter comes before the Board it will be in proper shape and there will be no delays in acting upon the application. He also recommended that the report submitted by him this day be referred to the Corporation Counsel.

Commissioner Fagen also advised Mr. Minard that he would like to meet the engineers of his company for the purpose of discussing the proposed changes. Mr. Minard agreed to arrange the meeting.

Thereupon Commissioner Fagen moved the following resolution:

By Commissioner Fagen:

Resolved, That the hearing on the following ordinances be and the same is hereby adjourned and continued to Tuesday, December 15, 1925, at 3 o'clock p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.:

"An ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street."

"An ordinance granting the Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company, and each of them, their and each of their successors and assigns the right to construct and maintain bridges over certain streets in Jersey City."

"An ordinance for the vacation of Eleventh Street in Jersey City, N. J."

"An ordinance for the vacation of Provost Street in Jersey City, N. J."

Adopted.

FRANCHISE HEARINGS

The hearing on the following described ordinances having been adjourned to this time and place, and the public notices having been advertised that the Board of Commissioners will consider the final passage of said ordinances:

"An Ordinance granting permission to the Lehigh Valley Railroad Company of New Jersey to construct, lay and maintain and operate a certain track extension siding across Washington Street and along the east side thereof from the intersection of the west line of Washington Street with the south line of the dividing line between the so-called big basin and little basin, in the property of the said Railroad Company adjoining the tidewater basin."

"An Ordinance for the relief of Antonio Frisina and Rose Frisina, his wife, in relation to the encroachments of the frame building, consisting of apartments for the accommodation of two families, situated on the northerly side of Eighth Street, distane 66,86 feet westerly from the westerly side of Monmouth Street, in the City of Jersey City, County of Hudson and State of New Jersey, and known as the street number 340½ Eighth Street,"

the City Clerk read each ordinance and then called for anyone who might desire to protest against the final passage of said ordinances. No one appeared to protest and no written protests were received against the final passage of said ordinances.

Commissioner Fagen thereupon moved the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to the Lehigh Valley Railroad Company of New Jersey to construct, lay, maintain and operate a certain track extension siding across Washington Street and along the east side thereof from the intersection of the west line of Washington Street with the south line of the Morris Canal to a point

approximately 145 feet south of the dividing line between the so-caled Big Basin and Little Basin, in the property of the said Railroad Company adjoining the Tide Water Basin.

Whereas, The Lehigh Valley Railroad Company of New Jersey has made application to the Board of Commissioners of Jersey City by written petition for permission to construct, lay, maintain and operate a certain track extension of its Edgewater Branch across Washington Street and along the easterly side thereof from the intersection of the west line of Washington Street with the south line of Morris Canal to a point approximately 145 feet south of the dividing line between the so-called Big Basin and Little Basin on property of the said company adjoining the Tide Water Basin, as shown upon plan annexed to the said petition so presented to and filed with this Board; and

Whereas, Said Board of Commissioners duly advertised the fact of the making of such application, and a public hearing thereon having been held for the purpose of receiving objections thereto and no objections being now urged against the granting of the desired permission, therefore the Board of Commissioners of Jersey City do ordain:

Section 1. Permission is hereby granted to the Lehigh Valley Railroad Company of New Jersey and its assigns to lay, maintain and operate a track extension of its Edgewater Branch across Washington Street and along the easterly side thereof from the intersection of the west line of Washington Street with the south line of the Morris Canal to a point approximately 145 feet south of the dividing line between the so-called Big Basin and Little Basin, on property of the said company adjoining the Tide Water Basin, as shown upon the plan annexed to the petition presented to and filed with this Board.

Section 2. The rails hereby authorized to be laid shall be what are known as "T" rails, and shall be laid at grade of Washington Street and maintained in such manner as to cause the least inconvenience to the traveling public. The beneficiary under this ordinance shall also protect and maintain any and all portions of any public sewer or sewers and water pipes now laid, or hereafter to be laid in said Washington Street, or other public property over which it may be necessary to place any of the tracks or other obstructions herein authorized; but the municipal authorities shall have the right, at any time, to enter upon the roadway traversed by said tracks to examine, repair, relocate, restore and install any municipal property. The beneficiary hereunder agrees to pay the City of Jersey City any costs of repairs to any municipal property that may be damaged by reason of the operation and maintenance of the track herein authorized. All work herein authorized and required to be performed and maintained shall be under the supervision and to the satisfaction of the proper City officers.

Section 3. After the laying of the track as herein provided for, the surface of the street shall be restored to the condition the same was in before the commencement of the work and the beneficiary hereby agrees that if any time during the life of this ordinance that the City shall pave or cause to be paved said Washington Street, that it will, at its own cost and expense, pave that portion between the track and for a distance of eighteen (18) inches outside of the outer rail of said track with the same class of pavement as laid or caused to be laid by the City and to maintain the same to the satisfaction of the proper City authorities for the life of the ordinance. In case the municipal authorities of said City shall change the character or style of pavement that shall hereunder be laid in said Washington Street, said beneficiary shall forthwith upon demand and at their own expense change the character or style of pavement between said rails and for a distance of eighteen (18) inches outside of the outer

rail thereof as directed by the proper City officials.

Section 4. In accepting the privileges of this ordinance and the operation and maintenance hereby authorized, the beneficiary hereunder thereby agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such operation, and to hold the City harmless therefrom. Refusal by the beneficiary under this ordinance to comply with any of the obligations or requirements expressed or implied in any section thereof shall constitute sufficient reason for the amendment or revocation hereof and the subsequent removal of any structures erected under the provisions hereof without recourse to said beneficiary for damage of any character.

Section 5. No work of construction shall be begun hereunder until an acceptance of such ordinance shall be filed with this Board in the manner required by law.

Section 6. For the privilege accorded herein the said Lehigh Valley Railroad Company of New Jersey, its successors and assigns shall pay annually to the Board of Commissioners of Jersey City the sum of $850.00, proper proportions of which shall be paid semi-annually to the City Comptroller of Jersey City at his office in the City Hall on the first day of January and July next succeeding the day when this ordinance shall become effective.

Section 7. When, during the life of this ordinance, it becomes necessary to move cars across Washington Street, care and caution must be exercised and no car or cars shall be in motion with a view to crossing as aforesaid until a man stationed for the purpose shall have signaled that such crossing may be safely made.

Section 8. The operation of track hereinafter authorized shall be subject to such reasonable regulations as the City authorities may desire to establish.

The City Clerk read the foregoing ordinance ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance for the relief of Antonio Frisina and Rose Frisina, his wife, in relation to the encroachments of the frame building, consisting of apartments for the accommodation of two families, situated on the northerly side of Eighth Street, distant 66.86 feet westerly from the westerly side of Monmouth Street, in the City of Jersey City, County of Hudson and State of New Jersey, and known as the Street number 340½ Eighth Street.

Whereas, It has been reported to the Mayor and Board of Aldermen of Jersey City by duly verified petition of Antonio Frisina and Rosa Frisina, his wife, that there is erected a certain frame building on Lot L, Block 292, known as 340 Eighth Street, which said building encroaches as follows, viz.: That the westerly side of the porch erected in front of said building encroaches upon the said northerly side of said Eighth Street 1.85 feet, and the easterly side of said porch encroaches upon the said northerly side of said Eighth Street 1.75 feet, and that these encroachments run along the entire width of said building, and further that the steps or stoop in front of said building leading from the sidewalk to said porch encroach upon said northerly side of said Eighth Street, 8.30 feet and further that an iron fence in front of said building encroaches on the said northerly side of said Eighth Street 8.30 feet, all of which is shown on a survey of said premises made by A. E. Sofield, Civil Engineer and surveyor, dated July 22,

1925, made for Messano & Messano, attorneys for said Antonio Frisina and Rosa Frisina, his wife, a true copy of which survey is annexed to the petition of said Antonio Frisina and Rosa Frisina, his wife, and

Whereas, The said Antonio Frisina and Rosa Frisina, his wife, pray permission to maintain said encroachments, and a public hearing having been had thereon, after due notice given in accordance with the statute; and there being no objection thereto.

Now, therefore, the Mayor and Aldermen of Jersey City do ordain:

1. That permission be and the same is hereby granted to Antonio Rrisina and Rosa Frisina, their heirs and assigns, to maintain the said building now erected on said land as the same now stands as far as the same relates to the said encroachments, until such time as the same shall be removed or required a reconstruction, or a rebuilding, at which time the same shall be made to conform with the building lines as established.

2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close:

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

At this time the Mayor announced that the hearing upon the ordinance entitled "An Ordinance to change and establish the Grade of Certain Parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street, Jersey City, in accordance with the provision of Chapter 152, Laws of 1917, and the various supplements thereto and amendments thereof," was now in order.

By Commissioner Fagen:

Resolved, That the hearing on the ordinance entitled "An Ordinance to Change and Establish the Grade of Certain Parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street," which has been heretofore introduced and advertised for hearing, and said hearing having been duly held and continued from time to time by resolutions of this Board, be now opened for further hearing.

Upon roll call, the same was unanimously adopted.

At this time Counsellor Minard of the Erie Railroad Company, appeared before the Board with reference to the ordinances in connection with the proposed vacation of Eleventh Street.

Commissioner Fagen advised the Board that the Law Department in collaboration with the Erie Railroad Company had prepared an ordinance amending the proposed changes of grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street, and requested the City Clerk to read said amendment.

The Mayor asked Mr. Brogan, Corporation Counsel, what position the property owners on Twelfth Street were in. Mr. Brogan replied that all the property owners have been taken care of by the Erie Railroad Company filing an agreement and indemnity bond; that upon the passage of the ordinance it is referred to the Assessment Commission to determine the damages of each and every property owner and under the bond filed the Erie Railroad Company, they pay for physical changes.

The Mayor stated that before the Board moved in this matter he would like all the interested property owners to be heard as to their ideas. Mr. Brogan stated that ninety per cent. of the property owners have passed titles for their property. The Mayor then requested that the property owners who are still in dispute be summoned for hearing, and he thereupon directed that the Corporation Counsel notify evreybody whose property is involved

in the proposed change, to appear before the Board.

Thereupon the following amendment to the above ordinance was then introduced by Commissioner Fagen:

By Commissioner Fagen:

Resolved, That "An Ordinance to Change and Establish the Grade of Certain Parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street, Jersey City, in accordance with the provisions of Chapter 152, Laws of 1917, and the various supplements thereto and amendments thereof" introduced on November 18, 1924, be amended as follows:

1. By striking out in Paragraph 1 under the heading "GROVE STREET," the words, "except that portion which is north of Twelfth Street, where the grade of the sidewalk is to remain as it now exists.

2. This amendment shall take effect immediately.

On roll call, the resolution by Commissioner Fagen amending the ordinance as aforesaid, was adopted by the following vote:

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

HEARINGS

At this time Mr. William McKinley and two members of war veteran organizations appeared before the Board. Mr. McKinley stated that the delegation represented the Veterans' Memorial Committee of Jersey City, which is composed of representatives from the three G. A. R. posts, the single post of Spanish-American War Veterans, three posts of the American Legion of Jersey City and five posts of the Veterans of Foreign Wars, and in addition thereto the Veterans of the Fourth N. J. Infantry. He stated that the purpose of appearing before the Board was to request that a Mayor's Committee be appointed to assist the Veterans' Committee in planning the erection of a fitting memorial building.

The Mayor advised the delegation that some few years ago a Mayor's Committee was appointed and they made recommendations which were criticized by the veterans of the various legions, and the appointment of another committee would produce the same results. He suggested that the veterans submit their own recommendations. He further stated that if a committee is appointed the Board of Commissioners are in duty bound to do what they recommend; that a committee might bring in a recommendation for a project to cost two or three hundred thousand dollars; that the Veterans committee should bring in a recommendation.

The Commander of Treacy Post advised the Mayor that they had in view a stadium as a memorial.

Commissioner Moore recommended that the matter be referred to the Director of the Department of Parks and Public Property to confer with the veterans' committee.

In conclusion the Mayor advised the delegation to communicate with Commissioner Saul.

At this time Counsellor Jos. H. McGuinness, Jr., appeared before the Board and presented a written protest signed by merchants and property owners of the West Bergen Section of Jersey City, protesting against the granting of a permit for the running of a crosstown bus line starting at Mallory Avenue and crossing West Side Avenue at Boyd Avenue, thence east to Bergen Avenue. Mr. McGuinness stated that he represented the West Bergen Business Men's Association and the Mallory Avenue Business Men's Association, who are against the proposed plan.

Mr. Colford, supervisor of the Jit-

ney Bureau, advised the Board that from his investigations he finds that this crosstown line appears favorable to him, but it has now come to his attention that the west side residents have registered objections to the establishment of the line.

Mr. McGuinness appeared with a large delegation of people opposed to the line.

Counsellor Atwood C. Wolf appeared with a large delegation who favored the route to be established.

Mr. McGuinness stated that the section he represented was bounded on the east by Bergen Avenue; on the south by the ball grounds; on the west by the Hackensack Meadows and on the north by the County Park; that the merchants in the section cannot depend on the ball grounds and the park for patronage; that the new bus line would draw people away from their business section in West Bergen.

The Mayor asked Mr. McGuinness if this new line would draw people away from that section so that they would go to Jackson and Monticello Avenues to shop. He replied that it would and would also work hardships on the merchants he represented. Mr. McGuinness stated that the section is now in the process of development and the new line would destroy such development.

Counsellor Wolf, who presented the petition for the new line at the previous meeting of the Board, stated that it was not a Jackson Avenue business proposition because he was advocating the proposition; that his interest in the matter is civic pride; that the new line will give transportation facilities to the great number of residents in that section; that increased transportation facilities will bring people to the West Bergen Section at a five-cent fare; that there is no question but Jersey City and the Greenville Section and Bergen Section of the City must have a belt line running east and west, because the City buses are now running north and south; that this new line will enable passengers to go to Newark for ten cents, that is, the new line will bring the people to the Passaic River bridge, where connections can be made with the Newark bus.

Mr. Colford recommended that they be permitted to run to Bergen Avenue and Forrest Street only.

Mr. Wolf said that it would be a good idea for the Christmas holidays, but later he wanted the running of the entire route.

The Mayor then recommended that Mr. Colford take both delegations to his office for a conference and return in ten or fifteen minutes with a report.

Upon returning to the Assembly Chamber, Mr. Wolf advised the Mayor that no understanding had been reached; that he is willing to accept Mr. Colford's suggestion to run as far as Bergen Avenue and Forrest Street; that the route would have to be ratified by the Public Utility Commission and at that time protests could be filed if the objectors so desired.

The Mayor recommended that the matter be laid over for one week and Mr. Colford should make a thorough investigation. Mr. Wolf stated that delay might possibly be very costly.

Commissioner Fagen advised Mr. Wolf that Sterling Avenue is a private street and could not be used as a traffic route. Mr. Wolf replied that if the present owner objected he could apply to the courts for relief, but at the present time both sides of the street were being used and traffic is going through the street.

Commissioner Fagen then asked Mr. Wolf what buses were to be used, and he replied that they have four buses available and that more will be installed when the demand requires.

Mr. Colford suggested that the new line run to Bergen Avenue and Forrest Street for two weeks, during which time he will investigate the situation. Mr. Wolf replied that at the end of two weeks the jitney men might say that they will abandon the idea altogether, because the proposed ter-

minus of Mr. Colford's would not be a paying route.

In conclusion, the Mayor recommended that the matter be taken in hand by Mr. Colford, who shall make an immediate investigation and confer with the jitney men and if he deems advisable, to have the City Clerk issue a temporary permit for the operation of the route to Bergen Avenue and Forrest Street and then to submit a report to the Board for consideration.

Counsellor L. E. Hermann appeared before the Board at this time and presented the plans for the proposed building to be erected by Charles Campbell at 49 Storms Avenue.

Commissioner Saul advised the Board that he could not pass on the plans at this time and suggested that the plans be referred to him for inspection and investigation and report back to the Board next Tuesday.

At this time, Counsellor William Weiss appeared with the applicant Mr. Terence Cullen and requested that permission be granted for a two-car garage at 196 Fairview Avenue, Jersey City, N. J.

Mrs. John P. Stafford, of 1 Apollo Street, and several other residents and property owners of that section appeared and protested against the proposed garage.

Counsellor Weiss stated that it was not a public garage.

The Mayor was informed by Mr. Cullen that he lived on Kensington Avenue and not at the place where the garages are to be erected. The Mayor then advised the applicant that the residents who are protesting must be protected in accordance with the policy of the Board in such matters.

In conclusion the Mayor stated that the matter was very complicated and recommended that it be referred to Commissioner Saul, who is head of the Building Department.

Commissioner Saul advised that he would in turn refer the matter to the Law Department for opinion as to the legal right of the Board to deny the application.

The Mayor thereupon advised those present that a report will be submitted to the Board next Tuesday.

MISCELLANEOUS BUSINESS

By Commissioner Fagen:

Whereas, At meeting held August 22, 1922, proposals were received for regulating and repaving with sheet asphalt on stone block foundation, the roadway of the unfinished portion of Pine Street from Johnston Avenue to Communipaw Avenue, except such portion now paved with asphalt block pavement, and

Whereas, Preliminary award of contract on the basis of said proposal was made at meeting held August 11, 1922, final award of contract made by resolution passed November 24, 1925, to Clinton Asphalt Company, and

Whereas, Clinton Asphalt Company has advised that, since the time of presenting their bid and final award of contract, prices they bid have been changed to increased cost of doing this character of work and that it wohld be Infair to ask to have them do this work under present conditions at price bid so long ago, and

Whereas, The Corporation Counsel has advised the Director of the Department of Streets and Public Improvements that he did not believe that the City could insist that the proposals in the contract be enforced, therefore be it

Resolved, That upon the recommendation of the Director of the Department of Streets and Public Improvements, the resolution adopted by the Board of Commissioners at meeting held November 24, 1925, awarding the contract for this improvement to the Clinton Asphalt Company be and is hereby reconsidered and rescinded and the proposals two in number received at meeting held August 22, 1922, be and they are hereby rejected; and be it further

Resolved, That the City Clerk be directed to return the specifications upon the basis of which said bids were solicited to the Director of the Department of Streets and Public Improvements for revision.

Whereas, on June 1, 1925, Patrick H. Gordon paid the sum of $137.40 for the first half 1925 taxes against property

known as lot 47 in block 1748 being 55 Roosevelt Avenue as entered in cash book 'C" page 1022; and

Whereas, on December 4, 1925, the said Patrick H. Gordon paid the sum of $137.40 for the second half of said taxes assessed against the above named property as entered in cash book "A" page 533; and

Whereas, the Hudson County Board of Taxation per Judgment No. 2009 reduced the valuation of said property $500 on the building or $17.18 in taxes, which amount the said Patrick H. Gordon failed to have credited on his tax bill No. 28815, page 142, block 1748, lot 47, thereby making an overpayment of $17.18 in taxes; therefore be it

Resolved, That a warrant be ordered drawn in favor of Patrick H. Gordon in the sum of $17.18 charging the same to 1925 taxes.

Whereas, the Commissioners of Assessments certified to the City Collector a prospective charge of $22 for main sewer of Duncan Avenue against property known as lot 16A in block 1823 being 105 Fairview Avenue; and

Whereas, on December 2, 1924, a resolution was introduced and adopted by the Board of Commissioners of Jersey City declaring the above prospective lien an actual lien against the above-mentioned property and various other property who are receiving the benefits of this main sewer, due to fact that the said properties are receiving a direct tapping benefit for sewer outlet and are receiving the benefit of main outlet sewer; and

Whereas, it is reported by the Commissioners of Assessments that property known as lot 16A in block 1823 being 105 Fairview Avenue was assessed for both lateral and outlet sewer benefits in 1874, and inasmuch as the assessment of $22 levied for the construction of the Duncan Avenue main sewer, is placed on the westerly 75 feet of the original plot 16, thus making another assessment for outlet benefits on the same property; and

Whereas, due to the above mentioned facts, Commissioner M. I. Fagen, Director of Streets and Public Improvements recommends that the said charge of $22 main sewer of Duncan Avenue assessed against lot 16A in block 1823 being 105 Fairview Avenue be and the same is hereby cancelled, charging the same to main sewere Duncan Avenue.

CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of the following ordinances:

"An Ordinance authorizing $5,195.00 Temporary Improvement Bonds of the City of Jersey City."

"A Supplement to an Ordinance, entitled, "An Ordinance regulating the installation, consumption and maintenance of the City Water and tariff of rates, governing the sale thereof," passed August 12, 1924,"

the City Clerk read each public notice and then called for any one who might desire to protest against the final passage thereof. No one appeared to protest and no written protests were received against the final passage of the above described ordinance.

Thereupon the following ordinances were moved:

By Commissioner Moore:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $5,195.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $5,195.00 is hereby appropriated for the purchase of two automobiles.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $5,195.00 temporary improvement bonds shall be issued, in pursuance of an act of the Legislature of the State of New Jersey, entitled, "An act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the purchase of two automobiles. One for the Department of Public Affairs and one for the Department of Revenue and Finance.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

FRANCHISE HEARING

At this time the Mayor announced that the hearing on the ordinances in connection with the proposed vacation of Eleventh Street, which has been continued from time to time by resolutions of the Board of Commissioners, was now in order.

Corporation Counsel Brogan advised the Board that, as directed at the last meeting of the Board, he had sent out about thirty letters and caused a notice to be inserted in the newspapers requesting property owners in the section affected by the proposed ordinances to attend the hearing today.

The Mayor thereupon stated that the City Commission on numerous occasions had promised never to be a party to the vacation of Eleventh Street until the property owners were treated

fair and just, and that now the ordinances are in a position to be acted upon, that it is the intention of the Board to find out whether all the property owners have been treated in a just manner before adopting the ordinances.

Several property owners appeared before the Board.

Counsellor Dennis Gallagher stated that in the case of his sister's property the railroad company put in three appraisers and they set a price of $25,500.00 on a six-family brick building with stores, whereas $31,000.00 was paid for the building a few months ago; that in order to compete with the railroad company, it is necessary for the property owner to engage appraisers at a large fee. The Mayor stated that in such a case he would be glad to furnish assistance free of charge, and would direct Mr. Tumulty of the Tax Bureau and the Corporation Counsel to defend such a case. Mr. Gallagher also stated that this case was now being handled in the office of Collins & Corbin.

The Mayor advised that where property has gone into litigation, the Board of Commissioners cannot control the situation, but if there were any property owners who were not being treated fairly and were unable to combat the railroad company, he will designate the Corporation Counsel to defend them free of charge.

Mr. Gallagher further stated that the railroad company representatives advised the people occupying the houses in the section affected that they would have to vacate immediately, and now they are informing the people that the property will not be taken for three or four years; that everybody does not know the situation; that the houses are all empty; there are no toilets or bathtubs in them; they are entirely wrecked.

Mr. M. Goran, a property owner, stated that if the City gives the railroad company Eleventh Street now, the property being vacant, the company will make the people wait another year.

Mr. Gallagher stated that on most of the property mortgages are held by banks; that no plumbing or lead piping is in the houses; that the banks will probably foreclose on the diffferent properties and then the railroad company will come in and buy for practically nothing.

The Mayor then directed the City Clerk to call the names of the property owners who were notified to be present, so that they may advise as to the status of their property.

The City Clerk read the following names:

Rose Fay—Did not appear.

Mr. Tubridy—Advised the board that property has been adjusted.

Mary Dittmar and estate of Isabella Dittmar—Advised the board that the property was in condemnation proceedings and not as yet settled.

Louis McKenna—Waiting for decision of the court.

Mary O'Sullivan—Mr. Brogan advised that the matter was adjusted.

Mrs. Thomas A. Drumme—Mrs. Drumme appeared before the board and stated that her property had been purchased by the Erie R. R. Co., and the transaction closed.

Mrs. Drumme also stated that she and Mr. Drumme wish to withdraw any protest against the vacation of 11th Street, and also at this time she is desirous of thanking the Mayor and Commissioners and the Corporation Counsel for their very good offices in the matter.

Mary Healy—Michael J. Curry advised the board that the case was settled.

Mr. Brogan advised the board that the Ross Matthews property was also settled.

Hugh A. Kelly—Mr. Brogan advised that in his opinion he thinks this case is settled.

M. J. Curry.—He advised the board that his case is under condemnation proceedings and not yet reported on.

Chas. M. Egan—Mr. Brogan advised that the case has been adjusted.

Mr. Brogan also advised that the Heavy and Rochford cases had been settled.

Mr. Brogan submitted a letter from Peter Bentley who represents several property owners. The letter stated that all the people he represented had been paid except ont plot which is now being condemned, and that he will not discuss the question whether they have been treated fairly.

Mr. Brogan stated that the case of estate of Neill Campbell which is in litigation, has not been decided.

He also advised that in the matter of the Frank Scatuorchio property, title has been passed.

Mr. Max Goren—He stated that his case had been settled and thanked the board for their consideration.

Sam Lesser—He did not appear. Mr. Brogan advised the board that Mr. Lesser had appeared at a meeting of the Board of Commissioners and made some objection, and the fact that he is not here today, having been notified to appear, would indicate that his case was closed out.

Mr. Brogan advised that the property of Julia Clarke had been adjusted.

The Mayor then requested Mr. Brogan to advise him what property is in dispute. Mr. Brogan enumerated the following property in litigation: Mary Dittmar, Isabella Dittmar, Campbell Estate, M. J. Curry and the McKenna property which Mr. Gallagher represented.

The Mayor stated that the Tunnel Commission has requested a conference with the City Commission and that it is his intention to find out just what they intend to do in reference to the tunnel approaches, etc., that he does not want to pass the ordinances and then have the Tunnel Commission come in and make different demands; that the situation here involves millions of dollars for paving, widening, policing, lighting, etc.

Mr. Brogan stated that in the agreement of the Erie R. R. Co., with the Tunnel Commission, the Tunnel Commission covenant that it would procure the vacation of 11th Street and before the vacation goes through, the Tunnel Commission is to first have their day in court for arbitration.

The Mayor stated that the commission desires to be fair and just and do not want the people of Jersey City to say that the commission has been neglectful; that the board does not want to walk into a situation that will reflect on the commission of Jersey City.

The Mayor suggested that Mr. Brogan draft a letter to be presented to the property owners in person, so that they may acknowledge in writing whether or not they have been satisfied in their dealing with the railroad company, for the purchase of their property.

Counsellor Minard of the Erie R. R. Co., appeared and stated that the city is not making a gift of 11th Street, because the railroad company is giving land of equal value for the proposed plazas.

The Mayor stated that agreements have been prepared and broken; first the Tunnel Commission wanted the City to pay for the widening and the City refused. This would involve a million and a half dollars. After that they agreed to widen and insisted that the City repave, involving about $800,000.00; that the Board felt that Jersey City should not be forced to do anything when New York is not doing it; that there was no reason for spending $10,000,000.00 in New York and only $5,000,000.00 in Jersey City.

The Mayor advised Mr. Minard that whatever delay there was in the matter, was due to the fact that the Board had to protect the people it represented.

Commissioner Fagen stated that Mr. Minard is entitled to consideration from the Board for the manner in which he has handled the situation in cooperation with the Board and the various departments.

Mr. Minard stated that in accordance with Commissioner Fagen's suggestion he has ready acceptance

agreements to be filed on the passage of the ordinances, which would finally dispose of the matter as far as he was concerned.

Mr. Brogan thereupon recommended that a resolution be adopted by the Board urging the Tunnel Commission to accelerate their movements.

Thereupon the following resolution tion was introduced:

By Commissioner Fagen:

Resolved, That the Corporation Counsel be instructed to communicate with the New Jersey Interstate Bridge and Tunnel Commission, and that he acquaint that Commission with the progress that has been made by the Erie Railroad Company in acquiring the property needed by it for tunnel purposes, which property in part is to be turned over to the said New Jersey Interstate Bridge and Tunnel Commission as part consideration for the acquisition by the Erie Railroad of the vacation of Eleventh Street, and further, that he request the Tunnel Commission to report to the Board of Commissioners of Jersey City what the said Tunnel Commission intends to do regarding the paving, lighting and policing of the plazas in Jersey City, and further, that he ascertain from the Tunnel Commission what progress it is making in the acquisition of property required for said plazas, so that the City may know just when the contemplated improvements will be initiated, to the end that it may govern itself accordingly on the proposed changed conditions that will prevail in the vicinity of Twelfth and Fourteenth Streets between Provost Street and Monmouth Street and the intersecting cross streets.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

In conclusion the Mayor thanked the property owners for attending the hearing and demonstrating their interest in the matter; because it is important that the Commission be acquainted with the status of the property owners involved. He also stated that the Commission is pleased that everything is coming to a satisfactory close.

HEARINGS

Counsellor George L. Record appeared before the Board at this time in reference to the recently established Jackson Avenue Crosstown Bus Line. He stated that in accordance with the provisions of the Kates Act, no permit can be granted to operate a bus unless the applicant is the owner of the bus.

Mr. Brogan, Corporation Counsel, stated that the Kates Act of 1916 has never been decided in Court as to whether or not the operator of a bus must be the owner of the bus.

The Mayor suggested that Mr. Record confer with Mr. Brogan and Mr. Colford, and if there are no objections that the clause be waived.

Counsellor Thomas F. Meaney appeared before the Board at this time on behalf of Mr. Terence Cullen, who is desirous of erecting a garage at 196 Fairview Avenue.

Commissioner Saul stated that the matter was referred by him to the Corporation Counsel. Mr. Brogan replied that he has been in Trenton the past few days on court litigation and regretted that he was unable to submit his report.

Commissioner Saul stated that a permit was granted for this improvement, but no work was undertaken and the permit expired, and that the question now is, has the Commission the right to deny today, for the same proposition.

Mrs. Stafford, of 1 Apollo Street, and several other property owners appeared and objected to the garage.

Mr. Brogan stated that there was a strip of land in dispute at the rear of Mr. Cullen's property, upon which no one has been paying taxes, and that a survey should be made to determine the status of the strip.

Mr. Meaney stated that there is a question as to whether or not the

garage will be a detriment to the adjacent property.

The Mayor stated that the policy of the Board was to consider any protests that were made, in view of the fact that the residents in the section had made their homes in the location and the fire hazard would be increased.

Mr. Brogan then wanted it understood that any opinion that he might render will be on the Zoning regulations and the Building Code provisions governing garages.

Counsellor Stephen Piga appeared before the board to appeal on an application for the erection of stores at the Southeast corner of Boulevard and Van Winkle Avenue, which had been rejected by the Zoning Commission on December 14, 1925.

Commissioner Saul advised him that the matter will come before the board on January 12, 1926.

Mr. Henry Hohorst, representing the Central Avenue Bus Line, appeared before the board and requested permission to erect a shed at the Tube Station on the Boulevard for the protection of the patrons of the Central Avenue Bus Line.

Commissioner Saul recommended that the matter be referred to Commissioner Fagen, Director of the Department of Streets and Public Improvements.

Mr. William F. Engle appeared before the board and supplementing his written petition, requested permission to operate a lunch wagon at 245 Communipaw Avenue, to be run by his son, who is a cripple.

Commissioner Saul stated that the location was adjacent to a lumber yard and would not be a detriment to adjacent property. He recommended, however, that the matter be referred to Commissioner Fagen.

CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of the following ordinance: "An ordinance relating to taxes for the year nineteen hundred and twenty-six," the City Clerk read the public notice and then called for anyone who might desire to protest against the final passage of the aforesaid ordinance.

Mr. Robert J. Hoos, president of the Jersey City Chamber of Commerce, appeared before the Board and read the following communication:

"To the Honorable Mayor and City Commisisoners of Jersey City, New Jersey.

Gentlemen:

The Tax Committee of the Jersey City Chamber of Commerce have endeavored to analyze the proposed budget for the City of Jersey City for the year 1926. Because, however, of the manner in which the budget is drawn, and also of the extremely short time between the publication thereof and the day set for the passage by your Commission,. it finds it impossible to make any recommendation with regard thereto.

In view of the fact that the proposed budget for 1926 is some $2,350,000.00 larger than for the current year, we regret exceedingly that we are not able to make a proper analysis of such budget and recommendations with reference thereto. Estimating the population of Jersey City at 325,000 people, this increase borne by the 1926 budget is an increase of $7.00 per capita over the budget for the present year.

This Committee would respectfully suggest that in the future the proposed budget for the City be published at least a month in advance of the time set for its passage by the City Commission, in order to give interested taxpayers and organizations a reasonable

opportunity for not only the examination of the items set out in the budget, but also for conferences with the financial officers and Commissioner of each department of the City with regard to such items.

Respectfully submitted,

JERSEY CITY CHAMBER OF COMMERCE TAX COMMITTEE.

John L. O'Toole, W. R. Balzer,
Mark Sullivan, W. E. Drake,
George T. Smith, Arthur T. Dear,
Ross Matthews, Robert J. Rendall,
Edward M. Taylor, Edward Groth,
W. S. Snead, J. J. Klein,
Joseph Fitzpatrick, E. O. Smith,
Charles Weyrich, W. L. Myles.
James McCaffery,

Commissioner Moore advised Mr. Hoos that the law provides that the ordinance be advertised not exceeding two weeks from date of hearing.

The Mayor advised Mr. Hoos that the Board will welcome the co-operation of the Chamber of Commerce

Mr. Hoos thereupon presented the communication to the City Clerk and Commissioner Fagen moved that the said communication be received and spread in full upon the records.

Commissioner Saul moved the adoption of the following ordinance:

By Commissioner Saul:

Resolved, That the following ordinance do now pass:

An Ordinance relating to taxes for the year nineteen hundred and twenty-six.

Be It Ordered by the Board of Commissioners of Jersey City, that there shall be assessed, raised by taxation and collected for the fiscal year 1926 the sum of Eleven Millions, One Hundred and Ninety-three Thousand, Four Hundred and Twenty-eight Dollars and Fifty-two Cents ($11,193,428.52) for the purpose of meeting the appropriations set forth in the following statement of resources and appropriations for the fiscal year 1926:

RESOURCES

Surplus Revenue Appropriated	$76,000.00
Miscellaneous Revenues	2,592,294.96
Amount to be raised by Taxes	11,193,428.52
Total Resources	$13,861,723.48

BUDGET APPROPRIATIONS

Appropriations	$13,861,723.48

This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

HEARINGS

The hearing on the application of Terence Cullen for permission to erect a garage at 196 Fairview Avenue, having been continued to this time and place, the City Clerk called for anyone who might desire to be heard in the matter.

Counsellor Thomas F. Meaney appeared with the applicant, Mr. Cullen.

Mrs. Stafford of Apollo Street and other property owners and residents of Apollo Street and Fairview Avenue appeared and again protested against the proposed garage.

The City Clerk thereupon read the following report from the Corporation Counsel:

"December 29, 1925.

"Edward J. Holland, City Clerk,
"City Hall,
"Jersey City, N. J.

"Dear Sir:

"Relative to the inquiry of the Board as to whether or not Terance Cullen is legally entitled to erect a garage at 196 Fairview Avenue, the entrance to the same being through Apollo Street, I beg to advise that in my opinion this application does not contravene any of the provisions of the zoning ordinance, and that the application is within his rights in asking for the permission.

"Question has been raised as to whether or not there was a strip of land between the street line and the building line which belongs to someone other than the applicant. I am not passing upon this question, as I do not know whether or not that is the fact. To find this out would necessitate a search of the title to the land from Apollo Street to Fairview Avenue.

"Very truly yours,
"THOMAS J. BROGAN."

Counsellor Meaney stated that he had consulted with a fire insurance expert and was advised that the proposed garage would not cause an increase in rate or any extra fire hazard.

The Mayor stated that the policy of the City Commission has been to always sustain the protesting property owners; that it was unfair for people who do not live in a neighborhood to come in and erect garages and destroy the homes already existing; that the protestants in this case are not represented by a lawyer and that it is the duty of the Commission to defend them; that the Commission does not function for any one group of people and that it is always ready to sustain and help everybody who appears before the Board.

Mrs. Stafford stated that one of her neighbors has given notice that she will move on account of the proposed garage, because she has two small children and the garage will make it unsafe for them. Further, that her own tenant is going to move as soon as she finds other quarters. She also stated that she does not see how Mr. Cullen can use the strip of land in question.

Miss Cullen, for the applicant, stated that they intend to rent one of the garages to their tenant and the other garage will be used by Mr. Cullen, who intends to purchase a car.

The Mayor suggested the advisability of postponing the matter for about ten days to give the protestants an opportunity to investigate the strip of land in question.

Commissioner Saul stated that the strip of land had no bearing on the application; that the matter was referred to the Corporation Counsel and that his vote will be based upon the opinion; that the garage cannot be erected within ten feet of any adjacent dwelling.

The Mayor stated that if he thought his vote would prevent the erection of the garage he would vote to deny the application, but that, in view of the Corporation Counsel's opinion, the garage is not a violation of any zoning ordinance provisions, he must be guided by the opinion. He also stated that if the applicant is not entitled to use

the strip of land in question the owner, whoever he may be, can prevent the use of the strip of land and cause the garage to be removed.

Commisisoner Moore stated that in view of the fact that the garage will not be a violation; if the City Commission denies the application, the applicant will take the matter into court and the City will then be compelled to grant the permit and also pay the costs of the suit.

In conclusion, the Mayor advised the protestants that if, after the permit is granted, they can secure any evidence or facts sufficient to cause the revocation of the permit, that they should consult with Mr. Brogan, the Corporation Counsel, and if the facts are well founded they should then engage a lawyer to take the case into the courts.

Thereupon Commisisoner Saul moved the following resolution:

By Commissioner Saul:

Whereas, The Corporation Counsel has given to the Board of Commissioners his opinion that if the application of Mr. Terrence Cullen to erect garage at 196 Fairview Avenue is granted same will not violate any laws or ordinances provided said garage is not within ten feet of any building used for residential purposes, be it

Resolved, That application of said Terrence Cullen to erect two-car private garage on Lot 10, Block 1825, 196 Fairview Avenue, size, 20 feet by 20 feet by 11 feet high, 7 feet from rear of lot line and 5 feet from westerly lot line, be approved provided same is not within ten feet of any building used for residential purposes, as per the opinion of the Corporation Counsel before said, the construction of said garage to comply with all building laws and requirements.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

MEETING OF JANUARY 1, 1926

Minutes of a Regular Adjourned Meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., on Friday, January 1st, 1926, at 12 o'clock noon.

Present: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Absent: None.

The City Clerk read the following communication:

January 1, 1926.

Honorable Board of City Commissioners:

I hereby tender my resignation as a member of the Board of Commissioners of Jersey City to take effect immediately.

(Signed) A. HARRY MOORE.

By Mayor Hague.

Resolved, That the resignation of A. Harry Moore, Member of the Board of Commissioners of Jersey City, N. J., and Director of the Department of Revenue and Finance of Jersey City, N. J., presented to the Board of Commissioners this day, be and the same hereby is accepted, to take effect January 1st, 1926, at 12 o'clock noon.

Adopted.

Yeas: Commissioners Fagen, Moore, Quinn, Saul and Mayor Hague.

Nays: None.

Upon the acceptance of Commissioner's resignation, the Mayor made the following statement:

"Under different circumstances, the City Commission, no doubt, would be somewhat grieved to accept a resignation of this kind from Commissioner Moore. Commissioner Moore has been associated with me ever since the adoption of Commission Government. He has always been congenial and has always been conscientious. The departments he had the honor of presiding over were presided over very satisfactorily. He has always been interested in the people of our City. This Commission wishes Governor Moore in his new undertaking 'God Speed.' We know that his administration will be a success, therefore before we proceed with any further business, I wish through the City Commission to present to Commsisioner

Moore on this occasion a pair of cuff buttons."

Upon receiving the gift, Governor-elect Moore responded:

"Mr. Mayor and Gentlemen of the Commission and my friends:—This life of ours seems to be full of welcomes and farewells. You know it is not easy to sever the ties which have existed through these years; the ties that have grown sweeter and more pleasing because of the associations of them, and I assure you that as I stand here, I am filled with unusual emotions. I thought it would be easy to walk out of here. But just as I sit here and recall the Mayor and I from the very beginning of this Commission and we think of the faces of men who sat here with us, men who have passed into the Great Majority Beyond, and I assure you there is clutching at my heart the warm and devoted friendships which I have made here, and as I go out into the new atmosphere, into a new place, and leave behind me most of those whom I have learned to love, and whose friendship I prize so highly, I cannot stand here without expressing to you, you, the loyal people of my home city and county, expressing to you the great debt of gratitude I owe you, and I assure you that as I go into this new atmosphere and place, I want to be the very best kind of a Governor New Jersey has ever had, so that I can come back and look you in the face and look you in the eye, just as I lay down my reins of office here, and can look any man, woman or child into the eye, and say that I have kept the faith and have given the very best that is in me, and I want you to be proud of me when I come back from Trenton."

Thereupon the Mayor directed the City Clerk to proceed with the meeting.

Commissioner Fagen moved that the retiring member of the Board and the newly elected Governor, and Commissioner Quinn be appointed as a Committee to escort Commissioner Beggans to the Chair.

The Mayor then directed the City Clerk to swear in the newly appointed Commissioner. Commissioner Beggans thereupon took the oath of office, and the Mayor directed that the name of Commissioner Beggans be placed upon the roll as a member of the Board of Commissioners of Jersey City.

At this time the Mayor made the following statement: "Everyone knows the part I had in the selection of Commissioner Beggans. First, because I have always felt that in recommending him to the City Commission, that he is one of the best police officers in the State of New Jersey. Second, that he has the ability and qualifications to fill the office of Director of Public Safety in Jersey City. I know, as I have recommended to the people, that his administration of the Departments of Police and Fire will be one of the best that Jersey City has ever experienced. I call upon the people of Jersey City to look with a great deal of interest and observe for themselves the efficient manner in which these departments will be conducted under the new Commissioner. In Commissioner Beggans we are going to have presiding over the police and fire departments one of the most efficient men who has ever presided over the Department of Public Safety in this State. Therefore it is with great pleasure that I recommended Commissioner Beggans for the Directorship of Public Safety of Jersey City.

By Mayor Hague:

Resolved, That John J. Beggans be and he hereby is designated and appointed a member of the Board of School Estimate, said appointment to take effect January 1st, 1926.

IMPROVEMENT HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the undertaking of the improvement of all that part of Ege Avenue, between Mallory Avenue and Bennett Street, with asphalt pavement on concrete base, and the making of private connection with sewer, gas and water mains or conduits for wires in Ege Avenue, between Mallory Avenue and Bennett Street, and also for the purpose of considering the final passage of the following ordinances covering said proposed improvements:

"An Ordinance to improve all that part of Ege Avenue, between Mallory Avenue and Bennett Street in the City of Jersey City, by improving with asphalt pavement on a concrete base in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed upon the property to be benefited thereby, being local in character."

"An Ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Ege Avenue, between Mallory Avenue and Bennett Street, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character, as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby."

The City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the undertaking of the improvement and the final passage of the aforesaid

ordinances. No one appeared to protest and no written protests were received.

Mr. Frank G. Beers of 340 Virginia Avenue appeared before the Board and stated that he represented all the property owners of the section to be improved and that they were in favor of the proposed improvement.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance to improve all that part of Ege Avenue between Mallory Avenue and Bennett Street in the City of Jersey City, by improving with asphalt pavement on a concrete base in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed upon the property to be benefited thereby, being local in character;

Whereas, It is deemed advisable by the Director of the Department of Streets and Public Improvements that Ege Avenue between Mallory Avenue and Bennett Street should be improved;

Therefore, The Board of Commissioners of Jersey City do ordain:

That, All that part of Ege Avenue between Mallory Avenue and Bennett Street, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2. To have the new 5 x 16 in. bluestone curb set in concrete on each side.

3. To have new cement walks laid five (5) feet in width on each side thereof.

4. To have the carriageway paved thirty (30) feet in width with asphalt pavement on a six (6) inch concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner, said improvement to be made in conformity to the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereof and amendments thereto and in accordance with specifications to be specially prepared.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance to provide for the making of private conncetions with sewer, gas and water mains or conduits for wires in Ege Avenue, between Mallory Avenue and Bennett Street, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby.

Whereas, The Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Ege Avenue between Mallory Avenue and Bennett Street;

Whereas, There are already laid and existing in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, After said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvement which shall then have been completed; therefore

The Board of Commissioners of Jersey City do ordain:

1. That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Ege Avenue between Mallory Avenue and Bennett Street, such owners or parties in interest shall within the time mentioned in said notice, which shall not be less than thirty days after the passage of this ordinance, cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer, gas and water mains or conduits for wires in said streets.

2. If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice, then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof shall be assessed against any lands or real estate benefited.

3. The said improvement is local in character as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Naye: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now clase.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Sul.

HEARINGS

At this time Counsellor Stephen Piga appeared before the board and requested permission for the construction of three brick buildings on the southeast corner of Van Winkle Avenue and the Boulevard. He stated that the improvement will be along the same lines as the recent improvement made by Gershonowitz Bros. directly across from St. Joseph's Church, which is a show place for that section of the city.

Commissioner Saul rerommended that the matter lay over for one week, so that the full Board may discuss the matter.

Counsellor Walter Freund appeared before the Board and requested permission for the construction of nine garages on the rear of 9 Belvidere Avenue.

Commissioner Saul recommended that the matter be given a public hearing inasmuch as the section is residential.

Commissioner Beggans was thereupon directed to notify the interested persons that the hearing will be had upon said application on Tuesday, January 26th, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

Counsellor Walter Freund also requested the Board to grant permission for two buildings at 172-174 Randolph Avenue.

Commissioner Saul stated that the application was originally denied by the Board; that the applicant wants to erect two buildings for stores; that the neighborhood is positively residential; that the matter be given a public hearing.

Commissioner Beggans was directed to notify the interested persons of the hearing to be held on January 26th, 1926, at 3 o'clock p. m., in the Assembly Chamber, City Hall, Jersey City.

Morris Bouer appeared before the Board and requested permission to erect a one-story brick building to contain two stores, at the rear of 194 Jackson Avenue.

Commissioner Saul recommended that the matter be given a public hearing on January 26th, 1926, at 3 p. m., in the Assembly Chamber, and Commissioner Beggans was directed to notify the interested persons.

Mr. William Neumann, Jr., appeared before the Board and requested permission for Julius Gershonowitz to erect a one-story brick store building at 75½ Poplar Street, being the southwest corner of Boulevard and Poplar Street.

Commissioner Saul recommended that the matter be given a public hearing on January 26th, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, and Commissioner Beggans was directed to notify the interested persons of said hearing.

Counsellor Henry Young and Dr. James Parker appeared before the Board and protested against a garage proposed to be erected by a Mr. Trost at Hancock Avenue and Bowers Street.

Commissioner Saul advised that no action has been taken in the matter and recommended that a public hearing be given said application on Tuesday, January 26th, 1926, at 3 p. m., in the Assembly Chamber, City Hall, and Commissioner Beggans was directed to notify all interested persons of said hearing.

Resolution authorizing the issuance of not exceeding $500,000 Tax Anticipation Notes of 1926.

Resolved as follows:

On January 13, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $500,000 and shall issue therefor Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled, "An Act concerning Municipal and County Finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated January 13, 1926, and shall mature on or at the option of the City before December 31, 1926, and shall bear interest at the rate of Five per cent per annum, payable July 1, and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the Chief Financial Officer of the City who signs the notes herein authorized, states (a) they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $3,437,798.93, (c) that the total amount of said instruments outstanding (including this issue) is $500,000.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the Notes herein authorized.

The said Notes are awarded and sold to The Commercial Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said Notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

$8,500.00

On motion of Commissioner Fagen the reception of bids was ordered closed, the bid received opened and read, and referred to the director of the Dept. of Public Affairs for investigation and recommendation.

FRANCHISE HEARINGS:

The hearing on the final passage of the following ordinance "An Ordinance granting permission to Morgan Realty Co. to construct and maintain an overhead awning or marquise over the entrance to restaurant situated at 930 Bergen Avenue, Jersey City," having been adjourned and continued to this time and place and public notice having been given that the Board of Commissioners would consider the final passage of said ordinance, as required by law, the City Clerk read the ordinance and then called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received against the final passage of the aforesaid ordinance.

Thereupon Commissioner Fagen moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, that the following ordinance do now pass:

An ordinance granting permission to Morgan Realty Co. to construct and maintain an overhead awning or marquise over the entrance to restaurant situated at 930 Bergen Avenue, Jersey City.

The Board of Commissioners of Jersey City do ordain:

1. That the said Morgan Realty Co. be and they are hereby permitted to construct and maintain in front of the premises known as 930 Bergen Avenue, Jersey City, an awning or marquise as shown on blue print of plans filed with the application of the said Morgan Realty Co.

2. The said overhead awning or marquise is to extend eight (8′) across the front of the building, located centrally over doors and to extend eight (8′6″) feet, six inches out from the building line, and to be about (11′6″) feet six inches above sidewalk level. It is to be constructed entirely of six (6″) chanel iron, used as Ts, upon which No. 24 gauge galvanized iron roof is to be set and

soldered water-tight and to be anchored to brick piers with expansion bolts and at two points with 1" tie rods using clevice bolts through wall and bearing plate all as indicated on plan and in a manner satisfactory to and under the supervision of the proper departments of the City Government.

3. The ordinance granting this privilege shall be of full force and effect for a period of twenty (20) years.

4. In accepting the privileges of this ordinance and the operation and maintenance herein authorized the beneficiary hereby agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such construction or maintenance and to hold the city harmless therefrom.

5. This ordinance shall not become operative unless an acceptance in writing thereof shall be filed by the beneficiary with the City Clerk within thirty (30) days after receiving notice of the passage thereof.

6. For the privileges herein accorded the said beneficiary shall pay annually to the City Comptroller at his office in the City Hall, Jersey City, the sum of $1.00, said payment to be made in advance on the first day of February next succeeding the time when this ordinance shall become effective, and each year thereafter in like manner; and this ordinance being for the sole relief of the said Morgan Realty Co., shall not be assigned or permitted to be used by any other person, company or corporation whatsoever, except by the authority or subsequent resolution of this board.

Hearing on the following described applications—

National Grocery Company, for permission to use a portion of Wayne Street and a portion of Mercer Street;

Benjamin Berkowitz, to construct a steel and wire glass marquise at 276 Fairmount Avenue,

having been adjourned and continued to this time and place, and the City Clerk having caused public notices to be advertised that the Board of Commissioners would consider the final passage of the ordinances covering the aforesaid applications, to wit:

"An Ordinance granting permission to the National Grocery Company, a corporation of the State of New Jersey, to use a portion of Wayne Street and a portion of Mercer Street, Jersey City, to the extent and for the purposes hereinafter set out";

"An Ordinance granting permisison to Benjamin Berkowitz to construct a steel and wire glass marquise in front of his building at 276 Fairmount Avenue, Jersey City, New Jersey,"

the Acting City Clerk read each ordinance and then called for anyone who might desire to protest against the final passage of each of the above-described ordinances. No one appeared to protest, and no written protests were received.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commisisoner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance granting permission to the National Grocery Company, a corporation of the State of New Jersey, to use a portion of Wayne Street and a portion of Mercer Street, Jersey City, to the extent and for the purposes hereinafter set out.

Whereas, After due notice given in accordance with statute, a public hearing has been had upon a petition filed by said National Grocery Company, a corporation of the State of New Jersey, to use a portion of Mercer Street and a portion of Wayne Street, Jersey City, to the extent and for the purpose hereinafter set out, and there being no objection thereto;

Now, therefore, the Board of Commisisoners of Jersey City do ordain as follows:

Section 1. That permission be and the same is hereby granted to the National Grocery Company, a corporation of the State of New Jersey, to construct and maintain a loading or shipping platform to be used for business purposes, to be located on the southerly side of Wayne Street, in the City of Jersey City, adjoining its business building (now being erected), located between the easterly side of the overhead railroad of the Lehigh Valley Railroad Company and the westerly side of the present brick building of the Dixon Crucible Company, in said City of Jersey City, and extending along the front of said new building (in Wayne Street), a distance of 100 feet, and having an average height of 3 feet and 6 inches, and a width of 5 feet, extended outwardly from the building line, and to be constructed of concrete.

Section 2. That permission be and the same is hereby granted to the said National Grocery Company to construct and maintain a concrete, reinforced, canopy, to extend outward from the building line of the property of said company, over the platform described in Section 1 hereof, a distance of 14 feet 6 inches (no part thereof to extend beyond the curb line) and to have a clearance of 15 feet between the curb and said canopy, no supports for same to be placed in any portion of the street.

Section 3. That permission be and

the same is hereby granted to the said National Grocery Company to construct and maintain in front of its business building (about to be erected) on the northerly side of Mercer Street, between the easterly side of the overhead railroad of the Lehigh Valley Railroad Company and the westerly side of the present brick building of the Dixon Crucible Company, two porticos, or porches, one at (or near) the easterly end of said new building and the other at (or near) the westerly end of said new building, one to consist of two stone columns and base and the other to consist of four stone columns and base, each extending two feet outside of the building line, one having four steps and one having five steps attached thereto, the whole to extend outside the building line a distance not exceeding four feet six inches.

Section 4. All work herein authorized shall be done under the supervision and to the satisfaction of the proper department of the City Government.

Section 5. This ordinance shall be in full force and effect for a period of twenty (20) years.

Section 6. This ordinance shall not become effective unless an acceptance, in writing, thereof shall be filed by said National Grocery Company with the City Clerk within thirty days after the receipt of notice of the passage thereof.

Section 7. In accepting the privileges under this ordinance, and in the construction and maintenance herein authorized, the National Grocery Company agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such construction or maintenance, and to hold the City harmless therefrom.

Section 8. All costs and expenses incidental to the introduction, passage and publication of this ordinance, and to the erection and construction of the work hereby permitted, shall be borne and paid by said National Grocery Company.

Section 9. For the privileges herein recorded said beneficiary shall pay annually to the Board of Commisisoners of Jersey City the sum of $100.00, which payment shall be made in advance to the Comptroller of Jersey City at his office in the City Hall on the first day of February next succeeding the time when the ordinance shall become effective and annually thereafter.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commisisoners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commisisoner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commisisoners Beggans, Fagen, Quinn and Saul.

By Commissioner Fagen:

Resolved, that the following ordinance do now pass:

An ordinance granting permission to Benjamin Berkowitz to construct a steel and wire glass marquise in front of his building at 276 Fairmount Avenue, Jersey City, New Jersey.

The Board of Commissioners of Jersey City do ordain:

Section 1. Permission is hereby granted to Benjamin Berkowitz to construct in front of building owned by him at 276 Fairmount Avenue, Jersey City, N. J., a steel and wire glass marquise extending nine feet from the said building over the sidewalk; said marquise to be nineteen feet in length across the front of said building, and eleven feet two inches above the sidewalk level, all of which is more particularly shown on the blueprint annexed to the said petition heretofore filed herein.

Section 2. This ordinance shall be in full force and effect for a period of twenty years, but no work of construction shall have begun thereunder until the acceptance thereof shall

have been filed with this Board in the manner required by law.

Section 3. In accepting the privileges of this ordinance and the operation and maintenance herein authorized, the beneficiaries thereby do agree to assume full, complete and undivided responsibility for any and all injury and damage to persons and property by reason of such construction or maintenance and to hold the City harmless therefrom.

Section 4. All work herein authorized shall be under the supervision of the Superintendent of Buildings and shall be constructed in accordance with plans to be filed with and approved by said official.

Section 5. For the privilege herein granted Benjamin Berkowitz shall pay annually to the Board of Commissioners of Jersey City the sum of $1.00 at the office of the City Comptroller in the City Hall, Jersey City, N. J., on the first day of February next succeeding the time when this ordinance shall become effective, and each year thereafter in like manner.

Section 6. This ordinance shall not become effective until acceptance in writing shall be filed with the City Clerk of Jersey City within thirty days after notice given the said beneficiary by the City Clerk of Jersey City.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

CITY ORDINANCES

This time and place having been fixed by the Board of Commissioners of Jersey City, and public notice advertised for the purpose of considering the final passage of the following ordinances:

"An Ordinance authorizing $2,500.00 Temporary Improvement Bonds of the City of Jersey City."

"An Ordinance authorizing $21,000.00 Temporary Improvement Bonds of the City of Jersey City."

"An Ordinance authorizing $5,000.00 Temporary Improvement Bonds of the City of Jersey City."

the Acting City Clerk read each ordinance and then called for anyone who might desire to protest against the final passage of the aforesaid ordinances. No one appeared to protest and no written protests were received against the final passage of any of the above-described ordinances.

Commissioner Quinn thereupon moved the final passage of the following ordinances:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $2,500.00 temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $2,500.00 is hereby appropriated for the preliminary expenses in the widening of Stevens Avenue from Hudson Boulevard to Sterling Avenue.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $2,500.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear in-

terest at the rate of not exceeding six per cent per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said Bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the widening of Stevens Avenue.

Sec.4. Said Bonds shall be sold by the Director of The Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

HEARINGS

This time and place having been fixed for public hearing on the application

of Julius Gershonowitz for permission to erect a one-story brick store building at 75½ Poplar Street, Jersey City, and Captain Hogue of the Police Department, having advised the Board that he caused notice to be served on the people living in the vicinity and who might be interested in the matter, to appear at said hearing, the Acting City Clerk declared the hearing open.

The following persons appeared and protested against the proposed store building: Mrs. Lyons of 75 Poplar Street, John Lyons of 75 Poplar Street, Mrs. M. Wares of 3627 Boulevard, Mrs. Rasner of 3644 Boulevard and Dr. Stockfish of 3644 Boulevard.

Mr. William Newmann represented the applicant.

Dr. Stockfish stated that the location was purely residential four blocks either way; that four stores were recently erected on the Boulevard—one is used by a druggist, one occupied as a vegetable store and then vacated, and the others are idle; that the proposed store will be on the Boulevard; that this section is trying to build up and increase the beauty of that particular section; that Summit Avenue is only a short distance away and has the business section.

Mrs. Ware stated that there is at present a house on the lot and the store will be in the rear and will shut off the light from her house.

Commissioner Saul asked Mrs. Ware if the applicant owned the corner building at Poplar Street and the Boulevard, and Mrs. Ware replied that he did.

Commissioner Saul advised the protestants that the applicant may take the matter to the Courts and the City Commission may be overruled in denying the permit.

Commissioner Saul thereupon moved that the application be denied.

By Commissioner Saul:

Resolved, That the application of Julius Gershonowitz for permission to erect a one-story brick store building at 75½ Poplar Street, Jersey City, be denied because of the fact that it would tend to increase the fire hazard in that locality.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

This time and place having been fixed for public hearing on the application of Morris Bouer for permission to erect a one-story brick building to contain two stores in the rear of 194 Jackson Avenue, Jersey City, and Captain Martin of the Police Department having advised the Board that he caused notice to be served on the people living in the vicinity and who might be interested in the matter to appear at said hearing, the Acting City Clerk declared the hearing open.

Counsellor Bowen presented a written protest signed by a great many residents and property owners of Wegman Parkway, protesting against the proposed store building to front on Wegman Parkway in the rear of the premises No. 194 Jackson Avenue, because the erection of said stores will deprive the Parkway of its strictly residential character and will materially lessen the value of the property fronting on the Parkway.

No one appeared for the application.

Commissioner Saul moved that under the circumstances, the applicant not appearing, the application should be denied.

By Commissioner Saul:

Resolved, That application of Morris Bouer for permission to erect one-story brick building to contain two stores in the rear of 194 Jackson Avenue, Jersey City, be denied because of the fact that the applicant did not appear before the City Commission.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

This time and place having been fixed for public hearing on the application filed by Counsellor Walter Freund for permission to erect two two-story, four-family brick houses,

with one store in each, at 172-174 Randolph Avenue, Jersey City, and Captain Martin of the Police Department having advised the Board that he caused notice to be served on the people living in the vicinity, and who might be interested in the matter, to appear at said hearing, the Acting City Clerk declared the hearing open.

Mr. William Morris, of 191 Randolph Avenue, appeared and stated that he protested against the proposed stores because it would be a nuisance; that there is at present a little store at 188 Randolph Avenue, and in the evenings the boys from the neighborhood gather there and make a lot of noise, and in the morning there is the noise of milk cans, etc.; that the neighborhood is strictly residential.

Commissioner Fagen asked Mr. Morris if the proposed store would increase the fire hazard, and he replied that it would.

In reply to Commissioner Saul's inquiry, Mr. Morris stated that the present store has been located there about ten years.

Counsellor Freund stated that he objected to what the protestant says, because it is in reference to the present store and not in reference to the application; that the proposed improvement will involve thousands of dollars and will be an addition to the neighborhood.

Commissioner Quinn asked if there were any other stores in the neighborhood. Commissioner Fagen stated that the only store was the one mentioned previously.

Mr. Morris stated further that the store was originally a brick flat and was turned into a store; that across the street from the proposed stores the houses are set back twenty-five feet from the curb line and that the stores would be a nuisance in such a residential neighborhood.

Commissioner Fagen stated that it was a nice residential neighborhood; next to Arlington Avenue, it is one of the only streets that has no stores on it; that the stores would be right alongside of other apartment houses there; and that the stores could be considered as adding to the fire hazard and would therefore move that the application be denied.

By Commissioner Fagen:

Resolved, That the application of Counsellor Walter Freund, requesting permission to erect two two-story four-family brick houses with one store in each building at 172-174 Randolph Avenue, Jersey City, be and the same is hereby denied for the reason that said proposed buildings would be situated in a residential section, would add to the fire hazzard and will also depreciate the value of surrounding property.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

This time and place having been fixed for public hearing on the application filed by Counsellor Walter Freund for permission to erect nine private garages in the rear of the two six-family apartments at 24-28 Belvidere Avenue, Jersey City, and Captain O'Connor of the Police Department having advised the Board that he caused notice to be served on the people living in the vicinity and who might be interested in the matter, to appear at said hearing, the Acting City Clerk declared the hearing open.

No one appeared to protest against the proposed garages.

Mr. Frank Murphy, property owner in that neighborhood, appeared and stated that there is at present on the premises a garage for three cars and for the purpose of making it safer from fire hazard, the applicant desires to erect brick garages in lieu of the present garages, which is agreeable to him and his brother, who is also a property owner there, and that the garages were for use of the tenants of the houses on the premises.

Commissioner Fagen asked Mr. Murphey if the street was not newly as-

phalted. Mr. Murphy replied that it was done about eighteen years ago.

Commissioner Saul stated that in view of the fact that the people were notified and no one appeared to protest, he would recommend that the application be granted, provided that the garages will not be erected within ten feet of any part of the dwellings.

By Commissioner Saul:

Resolved, That application filed by Counsellor Walter Freund for permission to erect nine private garages in rear of two six-family apartments at 24 to 28 Belvidere Avenue be approved, provided that none of said garages are erected within ten feet of any building used for living purposes.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

This time and place having been fixed for public hearing on the application of William H. Trost for permission to erect a one-story brick private garage at 89 Bowers Street, with entrance on Hancock Avenue, Jersey City, and Captain Hogue of the Police Department having advised the Board that he caused notice to be served on the residents of the neighborhood and who might be interested in the matter to appear at said hearing, the Acting City Clerk declared the hearing open.

Mr. and Mrs. W. Young and Rev. James Parker appeared before the Board and through Counsellor Henry Young protested against the proposed garage.

Counsellor Young stated that from his information of the size of the lot a large car cannot be stored in the proposed garage, and he thinks the purpose is to simply put a small car there; that if they turned the proposed garage around to face Bowers Street, he could not see how it could be utilized; that if the garage faces Hancock Avenue, the garage will have to stand on the street line; that the Second United Presbyterian Church stands about 30 or 35 feet away, and that a one-story garage structure would encroach upon the dignity of the church.

Commissioner Quinn asked Mr. Young if the section was strictly residential, and Counsellor Young replied that it was, and that the houses and also the church were frame structures.

Mrs. Young stated that the garage will spoil the view of her house; that she will be forced to look at the garage wall all day. Counsellor Young explained that Mrs. Young's house faces Hancock Avenue, and that if stands back from the street line and the garage is built on the street line, it will cut away the view from the house.

Commissioner Saul thereupon made a motion that the permit be denied through the fact that the garage as erected will be within 35 feet of the existing church, which is a frame structure.

Before the roll call on the motion, William H. Trust, of 89 Bowers Street, the applicant, appeared before the Board and stated that he has been a resident of that section for 40 years; a property owner 45 years and has owned and paid taxes on this particular property for seven years; that he has a vacant piece of land there and is desirous of placing a little garage there which he thinks he is within his rights in placing there; that he does not think it will be detrimental to the property or the neighborhood; that Mr. Young's building is used as a furnished room house and that Mr. Young does not live there and he does not know whether he intends to live there; that Dr. Parker's church is about 40 feet away and that he does not think it will harm Dr. Parker's congregation; that if they want to come and hear Dr. Parker preach, they will not mind passing a garage; that when the officer went around and notified the neighbors, they said they said they would be glad if I could get a permit and would come down before the Board and speak for it; that

if they objected, they would certainly appear and speak against it; that if it was necessary to secure their consent, he would go around with a petition and could get everybody but the persons who appeared today to sign for the garage; that the garage will not interfere with the house next door because there are no windows on that side of their house and it will not obstruct their view.

Commissioner Fagen asked Mr. Trost if the street is not made uglier will not the property depreciate. Mr. Trost replied that the garage will be a small brick garage and will look better than a great many of the houses there at the present time.

Commissioner Fagen then asked Mr. Trost if the people occupying the furnished room house returning from their daily work were not entitled to a little rest and further a street that has a church located on it frequented by many people should be considered Mr. Trost replied that the garage will not create any noise; that the church property does not pay taxes and he does.

Commissioner Fagen advised Mr. Trost that Mrs. Young's house and the church were there before he intended to place the garage there and the other houses on the block were entitled to as much protection as he was.

Mr. Trost wanted to know why three garages were permitted at the corner of Sherman Avenue and Bowers Street if it is a residential section. Commissioner Saul replied that the garage was formerly a big frame barn and it was more advantageous to have the brick garage.

Commissioner Saul stated that the proposed garage would be right on the lot line, being a violation of the Building Code, and would also constitute a fire hazard, and therefore, he would move that the application be denied.

By Commissioner Saul:

Resolved, That the application of William H. Trost for permission to erect a one-story private brick garage at 89 Bowers Street with entrance on Hancock Avenue, Jersey City, be denied because of the fact that the proposed garage would set directly on the lot line and would open up on the sidewalk, thereby obstructing the street and for the further reason that the proposed garage would be within forty feet of a now existing church.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

The hearing on the application filed by Counsellor Stephen Piga for Philip Gershonowitz, requesting permission to erect three brick buildings for store purposes on the southeast corner of Van Winkle Avenue and the Boulevard, having been adjourned and continued to this time and place, the Acting City Clerk declared the hearing open.

Counsellor Piga appeared with the applicant, Mr. Philip Gershonowitz. Mr. Piga stated that the applicant proposed to build three brick buildings containing stores exactly like the stores opposite St. John's R. C. Church on the Boulevard; that the stores, when completed, will not be rented for service stations or garage purposes; that they will be rented for showrooms for automobiles, drug stores and the like; that the section on that side of the Boulevard from Newark Avenue northward to the point where the stores are to be erected is strictly a business section; that the stores will not be a detriment to property and the church, but will enhance the value of property.

Commissioner Quinn asked Mr. Piga if the foundations were proposed with the idea of super-structures later on. Mr. Piga replied that they were being built with that motive in view; that Father Smith of St. John's Church had asked him the same question; that he had assured Father Smith that the foundations were being built so that apartment dwellings could be placed there any time; that the only reason that the dwellings are not being planned now was due to the fact that the Hudson County National Banks have made it a policy to keep mort-

gage loans on apartment dwellings and the like at a minimum because of the fact that so many apartment buildings are being erected in the Bergen Section at the present time.

Commissioner Quinn stated that millions of dollars are being spent in the Journal Square development and that in his opinion one-story buildings would not enhance the value of property.

Commissioner Saul stated that one-story buildings would not be any particular benefit to the neighborhood; that an application was denied for a similar permit on the Boulevard corner near Mr. Piga's location.

Mr. Philip Gershonowitz, the applicant, stated that he has been operating in Jersey City and other parts of the State for the past eighteen years and has built numerous buildings which improved appearances of sections and increased ratables, and that he has never built any building that would hurt the citizens or would be contrary to the wishes of the city.

Commissioner Quinn stated that we must consider the wonderful development in progress at the Journal Square Section and should encourage large structures in the neighborhood of Journal Square; that if one-story structures were permitted, others will try the same thing, and these buildings will not enhance the value of property.

Mr. Gershonowitz stated that at the present time there are no stores available for showroom purposes; that it is his intention to supply the necessary store locations; that at the present time it cannot be determined just what kind of buildings are really necessary while the section is in course of development.

Commissioner Saul suggested that the matter be laid over for one week for further discussion and asked Mr. Gershonowitz if he had any objection to the continuation of the hearing. Mr. Gershonowitz agreed to the adover for a period of one week and removed that the application be laid journment.

Commissioner Fagen thereupon fered to Commissioner Saul.

140.84	5.13	145.97
140.84	5.13	145.97

the above mentioned payments being entered in cash book "A," page 553; and

Whereas, on January 15, 1926, the and S. Dublilier paid the sum of $426.12 for the second half of said 1925 taxes as follows:

Bill No.	Book	Page	Block	Lo
34677	10	244	1892	C1
34676	10	244	1892	E1
34675	10	244	1892	A1

Whereas, Emanuel N. Weitz, of 75 Montgomery Street, enlisted into the United States Navy under date of June 3, 1918, at New York City and was honorably discharged under date of December 22, 1918, at Brooklyn, N. Y., has been assessed for real estate property known as block 1,822, lot A, being 206 Jewett Avenue, as per bill No. 32,125, book 10, page 51; and

Whereas, on May 28, 1925, the said Emanuel Weitz paid the sum of $172.75 for the first half of said 1925 taxes against the above-mentioned property as entered in cash book "A," page 112; and

Whereas, Chapter 46 of the Laws of 1919 confers the power on this Commission to exempt taxes from State, County and Municipal taxation to all honorably discharged soldiers, sailors and marines to a valuation not exceeding five hundred ($500) dollars; and

Whereas, the said Emanuel Weitz has shown to the satisfaction of this Commission that he is entitled to the privilege of said exemption; therefore be it

Resolved, That the Veterans' Exemption Allowance of $500 be credited against the second half of said 1925 taxes, namely, $17.18, charging the same to 1925 taxes.

Adopted.

Whereas, on April 7, 1925, H. Sammon, of 78-80 Belmont Avenue, paid the sum of $98.45, namely, $92.93 for the principal plus $5.52 accrued interest for the first half of 1924 taxes against property known as lot B in block 1,919, being 78-80 Belmont Avenue, as entered in cash book "A," page 363; and

Whereas, the said H. Sammon had the above-mentioned property apportioned, selling 78 Belmont Avenue to Harry A. Corenberg and No. 80 Belmont Avenue to Michelina Errico, and the payment made against the first half was apportioned against both pieces of property, namely: $51.38 against old lot B, new lot B2, and $41.55 against old lot B, new lot B1; and

Whereas, the new owner of lot B2 on January 13, 1926, paid the sum of $56.42, namely: $51.37 principal, $1.00 new bill and $4.05 accrued interest, as entered in cash book "C," page 800; and

Whereas, on the same day, January

13, 1926, Insley, Vreeland & Decker, attorneys for M. Errico, not knowing that she had paid the second half of said 1924 taxes, paid the sum of $55.39, namely: $51.37 principal plus $4.02 accrued interest, as entered in cash book "C," page 800, thereby making a duplicate payment of the second half of 1924 taxes against the above-mentioned property; therefore be it

Resolved, That a warrant be ordered drawn in favor of Michelina Errico in the sum of $55.39, charging the same to 1924 taxes.

Resolution authorizing the issuance of not exceeding $500,000 Tax Anticipation Notes of 1926.

Resolved, as follows:

On January 27, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $500,000 and shall issue therefor Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled "An Act concerning Municipal and County Finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated January 27, 1926, and shall mature on or at the option of the City before December 31, 1926, and shall bear interest at the rate of five per cent per annum, payable July 1, and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the Chief Financial Officer of the City who signs the Notes herein authorized, states (a) they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $3,437,798.93, (c) that the total amount of said instruments outstanding (including this issue) is $1,000,000.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the Notes herein authorized.

The said Notes are awarded and sold to The Commercial Trust Company of New Jersey at par and accrued interest, and the Director of the De-

partment of Revenue and Finance is authorized and directed to have said Notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

MEETING OF FEBRUARY 2, 1926

Minutes of a regular meeting of the Board of Commissioners of Jersey City, held in the Assembly Chamber, City Hall, Jersey City, N. J., on Tuesday, February 2, 1926, at 2 o'clock p. m.

Present: Commissioners Beggans, Fagen, Quinn and Saul.

Absent: Mayor Hague (excused).

In the absence of the Mayor, Commissioner Quinn, Director of the Department of Revenue and Finance, presided.

IMPROVEMENT HEARINGS

This time and place having been fixed by the Board of Commissioners and public notice advertised for the purpose of considering the undertaking of the following improvement, and also for considering the final passage of an ordinance covering said proposed improvement as follows:

The improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue by construction of a sewer, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof,

the Acting City Clerk read the public notice of hearing and then called for anyone who might desire to be heard on the undertaking of the proposed improvement.

Mrs. White, 137 Greenville Avenue; Mr. Cosowitz, 754 Boulevard, Bayonne, N. J., owner of lots 40, 41, 42, 43, 44, block 1264; Josephine Miltner, 121-5 Greenville Avenue; Mrs. Meyer, 135 Greenville Avenue, appeared and protested against the proposed improvement on the grounds that they paid for sewerage facilities in Lembeck Avenue.

Mr. Lazarus Goldstein, owner of lots 5, 6, 27, 28, in block 1264, stated that he was in favor of the improvement; that there is no chance of building without proper drainage.

Commissioner Fagen stated that the present sewer system was overloaded and that no building could proceed without the improved sewerage; that the Lembeck Avenue sewer is overloaded; that all property owners in a majority are in favor of the improve-

ment because it will help the property; that leading up from Neptune Avenue they are all petitioning for sewers; that if this improvement does not go through now that street will not be improved for years to come; that no street improvement can be made until the sewer goes down.

Mr. John Conte, 90 Jackson Avenue, and Alberte Le Done, 174 Armstrong Avenue, the petitioners for the improvement, appeared and urged the undertaking of the improvement.

In conclusion Commissioner Fagen stated that he would investigate further, and if it appeared that the sewer was not necessary he would recommend that way.

By Commissioner Fagen:

Resolved, That the hearing on the undertaking of the improvement and final passage of an ordinance covering said improvement as follows: "The improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue by construction of sewer, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof," be and the same is hereby adjourned and continued to Tuesday, February 9, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

This time and place having been fixed by the Board of Commissioners and public notice having been advertised for the purpose of considering the undertaking of the following improvement:

"The improvement of all that part of Broadman Parkway between Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, and the making of private connections therein," in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof," and also for considering the final passage of ordinances covering said proposed improvements, the Acting City Clerk read the public notice of hearing and then called for anyone who might desire to be heard on the proposed improvement.

No one appeared to protest and no written protests were received against the undertaking of the aforesaid improvement.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Broadman Parkway between the Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, in the City of Jersey City, by improving with asphalt pavement on a concrete base, in accordance with the provisions of Chapter 152, of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character.

Whereas, It is deemed advisable by the Director of the Department of Streets and Public Improvements, that Broadman Parkway between the Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, should be improved,

Therefore the Board of Commissioners of Jersey City do ordain:

That all that part of Broadman Parkway between the Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have the streets for the full width thereof graded to the established grades by excavating or filling

the same to the established grades.

2. To have new 5x16-inch bluestone curb set in concrete on either side thereof, and around the islands on Broadman Parkway.

3. To have new cement walks, 5 feet in width, laid on either side thereof.

4. To have the carriage-ways paved with asphalt pavement on a six (6") inch concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner; said improvement to be made in conformity with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, and in accordance with specifications to be specially prepared.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Broadman Parkway between Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof. The said improvements are local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

Whereas, The Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Broadman Parkway between Hudson Boulevard and its westerly terminus; also for the improvement of West View Court between Broadman Parkway and Culver Avenue; and

Whereas, There are already laid and existing in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, After said contemplated improvement to above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvements which shall then have been completed,

Therefore the Board of Commissioners of Jersey City do ordain:

1. That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Broadman Parkway between Hudson Boulevard and its westerly terminus; also West View Court between Broadman Parkway and Culver Avenue, such owner or owners or parties in interest shall within the time mentioned in said notice which shall not be less than thirty days after the passage of this ordinance cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer, gas and water mains or conduits for wires in said streets.

2. If the work of making private connections with said sewer, gas and

water mains or conduits for wires shall not have been begun within the time limited in said notice then the director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense of same shall be assessed against any lands or real estate so benefited.

3. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas—Commissioners Beggans, Fagen, Quinn and Saul.

Nays—None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

This time and place having been fixed by the Board of Commissioners and public notice advertised for the purpose of considering the following improvement:

"The improvement of all that part of Rose Avenue from Armstrong Avenue to Fulton Avenue, and also for the making of private connections with sewer, gas and water mains, etc.," and also for considering the final passage of ordinances covering said improvements, the Acting City Clerk read the public notice of hearing and then called for any one who might desire to be heard on the aforesaid improvements.

Frank Pettere, 139 Woodlawn Avenue, and G. H. Andelfinger, 142 Woodlawn Avenue, appeared and protested against the improvement because the cost would be too much.

Mrs. M. Gienio, 190 Rose Avenue; H. J. Schmidt, 150 Armstrong Avenue; C. J. Sundwick (formerly Simon property), 172 Rose Avenue; Bernard W. Nie, 173 Rose Avenue; Mrs. Geo. Hausmann, 189 Rose Avenue, and Herman T. Haag, 164 Rose Avenue, appeared and spoke in favor of the proposed improvement.

Commissioner Fagen stated that, ordinarily, if there was not much grade or back fill, the cost would be about $350 or $375 per lot, plus $100 for private connections; that improvements are not forced on people; that in this case the great majority want the improvement, and only two oppose it; that the assessment can be paid over a period of five years.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

Rose Avenue from Armstrong Avenue to Fulton Avenue, in the City of Jersey City by improving with asphalt pavement on a concrete base; in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby being local in character.

Whereas it is deemed advisable by the Director of the Department of Streets and Public Improvements, that Rose Avenue from Armstrong Avenue to Fulton Avenue should be improved.

Wherefore the Board of Commissioners of Jersey City do ordain:

That all that part of Rose Avenue from Armstrong Avenue to Fulton Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have a grade established and the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2. To have new 5 by 16-inch bluestone curb set in concrete on either side thereof.

3. To have new cement walks five

(5) feet in width laid on each side thereof.

4. To have the carriageway paved thirty (30) feet in width with asphalt pavement on a six (6) inch concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in good and substantial manner, said improvement to be made in conformity with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof and in accordance with specifications to be specially prepared.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

This time and place having been fixed by the Board of Commissioners and public notice advertised for the purpose of considering the undertaking of the following improvement:

"The Improvement of all that part of Summit Avenue, between Sip Avenue and Cottage Street by widening the same to a width of seventy (70) feet,"

and also for considering the final passage of an ordinance covering said improvement, the Acting City Clerk read the public notice of hearing and then called for anyone who might desired to be heard on the proposed improvement.

Mr. Robert J. Rendall, representing the Five Corners Association, and a great many property owners and residents appeared before the Board.

Mr. Rendall stated that he is not protesting but appears to speak in favor of the proposed amendment.

Dr. John Willis, of 536 Summit Avenue, stated that he does not object to the widening of the street, but to the width that it is going to widened; that from Cottage Street to the Five Corners will be 60 feet, at the bridge it is 50 feet and the street between those two points will be 70 feet wide, and that he thought from Pavonia Avenue down the street was wide enough.

Mr. R. W. Starrett, on behalf of Mrs. Minnie Lightfoot, owner of 533-535-537 Summit Avenue, reiterated Dr. Willis' statement.

Counsellor John Warren stated that he represented the Tube Realty Company, owner of Lot 4B, Block 521, at the corner of Magnolia Avenue; that the proposed widening has just come to his attention and that he would like to enter formal protest until such time as they could go further into the matter with the various people at interest.

Mrs. Lightfoot, owner of Lots 71 and 72, Block 582, between Magnolia and Pavonia Avenues, stated that the proposed widening would take away the bay windows, the front of the property and the stoop, that the houses would have to be jacked up and the houses are old.

Commissioner Fagen advised Mrs. Lightfoot that the City's contractors would take care of that.

Commissioner Fagen stated that it would be a greater advantage if the widening could reach to the Five Corners, but the expense would be too great because it would be necessary to move the theatre and the Spingarn Building would be destroyed; that the next best thing was the project now under discussion; that the fifty foot width at the bridge would be the same as the seventy foot width because no parking of cars would be allowed there; that the parking of cars on the wide part of the street was necessary because so many people use cars; that sidewalks will be reduced where possible; that the proposed plan was suggested by his Engineering Department; that the bridge empties the traffic going towards the Tube, that is, Sip Avenue; that Magnolia Avenue and other streets lead towards the Boulevard; that the sewer improvement has been a very expensive project for the property owners and that was the matter that held back the proposed widening; that there can be no improvements where there are no sewers; that the property owners must bear in mind that part of the cost of the improvement will be assessed to the abutting property owners and part will

be assessed against the City at large.

The Acting City Clerk then called for anyone else who might desire to be heard in the matter. No other person addressed the Board, thereupon Commissioner Fagen moved that the hearing close and that the matter be referred to the Assessment Commission, who, with the aid of the engineers, shall make their report according to law.

Commissioner Fagen then moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Summit Avenue, between Sip Avenue and Cottage Street, by widening same to a width of seventy (70) feet.

Whereas it is deemed advisable by the Director of the Department of Streets and Public Improvements, that Summit Avenue, between Sip Avenue and Cottage Street, should be improved,

Therefore, the Board of Commissioners of Jersey City do ordain

That all that part of Summit Avenue, between Sip Avenue and Cottage Street, as same is hereinafter more particularly described, should be improved by widening same to a width of seventy (70) feet, and that the lands necessary therefor are described as follows:

PARCEL No. 1

Beginning at a point formed by the intersection of the line of division between Lots. Nos. 6-N and A-1, City Block No. 521, as shown on the present assessment map of Jersey City, with the present easterly line of Summit Avenue; thence (1) running northerly along the present easterly line of Summit Avenue, thirty-seven and forty-four hundredths (37.44) feet to the northerly line of Lot No. 6-N; thence (2) running easterly along the northerly line of Lot No. 6-N, seven and twenty-seven hundredths (7.27) feet to the proposed easterly line of Summit Avenue as shown on map annexed to ordinance entitled "Plan for the widening of Summit Avenue, between Sip Avenue and Cottage Street"; thence (3) running southerly along the proposed easterly line of Summit Avenue, thirty-seven and sixty-two (37.62) feet to the southerly line of Lot No. 6-N; thence (4) running westerly along the southerly line of Lot No. 6-N, four and sixty-two hundredths (4.62) feet to the point or place of beginning—containing approximately (220.82) square feet, being a portion of Lot 6-N, City Block 521.

PARCEL No. 2

Beginning at a point formed by the intersection of the line of division between Lots Nos. 6-M and 6-N, City Block No. 521, as shown on the present assessment map of Jersey City, with the present easterly line of Summit Avenue; thence (1) running northerly along the present easterly line of Summit Avenue, forty and three hundredths (40.03) feet to the northerly line of Lot No. 6-M; thence (2) running easterly along the northerly line of Lot No. 6-M, ten and three hundredths (10.03) feet to the proposed easterly line of Summit Avenue, as shown on map annexed to ordinance entitled: "Plan for the widening of Summit Avenue, between Sip Avenue and Cottage Street"; thence (3) running southerly along the proposed easterly line of Summit Avenue, thirty-nine and forty-seven hundredths (39.47) feet to the southerly line of Lot No. 6-M; thence (4) running westerly along the southerly line of Lot No. 6-M, seven and twenty-seven hundredths (7.27) feet to the point or place of beginning—containing approximately (342.44) square feet, being a portion of Lot 6-M, City Block No. 521.

PARCEL No. 3

Beginning at a point formed by the intersection of the line of division between Lots No. 6-L and No. 6-M, City Block No. 521, as shown on the present assessment map of Jersey City, with the present easterly line of Sum-

This time and place having been fixed by the Board of Commissioners of Jersey City and public notice advertised for the purpose of considering the undertaking of the following improvement:

"The improvement of all that part of Bleecker Street between Liberty Avenue and Terrace Avenue, also for the making of private connections with sewer, gas and water mains, &c., in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements and amendments thereof,"

the Acting City Clerk read the public notice of hearing and then called for anyone who might desire to be heard in the matter.

Mrs. M. Zoller, 475 Liberty Avenue; George Nier, representing John Nier Estate, 178 Bleecker Street, and Emil J. Cossman, 180 Bleecker Street, appeared and stated that they favored the improvement.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Bleeker Street between Liberty Avenue and Terrace Avenue by construction of a sewer and improving with granite block pavement on a concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character.

Whereas, It is deemed advisable by

the Director of the Department of Streets and Public Improvements that Bleecker Street between Liberty Avenue and Terrace Avenue should be improved;

Therefore the Board of Commissioners of Jersey City do ordain:

That all that part of Bleecker Street between Liberty Avenue and Terrace Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To cause at 12-inch vitrified pipe sewer to be constructed in Bleecker Street from a point about eighty (80) feet east of Terrace Avenue to be connected with sewer to be constructed in Terrace Avenue together with all the necessary manholes, receiving basins and appurtenances, all in accordance with the established plan of sewerage.

2. To cause Bleecker Street between Liberty Avenue and Terrace Avenue to be improved in the following manner:

3. To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

4. To have new 5x16-inch bluestone curb set in concrete on each side thereof.

5. To have new cement walks five (5) feet in width laid on each side thereof.

6. To have the carriageway paved thirty (30) feet in width with granite block pavement on a six (6) inch concrete base and all other work done that may be necessary to provide for the flow of surface water and to complete the improvement in a good and substantial manner, said improvement to be made in conformity with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof and in accordance with specifications to be specially prepared.

7. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Alopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Bleecker Street between Liberty Avenue and Terrace Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

Whereas, The Director of the Department of Streets and Public Improvements has reported that an ordinance has been introduced at a meeting of the Board of Commissioners, providing for the improvement of Bleecker Street between Liberty Avenue and Terrace Avenue; and

Whereas, There are already laid out and existing in said streets sewer, gas and water mains or conduits for wires and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, After said contemplated improvement to the above described area has been made no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of

the proposed improvement which shall have then been completed;

Therefore the Board of Commissioners of Jersey City do ordain:

1. That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Bleecker Street between Liberty Avenue and Terrace Avenue, such owners or parties in interest shall within the time mentioned in said notice, which shall not be less than thirty days after the passage of this ordinance, cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer, gas and water mains or conduits for wires in said streets.

2. If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time menioned in said notice, then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense of same shall be assessed against any lands or real estate benefited.

3. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

HEARINGS

At this time the acting City Clerk called for anyone who might desire to be heard in the matter of the application of Charles Campbell to erect building at 49-51 Storms Avenue.

Commissioner Quinn advised the Board that Counsellor L. Edward Hermann, for the applicant, had requested that the matter be laid over for one week.

Commissioner Saul thereupon moved that the hearing be laid over to Tuesday, February 9, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

Counsellor Stephen Piga appeared before the Board and requested that the hearing on the application of P. Gershonowitz for the erection of buildings at the southwest corner of Van Winkle Avenue and the Boulevard, be laid over for one week for the purpose of revising the plans.

Commissioner Saul moved that the request be granted.

Mr. John A. Scharwath of the National Aircell Covering Company, appeared before the board and requested permission to lay a spur track on their property located at South Cove, and leased to said company by the city. He stated that the agreement entered into between the company and the city permitted such track and when the work was started recently, they were prevented from continuing.

Commissioner Saul advised the board that the city owns the property there and that if the spur was permitted it would cut off the property and make it valueless; that it cuts the inside of the city owned plot and makes it useless.

Commissioner Fagen suggested that the matter be referred to Commissioner Saul for investigation.

In conclusion Commissioner Saul recommended that the matter be referred to the Law Department for investigation and report. The board concurred in the recommendation.

Corporation Counsel Brogan advised the board that he will endeavor to submit a report at the next meeting of the board on February 9, 1926.

By Commissioner Fagen:

Whereas, that on October 27, 1923, William A. Connell and Michael V. Murtha, partners, trading as "Connell and Murtha," entered into a contract with the Mayor and Alderman of Jersey City to regulate and pave with granite block the roadway of Congress Street, from Central Avenue to Paterson Plankroad, between tracks and rails of the Public Service Railway Company, which said contract is known as No. 2505; and

Whereas, all of the work under said contract is fully completed in accordance with the plans and specifications, and the work accepted by the Mayor and Alderman of Jersey City through its proper officials; and

Whereas, a final certificate for the completion of said work was approved and ordered paid at the meeting of the Board of Commissioners, held September 1, 1925, the payment of which final certificate constitutes the acceptance of the work in accordance with the contract; and

Whereas, the Mayor and Aldermen of Jersey City, under and by virtue of said contract, is retaining the sum of one thousand five hundred eighty-nine and 21/100 dollars ($1,589.21) as and for the retained percentage moneys and has drawn a warrant to the order of Connell & Murtha, known as Voucher No. 303, C-No. 296, for the sum of five thousand six hundred eighty and 22/100 dollars ($5,680.22), being the amount due to Connell & Murtha, as and for its final payment; and

Whereas, Connell & Murtha have failed and neglected to pay to divers materialmen for goods sold and delivered to said Connell & Murtha, as a result of which the following named persons and corporations have filed liens against the moneys now due or to grow due to Connell & Murtha, to wit: Henry Specker, Graney Brothers, Lewis Galli, Michael J. Scanlon, Texas Company; and

Whereas, Lewis Galli, one of the materialmen, has instituted a suit in the Court of Chancery to perfect his lien; and

Whereas, all of the parties in interest, together with the Fidelity & Deposit Company of Maryland, the surety company upon the bond of Connell & Murtha, to whom the said Connell & Murtha have made assignments of all moneys due and to grow due under its contract with the Mayor and Aldermen of Jersey City, have arranged to withdraw all of the lien claims filed by them and to release the Mayor and Aldermen of Jersey City from any and all liability by reason of any claims made with respect to said contract, known as No. 2505, upon the payment to these materialmen and claimants of a proportionate share of the moneys which are due to Connell & Murtha by virtue of the final certificate; and

Whereas, the Fidelity & Deposit Company of Maryland, in order to further secure the Mayor and Aldermen of Jersey City in paying out these moneys to said claimants, has delivered its bond agreeing to indemnify the said Mayor and Aldermen of Jersey City from any and all liability by

reason of any payments which the Mayor and Aldermen of Jersey City might make in accordance with this resolution, which said bond has been approved by the Corporation Counsel; now, therefore be it

Resolved, That the warrant heretofore drawn to Connell & Murtha, known as Voucher No. 303 and C-No. 296, in the sum of five thousand six hundred eighty and 22/100 dollars ($5,680.22), be and the same is hereby ordered cancelled and the Comptroller is hereby directed to draw the following warrants in the amounts set opposite each name:

Texas Co., or Riker & Riker, its attorney	$ 613.46
Henry Specker, or Abraham Lieberman, his attorney	204.00
Lewis Galli, or Edward Stover, his attorney	729.40
Michael Scanlon, or Andrew E. Nolan, his attorney	1,000.00
E. D. Vanderbilt Co., or Jos. S. Parry, its attorney	2,939.81

IMPROVEMENT HEARINGS

The hearing on the undertaking of the improvement and final passage of an ordinance covering said improvement, viz:—The improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue, thence in Fowler Avenue to Danforth Avenue by construction of a sewer, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, having been adjourned and continued to this time and place, the City Clerk called for anyone who might desire to be heard on the proposed improvement.

Mr. Lazarus Goldstein appeared and urged the undertaking of the improvement.

Commissioner Fagen, to whom the matter was referred for further investigation, advised the Commission that due to the present emergency caused by the heavy snowfall, he has been unable to consider the proposed improvement and recommended that the hearing be continued to Tuesday, February 16, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

By Commissioner Fagen:

Resolved, That the hearing on undertaking of the improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue, thence in Fowler Avenue to Danforth Avenue by construction of a sewer in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, and also on the final

passage of an ordinance covering said improvement, be and the same is hereby adjourned and continued to Tuesday, February 16, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

The hearing on the undertaking of the following proposed improvement:

The improvement of all that part of Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court and Casper Court between Van Houten Avenue and their present westerly terminus with asphalt pavement on concrete base, and for the making of private connections with sewer, gas and water mains or conduits for wires, therein, and also for considering the final passage of ordinances covering said improvements, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, having been adjourned and continued to this time, the City Clerk read the public notice of hearing and then called for any one who might desire to be heard on the proposed improvement. No one appeared to protest and no written protests were received against the undertaking of the above described improvement and the final passage of the ordinances covering said improvement.

Thereupon Commissioner Fagen moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court and Casper Court, between Van Houten Avenue, and their present westerly terminus in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character.

Whereas, it is deemed advisable by the Director of the Department of Streets and Public Improvements, that Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court, and Casper Court, between Van Houten Avenue, and their present westerly terminus should be improved.

Therefore the Board of Commissioners of Jersey City do ordain:

That, all that part of Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court and Casper Court, between Van Houten Avenue and their present westerly terminus in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have the streets graded to the established grade by excavating or filling the same to the established grade.

2. To have new 5x16-in. bluestone curb set in concrete on each of their sides thereof.

3. To have new coment walks five (5 ft.) feet in width laid on each of their sides thereof.

4. To have the carriageways paved thirty (30 ft.) feet in width with asphalt pavement on a 6-in. concrete base, and all other work done that may be necessary for the flow of the surface water, and to complete the improvement in a good and substantial manner; said improvement to be made in conformity to the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, and in accordance with specifications to be specially prepared under your direction.

5. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Resolved, That the following ordinance do now pass:

An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court, and Casper Court, between Van Houten Avenue, and their present westerly terminus, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

Whereas, the Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court, and Casper Court, between Van Houten Avenue, and their present westerly terminus; and

Whereas, there are already laid and existing in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, after said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvement which shall then have been completed, therefore

The Board of Commissioners of Jersey City do ordain:

1. That after notice shall have been served on or shall have been given as provided by law to owners or parties in interest of lands fronting on Van Houten Avenue, between Hudson Boulevard and Sterling Avenue; Iorio Court and Casper Court, between Van Houten Avenue, and their present westerly terminus such owners or parties in interest shall within the time mentioned in said notice which shall not be less than thirty days after the passage of this ordinance cause at their own cost and expense private connections to be made between each such lot of land twenty-five feet or less in width owned or controlled by them; and the sewer, gas and water mains or conduits for wires in said streets.

2. If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof shall be assessed against any lands or real estate benefited.

3. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

Resolution authorizing the issuance of $4,000,000.00 tax revenue bonds of 1925 of the City of Jersey City, New Jersey.

RECITALS

The amount of taxes for the fiscal year 1925 now delinquent and unpaid are as follows:

Real Taxes	$3,385,163.42
Personal Taxes	488,456.66
Second Class R.R. Taxes	705,522.09
Taxes on Gross Receipts of Public Utilities	94,720.18
Franchise Taxes	50,940.51
Bank Stock Taxes	
Total	$4,724,802.86

Tax Revenue Bonds of 1925 in the amount of $5,100,000.00 have been issued, are now outstanding and unpaid and are due and payable on March 1, 1926.

It is necessary in order to provide for the payment of said outstanding Tax Revenue Bonds of 1925 to the extent of $4,000,000.00 to authorize the issuance of $4,000,000.00 Tax Revenue Bonds of 1925, to be issued in anticipation of the receipt of the delinquent tax revenues referred to above pursuant to an Act of the Legislature of the State of New Jersey, entitled: "An Act concerning municipal and county finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended.

RESOLUTION

Now, therefore, be it resolved as follows:

Section 1: In anticipation of the delinquent tax revenues referred to in the recitals hereof and for the purpose of providing for the payment of the outstanding Tax Revenue Bonds of 1925 referred to in the said recitals, to the extent of $4,000,000.00, Tax Revenue Bonds of 1925 of the City shall be issued in the aggregate principal amount of $4,000,000.00.

Section 2: Said Bonds shall be dated February 1st, 1926, shall be payable on August 1st, 1929, shall bear interest at the rate bid by the successful bidder at a sale held as required by law, payable semi-annually on the first days of February and August in each year, shall be 4,000 in number, of the denomination of $1,000.00 each, numbered from 1 to 4,000 inclusive, and shall be coupon in form, registerable at the option of

the holder either as to principal only or as to both principal and interest.

Section 3: Said bonds shall be in substantially the following form:

No. $1,000.00

UNITED STATES OF AMERICA
STATE OF NEW JERSEY
CITY OF JERSEY CITY
TAX REVENUE BONDS OF 1925

The Mayor and Aldermen of Jersey City, a municipal corporation of the State of New Jersey, for value received, promises to pay to the bearer of this bond, or if it be registered, to the registered holder, the sum of one thousand dollars ($1,000.00) on the first day of August, 1929, and to pay interest thereon at the rate of ——— per centum (%) per annum, semi-annually on the first days of February and August in each year from the date of this bond until it matures, upon presentation and surrender as they severally mature of the coupons therefor annexed hereto, or if this bond be registered as to both principal and interest, then to the registered holder. Both principal and interest of this bond will be paid in lawful money of the United States of America, at the office of the Treasurer of said City.

This bond may be registered as to principal by the holder in his name on the books of the city, kept in the offices of the Comptroller, and such registration shall be noted on the back of this bond, after which no valid transfer of this bond shall be made except on said books until after registered transfer to bearer. Such registration shall not affect the negotiability of the coupons which shall continue to pass by delivery. At the request of the holder, this bond will be converted into a bond registered as to both principal and interest and the coupons annexed hereto detached and cancelled and thereafter both principal and interest shall be payable only to the registered holder.

This bond is one of an issue of $4,000,000.00 the bonds of which are of like tenor, and is issued pursuant to an Act of the Legislature of the State of New Jersey, entitled: "An Act concerning municipal and county finances," approved March 28, 1917, and constituting Chapter 192 of the Laws of 1917 as amended, and a rsolution of the Board of Commissioners of said City duly adopted February 9th, 1926.

It is hereby certified and recited that all conditions, acts and things required by the constitution and statutes of the State of New Jersey to exist, to have happened and to have been performed, precedent to and in the issuance of this bond exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of said City is within every debt and other limit prescribed by the constitution and laws of said State. The Director of the Department of Revenue and Finance who has signed this bond, being the chief financial officer of the City, states (a) that this bond is issued pursuant to the act above referred to; (b) that the total borrowing power authorized by said act for Tax Revenue Notes or Bonds such as this instrument is $———; (c) that the amount of Tax Revnue Notes and Bonds of 1925 outstanding (including the issue of which this bond is one), is $4,000,000.00.

In Witness Whereof, The Mayor and Aldermen of Jersey City has caused this bond to be signed by its Mayor and its Director of the Department of Revnue and Finance under the seal of the City and attested by the City Clerk, and the coupons hereto annexed to be authenticated by the facsimile signature of said Director and this Bond to be dated the first day of February, 1926.

Section 4. In case the definite bonds are not ready for delivery interim certificates shall be issued therefor in substantially the following form:

No. $100,000.00

STATE OF NEW JERSEY
CITY OF JERSEY CITY

Interim Certificate for $100,000 Tax Revenue Bonds of 1925

The Mayor and Aldermen of Jersey City, a municipal corporation of the State of New Jersey, promises to deliver to the bearer of this Interim Receipt upon its surrender, at the office of the Trust Company of New Jersey, Sip and Bergen Avenues, Jersey City, New Jersey, the bonds below described when they have been prepared and executed, and in the meantime the bearer hereof shall have the same rights as a holder of said bonds in respect to the payment of the principal and interest. This receipt is transferable by delivery.

The said city acknowledges the receipt of payment in full for Tax Revenue Bonds of 1925 of said city, in the principal amount of one hundred thousand dollars ($100,000) to be dated February 1, 1926, to mature on August 1, 1926, to bear interest at he rate of per centum (%) per annum. The said bonds are part of an issue of $4,000,000 bonds of like tenor, and are issued pursuant to an act of the Legislature of the State of New Jersey, entitled: "An act concerning municipal and county finances," approved March 28, 1917, and constituting Chapter 192 of the Laws of 1917, as amended, and a resolution of the Board of Commissioners of said city duly adopted on February 9, 1926.

The Director of the Department of Revenue and Finance who has signed this receipt, being the chief financial officer of the city, states (a) that the bonds represented hereby are issued pursuant to the act above referred to: (b) that the total borrowing power authorized by said act for Tax Revenue Notes or Bonds such as the bonds represented hereby is $; (c) that the amount of Tax Revenue Notes and Bonds of 1925 outstanding (including the issue of which the bonds represented hereby are a part) is $.

In witness whereof, the Mayor and Aldermen of Jersey City has caused this receipt to be signed by its Mayor and its Director of the Department of Revenue and Finance under the seal of the city and attested by the City Clerk,

and to be dated the 1st day of February, 1926.

Director of the Departments of Revenue and Finance.

Attest:

City Clerk.

Section 5. The said bonds shall be sold on February 19, 1926, at 11 o'clock a. m., in pursuance of notice of sale given as required by law.

Section 6. Said notice of sale shall be in substantially the following form:

City of Jersey City, New Jersey

Notice of Sale

$4,000,000 Tax Revenue Bonds of 1926

Sealed proposals will be received by the Director of the Department of Revenue and Finance of the City of Jersey City, New Jersey, on Friday, February 19, 1926, at 11 o'clock a. m., in the Assembly Chamber of the City Hall in said city, for the purchase of $4,000,000 Tax Revenue Bonds of 1925 of said city. Said bonds will be of the denomination of $1,000 each, will be dated February 1, 1926, will mature August 1, 1929, and will bear interest at the rate bid by the successful bidder but not in excess of six per centum per annum. Said interest will be payable semi-annually on the first days of February and August in each year. Both principal and interest will be payable in lawful money of the United States of America at the office of the Treasurer of said city. The bonds will be coupon bonds, with the privilege of registration as to principal only or as to both principal and interest.

Each bidder is required to state the amount of interest he is willing to take for the loan about to be made. Bidders may state that different amounts of the bonds shall bear interest at different rates. The bidder offering the lowest interest, expressed in multiples of 1/100 of 1 per cent, will be awarded the bonds. If, however, one or more bidders offer the same interest rate, then the bidder who shall offer the greatest additional premium will be awarded the bonds. The bonds will not be sold for less than par, and, in addition to the amount bid, the purchaser must pay accrued interest at the rate borne by the bonds from the date of the bonds to the date of payment of the purchase price.

All bidders are required to deposit a certified check, payable to the order of City of Jersey City for two per centum of the amount of bonds bid for, drawn upon an incorporated bank or trust company. Check of unsuccessful bidders will be returned upon the award of the bonds.

Interest at the rate borne by the bonds from the date of the award to the date of delivery will be allowed upon the amount of the check of a successful bidder, and such check will be retained to be applied in part payment for the bonds, or to secure the City against any loss resulting from the failure of the bidder to comply with the terms of his bid.

Proposals should be addressed to Hon. William B. Quinn, Director of the Department of Revenue and Finance, City Hall, Jersey City, New Jersey, and enclosed in a sealed envelope marked on the outside, "Proposals for Bonds."

The bonds will be delivered at the office of the Comptroller in the City Hall in said City on or before February 26, 1926, and must then be paid for by a certified check on an incorporated bank or trust company. If the definitive bonds are not then ready, temporary receipts, each of which will entitle the bearer to $100,000.00 of said bonds, will be issued in lieu of said bonds and exchangeable therefor at the office of the Trust Company of New Jersey, Bergen and Sip Avenues, Jersey City, New Jersey.

The successful bidders will be furnished with the opinion of Messrs. Hawkins, Delafield & Longfellow of New York City, that the bonds are binding and legal obligations of said City.

The bonds will be prepared under the supervision of the Trust Company

of New Jersey, which will certify as to the genuineness of the signatures of the officials and the seal impressed thereon.

By Commisisoner Quinn:

Resolution authorizing the issuance of not exceeding $500,000.00 tax anticipation notes of 1926. Resolved as follows:

On February 10, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $500,000.00 and shall issue therefor tax anticipation notes in said amount.

The said tax anticipation notes are to be in registered form and are issued pursuant to an act of the Legislature of the State of New Jersey, entitled "An act concerning municipal and county finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated February 10, 1926, and shall mature on or at the option of the City before December 31, 1926, and shall bear interest at the rate of five per cent per annum, payable July 1, and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the chief financial officer of the City, who signs the notes herein authorized, states (a) they are issued pursuant to the act above referred to, (b) that the total borrowing power authorized by said act for said instruments is $3,437,798.93, (c) that the total amount of said instruments outstanding (including this issue) is $1,500,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the notes herein authorized.

The said notes are awarded and sold to the Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

At this time Mr. John A. Scharwath of the National Air Cell Covering Company appeared before the Board in the matter of his application for permission to lay a spur track on land leased from Jersey City, located at South Cove. He set forth that the proposed plan was the only practical and feasible way to lay said spur.

Corporation Counsel Brogan, to whom the matter had been referred at the previous meeting of the Board, submitted a report advising the Board that the City's right to say where the tracks shall be laid, and the type and elevation of the same, is in his opinion an absolute one and that the applicant is in no way being denied his rights if it is now the judgment of the City Commission that said railroad connections be laid in a manner and at a place different from that shown on the blue print.

Commissioner Saul stated that the proposed plan would cut off the City's property at South Cove and make it valueless, and that he would be guided by the opinion rendered by the Corporation Counsel.

Mr. Scharwath stated that he was willing to have the City's engineers check up the proposed plan.

In conclusion Commissioner Fagen stated that in order to discuss the matter more intelligently, it would be necessary to make a survey of the property, and therefore moved that the matter be laid over for one week to Tuesday, February 16, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

Commissioner Saul at this time advised the Commission that he has made an agreement with Mr. Perry of the R. H. Perry Coal Company, whereby Buckwheat coal instead of Pea coal, will be furnished for use at the City Hall and Mr. Perry will deliver to the various fire houses as directed by the Health Officer of Jersey City, 250 tons of coal (125 tons of Pea coal at $9.50 per ton, and 125 tons of Buckwheat coal at $6.50 per ton), which the City can sell to the poor at 40 cents per hundred, or $8.00 per ton.

Commissioner Quinn replied that it is welcome news, and will help alleviate the sufferings of the poor of the City.

On motion of Commissioner Quinn the Board adjourned:

Absent: Commissioner Saul and Mayor Hague (excused).

In the absence of Mayor Hague, Director of Revenue and Finance Quinn presided.

RECEPTION OF BIDS

This time and place having been set and notice advertised for the purpose of receiving bids for the furnishing and delivering iron body bronze mounted gate valves for use in Jersey City, N. J. The City Clerk read the public notice and then called for bids and the following were received:

IRON BODY BRONZE MOUNTED GATE VALVES

1. The A. P. Smith Manufacturing Company, with surety company bond.

2. The Kennedy Valve Company, with surety company bond.

3. Rensselaer Valve Company, with surety company bond.

On motion of Commissioner Fagen the reception of bids was ordered closed and bids received were opened and read and referred to the Director of the Department of Streets and Public Improvements.

IMPROVEMENT HEARINGS

The hearing on the further consideration of the undertaking of the improvement of all that part of Greenville Avenue, from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue by construction of a sewer, and on the passage of an ordinance covering said proposed improvement, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, having been adjourned and continued to this time and place, the City Clerk called for anyone who might desire to be heard in the matter. No one appeared to protest and no written protests were received against the undertaking of the said proposed improvement.

By Commissioner Fagen:

Resolved, That the hearing on the undertaking of the improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue, etc., and on the final passage of ordinance covering said proposed improvement, be and the same is hereby adjourned and continued to Tuesday, February 23, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. CITY ORDINANCES

This time and place having been fixed and public notice advertised for the purpose of considering the final passage of the following ordinance:

"An Ordinance authorizing $25,000.00 Temporary Improvement Bonds of the City of Jersey City,"

the City Clerk read the public notice and then called for anyone who might desire to protest against the final passage thereof. No one appeared to protest and no written protests were received against the final passage of the aforesaid ordinance.

Commissioner Quinn thereupon moved the final passage of the following ordinance:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

Sec. 1. The sum of $25,000.00 is hereby appropriated for the purchase of new cast iron water mains for use in the Water Department.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $25,000.00 temporary improvement bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipally governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent. per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the purchase of new cast iron water mains.

Sec. 4. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

At this time Mr. John A. Scharwath of the National Air Cell Covering Company appeared before the board in the matter of obtaining permission to lay a spur track at South Cove.

Commissioner Fagen advised Mr. Scharwath that the City Clerk had submitted an agrrement dated February 26, 1919, and recommended that it be referred to the Corporation Counsel for investigation.

Corporation Counsel Brogan stated that the City Comptroller's Office had sent three agreements to him which was the basis of his report to the Board; that he has just been apprised of the fourth agreement and if it is referred to him he will make further investigation and report to the Board at the next meeting of the Board on February 23, 1926.

In conclusion, Commissioner Fagen moved that the agreement dated February 26, 1919, between Jersey City and the National Air Cell Covering Company be referred to the Corporation Counsel for investigation and report.

MISCELLANEOUS BUSINESS

By Commissioner Fagen:

Resolved, That the City Clerk be instructed to publish for ten days, commencing forthwith, as required by law the following notice:

Notice is hereby given that the Mayor and Aldermen of Jersey City have applied to the Legislature of the State of New Jersey, at the session now sitting, for the passage of an Act entitled "Supplement to an Act entitled 'An Act to cede to the Mayor and Common Council of Jersey City certain lands of the State now or heretofore under the tide waters of Communipaw Bay and to establish a tide water basin adjacent thereto,' approved April 4, 1872," which act is now pending before said Legislature.

The purpose of this act is to enable Jersey City to give a good title to lessees of the lands lying in front of a grant made to the City by an act of the Legislature of 1872 known as Chapter DxCVI of the Laws of 1872, page 1356.

This land extends three hundred feet into the tide water basin established by said act in front of the said premises granted to Jersey City. The land was filled in upwards of fifty years ago by parties who are unknown. The City cannot therefore compel them to remove this filling, and the expense to the City of such removal would be prohibitive. The City has had possession of this land for upwards of fifty years and has leased it on short terms to tenants.

The City has the opportunity to have valuable warehouses erected upon this property if good leasehold title can be given. The object of this act is to enable the City to give such title.

Adopted.

By Commissioner Fagen:

Introducing an ordinance entitled: "An Ordinance granting permission to the Lehigh Valley Railroad Company of New Jersey to construct, lay and maintain and operate a certain track extension siding across Washington Street and along the east side thereof from the intersection of the west line of Washington Street with the south line of the Morris Canal to a point approximately 145 feet south of the dividing line between the so-called Big Basin and Little Basin, in the property of the said Railroad Company adjoining the Tide Water Basin."

On motion made, seconded and carried the foregoing ordinance was introduced, received and read and ordered placed on file in the office of the City Clerk for a period of at least two weeks for the purpose of public inspection and giving the public notice thereof.

By Commissioner Fagen:

Resolved, That the hearing on the ordinance granting permission to Lehigh Valley Railroad Company to construct siding across Washington Street be and the same is hereby adjourned and continue for a period of two weeks to Tuesday, March 2, 1926, at 3 o'clock p. m. in the Assembly Chamber, City Hall, Jersey City, N. IMPROVEMENT HEARINGS:

The hearing on the undertaking of the improvement of all that part of Greenville Avenue from a point about 460 feet east of Fowler avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue by construction of a sewer in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, and the further considering of the final passage of an ordinance covering said proposed improvement, having been adjourned and continued to this time and place, the City Clerk read the notice of hearing and then called for anyone who might desire to be heard in the matter.

Mr. Lazarus Goldstein, property owner appeared and urged the undertaking of the improvement.

Commissioner Fagen, to whom the protests against said improvement had been previously referred, submitted a report stating that 76 per cent of the tax value as shown by the Tax Collector's books and are assessable for the improvement to be against the improvement before it can be defeated; that the four protestants hold but a very small percentage and cannot legally defeat the improvement; that each of them have private sewers running out of the Greenville Avenue drainage area and under the agreement that was signed by them with the city when they obtained permission for the private sewers, they were henceforth barred from protesting a public improvement when the same should be petitioned for by the proper owners liable for assessment for the improvement; that the improvement is necessary because it is a growing locality which demands for health purposes, that the sewer be constructed and that for these reasons he would

recommend that the improvement ordinance be passed and the sewer reconstructed as the ordinance calls for.

No further protests were received and no other person appeared to protest.

Thereupon, Commissioner Fagen moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, That the foregoing ordinance do now pass:

An ordinance to improve all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue, by construction of a sewer in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property benefited thereby being local in character.

Whereas, it is deemed advisable by the Director of the Department of Streets and Public Improvements that Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue to Danforth Avenue, should be improved.

Therefore the Board of Commissioners of Jersey City do ordain:

That all that part of Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue and Fowler Avenue to Danforth Avenue, in the City of Jersey City, County of Hudson, and State of New Jersey, shall be improved as follows:

1. To cause a 15-inch vitrified pipe sewer to be constructed in Greenville Avenue from a point about 460 feet east of Fowler Avenue to Fowler Avenue; thence in Fowler Avenue an 18-inch vitrified pipe sewer to connect with sewer in Danforth Avenue, in accordance with plan attached hereto. Said sewer to be constructed in conformity to the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, and in accordance with specifications to be specially prepared. Said sewers to be of suitable dimensions and in accordance with the established plan of sewerage, together with all the necessary manholes and appurtenances.

2. The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinance:

"An ordinance authorizing $60,000.00 emergency bonds of the City of Jersey City."

The City Clerk called for any one who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received.

Commissioner Quinn moved the adoption of the following ordinance:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $60,000.00 emergency bonds of the City of Jersey City, N. J.

Whereas, the heavy snow storms of February 3 and 4, this year, have caused congestion of traffic in the streets of this city, beyond the capacity of the Street Cleaning Bureau to handle, necessitating the employment of extra teams and men to clear the streets of snow, and the city is without funds to meet the conditions

and necessities created thereby.

Now, therefore, the Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $60,000.00 is appropriated to pay the cost of hiring extra teams and men for the removal of snow from the streets of this city.

Sec. 2. In accordance with the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act concerning Municipal and County Finances," approved March 28, 1917, as amended, and for the purpose of meeting said appropriation, $60,000 Emergency Bonds shall be issued, bearing interest at the rate of 4 percent per annum, said bonds shall mature on or at the option of the City before December 31st, 1927, and shall be executed by the proper officials according to law and shall state they are issued to pay the cost of the removal of snow from the streets of Jersey City.

Section 3. A tax shall be levied and collected, sufficient in amount to pay the principal and interest of said bonds at maturity.

Section 4. The Emergency Bonds herein authorized are awarded and sold to the Sinking Fund Commission of Jersey City at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said bonds prepared, and after the execution thereof, to deliver same upon receipt of purchase price therefor.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Quinn:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

HEARINGS

Mr. John A. Scharwath of the National Aircell Covering Company appeared before the Board with reference to securing permission to place a spur track to serve his building at South Cove.

Corporation Counsel Brogan advised the Board that he had not completed his investigation of the additional lease that the City Clerk had sent him.

Commissioner Fagen recommended that the matter be laid over for one week to March 2, 1926.

At this time Mr. William Newmann appeared before the Board and requested permission for Louis Jordan to erect a one and two-story brick building at 147 Baldwin Avenue to be used as a storehouse and office building.

Commissioner Saul stated that the location was nearly opposite the factory buildings of the Mueller Macaroni Co. and a contractor's garage, and that he has no objections to the proposed building.

Thereupon the following resolution was moved:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Louis Jordan to erect a one and two-story brick building to be used as a storeroom and office building, at No. 147 Baldwin Avenue, Jersey City, in accordance with plans filed with the Building Department, provided that the same comply with all the requirements of the Building Laws governing such matters.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Joseph Canegallo of No. 84 Palisade Avenue, Jersey City, N. J., appeared before the Board and requested permission to erect a one-story brick garage at 21, 23, 25, 27 Bevan Street.

Commissioner Saul stated that the matter has been referred to the Board to pass upon.

The Mayor asked Commissioner Saul if the Building Department had any

objections to the proposed building and Commissioner Saul replied that there were no objections as far as he could see.

Commissioner Quinn stated that the locality was familiar to him and in his opinion it appeared satisfactory to grant the permit for the building.

Thereupon the following resolution was moved:

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to Joseph Canegallo to erect a one-story brick building to be used for public garage and store purposes at Nos. 21, 23, 25, 27 Bevan Street, provided that no part of same will be erected within ten feet of any building now being used for living apartments. Said building to be erected in accordance with plans filed with the Building Department, provided that the same comply with all the requirements of the Building Laws governing such matters.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

At this time a delegation representing the Associated Service Clubs of Jersey City appeared before the Board and urged the establishment by the City of a recreation pier. The delegation represented the Rotary Club, Kiwanis Club, Exchange Club and the Zonta Club.

Mr. Frank Meeres, representing the Exchange Club, stated that their opinion was to establish the recreation pier at the Morgan Street Dock and that it would benefit the children and adults of the City; that the lower surface of the pier could be utilized for the loading and unloading of boats which would produce a revenue to the City; that New York City has such piers that not only provide recreation but provide for the unloading of boats for civic events; that the associated clubs will be glad to co-operate with the City Commission to obtain data for the purpose; that the City Engineers could determine the method of establishing such recreation pier.

Miss Minnie Shanley, representing the Zonta Club, and Mr. S. R. Fletcher, of the Rotary Club, also spoke for the establishment of the recreation pier.

Commissioner Saul stated that he thought the Morgan Street Dock was rather out of the way, still it was the only piece of property the City owned on the river.

Miss Shanley stated that the downtown section was really the most congested and needed such a recreation pier.

Mr. Meeres added that they have not decided on the Morgan Street Dock especially, but the clubs feel that such a recreation pier should be established.

Commissioner Saul thereupon moved that the matter be referred to the Department of Parks and Public Property for investigation.

Counsellor James Butler appeared before the Board with reference to securing permission for Edwin Rupperich to alter the frame building 18 Manhattan avenue and construct a brick building. He stated that the present frame building was in a badly dilapidated condition, that it was a menace to the neighborhood, being used for the storage of cars and battery repairs; that it is the intention to erect a brick building 29 feet in width and 100 feet in depth; that when the permit was denied some time ago he was not the counsel for the applicant and was not familiar with the representations made at that time; that his client is willing to comply with any regulations to fireproof the building as required by the Building Department; and that he is now asking the Board to reopen the matter for further hearing. He also stated that the building will be used for a repair shop.

Commissioner Saul stated that while it will improve conditions to repair the building, still he doubted whether it would be proper for the Commission to grant a permit for such a building that will be there for years and years in a residential neighborhood.

The Mayor stated that when the previous application was made there was a lot of opposition, a great many of the property owners and residents appearing before the Board to protest, and that whatever action might be taken now, he would suggest that the people in the vicinity be notified.

Mr. Butler stated that it is his de-

sire to have a hearing and that he does not expect the Commission to act without a hearing.

In conclusion Commissioner Saul moved that the matter be referred to his Department for investigation.

Miss Ann Cullen of No. 116 Kensington Avenue, Jersey City, appeared before the Board at this time and requested information as to why the permit for the erection of a garage at the rear of 196 Fairview Avenue was not granted. She stated that after three hearings granted by the Board a resolution was unanimously passed granting the permission and plans were prepared at a cost of $40.00, and as yet the permit has not been issued.

The Mayor advised Miss Cullen that after the resolution was passed the residents of the section claimed that they had not been treated fairly in the matter and requested a re-hearing, and that in view of the fact that so many of the residents and property owners are opposed to the garage, it is only fair and proper that the Board should consider their application and reopen the hearing. The Mayor also advised Miss Cullen that the City Clerk would notify her as to the time and place of the re-hearing.

Mary G. Pierro of 148 Broadway, Jersey City, N. J., appeared before the Board and stated that she was a property owner of the Marion Section of Jersey City; that she has plans prepared for the erection of buildings for living apartments but cannot proceed until Broadway from Wright to Dales Avenue was paved; that she has sold property there and the purchasers are complaining to her because the street has not as yet been paved.

The Mayor advised Mrs. Pierro that Commissioner Fagen has been working on many improvements and probably has not been able to take this particular improvement under consideration.

Commissioner Fagen advised Mrs. Pierro to call at the office of the Department of Streets and Public Improvements and the necessary forms for petitioning for the improvement will be given to her.

Mr. John A. Scharwath of the National Air Cell Co., appeared before the Board with reference to obtaining permission to lay a certain track to serve his buildings at South Cove.

The Corporation Counsel submitted a report advising the Board that the applicant is in no way being denied his rights if it is now the judgment of the municipal authorities that said railroad connections be laid in a manner and in a place different from that shown on the blue print and that it is his judgment that the permit be granted is without consideration and is revocable in its entirety at any time.

Commissioner Saul stated that he understands the applicant is ready to lease the property in question from the city, and that he would move to lay the matter over for one week.

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinance:

"An ordinance changing the name of certain sections of Bergen Avenue and Sip Avenue and other lands and redesignating all of the said lands as 'Journal Square.'"

The City Clerk called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received.

Commission Fagen moved the adoption of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance changing the name of certain sections of Bergen Avenue and Sip Avenue and other lands, and

redesignating all of the said lands as "Journal Square."

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

1. That on and after the date of the passage of this ordinance, those portions of Bergen Avenue and Sip Avenue and other lands as described more particularly in Section 2 of this ordinance, be and the same are hereby redesignated "Journal Square."

2. All that portion of Bergen Avenue lying between the present line of Hudson Boulevard and Sip Avenue; all that portion of Sip Avenue from the westerly line of Bergen Avenue, as produced southerly, and the easterly line of the present Journal Square produced southerly; and all that portion heretofore purchased or otherwise acquired from James Sullivan et al., and the Evening Journal Association, Incorporated, Theodore F. Hussa and others, which said lands are known as lots lettered and numbered A2 and lettered F, in Block No. 1865, part of Plot 12 (Lot 17), Block 1869, and still more particularly described as follows:

Lot A2—Beginning at the corner formed by the intersection of the northerly line of Sip Avenue with the easterly line of Bergen Avenue, and running thence (1) easterly along the northerly line of Sip Avenue one hundred two and twelve one-hundredths (102.12) feet more or less to the westerly line of Wilks Street (now Journal Square); thence (2) northerly and along the westerly line of Wilks Street (now Journal Square) one hundred twenty-one (121) feet to the southerly line of lot lettered F aforesaid on said map; thence (3) westerly and parallel with Sip Avenue one hundred eight (108) feet more or less to the easterly line of Bergen Avenue aforesaid; and thence (4) southerly and along the easterly line of Bergen Avenue one hundred twenty-one and sixteen one-hundredths (121.16) feet more or less to the point or place of beginning.

Lot F—Beginning at a point in the easterly line of Bergen Avenue, where the northerly line of Plot A-2 on said map intersects the same, and running thence (1) easterly along the northerly line of said Plot A-2 one hundred and eight (108) feet more or less to the westerly line of Wilks Street (now Journal Square); thence (2) northerly and along the westerly line of Wilks Street (now Journal Square) twenty-four and fifty one-hundredths (24.50) feet more or less to the southerly line of Plot H-4 on said map; thence (3) westerly and parallel, or nearly so, with the first course one hundred ten (110) feet more or less to the easterly line of Bergen Avenue aforesaid; and thence (4) southerly and along the easterly line of Bergen Avenue twenty-four and fifty-three one-hundredths (24.53) feet more or less to the point or place of beginning.

Part of Plot 12 (Lot 17), Block 1869: All that certain lot, tract or parcel of lands and premises situate, lying and being in the City of Jersey City, County of Hudson and State of New Jersey, and more particularly described as follows:

Beginning at a point formed by the intersection of the southerly side of Sip Avenue with the westerly side of Bergen Avenue; thence running southwesterly and along said westerly side of Bergen Avenue twenty (20) feet to a point; thence returning to the point of beginning and running westerly along said southerly side of Sip Avenue fifteen (15) feet; thence running southerly a distance of seventeen and five-tenths (17.5) feet to a point in said westerly side of Bergen Avenue and the end of the course first run.

Being a triangular piece of land located at the southwesterly corner of Bergen and Sip Avenue, aforesaid, which is part of Plot 12 (Lot 17) in City Block 1869 section 76, County Block 761.

3. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Excused from voting: Commissioner Saul.

FRANCHISE HEARINGS

The hearings on the following described ordinances:

"An ordinance to change and establish the grades of certain parts of Henderson street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street (as amended December 15, 1925)."

An ordinance granting the Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company, and each of them, their and each of their successors and assigns, the right to construct and maintain bridges over certain streets in Jersey City."

"An Ordinance for the vacation of Eleventh Street in Jersey City."

"An ordinance for the vacation of Provost Street in Jersey City."

having been adjourned and continued to this time and place, the City Clerk announced the hearings open.

Counsellor Minard appeared for the Erie Railroad Company and requested the Board to consider the final passage of the aforesaid ordinances as soon as possible.

Commissioner Fagen submitted the following report:

"I desire to offer the following changes to an ordinance entitled "An Ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street" introduced November 18, 1924, and amended December 15, 1925, for the following reasons:

1. The datum used in determining the elevations, shown on the map or profile, and mentioned in the ordinance, has been chaged from mean sea level at Sandy Hook, as determined by the United States Coast and Geodetic Survey, to the official datum of Jersey City, known as Ward's base, and corresponding notations made in red on the map or profile.

2. The street grades shown on the map or profile and mentioned in the ordinance, as two-tenths of one per cent (0.2%) have been changed to five-tenths of one per cent (0.5%) to conform to the city's drainage standards.

3. Reference has been inserted in the ordinance to legal elevation of street surfaces as shown on the Grade Map of Jersey City.

These changes are made purely in the interest of simplicity and produce no actual change in the result, or in the effect of the ordinance upon the rights or interests of anybody.

The ordinance has been revised to incorporate these changes and, for convenience, the changed portions are underscored in black and all necessary additional words are underscored in red.

I move that this ordinance be accordingly amended to read as follows:

An ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street.

The Board of Commissioners of Jersey City do ordain that:

1. The several grades of the several center lines of certain parts of the several roadbeds of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street, respectively, are hereby changed and established as shown by a map, or a profile thereof, entitled "Erie Railroad Company—Terminal Division—Proposed Changes of Street Grades Between Points as Shown on Henderson, Grove and Erie Streets, Jersey Avenue, Coles & Monmouth

Streets, Jersey City, N. J.," dated October 12, 1921, and approved by Charles A. VanKeuren, Chief Engineer of the Mayor and Aldermen of Jersey City; Clifford M. Holland, Chief Engineer of the New Jersey Interstate Bridge and Tunnel Commission, and by Robert C. Falconer, Assistant to President and Chief Engineer of Erie Railroad Company, revised March 6, 1926, and filed with the clerk of said the Mayor and Aldermen of Jersey City so that the said several center lines shall be as follows: (All elevations shown in said map or profile are based on mean sea level at Sandy Hook, as determined by the United States Coast and Geodetic Survey, and also on Jersey City datum known as Ward's base. The former are shown in white and the latter in red. All elevations mentioned in this ordinance refer to Ward's base.)

HENDERSON STREET

Beginning at a point in the center line of Henderson Street one hundred seventy (170) feet northerly from the intersection of the center lines of Tenth and Henderson Streets, at which point the present elevation of the street surface is fifteen and sixteen hundredths (15.16), the legal elevation of said point being nineteen hundred and fifty-eight hundredths (19.58) as shown on "Grade Map of Jersey City, Hudson County, New Jersey, CJL-28" with lead pencil footnote "Red figures are legal grades, Black figures are elevations as found. About 1890 by J. W. Soper, Surveyor. Above from NDW"; thence northerly along the center line of Henderson Street a distance of one hundred and forty-four (144) feet on a uniformly descending grade of five-tenths (0.5) percent to a point at elevation fourteen and forty-five (14.45); thence continuing northerly on said center line on a uniformly ascending grade of three and six-tenths (3.6) percent a distance of seventy-six (76) feet to a point at elevation seventeen and nineteen hundredths (17.19); thence continuing northerly on a uniformly ascending grade of ninety-six hundredths (0.96) percent a distance of eighty (80) feet to a point at elevation seventeen and ninety-six hundredths (17.96); thence still northerly on said center line on a uniformly descending grade of three-tenths (0.3) percent a distance of one hundred (100) feet to a point fifty (50) feet north of the intersection of center lines of Twelfth Street and Henderson Street at elevation seventeen and sixty-six hundredths (17.66), said elevation at this point being the present street surface, the legal elevation for said point being seventeen and fifty-seven hundredths (17.57) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

Beginning at a point in the center line of Erie Street, a distance of two hundred (200) feet northerly from the intersection of the center lines of Tenth and Erie Streets, at which point the present elevation of the street surface is sixteen and forty-three hundredths (16.43), the legal elevation of said point being nineteen and nine-tenths (19.9), as shown on "Grade Map of Jersey City, Hudson County, New Jersey, GJL-28" with lead pencil footnote "Red figures are legal grades, black figures are elevations as found. About 1890 by J. W. Soper, Surveyor, above from NDW"; thence northerly along the center line of Erie Street on a uniformly descending grade of five-tenths (0.5) per cent., a distance of one hundred eleven (111) feet to a point at elevation fifteen and eighty-eight hundredths (15.88); thence still northerly along said center line on a uniformly ascending grade of one and five-tenths (1.5) per cent., a distance of one hundred thirty-nine (139) feet to a point at elevation seventeen and ninety-seven hundredths (17.97); thence still northerly along said center line on a uniformly ascending grade of four-tenths (0.4) per cent., a distance of forty (40) feet to a point at elevation eighteen and thirteen hundredths (18.13), said elevation at this point being the present street surface, the legal elevation of said point being seventeen and seventy-four hundredths (17.74) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

Jersey Avenue

Beginning at a point in the center line of Jersey Avenue a distance of one hundred sixty (160) feet northerly from the intersection of the center lines of Tenth Street and Jersey Avenue, at which point the present elevation of the street surface is sixteen and sixty-six hundredths (16.66), the legal elevation of said point being seventeen and eighty-eight hundredths (17.88) as shown on "Grade Map of Jersey City, Hudson County, New Jersey, GJL-28" with lead pencil footnote "Red figures are legal grades Black figures are elevations as found. About 1890 by J. W. Soper, surveyor, above from NDW"; thence northerly along the center line of said Jersey Avenue on a uniformly descending grade of five-tenths (0.5) percent. a distance of two hundred eighty (280) feet to a point at elevation fifteen and twenty-six hundredths (16.26), said elevation at this point being the present street surface, the legal elevation of said point being fifteen and eighteen hundredths (15.18) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

Coles Street

Beginning at a point in the center line of Coles Street a distance of two hundred sixty (260) feet northerly from the intersection of the center lines of Tenth and Coles Streets, at which point the present elevation of the street surface is fourteen and thirty-seven hundredths (14.37), the legal elevation of said point being fifteen (15.0) as shown on "Grade Map of Jersey City, Hudson County, New

Jersey, GJL-26" with lead pencil footnote "Red figures are legal grades, Black figures are elevations as found. About 1890 by J. W. Soper, surveyor. Above from NDW"; thence northerly along the center line of said Coles Street on a uniformly ascending grade of five-tenths (0.5) percent a distance of two hundred (200) feet to a point at elevation fifteen and thirty-six hundredths (15.36), said elevation at this point being the present street surface, the legal elevation of said point being fifteen and twenty-seven hundredths (15.27) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

Monmouth Street

Beginning at a point in the center line of Monmouth Street a distance of one hundred sixty (160) feet northerly from the intersection of the center lines of Tenth and Monmouth Streets, at which point the present elevation of the street surface is twelve and twenty-one hundredths (12.21), the legal elevation of said point being fourteen and six-tenths (14.6) as shown on "Grade Map of Jersey City, Hudson County, New Jersey, GJL-28" with lead pencil footnote "Red figures are legal grades, black figures are elevations as found. About 1890, by J. W. Soper, Surveyor. Above from NDW"; thence northerly along the center line of Monmouth Street on a uniformly descending grade of one and ninety-three hundredths (1.93) per cent, a distance of seventy (70) feet to a point at elevation ten and eighty-six hundredths (10.86); thence still northerly along said center line on a uniformly descending grade of five-tenths (0.5) per cent, a distance of sixty (60) feet to a point at elevation ten and fifty-six hundredths (10.56); thence still northerly along said center line on a uniformly ascending grade of five-tenths (0.5) per cent a distance of sixty (60) feet to a point at elevation ten and eighty-six hundredths (10.86); thence still northerly on a uniformly ascending grade of two and ninety-one hundredths (2.91) per cent a distance of one hundred ten (110) feet to a point at elevation fourteen and six hundredths (14.06), said elevation at this point being the present street surface, the legal elevation being sixteen and twelve hundredths (16.12) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

2. On each of said streets where the grades are established and changed as aforesaid, Erie Railroad Company, one of the petitioners for the establishment and change of said grades, shall, at its own cost and expense, relay and reconstruct at such points as may be directed by the Chief Engineer of said The Mayor and Aldermen of Jersey City, the manholes, the fire hydrants, the water mains and connections thereof, so as to conform to said changes of grade.

The roll being called the foregoing amendment was adopted by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None:

By Commissioner Fagen:

I move that the ordinance as thus amended be read in its entirety and ordered placed on file in the office of the City Clerk for inspection, and that the City Clerk be directed, after re-reading said ordinance, as amended, to re-publish the same according to the statute.

The roll being called the foregoing motion was adopted by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

In conclusion the Mayor advised the Board that he desired a public hearing be held before final action on the ordinances in order that all persons interested may be heard and inform the Board whether or not the property

owners have been fairly dealt with and also to find out if there is any property that has not as yet been settled. Thereupon the City Clerk was directed by the Mayor to advertise a public notice calling for a hearing on Tuesday, March 16, 1926, at 3 p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

By Commissioner Fagen:

Resolved, That the hearings on the following ordinances:

"An ordinance to change and establish the grades of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street (as amended)."

"An ordinance granting the Erie Railroad Co., the Long Dock Company and Penhorn Creek R. R. Co., and each of them, and each of their successors and assigns, the right to construct and maintain bridges over certain streets in Jersey City."

"An ordinance for the vacation of Eleventh Street in Jersey City."

"An ordinance for the vacation of Provost Street in Jersey City."

Be and the same are hereby adjourned and continued to Tuesday, March 16, 1926, at 3 o'clock p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION HEARINGS

This time and place having been set and notice advertised for the purpose of considering the application of August Zukowski, sign 403 Seventh Street.

The City Clerk called for anyone who might desire to protest against the granting of said permission. No one appeared to protest and no written protests were received.

By Commissioner Saul:

Resolved, That application of August Zukowski for permission to erect sign extending seven feet from building line at premises 403-405 Seventh Street, Jersey City, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioner Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

HEARINGS

This time and place having been fixed by the Board of Commissioners of Jersey City, for the purpose of considering the reopening of the hearing in the matter of the application of Terence Cullen, requesting permission to erect a garage at the rear of 196 Fairview Avenue, the City Clerk advised the Board that he had notified the applicant and the persons who submitted their protests that the Board would consider the matter at this time and place, and thereupon declared the hearing open.

The following persons who protested appeared before the Board: Mrs. J. P. Stafford, 1 Appolo Street; Mrs. John Cleary, 192 Fairview Avenue; Mrs. Russell Hawes, 1 Appolo Street; Alex. Michel, 10 Appolo Street; John Cleary, 192 Fairview Avenue.

The City Clerk then called for anyone who represented the applicant. Neither the applicant nor anyone representing the applicant appeared before the Board.

Mrs. Stafford stated that in the event that she purchased a car or her tenant, who contemplates buying a car in the spring, it would be impossible to park the car in front of their house because it would have to be moved in order to permit a car going in and out of the proposed garage.

The Mayor asked Mrs. Stafford if it was her opinion that an injustice had been done the property owners adjacent by passing the resolution granting the permission. Mrs. Stafford replied that the protestants felt that it was an injustice and, further, that the proposed garage would depreciate property and increase the fire hazard. She also stated that there were twenty-five children in that little street who use this street as a playground.

The Mayor stated that the Commission did not intend to work any hard-

ships on any of the residents in any part of the city and thereupon moved that the resolution heretofore adopted by the Board of Commissioners of Jersey City granting permission to Terence Cullen for the erection of a garage at the rear of 196 Fairview Avenue be rescinded. The Mayor also advised the protestants that the applicant may apply to the courts and that the courts may over-rule the Commission, still the Corporation Counsel will defend the action and that there is no need for the protestants to engage a lawyer to defend them.

Thereupon the following resolution was introduced:

By Mayor Hague:

Resolved, That the resolution heretofore adopted by the Board of Commissioners of Jersey City, on December 29, 1925, granting permission to Terence Cullen to erect a garage at 196 Fairview Avenue, be and the same is hereby reconsidered and rescinded, because it has been shown to the satisfaction of this Board that the permit asked for, if granted, would be detrimental to the health, welfare and safety of the community at large, since the fire hazard would be increased and the safety of many children would be imperiled.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. William Newman appeared before the Board and requested permission for James T. Hunter to build three one-story brick buildings in the rear of 236 Baldwin Avenue.

Commissioner Saul advised the Board that the application was to erect a garage on the interior plot; that there are a number of old shanties and brick factories adjacent thereto; that in his opinion the use that these buildings will be put to will not hurt the surrounding property; that it sets back about 103 feet from the lot line.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to James T. Hunter to erect three one-story brick buildings to replace present frame buildings, and to convert present factory buildings to garage purposes on Lot 2A, Block 516, known as No. 236 Baldwin Avenue, provided that no part of said garage building will be erected within ten feet of any building now used for dwelling purposes or residences, and further provided that the plans for said buildings comply with all the rules and regulations of the Building Department.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Joseph Schlessinger appeared before the Board and requested permission to erect a two-story building at 76 Mallory Avenue, to be used for store and living apartment.

Commissioner Fagen advised the Board that, in his opinion, the application should be granted.

By Commissioner Fagen:

Resolved, That permission be and the same is hereby granted to Joseph Schlessinger to erect a two-story brick building at 176 Mallory Avenue to be used for living apartment with store underneath, provided that the plans comply with all rules and regulations of the Building Code.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Maurice J. Cronin appeared before the Board and requested permission for E. P. Hollister to erect 13 private garages at 37-39 Tyson Lane. He stated that the section at present was devoted to garages of this type.

Commissioner Saul stated that there was a two-family house on the street and there may be objection to the garages and recommended that the application be laid over for one week to March 16, 1926, for further investigation.

Counsellor Cronin also requested permission for the erection of garages at 41 Tyson Lane.

Commissioner Saul recommended that it be laid over for one week to March 16, 1926.

Counsellor Cronin requested permission for Nicholas W. D'Elia to erect a one-story brick garage at 220-228 Hopkins Avenue. He stated that at present a similar garage was located immediately across the street and that the proposed garage will be more than ten feet away from any buildings in the neighborhood.

Commissioner Quinn recommended that the application be laid over for one week to March 16, 1926, for further investigation.

Counsellor Cronin requested permission for the Peerless Oil Company to erect a gas station at the corner of Neptune and Ocean Avenue (102-106 Ocean Avenue).

The Mayor asked if this matter had been brought before the Commission previously.

Commissioner Fagen advised the Board that it was the same property and recommended that a public hearing be held on the application.

The City Clerk was directed by the Board to notify the residents and property owners in the vicinity of the proposed garage that a public hearing will be held on Tuesday, March 23, 1926, at 3 o'clock p. m., in the Assembly Chamber, City Hall, Jersey City, N. J., at which time all persons interested may be heard concerning said proposed garage.

Mr. Harry Edwards appeared before the Board and requested permission for Peter Kozans to erect a one-story brick building to be used as a machine shop, to take the place of the sheet iron machine shop now existing at 157 St. Paul's Avenue.

Commissioner Quinn recommended that the application be laid over to March 23, 1926, for further investigation.

Mr. George Stades appeared before the Board and requested permission for Charles Wahl to erect a one-story garage and two stores at 776-778 Newark Avenue.

Commissioner Saul advised the Board that the proposed garage will be right up against a frame building used for a dwelling and advised Mr. Stades to withdraw the application and revise it so that no part of the proposed building will be within ten feet of the building used for dwelling or residence purposes.

Mr. George Stades also requested permission for Thomas McNeill to erect two two-car garages at 64-66 Beach Street.

Commissioner Saul recommended that the application be laid over for one week to March 16, 1926.

Counsellor Robert Brenner appearing for the Hub Construction Company requested permission to erect a living apartment over garage at 1 Prospect Street.

Commissioner Quinn advised the Board that protests have been made in this matter and would recommend that the application be laid over for two weeks to Tuesday, March 23, 1926.

William Ross appeared before the Board and requested permission to build a one-story two-car private garage at 159 Audubon Avenue.

Commissioner Saul advised the Board that there was a factory building adjacent to the proposed garage.

Mr. Ross stated that the garage will set way back from the building line.

Commissioner Saul thereupon moved that the application be granted.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to William Ross to erect a one-story brick garage on the rear of Lot 14, Block 1283, known as No. 159 Audubon Avenue, provided that no part of said garage building will be erected within ten feet of any building now used for dwelling purposes or residences, and further provided, that the plans for said building comply with all the rules and regulations of the Building Department.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Resolution authorizing the issuance of not exceeding $500,000.00 tax anticipation notes of 1926.

Resolved as follows:

On March 12, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $500,000.00 and shall issue therefore Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled, "An Act concerning Municipal and County Finances," approved March 28th, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated March 12, 1926, and shall mature on or at the option of the City before December 31st, 1926, and shall bear interest at the rate of Five percent per annum, payable July 1st, and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the Chief Financial Officer of the City who signs the Notes herein authorized states (a)

they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $3,437,-798.93, (c) that the total amount of said instruments outstanding (including this issue) is $2,500,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the Notes herein authorized.

The said Notes are awarded and sold to The Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said Notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

By Commissioner Quinn:

Whereas, The records of this office shows a personal tax assessment levied against the G. L. Bennett Machinery Company of 406-412 Claremont Avenue for the years 1924 and 1925 at a valuation of $16,000, as per book 9, page 219, block 1774; and

Whereas, The said G. L. Bennett Machinery Company went into the hands of receivers in 1921, Judge James Murphy having been named, the affairs of which were wound up and the receiver discharged sometime later; and

Whereas, The present owner of said personal property is now G. L. Bennett, Jr., who took possession in February, 1924, and the actual valuation of the personal property at that time did not exceed $3,000, and in 1924 he supplemented this stock by about $2,500 to $3,000, making an aggregate valuation by October, 1924, of about $6,000; and

Whereas, The Bureau of Tax Assessments recommends that the personal tax assessments levied for the years 1924 and 1925 at a valuation of $16,000 be reduced to $3,000 for 1924 and $6,000 for 1925; therefore, be it

Resolved, Upon the recommendation

of the Bureau of Tax Assessments, that the personal tax assessments for the year 1924 be reduced to $3,000 and the 1925 to $6,000; be it further

Resolved, That the City Collector and City Comptroller be and they are hereby authorized to correct their records accordingly, charging 1924 personal taxes with $468.65 and 1925 personal taxes with $343.50.

Adopted.

FRANCHISE HEARINGS

This time and place having been fixed and public notice advertised for the purpose of considering the application of the Trust Company of New Jersey for permission to construct and maintain a vault underneath the sidewalk in front of the proposed building at 361-363A Central Avenue, the City Clerk read the public notice of hearing and then called for anyone who might desire to be heard either in favor of or against the application.

No one appeared to protest and no written protests were received against the said application.

By Commissioner Fagen:

Resolved, That the hearing on the application of The Trust Company of New Jersey for permission to construct and maintain a vault underneath the sidewalk in front of the proposed building at 361-363A Central Avenue, be and the same is hereby adjourned and continued to Tuesday, March 30th, 1926, at 3 p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners, Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Introducing an ordinance entitled "An Ordinance granting permission to the Trust Company of New Jersey, a corporation of the State of New Jersey, to use part of Central Avenue, Jersey City, to the extent and for the purposes hereinafter set out."

On motion, made, seconded and carried, the foregoing ordinance was introduced, received and read and ordered placed on file in the office of the City Clerk for a period of at least two weeks for the purpose of public inspection and giving public notice thereof.

The hearings on the following described ordinances:

"An ordinance granting permission to S. S. Kresge Company, a corporation of the State of Michigan, to use part of Jackson Avenue, Jersey City, to the extent and for the purposes hereinafter set out."

"An ordinance granting permission to Mack-International Motor Truck Corporation, a corporation of the State of New York, to use part of Giles Avenue, Jersey City, to the extent and for the purposes hereinafter set out."

"An ordinance granting permission to The United New Jersey Railroad & Canal Company to construct or cause to be constructed a spur track or siding in Grand Street extending Westerly from a point approximately one hundred and ninety-five feet east of the centre line of Greene Street, along the southerly side of Grand Street approximately to the easterly building line of Greene Street,"

having been adjourned and continued to this time and place, and the City Clerk having advertised public notice that the Board of Commissioners will consider the final passage of the foregoing ordinances at this time, the City Clerk read each ordinance and then called for anyone who might desire to protest against the final passage of any of the above described ordinances. No one appeared to protest and no written protests were received against any of the aforesaid ordinances.

Commissioner Fagen thereupon moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance, granting permission to S. S. Kresge Company, a corporation of the State of Michigan, to use part of Jackson Avenue, Jersey City, to the extent and for the purposes hereinafter set out.

Whereas, After due notice given in accordance with the statutes a public hearing has been held on a petition of the S. S. Kresge Company, a corporation of the State of Michigan, for permission to use a part of Jackson Avenue, Jersey City, to the extent and for the purposes hereinafter set out,

and there being no objections thereto:

Now, therefore, The Board of Commissioners of Jersey City, do ordain:

1. That permission be and the same hereby is granted to S. S. Kresge Company, in the construction and erection of its business building on Jackson Avenue, in Jersey City, to use the parts of Jackson Avenue, hereinafter specified below and on the surface thereof for the purposes set out in said petition and in the diagram attached thereto and forming a part thereof, as follows: To erect, construct and maintain a vault under the sidewalk of Jackson Avenue to project eleven feet four inches (11 ft. 4 in.) beyond the building line towards the curb and to be fifty feet five inches (50 ft. 5 in.) long along Jackson Avenue and approximately nine feet nine inches (9 ft. 9 in.) deep from top of sidewalk grade to the finished floor of vault.

The vault to be constructed entirely of concrete and steel and to be roofed off so as to restore the sidewalk without any obstruction when freight elevator not in use.

The total area to be occupied by the vault under the sidewalk is to be five hundred and seventy-one feet (571 ft.).

This vault is to be used for the purposes of receiving merchandise, storage of coal, water and gas meters and for other storage purposes.

The location of said vault, permission for the construction and maintenance of which is hereby granted is directly in front of the premises known as lots No. 42, 43 and 44, in Block No. 1991, as shown on the City Map, and the said vault is located about fifty-eight feet north from the property line intersection of Claremont Avenue.

Section 2. This ordinance is granted upon the express condition that should the surface of Jackson Avenue be in any way interferred with in the construction of the foregoing work, that such surface shall be restored to its former condition by the S. S. Kresge Company, to the satisfaction and approval of the Director of Streets and Public Improvements.

Section 3. This ordinance granting the foregoing privileges shall be in full force and effect for a period of twenty years.

Section 4. In accepting the privileges under this ordinance and in the construction and maintenance herein authorized, S. S. Kresge Company, thereby agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such construction or maintenance, and to hold the City harmless therefrom.

Section 5. All costs and expenses incident to the introduction passage and publication of this ordinance and to the erection and construction of the work hereby permitted shall be borne and paid by S. S. Kresge Company.

Section 6. This ordinance shall not become effective unless an acceptance in writing thereof shall be filed by the S. S. Kresge Company, within thirty days after receiving notice of the passage hereof.

Section 7. This ordinance being for the sole relief of the S. S. Kresge Company, in the facilitating of its business as a 5c. and 10c. department store and in the operation and maintenance of its business and building as aforesaid, the privileges hereby granted shall not be assigned or permitted to be used by any other person, company or corporation whatsoever, except by the authority of or subsequent resolution of this Board; provided, however, that this restriction shall not prevent the use of the privileges hereby granted by any assignee or transferee of the real property of the S. S. Kresge Company, upon which said department store building is being constructed.

Section 8. For the privileges herein accorded, said beneficiary shall pay annually to the Board of Commissioners of Jersey City, the sum of One Hundred and forty-five dollars ($145.-00) per annum payable on the first days of April and October each year after this ordinance shall become ef-

fective to the City Comptroller at his office in the City Hall, in Jersey City, N. J.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to Mack-International Motor Truck Corporation, a corporation of the State of New York, to use part of Giles Avenue, Jersey City, to the extent and for the purposes hereinafter set out.

Whereas, After due notice in accordance with the statutes, a public hearing has been held on a petition of the Mack-International Motor Truck Corporation, a corporation of the State of New York, for permission to use a part of Giles Avenue, Jersey City, to the extent and for the purposes hereinafter set out, and there being no objection thereto:

Now, therefore, the Board of Commissioners of Jersey City, do ordain:

1. That permission be and the same hereby is granted to Mack-International Motor Truck Corporation, in the construction and erection of its business building on Giles Avenue, in Jersey City, to use the parts of Giles Avenue hereinafter specified below and on the surface thereof for the purposes set out in said petition and in the diagram attached thereto and forming a part thereof, as follows: To erect, construct and maintain a vault under the sidewalk of Giles Avenue to project fifteen feet (15 ft.) beyond the building line or to the curb, and to be 52 feet 1 in. (52 ft. 1 in.) long along Giles Avenue and 15 feet (15 ft.) deep from top of sidewalk to the finished floor of vault.

The vault to be constructed entirely of reinforced concrete and to be roofed off so as to restore the sidewalk without any obstruction; a portion of the said roofing to consist of gratings, iron doors for ash hoist and coal holes with cast iron manhole frames and covers, as shown in the attached diagram.

The total area to be occupied by the vault under the sidewalk is to be 781 square feet.

This vault is to be used for storage of coal and other storage purposes and for the removal of ashes.

The location of said vault, permission for the construction and maintenance of which is hereby granted, is on Giles Avenue directly in front of the premises known as Lot "A," Block 1608, as shown on the City map, and the said vault is located about 115 feet five inches (115 ft. 5 in.) north from Broadway.

Section 2. This ordinance is granted upon the express condition that should the surface of Giles Avenue be in anywise interfered with in the construction of the foregoing work, that such surface shall be restored to its former condition by the Mack-International Motor Truck Corporation, to the satisfaction and approval of the Director of Streets and Public Improvements.

Section 3. This ordinance granting the foregoing privileges shall be in full force and effect for a period of twenty years.

Section 4. In accepting the privileges under this ordinance and in the construction and maintenance herein authorized, Mack-International Motor Truck Corporation thereby agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such construction or maintenance, and to hold the City harmless therefrom.

Section 5. All costs and expenses incident to the introduction, passage and publication of this ordinance and to

the erection and construction of the work hereby permitted shall be borne and paid by Mack-International Motor Truck Corporation.

Section 6. This ordinance shall not become effective unless an acceptance in writing thereof shall be filed by the Mack-International Motor Truck Corporation within thirty (30) days after receiving notice of the passage hereof.

Section 7. This ordinance being for the sole relief of the Mack-International Motor Truck Corporation in the facilitating of its business as a motor truck company and in its operation of selling and servicing motor trucks and building as aforesaid, the privileges hereby granted shall not be assigned or permitted to be used by any other person, company or corporation whatsoever, except by the authority of or subsequent resolution of this Board; provided, however, that this restriction shall not prevent the use of the privileges hereby granted by any assignee or transferee of the real property of the Mack-International Motor Truck Corporation upon which said building is being constructed.

Section 8. For the privileges herein accorded, said beneficiary shall pay annually to the Board of Commissioners of Jersey City, the sum of $25.00, which said payment shall be made in advance to the City Comptroller of Jersey City, at his office in the City Hall, on the 1st day of April each year after this ordinance shall become effective.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to The United New Jersey Railroad & Canal Company to construct or cause to be constructed a spur track or siding in Grand Street extending westerly from a point approximately one hundred and ninety-five feet east of the centre line of Greene street, along the southerly side of Grand Street, approximately to the eatesrly building line of Greene Street.

Whereas, Colgate & Company made application to the Board of Commissioners of Jersey City by written petition (in which petition and the prayer thereof The United New Jersey Railroad & Canal Company, owner, and The Pennsylvania Railroad Company, lessee, join), in order to provide shipping facilities for its factory in Jersey City, for permission to construct or procure to be constructed a spur or siding on Grand Street, connecting with present siding C, and thus with the Pennsylvania Railroad Company, at a point in the curve of said siding, approximately one hundred and ninety-five feet east of the centre line of Greene Street, and extending westerly therefrom along the southerly side of said Grand Street and between said southerly side of Grand Street and present siding G, approximately to the easterly building line of said Greene Street, a distance of about one hundred and sixty feet; said petition having annexed thereto and made part thereof a plan showing the proposed location of said siding or spur track, which plan was designated "Plan showing location of proposed siding S, dated January 11th, 1926"; the said Board of Commissioners having duly advertised the same and having held a public hearing for objections thereto, at which hearing no one appeared to make objection to the permission asked for;

Therefore, the Board of Commissioners of Jersey City to ordain:

Section 1: Permission is hereby granted to The United New Jersey Railroad & Canal Company, in order to provide shipping facilities for the factory of Colgate & Company in Jer-

sey City, to construct or cause to be constructed a spur or siding on Grand Street, connecting with present siding C, and thus with the Pennsylvania Railroad Company, at a point in the curve of said siding, approximately one hundred and ninety-five feet east of the centre line of Greene Street, and extending westerly therefrom along the southerly side of said Grand Street and between said southerly side of Grand Street and present siding G, approximately to the easterly building line of said Greene Street, a distance of about one hundred and sixty feet, in the manner shown upon the plan annexed to the said petition presented to and filed with this Board. Provided, however, that said track shall be constructed and maintained, subject to and in accordance with the conditions as imposed in ordinance adopted by the Board of Street and Water Commissioners, June 21, 1909, granting permission to Colgate & Company in the construction, maintenance and operation of single spur railroad track, to which the railroad spur herein granted is connected.

Section 2: This ordinance shall be in full force and effect for a period of twenty years, but no work of construction shall be begun thereunder until an acceptance of this ordinance shall have been filed with this Board in the manner required by law.

Section 3: For the privileges accorded herein, the said beneficiary shall pay annually to the Board of Commissioners of Jersey City, the sum of $300.00, proper proportion of which payment shall be made semi-annually in advance to the City Comptroller of Jersey City at his office in the City Hall on the first days of April and October next, succeeding the time when this ordinance shall become effective.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioner Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

The hearings on the following described ordinances:

"An Ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street."

"An Ordinance granting to Erie Railroad Company, the Long Dock Company and Penhorn Creek Railroad Company, and each of them, their and each of their successors and assigns, the right to construct and maintain bridges over certain streets in Jersey City."

"An Ordinance for the vacation of Eleventh Street in Jersey City."

"An Ordinance for the vacation of a portion of Provost Street in Jersey City."

Having been adjourned and continued to this time and place, and the City Clerk having advertised public notice that the Board of Commissioners of Jersey City will consider the final passage of the aforesaid ordinances at this time and place, the Mayor thereupon declared the hearings open.

The City Clerk read the following communication:

"March 16th, 1926.

Hon. Frank Hague, Mayor,
City of Jersey City,
City Hall,
Jersey City, N. J.

Dear Mayor Hague:

This is to certify that the New Jersey Interstate Bridge and Tunnel Commission at its meeting held January 20, 1926, and the New York State Bridge and Tunnel Commission at its meeting held January 19, 1926, adopted the following resolution:

'Resolved, That the Chief Engineer be and he is hereby directed to prepare plans and specifications for the paving, grading and improving (except

such portion of the work as is to be done by the Erie Railroad Company under its contract with the Commission) of the Tunnel Plaza in Jersey City, including Twelfth Street from Provost Street to Jersey Avenue; Jersey Avenue from Twelfth Street to Fourteenth Street and Fourteenth Street from Provost Street to Jersey Avenue; said work to be done at the expense of the Tunnel Commission, and be it further

Resolved, That this resolution is adopted upon the understanding that the city authorities of Jersey City will immediately take action for the vacation of Eleventh Street and for the fixing of the grades of the several cross streets affected by the plaza development.'

Respectfully submitted,

[Seal] THEO. BOETTGER,
Chairman,
New Jersey Interstate Bridge and Tunnel Commission.

MORRIS M. FROHLICH,
Secretary,
New York State Bridge and Tunnel Commission.

Received and ordered filed.

The Mayor announced that this hearing was held for the purpose of hearing anyone who might be interested or whose lands may be affected by the proposed ordinances in connection with the vacation of Eleventh Street and the changes of grades of certain streets.

Miss Dittmar, representing the following property owners: Nos. 261-263 Twelfth Street, Estate of Adam J. Dittmar; No. 265 Twelfth Street, Isabelle M. Dittmar; No. 739½ Jersey Avenue, Estate of Mary Dittmar, appeared before the Board and stated that the negotiations for their property are still pending in court.

The Mayor advised Miss Dittmar that, in view of the fact that her case was being tried in the court, the Board of Commissioners had no authority; that if the matter was being adjusted by the Tunnel Commission or the railroad company, then the Board of Commissioners could step in; that the court and jury will determine and adjust her case and that their action is final.

Miss Dittmar stated that there was an eight-foot alley alongside their property and that they should have a right to that from Eleventh to Twelfth Street. The Mayor advised that this question was included in the case and that her property rights are being protected; that the intention of the Board of Commissioners was to see that the property owners were dealt with fairly before granting any privileges to the railroad company; that where no adjustment could be made and the railroad company applied to the court for the appointment of a condemnation commission the court and jury only have jurisdiction in the matter.

Corporation Counsel Brogan advised the Mayor that the property owners have twenty days within which to accept the price and vacate the property.

The Mayor then advised Miss Dittmar to try and find a place to move into, because as soon as the court decides the railroad company will make payment and then the property will belong to the railroad company.

Miss Dittmar stated that her lawyer, Mr. Henn, advised her of some of the details.

The Mayor stated that the case will proceed, and that a jury will be struck on Saturday next.

Mr. Brogan stated that the case will be tried in the April Term, which means about the first two weeks in April.

Miss Dittmar stated that she had been told to vacate by some people, but did not do so because the vandals would destroy the property just as they have done to other property there.

The Mayor impressed the fact that the Board of Commissioners has absolutely no authority in the matter of the price that the court will determine.

Mr. Joseph Fuhrer, of 563 Grove Street, appeared before the Board with reference to the change of grade on Grove Street. He stated that he owned

a bakery at that address and there is a baker's oven right under the sidewalk that may be affected by the change of grade.

Commissioner Fagen advised Mr. Fuhrer that the Erie Railroad Company has filed indemnity bonds with the city which guarantee the payment for any damages that may be incurred by property owners or the city by reason of the change of grade and that the property owners will be given a hearing before the City Assessment Commission to determine the damages.

Mr. Fuhrer stated that he did not oppose the ordinances, but he wants to be compensated for fixing the oven.

By Commissioner Fagen:

"Mr. Mayor and Gentlemen: This has been a long proceeding, having been under discussion for the past number of years. This ordinance calling for changes of grade is one of the several ordinances that has to do with the vast improvement going on in our neighborhood. It has not only an effect on this neighborhood, but the entire State and the country. It affects the tunnel, the viaduct and the Lincoln Highway. It is to me a real pleasure that I move the passage of the several ordinances, because in looking back and hearing from the older folks I have heard of the methods which were pursued in proceedings like this which were attended with anything but the present methods and the way that this has been done. It was a real pleasure, although it was in the summer and winter, spring and fall, to see the manner in which the property owners were handled by the Mayor, because he had such an intimate knowledge of the property in the Long Dock section. He showed his interest in the people fighting and fighting for them; he saw that the people got what they were entitled to, no matter how big the corporations were. Not so in the past, gentlemen. You can go over the elevation of the Erie Railroad Company under the Voorhees Act. They are living monstrosities as monuments to the lack of care in having the projects put through by the administrations that preceded us. We are now coming to the point where we are ready to proceed with the vacation of Eleventh Street. The crux of the whole matter was to obtain for the people of Jersey City, and the property owners there, to acquire their rights, and any of them that could not be settled by talking it over has come to the proper tribunals to be settled. Now the grades that this ordinance calls for will not injure the neighborhood where they are laid down, from Tenth to Fourteenth Street. They will improve the section.

Grove Street, there are four or five steps on 11th Street. Those steps are about to be eradicated. The Erie Railroad has given their bond that they will bring this grade all the way to 13th Street, eliminating these steps, bringing the grade of the street down to the sidewalk and only two houses on the corner will have their steps receded inside. It is the same on the other streets. Jersey Avenue will be improved. I might say that the interest of the people is guarded not only in this ordinance but in the bridge ordinance. The head-room will be ample and besides that the drip pans and flooring over the streets will be water tight. They are to be well lighted, all for the interest of the people. Then the third ordinance is that which vacates 11th Street. Upon the vacation of 11th Street, in agreements between the Erie R. R. Co. and the Tunnel Commission, 11th Street goes to the Erie R. R. Co., and the Erie Railroad agrees to let the Tunnel Commission go through their vast yards and piers into the river.

This matter has now come to an amicable agreement and the numerous officials of Jersey City, who, besides the Mayor, who have had anything to do with it, have worked long and laboriously to bring this to a happy ending, and to none of them has the close of this come happier than to the counsel of the Erie R. R. Co, Mr. Min-

ard. Mr. Minard has done heavy, hard work to bring this to a close. The Corporation Counsel, Mr. Brogan, has done zealous work to bring this to a happy closing. The Tunnel Commission has also come forward and according to their letter today, they stand ready to improve 12th and 14th Streets with granite block pavement, etc., which is an expensive improvement, as you can judge by the proposals for blocks which were received today. There will be beautiful lighting standards to illuminate it and give us a first class roadway. These proceedings now bring the matter to a position where the engineers can begin to prepare specifications, which I think should bring the matter to a close, and I move the final passage of the ordinances and would direct that the ordinance covering the change of grades be acted on first.

Thereupon on motion of Commissioner Fagen the City Clerk read the following ordinances as being ready for final passage:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to change and establish the grade of certain parts of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street.

The Board of Commissioners of Jersey City do ordain that:

1. The several grades of the several center lines of certain parts of the several roadbeds of Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street, respectively, are hereby changed and established as shown by a map, or a profile thereof, entitled "Erie Railroad Company, Terminal Division, Proposed Changes of Street Grades Between Points as Shown on Henderson, Grove and Erie Streets, Jersey Avenue, Coles and Monmouth Streets, Jersey City, N. J.," dated October 12th, 1921, and approved by Charles A. VanKeuren, Chief Engineer of the Mayor and Aldermen of Jersey City; Clifford M. Holland, Chief Engineer of the New Jersey Interstate Bridge and Tunnel Commission, and by Robert C. Falconer, Assistant to President and Chief Engineer of Erie Railroad Company, revised March 6, 1926, and filed with the clerk of said the Mayor and Aldermen of Jersey City so that the said several center lines shall be as follows: (All elevations shown in said map or profile are based on mean sea level at Sandy Hook, as determined by the United States Coast and Geodetic Survey, and also on Jersey City datum known as Ward's base. The former are shown in white and the latter in red. All elevations mentioned in this ordinance refer to Ward's base.)

HENDERSON STREET

Beginning at a point in the center line of Henderson Street one hundred and seventy (170) feet northerly from the intersection of the center lines of Tenth and Henderson Streets, at which point the present elevation of the street surface is fifteen and sixteen hundredths (15.16), the legal elevation of said point being nineteen and fifty-eight hundredths (19.58), as shown on "Grade Map of Jersey City, Hudson County, New Jersey, CJL-28 inches with lead pencil footnote "Red figures are legal grades, black figures are elevations as found. About 1890 by J. W. Soper, Surveyor, above from NDW"; thence northerly along the center line of Henderson Street a distance of one hundred nad forty-four (144) feet on a uniformly descending grade of five-tenths (0.5) per cent. to a point at elevation fourteen and forty-five (14.45); thence continuing northerly on said center line on a uniformly ascending grade of three and six-tenths (3.6) per cent., a distance of seventy-six (76) feet to a point at elevation seventeen and nineteen hundredths (17.19); thence continuing northerly on a uniformly ascending grade of ninety-six hundredths (0.96) per cent., a distance of eighty (80) feet to a point at elevation seventeen and ninety-six hundredths (17.96); thence still northerly on said center line on a uniformly descend-

ing grade of three-tenths (0.3) per cent., a distance of one hundred (100) feet to a point fifty (50) feet north of the intersection of center lines of 12th Street and Henderson Street at elevation seventeen and sixty-six hundredths (17.66), said elevation at this point being the present street surface, the legal elevation for said point being seventeen and fifty-seven hundredths (17.57), as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

GROVE STREET

Beginning at a point in the center line of Grove Street two hundred thirty (230) feet northerly from the intersection of the center lines of Tenth and Grove Streets, at which point the present elevation of the street surface is seventeen and forty-five hundredths (17.45), the legal elevation of said point being twenty-two and forty-two hundredths (22.42) as shown on "Grade Map of Jersey City, Hudson County, New Jersey, GJL-28" with lead pencil footnote "Red figures are legal grade, Black figures are elevations as found. About 1890 by J. W. Soper, Surveyor. Above from NDW"; thence northerly along the center line of Grove Street on a uniformly descending grade of five-tenths (0.5) per cent. a distance of ninety-two (92) feet to a point at elevation seventeen (17.0); thence still northerly along the said center line on a uniformly ascending grade of three (3.0) per cent. a distance of sixty-eight (68) feet to a point at elevation nineteen and five-hundredths (19.05), thence still northerly along the said center line on a uniformly ascending grade of forty-seven hundredths (0.47) per cent. a distance of one hundred thirty (130) feet to a point of elevation nineteen and sixty-six hundredths (19.66); thence still northerly along said center line on a uniformly ascending grade of fifty-five hundredths (0.55) per cent. a distance of one hundred eighteen (118) feet to a point one hundred eighteen (118) feet north of the intersection of the center lines of Twelfth and Grove Streets at elevation twenty and thirty-one hundredths (20.31), said elevation at this point being the present street surface, the elevation of the legal grade at said point being nineteen and ninety-six hundredths (19.96) as shown on aforesaid grade map of Jersey City.

The grade of the sidewalks of said street is to be changed to conform to the foregoing description of the center line of said street.

ERIE STREET

Beginning at a point in the center line of Erie Street a distance of two hundred (200) feet northerly from the intersection of the center lines of Tenth and Erie Streets, at which point the present elevation of the street surface is sixteen and forty-three hundredths (16.43), the legal elevation of said point being nineteen and nine-tenths (19.9) as shown on "Grade Map of Jersey City, Hudson County, New Jersey, GJL-28" with lead pencil footnote "Red figures are legal grades, Black figures are elevations as found. About 1890 by J. W. Soper, Surveyor. By Mayor Hague:

"I don't think I should let this opportunity go by on such an important occasion as this. I want to thank everyone for the patience they have displayed in the long drawn out litigation relative to the 11th Street vacation.

The City Commissioner is pledged to do its duty. We realized that the property owners along the street were involved and they looked to the City Commission for protection.

As Commissioner Fagen has said, the former administrations did not use the same methods. We have proceeded slowly and have worked for the interests of the City and the property owners, in that section.

I want to thank the Counsel and the officials for their cooperation. I also wish to thank the counsel for the Erie Railroad Company and the Tunnel Commission for the manner in which they cooperated with the City Commission. I also extend my thanks to Commissioner Boyle of the Interstate Bridge & Tunnel Commission for the interest he displayed on behalf of Jersey City.

I think it is a good thing for the City to cooperate with the Tunnel Commission. We have done our full duty to the City at large and the railroad and the Tunnel Commission, and we are now in a position to vacate 11th Street.

Thereupon Commissioner Fagen moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

(ORDINANCE FOR VACATION OF ELEVENTH STREET.)

An ordinance for the vacation of Eleventh Street in Jersey City.

Whereas, The owners of more than three-fourths of the land on both sides of Eleventh Street between the easterly line of Provost Street and the westerly line of Monmouth Street, have applied for the vacation of Eleventh Street aforesaid.

And whereas, The vacation of Eleventh Street between said easterly line of Provost Street and said westerly line of Monmouth Street will be for the public interest.

The Board of Commissioners of Jersey City do ordain that:

1. Eleventh Street, from the easterly line of Provost Street to the westerly line of Monmouth Street be and it is hereby vacated.

2. Nothing herein shall affect any public right in and to that portion of the streets known respectively as Henderson Street, Grove Street, Erie Street, Jersey Avenue, Coles Street and Monmouth Street where the same

cross Eleventh Street as it now exists, and which is to be vacated as aforesaid.

The City Clerk read the foregoing ordinance as ready for final passage.

By Commissioner Boyle:

"Mayor Hague, and City Commissioners of Jersey City I want to thank you on behalf of the Interstate Tunnel Commission of New Jersey and New York, for the pasage of the ordinances today."

By Counsellor Minard:

"Gentlemen, I want to say that the experience I have had with these ordinances has been an agreeable experience with me. I want to say that no one has ever looked after the interests of the people more conscientiously than this City Commission and you have been fair and decent with me. I am really not saying all that I feel, but I want to thank everybody for their free and fair negotiations, even though it has lasted a long time."

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the passage of the following ordinances:

"An Ordinance authorizing $1,000.00 temporary improvement bonds of the City of Jersey City."

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An Ordinance Authorizing $900,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $900,000.00 is hereby appropriated for the construction of the Jackson Avenue outlet sewer from the property of the Central Railroad Co. to the exterior line for piers in New York Bay (contract No. 1).

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $900,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission," approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said Bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the city, and attested by the City Clerk, and shall recite they are issued to temporarily finance the construction of the Jackson Avenue outlet sewer.

Sec. 4. Said Bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof, as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said Bonds shall, at maturity, be paid out of the proceeds of

funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Resolved, That the following ordinance do now pass:

An ordinance authorizing $100,000.00 temporary improvement bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $100,000.00 is hereby appropriated for harbor improvements at Droyers Point on the Hackensack River in addition to the sum heretofore appropriated for said purpose.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $100,000.00 temporary improvement bonds shall be issued, in pursuance of an act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an Improvement Commission" approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent. per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance harbor improvements at Droyers Point on the Hackensack River.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected sufficient in amount to pay said bonds as they mature. In each year after the date of said bonds a tax shall be levied and collected sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

HEARINGS

This time and place having been fixed by the Board of Commissioners of Jersey City for the purpose of considering the reopening of the hearing on the application of Counsellor James Butler for Edwin Ruppenich, requesting permission to erect a brick building at 18 Manhattan Avenue, the City Clerk advised the Board that he had sent notification to the Department of Public Safety to make a canvass of the section for the purpose of ascertaining if there were any objections to the proposed building, and that Captain Hogue of the Sixth Precinct Police Station had submitted a report that such canvass had been made. Thereupon the Mayor announced the hearing open.

The City Clerk advised the Board that Counsellor James Butler's Office had notified him that Counsellor Butler, representing the applicant, could not appear at the meeting today, being engaged in an out-of-town court, and requested that the matter be postponed for one week.

Counsellor Capelli, for Mr. Butler, appeared and requested that Mr. Butler be allowed to present his side of the case at the next meeting of the Board.

The Mayor advised Mr. Capelli that the hearing could not be adjourned in view of the fact that so many of the protestants appeared to-

day and that it would not be just to ask them to reappear next week. He suggested, however, that the objectors' side of the case be heard today and that Mr. Butler will be given an opportunity to be heard next week.

Mr. Charles Tattam, as spokesman for the large delegation of objectors, presented a written protest signed by 32 property owners of Manhattan Avenue against the proposed building. He also stated that the delegation protested against the garage building at 18 Manhattan Avenue, due to the fact that the conditions have not changed there since May, 1925, when the Board of Commissioners denied the applicant's permit to erect the garage; that if conditions have changed, they have changed against the applicant, because the city has seen fit to expend $15,000 to improve that street; that the applicant has two buildings at 94-96 Franklin Street that can be used for a garage; that if this garage building is erected it will cause the depreciation of property in that section; that some of the protesting property owners have resided in that section for fifty years and do not see how an outsider should come in and destroy their property; that the man does not live in the neighborhood; that the applicant only invested $1,000 in that property, and the protestants have put everything in for the purpose of making their homes there; that in the previous hearing the applicant secured the consent of the people who lived in the block, and that the Mayor stated at that time that only the property owners would be considered; that the protest presented today is signed by property owners only.

Mrs. Kearth of 19 Manhattan Avenue stated that the garage will be detrimental to the property owners; that at present there is that dirty old grocery house, where cars are repaired in front of the residents' doors; that all week, including Sundays, they make a regular garage in front of the houses; that she does not think all these property owners should be overruled by one man.

Mr. Ed. Nolte of 17 Manhattan Avenue stated that he lived right opposite the proposed garage; that if the building is permitted there will be cars coming in and out at all hours of the morning and night and that the noise spoils lots of nights' sleep.

In conclusion the Mayor advised the protestants that if any of them were at leisure they could attend the hearing next Tuesday; that the Board of Commissioners is familiar with the case, and that next Tuesday the Board would hear Counsellor Butler's side of the case for the applicant.

This time and place having been fixed by the Board of Commissioners of Jersey City for the purpose of holding a public hearing on the application of Counsellor Cronin for the Peerless Oil Company, requesting permission to erect a gas station at 102-106 Ocean Avenue (corner of Neptune and Ocean Avenues), the City Clerk advised the Board that he had requested the Department of Public Safety to have a canvass made for the purpose of ascertaining if there were any objections to the proposed building, and that a report had been submitted by Patrolman Besterman of the 5th Precinct Police Station that such a canvass had been made. Thereupon the Mayor declared the hearing open.

Counsellor Erwin appeared with a large delegation, who protested against the proposed gas station.

Mr. Erwin stated that the delegation represented the Greenville Merchants' Association, who are all protesting against this gas station; that these people were before the Board protesting against a jitney station there; that it is the only available corner left for improvement; that the type of proposed improvement is not the right type looking toward the development of the business section.

Counsellor Cronin, for the applicant, stated that inasmuch as the application is made in proper form and complies with all the legal requirements laid down by the City Commission and the Zoning Commission, that there is nothing dangerous or detrimental to

the neighborhood, he could not see why any adjacent property owner should dictate to the owner regarding the use of his property; that it does not injure the health, morals or welfare of any of the people; that he does not see why the Commission should not grant this permit; that the applicant is asking only for his legal rights; that he does not see why a citizen of the city should be put to any legal expense when he is asking for what he is entitled to.

The Mayor asked Mr. Erwin if the objectors were all residents of that section. He replied that they were all residents, storekeepers and property owners in the immediate vicinity.

The Mayor then asked what hardships such an improvement would cause. Mr. Erwin stated that it would remove the possibilities of a real development on this corner; that the objectors realize some of the stations are better than others, nevertheless the establishment of a gas station in essentially a business section attracts automobiles that come to be filled with gas and oil and, no matter how careful they are run, they are a detriment. The Mayor asked Mr. Erwin if there were any gas stations on Ocean or Jackson Avenues. He replied that he does not know of any.

The Mayor stated that in view of the fact that practically every business man in the vicinity opposed this gas station he does not see how the Board could consider the application; that the Board has tried to keep the business sections more in keeping with the neighborhood; that the applicant has stated that he has a perfect right to utilize the property; that on the other hand, the Board sits here as the representatives of the people of Jersey City and when the people protest the Board must proceed very carefully before taking action.

Commissioner Fagen stated that he was familiar with the property and can assure the Board that the protestants before the Board are the business men and property owners of Ocean Avenue; that the owner of the apartment house on Neptune Avenue adjoining the proposed building, is sick in bed, otherwise he would be present to object; that there is no public necessity for this station on Ocean Avenue, because the jitneymen have a gas station between Old Bergen Road and Ocean Avenue, on Seaview Avenue at the present time; that property that lies between Gates Avenue and Merritt Street and Old Bergen Road and Ocean Avenue is owned by the jitneymen's independent association and they are about to put a garage in the milk depot and erect a gas station for themselves; that he mentions this because it looks to him, although only a supposition on his part, because the jitneys are running on Neptune Avenue; that if the Jitneymen are going to have their own gas station, where will the new station get business from; that it will be, as Mr. Erwin stated, injurious to the business men; that the section needs encouragement to add to the growth that is going on there now; that a lot of ground is taken up by the cemetery, then Columbia Hall, the Police Station and then a big garage on Danforth Avenue, and now this new proposition; that the time has arrived when the Board of Commissioners ought to be up and looking for these business men's interests; that these men have devoted their time and energy and they represent our interest in that locality and we must protect them. Thereupon Commissioner Fagen moved the adoption of the following resolution:

By Commissioner Fagen:

Whereas, this day application was made to the Board of Commissioners of Jersey City by Ralph Levinson, Agent for the Peerless Oil Company, for permission to erect gasoline station with its accessories of sales rooms, gasoline tanks, oil tanks and containers, their pumps, at 102-106 Ocean Avenue, being Lots 19, 20 and 21, in Block 1419; and

Whereas, from said application it appears that the sales room or gaso-

line station will be within 20 feet of the two-story frame building on Ocean Avenue and the balance of the station will be 45 feet from Ocean Avenue, the yard backing up to the property of O'Reilly Brothers, which is an apartment house next adjoining on the northwest side of Neptune Avenue; and

Whereas, it is deemed that gasoline tanks, lubricating oil containers and pumps with the attachments are a fire risk and also the safety of the immediate public as well as to the immediate property owners and will be a danger to the apartment house on the north side of Neptune Avenue as well as to the two-story frame building on Ocean Avenue; therefore be it

Resolved, That the Board do deny the application of the Peerless Oil Company to erect gasoline station with its accessories on Lots 19, 20 and 21, Block 1419, being 102-106 Ocean Avenue, Jersey City, N. J.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Cronin stated that in the face of the numerical opposition, he will not present any further argument on his part and requested permission to enter formal objection to the ruling of the Board.

The Mayor advised him that the objection will be entered.

At this time Mr. Joseph Reale appeared before the Board and requested permission to erect one-story brick garages in the rear of 147-149-151 Manhattan Avenue.

Commissioner Saul advised the Board that the application called for the erection of three garages in the rear of three now existing buildings; that he could see no objection to two of the garages, but the third will be directly on the lot line of Sanford Place; that he will vote for the permission on the rear of 147 and 149 Manhattan Avenue, but not for 151 Manhattan Avenue. He thereupon moved the adoption of the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Joseph Reale to erect two brick private garages in the rear of Lot 18, Block 851, being No. 147-149 Manhattan Avenue, Jersey City, N. J., provided that no part of said buildings will be erected within ten feet of any frame building now used as a residence or dwelling and provided further that the plans for said building comply with all the requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Joseph Reale also requested permission to erect two private garages on the rear of 153 Manhattan Avenue, one with entrance and exit on Manhattan avenue and one with entrance and exit on Sanford Place.

Commissioner Saul recommended that this application be laid over until the architect can modify the plans, because the garages will come up to the lot lines.

Counsellor Cronin appeared before the Board with reference to the application of Nicholas D'Elia for permission to erect a garage building at 220-228 Hopkins Avenue, which had been referred to Commissioner Quinn for investigation.

Commissioner Quinn advised the Board that there is at present a big garage on the opposite side of the street, and cannot see any objection to the proposed building. Thereupon Commissioner Quinn moved the adoption of the following resolution:

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to Nicholas D'Elia to erect one-story brick building to be used for garage purposes on Lot No. 57-C, Block 696, known as No. 220-228 Hopkins Avenue, Jersey City, N. J., provided that no part of said buildings will be erected within ten feet of any frame building now used as

a residence or dwelling, and provided, further, that the plans for said building comply with all the requirements of the building laws.

Adopted.

Yeas: Commissioners, Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Cronin also appeared with reference to the application of E. P. Hollister for permission to erect 13 individual garages at 35-37 Tyson Lane, which had been referred to Commissioner Saul for investigation.

Commissioner Saul advised the Board that Mr. Duff of the Building Department informed him that directly opposite the proposed garages there is a big public garage.

The Mayor stated that he did not approve of these garages being erected so that they back up into apartment houses.

Commissioner Beggans stated that the location was the other side of Communipaw Avenue.

Thereupon Commissioner Saul moved the adoption of the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to E. P. Hollister to erect thirteen brick private garages on Lots 88a and 89a, Block 1804, known as No. 35-37 Tyson Lane, Jersey City, N. J., provided that no part of said buildings will be erected within ten feet of any frame building now used as a residence or dwelling, and provided, further, that the plans for said buildings comply with all the requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Cronin requested that permission be granted to E. P. Hollister for the erection of a garage at 41 Tyson Lane, which had also been referred to Commissioner Saul for investigation.

Commissioner Saul moved the adoption of the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to E. P. Hollister to erect one-story brick building to be used for garage on Lot 90a, Block 1804, known as No. 41 Tyson Lane, Jersey City, N. J., provided that no part of said building will be erected within ten feet of any frame building now used as a residence or dwelling and provided, further, that the plans for said building comply with all the requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Peter Kozan appeared before the Board with reference to his application to erect a brick machine shop at 157 St. Paul's Avenue, which had been referred to Commissioner Quinn for investigation.

Commissioner Quinn stated there was no objection to the proposed building, and thereupon moved the adoption of the following resolution:

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to Paul Kozan to erect one-story brick building to be used as light machine shop on lot 32, block 572, known as No. 157 St. Paul's Avenue, Jersey City, N. J., provided that plans for said building comply with all requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Barnet Katz appeared before the Board and requested permission to erect about 20 garages at the rear of 343 Bergen Avenue.

Commissioner Fagen stated that these garages will be in the rear of a four-story apartment house; adjacent to it will be a driveway and the cars will come out on Bergen Avenue; that there are some things in favor and some things against the proposed plan.

The Mayor stated that the residents of the neighborhood must not be an-

noyed by the noise of the cars using the garages.

Commissioner Saul stated that the plot was 223 feet deep; that similar applications have been granted; that the theory for these batteries of garages on deep lots is that they are for the use of the tenants in the apartment houses; that in his opinion these garages will not harm anybody, provided the applicant starts the erection of the apartment house; that he will vote for the granting of the permit for the garages as soon as the apartment house is started.

Mr. Katz stated that he is about to start the apartment and wanted to build the garages at the same time.

The Mayor advised Mr. Katz to follow Commissioner Saul's advice and commence the apartment and then the Board will act on the garage permit, and in conclusion instructed Mr. Katz to communicate with Mr. Duff of the Building Department.

Mr. Ernest Marks appeared before the Board and requested permission to erect garages at the Boulevard and McAdoo Avenue.

Commissioner Fagen recommended that the application be referred to him for investigation and report as to fixing a public hearing in the matter.

Mr. Henry Ewald of 115 Bostwick Avenue appeared before the Board and requested permission to erect 17 garages at 54 Prescott Street.

Commissioner Saul advised the Board that the application was presented to the Board about a year ago; that there was a hearing called and a lot of property owners objected; that it has been laying dormant, and that in his opinion the best thing to do would be to notify the same people there and find out if there are any objections.

Thereupon the City Clerk was directed to fix a public hearing for April 6, 1926, and to notify the interested persons through the Police Department.

Mr. Joseph Fiore appeared before the Board with reference to his application for permission to erect an ice house at 79 Jordan Avenue.

Commissioner Saul advised the Board that petitions have been filed with the City Clerk against this application.

Mr. Fiore stated that he has a small ice house there now and it has become dilapidated; it is located at 77 Jordan Avenue, and he is desirous of erecting the new one at 79 Jordan Avenue, which will be of concrete; that the proposed building will be within 75 feet of the shade factory on Jordan Avenue.

Commissioner Saul moved that the matter be laid over for two weeks for public hearing and that the City Clerk notify the interested persons through the Department of Police.

Mr. John Hogan appeared before the Board and requested permission to put an extension on the present garage at 848-850 West Side Avenue.

Commissioner Saul advised the Board that it is an application to add an additional story on the present garage at the corner of Glenwood Avenue and West Side Avenue, which is a one-story building.

The Mayor asked Mr. Hogan if there was any objection from the occupants of the two-family frame houses on Glenwood Avenue and West Side Avenue.

Mr. Hogan stated that he did not know them and that he did not hear of any complaint; that they did not object when he erected the garage there.

The Mayor advised Mr. Hogan to ascertain if there was any objection from the adjacent property owners.

In conclusion the Mayor recommended that a public hearing be held on the application on April 6th, 1926, and that the City Clerk notify the interested persons through the police department.

The Mayor also advised Mr. Hogan that if some of the people cannot attend the hearing, they can forward a letter to the City Clerk stating whether

they are in favor or opposed to the improvement.

By Commissioner Fagen:

Resolved, That upon the recommendation of the Director of the Department of Streets and Public Improvements contract for furnishing and delivering on the Morgan Street dock (50,000) specification granite blocks for use in Jersey City, N. J., be and the same is hereby awarded to Rockport Granite Company at the price named in their proposal, namely one hundred and thirty ($130.00) dollars per thousand, there being no lower bid received and the Corporation Attorney be and he is hereby authorized and directed to prepare and have executed necessary contract therefor.

Received and ordered placed on file in the office of the City Clerk for a period of two weeks for the purpose of public inspection.

By Commissioner Fagen:

Whereas, on March 9, 1926, bids were received by the Board of Commissioners for the paving with asphalt of three streets as follows:

WHITMAN AVENUE

Crichfield	103%
Cavanagh	95%
Littieri & Bellezza	99½%

BELVIDERE AVENUE

Crichfield	102.95%
Cavanagh	95%

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinance:

"An Ordinance authorizing $7,200.00 Temporary Improvement Bonds of the City of Jersey City."

The City Clerk called for anyone who might desire to protest against the final passage of the following ordinance. No one appeared to protest and no written protests were received.

Commissioner Quinn moved the adoption of the following ordinance:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An Ordinance authorizing $7,200.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $7,200.00 is hereby appropriated for the purchase of 300 iron body bronze mounted double hub valves for use in the Water Department.

Sec. 2. For the purpose of meeting said appropriation and of temporarily financing said improvement, which is not yet completed (such improvement not being current expenses), $7,200.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission," approved March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent. per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance, under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the purchase of iron body bronze valves.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof, as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid, a tax shall be levied and collected, sufficient in amount to pay said bonds as they mature. In each year after the date of said bonds a tax shall be levied and collected sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Quinn:

Resolved, That the hearing on the following ordinance do now close.

HEARINGS

The application of Counsellor James Butler for a rehearing in the matter of the application of Edwin Rupenich

requesting permission to erect a brick building at No. 18 Manhattan Avenue, having been adjourned and continued to this time and place, the City Clerk declared the hearing open.

Counsellor James Butler appeared with the applicant, Mr. Edwin Ruppenich. Mr. Butler apologized to the Board for not being present at the hearing last week, and on account of his absence was unable to hear the objections which had been made.

Mr. Charles A. Tattam, representing the delegation of thirty-three property owners in the vicinity, who appeared before the Board, stated that they are all protesting against the reopening of the case; that the protestants appeared before the Board on May 26th, 1925, at which time three of the present members of the Board denied the application; that they believe conditions have not changed since; that if conditions have changed, the change has been against the applicant, because the City Commission invested $15,000.00 to improve that street; that most of the people have lived there all their lives; in fact, ten of the families have lived there over fifty years; that the protestants do not believe that a man should come into a neighborhood, invest $1,000.00 and erect a building that will be a detriment to the rest of the neighborhood.

The Mayor stated that the protestants appeared last week and complained about cars that were allowed to stand in front of various industrial plants in the neighborhood and were washed and repaired in the streets, being very disagreeable to the residents.

Mrs. Kearth of 19 Manhattan Avenue stated that she lives right opposite the proposed building; that last Sunday in the little garage they left cars out there and cleaned them and left oily rags around simply because the owner does not live there; that if you speak to them they answer profanely; that it became necessary to call the Police Station in an effort to stop the noise; that this condition exists at the grocery plant, and if another garage was permitted it would be a terrible nuisance.

Mr. Tattam stated that Mr. Ruppenich and a Mr. Thomas Higgins were partners, he believed, in the ownership of this property, and that when the application of Mr. Higgins for the building was denied, Mr. Ruppenich purchased Mr. Higgins' interest.

The Mayor then called for any one else who might desire to protest. No further protest was made, and the Mayor stated that Counsellor Butler would be heard for the applicant.

Counsellor Butler stated that the question of a man using profane language or a man does not live there and invests $1,000 does not make any difference; that the present building is a disgrace to the street and a fire hazard; that now the applicant desires to put a garage of brick construction there at a cost of $9,000.00; that he will comply with any regulations that the Building Department will make; that right next door is a yard stuffed and piled high with boxes of sarsaparilla and lemonade; that there is a brick building with a box factory; next to that the American Grocery storage warehouse; that on both sides of the street are private garages which are very little better than this man owns at present; that the courts have upset the various zoning rules; that you can mandamus any case where building inspectors have refused permission, and invariably the courts have granted the mandamus; that he is in sympathy with good zoning laws; that certain streets should be zoned; that this street is not residential. Mr. Butler read extracts from the laws on recent zoning cases.

The Mayor advised Mr. Butler that the extracts from the records did not include garages; they merely affected store buildings.

Corporation Counsel Brogan advised the Board that the City Commission had jurisdiction in matters pertaining to garages.

Mr. Tattam stated there is a sign on the building that it was used as a

repair shop; this man repairs radios; that the factory is at 101-103 Franklin Street; that there is no factory on Manhattan Avenue.

Mr. Butler stated that he would ask the Commission to go up and look the situation over and if they say that a brick building will be detrimental to the neighborhood he will withdraw the application.

Commissioner Fagen stated that it is now a fire hazard and dangerous to the children.

The Mayor stated that the Board had no jurisdiction as to the type of building, but where it comes to the use of the building, the City Commission have police powers; that the installation of a fire hazard in a store can be prohibited by the Board; that the efforts of the Board have been aimed at encouraging business, but the interests of these protestants must be considered; that they are poor people, who have invested their every dollar to make their homes there; that it would be an easy matter for the Board to over-ride the protests, but they are clamoring for their rights; that the City Commission are their representatives and they must be protected; that the Commission has made it a rule to deny applications when protests are filed against it; that when such applications are granted, the Board requires the consent of the residents and property owners of the neighborhood; the Commission has been absolutely fair in granting applications and that similar applications have been granted only when everyone in the neighborhood has consented.

Mr. Butler then stated that if the Board referred the matter to the Corporation Counsel for his opinion he will accept the decision.

The Mayor advised Mr. Butler that the Board has considered the objections and have decided for the protestants and it is Mr. Butler's right to apply to the courts.

Mr. Butler stated that it is abusive discretion according to law, in refusing to grant the permit; that the improvement would not be a nuisance; that it is not detrimental; that the erection of a brick building would be an improvement and not be a nuisance.

The Mayor stated that the application had been before the Board about a year ago, at which time it was denied; that no additional reasons have been given by Mr. Butler that would justify the change in ruling of the Board; that the Board feels the same conditions have existed since the application was rejected and the same people are objecting; that in view of these facts the status of the case remains just as before, the Board of Commissioners refusing to reopen the hearing on the application.

Counsellor Ezra Nolan appeared before the Board and on behalf of the Monticello Avenue Business Association and the Greek-American Association protested against the unfair conditions that exist on Monticello Avenue in respect to a store located at Astor Place and Monticello Avenue, which has been stocked with flowers to be sold during Easter week; that directly across the street is the Bergen Florist, operated by two or three reliable businessmen in that vicinity; that the temporary store is detrimental to the permanent merchants on the street.

The City Clerk advisd the Board that the city had an ordinance in force regulating temporary merchants and the Mayor directed Commissioner Beggans to make an investigation and secure a copy of the ordinance covering this situation.

Counsellor Robert Brenner appeared before the Board for the Hub Construction Co., requesting permission to erect a dwelling apartment over garages to be used by the caretaker at No. 1 Prospect Street, which had been referred to Commissioner Quinn for investigation.

Commissioner Saul stated that if it is a good law and proper for the Board to prohibit the installation of a garage in a residential building, then it should be good law for the Board to prohibit

placing a living apartment over a garage.

Mr. Brenner stated that the application previously made was for thirty-four garages and now they want to place the caretaker's quarters over the garages.

Commissioner Saul stated that he could not see any objection to the garages but would not grant the permit for the apartment.

The Board concurred in the recommendation of Commissioner Saul.

Mr. Duff, of the Building Department, advised the Board that the permit for the garages had been granted November 17, 1925.

Thereupon the following resolution was moved by Commissioner Saul:

By Commissioner Saul:

Resolved, That application of Robert Mrotzek to build living apartment over an existing garage at No. 1 Prospect Street, Jersey City, be denied because of the fact that it would have a tendency to jeopardize life and limb, and for the further reason that the City does not permit the erection of any garage within ten feet of any building used for residential purposes.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Harry Jasper appeared before the Board at this time and requested permission to build chauffeur's quarters over his garage at Highland and DeKalb Avenues; that it will be occupied by the chauffeur and no rent will be charged.

The Mayor advised Mr. Jasper that a similar application had just been denied.

Commissioner Saul stated that in view of the fact that the Board just denied a similar action and that the policy of the Board prohibits living apartments over garages, the Board could not grant this application.

The Mayor advised Mr. Jasper that the Board would have to abide by the decision of Commissioner Saul, who has jurisdiction over the Building Department, and thereupon the following resolution was introduced:

By Commissioner Saul:

Resolved, That application for permission to erect living apartments above an existing garage located in the rear of 88 Highland Avenue, Jersey City, be denied through the fact if said permission were granted it would jeopardize life and limb; also that as the City does not permit the installation of garages in any existing building used for residential purposes, and because there is an existing ordinance prohibiting the erection of garages within ten feet of any existing dwelling, to grant the permission in the above case would defeat the object of both aforesaid ordinances.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

MEETING OF APRIL 6, 1926

Minutes of a regular meeting of the Board of Commissioners of Jersey City, held on Tuesday, April 6, 1926, in the Assembly Chamber, City Hall, Jersey City, N. J., at 2 p. m.

Present: Commissioners Fagen, Beggans, Quinn and Mayor Hague.

Absent: Commissioner Saul (excused).

RECEPTION OF BIDS

This time and place having been set and notice advertised for the purpose of receiving proposals for the furnishing and delivering of bedding stock to the Department of Parks and Public Property, the City Clerk read the notice and then called for bids, and the following was received:

BEDDING STOCK

(1.) Gotthardt Bros., as per items, Surety Company bond.

On motion of Commissioner Fagen the reception of bids was ordered closed and the bids received were opened and read and referred to the Director of the Department of Parks and Public Property.

IMPROVEMENT HEARINGS

This time and place having been set and notice advertised for the purpose of considering final passage of the following ordinances:

"An ordinance to improve all that part of Delaware Avenue between Kensington Avenue and Gautier Avenue, in the City of Jersey City, by improving with asphalt pavement on a concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof."

"An ordinance for the modification of grade of Colgate Street between Mercer Street and Montgomery Street."

The City Clerk called for anyone who might desire to protest against the final passage of said ordinances. No one appeared to protest and no written protests were received.

Commissioner Fagen moved the adoption of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance to improve all that part of Delaware Avenue between Kensington Avenue and Gautier Avenue, in the City of Jersey City, by improv-

ing with asphalt pavement on a concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character.

Whereas, It is deemed advisable by the Director of the Department of Streets and Public Improvements that Delaware Avenue, between Kensington Avenue and Gautier Avenue, should be improved,

Therefore the Board of Commissioners of Jersey City do ordain:

That all that part of Delaware Avenue, between Kensington Avenue and Gautier Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1. To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2. To have new 5x16 inch blue stone curb set on each side of the road where necessary.

3. To have new cement walks 5 feet in width laid on each side thereof.

4. To have the carriageway paved 30 feet in width with asphalt pavement on a concrete base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner, said improvement to be made in conformity with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, and in accordance with specifications to be specially prepared.

5. The said improvement is local in character, as defined by the statute above referred to, and the cost of same will be assessed against the property benefited thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance for the modification of grade on Colgate Street, between Mercer Street and Montgomery Street.

Whereas, The Assistant Chief Engineer of the Department of Streets and Public Improvements has recommended the modification of grade of Colgate Street, between Montgomery Street and Mercer Street, in the City of Jersey City; and

Whereas, It appears that it is for the best interest of the city that such change should be made, and that the legal grade of Colgate Street, between Montgomery and Mercer Streets, shall be established as hereinafter is provided; therefore,

The Board of Commissioners of Jersey City do ordain:

1. That the change of grade on Colgate Street, between Montgomery Street and Mercer Street, shall be and the same is hereby established, as follows:

Commencing at a point formed by the intersection of the centre line of Colgate Street with the southerly curb line of Mercer Street, at an elevation of thirteen and fifty-hundredths (13.50) feet; thence (1) running in a southerly direction along said centre line of Colgate Street on an ascending grade at the rate of 2.79 feet per 100 feet a distance of one hundred and twenty (120.0) feet to a point at an elevation of sixteen and eighty-five (16.85) feet; thence (2), still running in a southerly direction and along said centre line of Colgate Street on an ascending grade at the rate of 1.60 feet per 100 feet, a distance of one hundred and twenty-two and eighty-six hundredths (122.86) feet to a point at an elevation

of eighteen and forty-hundredths (18.40) feet, which point is the intersection of the said centre line of Colgate Street with northerly curb line of Montgomery Street.

The City Clerk read the foregoing ordinance as ready for final passage.

ORDINANCE HEARINGS

This time and place having been set and notice advertised for the purpose of considering the final passage of the following ordinances:

"An Ordinance authorizing $25,600.00 Temporary Improvement Bonds of the City of Jersey City."

"An Ordinance authorizing $25,000.00 Temporary Improvement Bonds of the City of Jersey City."

"An Ordinance authorizing $10,000.00 Temporary Improvement Bonds of the City of Jersey City."

The City Clerk called for anyone who might desire to protest against the final passage of the said ordinances. No one appeared to protest and no written protests were received against the final passage of said ordinances.

Commissioner Quinn moved the adoption of the following ordinances:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass: An Ordinance Authorizing $25,600.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey do ordain:

Section 1. The sum of $25,600.00 is hereby appropriated for the purchase of lot A-1 in block 271 for additional land for the Main Public Library, Montgomery Street, Jersey City.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $25,600.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission," approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said Bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the city, and attested by the City Clerk, and shall recite they are issued to temporarily finance the purchase of additional land for the Main Public Library.

Sec. 4. Said Bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said Bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

ALTERATION HEARINGS

This time and place having been set and notice advertised for the purpose of considering the applications of Calvin E. Wicks, sign, 578 Newark Avenue, the City Clerk called for anyone who might desire to protest against the granting of said permission. No one appeared to protest and no written protests were received.

By Commissioner Quinn for Commissioner Saul:

Resolved, That application of Calvin E. Wicks for permission to erect sign to extend eight feet from building line at premises 578 Newark Avenue, Jersey City, as per plans on file, be approved, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

HEARINGS

This time and place having been fixed by the Board of Commissioners of Jersey City for the purpose of holding a public hearing on the application of John Hogan, requesting permission to put an extension on the present garage at 848-850 West Side Avenue, Jersey City, N. J., the City Clerk advised the Board that the Police Department had notified the residents and property owners in the vicinity of the time and place of the hearing, and then declared the hearing open.

Counsellor Maurice Cronin appeared with the applicant, Mr. John Hogan. Mr. Cronin stated that Mr. Hogan

wishes to erect another floor on the present garage for the storage of cars in order to increase the revenue on his property so that he can meet the taxes and other expenses.

Mr. John J. Lyons, of 164 Glenwood Avenue, appeared before the Board and presented a petition signed by ten property owners against the proposed addition, on the grounds that it would be a public nuisance, injurious to the health and a fire hazard.

Commissioner Fagen recommended that the application be laid over for one week for the consideration of the entire board.

This time and place having been fixed by the Board of Commissioners of Jersey City for the purpose of holding a public hearing on the application of Henry Ewald of 115 Bostwick Avenue, Jersey City, N. J., requesting permission to erect seventeen garages at 54 Prescott Street, the City Clerk advised the Board that the Police Department had notified the residents and property owners in the vicinity of the time and place of hearing, and then declared the hearing open.

The following persons appeared and protested against the proposed garages:

Miss Wilson, representing George Wilson, 56 Prescott Street.

Mrs. Mitchell, 54 Prescott Street.

F. J. Hoeft, 57 Prescott Street.

Nicholas Brescia, 30 Prescott Street.

D. A. Wazielewski, 28 Prescott Street.

Lulu A. Hunt, of 115 Gifford Avenue, owner of 23 Prescott Street.

Lulu A. Hunt, representing Mr. Batt, owner of 25 Prescott Street.

Henry Ewald, applicant for the garages appeared before the Board.

Mrs. Mitchell stated that her property is 54 Prescott Street, and that she does not understand how Mr. Ewald could request permission for the garages on her property; that a year ago Mayor Hague and Commissioner Fagen had informed her there would be no garages there, and the next day the digging started for the garages.

Mr. Ewald stated that there had been an error in stating the number was 54; that it is really 52 Prescott Street.

Mr. Duff, of the Building Department, stated that the address was 55 Summitt Avenue, and runs back to Prescott Street.

Mr. Ewald stated that Mr. Mitchell advised him that he was agreeable to permit the garages, provided that he (Ewald) would give Mr. Mitchell a strip of ground and also build him a garage.

The Mayor asked Mr. Ewald if they were public garages. Mr. Ewald replied that they would be rented to the public.

The Mayor stated that these protestants lived right adjacent to the proposed garages and they must be considered; that putting thirty or forty cars in there will cause a lot of noise and be a nuisance. He then asked Mr. Ewald where he lived, and Mr. Ewald replied that he did not live where the proposed garages are requested.

Mrs. Mitchell stated that she had worked hard for the money to buy the property, and now she does not want it spoiled.

Commissioner Fagen thereupon moved that the permit be denied and the hearing closed.

In conclusion the Mayor stated that the policy of the Board has been to sustain the protestants when they give evidence that the proposed improvement will be a detriment to their property and a nuisance to the residents.

Commisisoner Fagen then moved the adoption of the following resolution:

By Commissioner Fagen:

Resolved, That the application of Henry Ewald of 115 Bostwick Avenue, Jersey City, N. J., requesting permission to erect seventeen (17) garages at 52 Prescott Street, Jersey City, N. J., be and the same is hereby denied, because it has been shown to the satisfaction of this Board that the permit asked for, if granted, would be detrimental to the health, welfare and safety of the community at large, since the fire hazard would be increased and

the safety of many children would be imperiled.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

This time and place having been fixed by the Board of Commissioners of Jersey City for the purpose of holding a public hearing on the application of Joseph Fiore, requesting permission to erect an ice house at 79 Jordan Avenue, Jersey City, N. J., the City Clerk advised the Board that the Police Department had notified the residents and property owners in the vicinity of the time and place of the hearing, and then declared the hearing open.

Counsellor Philip Sauer appeared with the applicant, Mr. Joseph Fiore.

Counsellor Maurice Cronin appeared and presented a petition signed by seventeen property owners of the vicinity, protesting against the proposed ice house. Ten property owners appeared before the Board and voiced their protests. Mr. Cronin also stated that these people are against any proposed re-zoning of the section which is now residential; that the protestants represent a majority of the property owners on the block.

Mr. Sauer stated that Mr. Fiore is desirous of erecting a concrete building at 79 Jordan Avenue which will be twenty feet back from the street line; that Mr. Fiore has at the present time a frame structure at 77 Jordan Avenue which he has been conducting as an ice house for the past five or seven years; that the building is now dilapidated, and, instead of repairing it, he wants to erect a new building.

Mr. Cronin stated that there are a great many children in the neighborhood; that a great number of trucks stop at the ice house and it is dangerous to the children; that a number of accidents have occurred there, and they don't want any more. Mr. Cronin produced from among the protestants a little boy who met with an accident, one of the trucks having run him down, necessitating three stitches in his forehead.

Mr. Carmelo Coccaro stated that he owned a big apartment house at 91-93 Jordan Avenue; that he pays about $3,000.00 a year in taxes; that the tenants refuse to live there on account of the ice house, because wagons are calling there very early in the morning and make too much noise; that he cannot rent his apartments, and that in 1925 he lost $1,000.00 on the property.

The Mayor stated that the section was residential and that the protestants have made their homes there; that it is only natural for the Board to consider their protests; that the Board cannot permit a man to go into a neighborhood of this kind and ruin the property of the other people; that ice houses are usually built along side of railroad spurs.

In conclusion the Mayor advised the applicant that the Board would have to deny the application on account of so much opposition.

Thereupon the following resolution was moved by the Mayor:

By Mayor Hague:

Resolved, That the application of Joseph Fiore requesting permission to erect a building to be used as an ice house at 79 Jordan Avenue, Jersey City, N. J., be and the same is hereby denied, because it has been shown to the satisfaction of this Board that the permit asked for, if granted, would be detrimental to the health, welfare and safety of the community at large, and the safety of many children would be imperiled.

Adopted.

Mrs. Anna Shanahan appeared before the Board and requested permission to conduct a carnation sale on May seventh, eighth, ninth, 1926, for the benefit of the American War Mothers of Jersey City, which comprises Betsy Ross Chapter, Mary M. Sheridan Chapter and Edith Kermit Roosevelt Chapter of Jersey City, N. J.

The Mayor stated that the Board would be very glad to co-operate with the chapters and advised Mrs. Shanahan to consult with Commissioner Beggans for the necessary permits. The Mayor also moved the passage of the following resolution:

By Mayor Hague:

Resolved, That permission be and the same is hereby granted to American War Mothers of Jersey City, comprising Betsy Ross Chapter, Mary M. Sheridan Chapter and Edith Kermit Roosevelt Chapter to conduct a carnation sale on May seventh, eighth and ninth, 1926, in connection with Mothers' Day; proceeds to be devoted for the benefit of the American War Mothers' Chapters.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An Ordinance authorizing $12,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $12,000.00 is hereby appropriated for the improvement of Belvidere Avenue, between Duncan Avenue and Holy Name Cemetery.

Section 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $12,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Section 3. Said bonds shall bear interest at the rate of not exceeding six per cent. per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said Bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the improvement of Belvidere Avenue.

Section 4. Said Bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said director.

Section 5. Said Bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Section 6. The aforesaid appropriation is to apply to local improvements and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

ten protest against the proposed addition, appeared before the Board for the protestants.

Counsellor Cronin read a number of letters from property owners complaining that they have difficulty in letting apartments on account of inadequate garage facilities.

Mr. Lyons stated that all the adjoining property owners are opposed to this garage because it is a fire hazard and a menace to the neighborhood; that there are plenty of garages now; that the big Buick garage on Montgomery Street is available; that this garage, where the addition is proposed, is only two feet away from his property; that the garage as extended will shut off the light from his property.

Commissioner Saul advised the Board that the law prohibits the erection of a garage within ten feet of any building used for a dwelling; that the additional story will be within ten feet of a dwelling; that the proper thing to do is to refer the matter to the Corporation Counsel for an opinion.

Thereupon, on motion of Commissiner Saul, the matter was referred to the Corporation Counsel for report at the next meeting of the Board.

Mr. Henry Hohorst appeared before the Board with reference to his application for permission to run eight buses from Journal Square to the Henry Ford plant and the Western Electric Company plant in Kearny. He presented letters from the Western Electric Company, Federal Shipbuilding Company and Henry Ford Company favoring his proposition. He also stated that the Western Electric Company is about to enlarge its plant, bringing a great many more employes there about the first of June who will require additional transportation; that within two or three years there will be about thirty to forty thousand people working in that section; that now is the time to start a proposition of this kind; that he is applying for only eight buses now, but within three years there will be eighty to ninety buses on that line.

Counsellor George L. Record appeared before the Board and stated that he represented the Bergen Avenue Bus Line, the Greenville Bus Line and the West Side Bus Line, who are all opposed to the proposed line; that these men operated when the lines did not pay, and they feel that if the Commission comes to a conclusion at any time that a new line should be established, these men should be considered; that, in his opinion, the Jitney Department of Jersey City, under the direction of the Commissioners, should make a thorough investigation of the problem and then discuss it thoroughly with the men of the different established lines, and then have the matter presented to the Board of Commissioners.

Mr. Frank Fitzpatrick appeared before the Board and stated that he represented the Public Service Railway Company; that Judge Speer, who was to appear before the Board, had been called away on important matters and could not appear before the Board today; that the Public Service Company is opposed to the proposed new line because it will run parallel to its tracks; that his company, therefore, requests an adjournment for one week.

Commissioner Beggans at the conclusion of the hearing moved that the application of Mr. Hohorst be rejected. Thereupon the following resolution was introduced:

By Commissioner Beggans:

Resolved, That the application of Henry Hohorst requesting permission to establish a line of eight jitney buses to run from Journal Square in Jersey City to the Henry Ford plant and the Western Electric Company plant in Kearny be and the same is hereby denied.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Saul.

Nays: None.

At this time a delegation from the Pamrapo Avenue and Old Bergen Road sections of Jersey City appeared before the Board.

Commissioner Fagen advised the

Board that they are appearing in protest against the proposed gasoline station on Old Bergen Road and Gates Avenue which the jitney men are planning; that such a building will destroy their property, injurious to their little homes and dangerous to the little children going to school on Seaview Avenue and St. Paul's Parochial School; that they are registering their protests only on hearsay information that they have heard that such a matter is pending; that the protestants cannot find any such application on file in the Zoning Commission and Building Department. Commissioner Fagen called on Mr. Record, who was present, and who represents the jitney men, and explained the situation.

Counsellor Record advised the Board that he represented the jitney men; that they sold the garage they purchased on Gates Avenue, then some members of the line, not the whole line, were discussing the question of buying this tract of land now referred to; that they consulted his office about titles, and he thinks the matter is now in state of negotiations; that he is not in a position to say whether the matter will go through. He asked the Board what the attitude of the Commission would be in connection with the protests.

Commissioner Fagen advised him that the residents and property owners would have their hearing.

Mrs. Harvey, one of the protestants, stated that Ocean Avenue would be all right, but Old Bergen Road is a very narrow street and would hurt their property.

Mr. Record stated that transportation is a necessity in this town and one of the growing necessities is how to house these buses; that the men must go somewhere, and the difficulty is to get somewhere without objections.

Mrs. Harvey replied that they could go down where the coal yards are located or continue the way they are going now.

Mr. Record stated that he was glad to have heard the discussion and that he will report back to the bus men.

Mr. Louis Waxberg appeared before the Board and presented a petition requesting permission to operate a bus line from Denville to New York, through Jersey City.

On motion of Commissioner Quinn the matter was referred to the Jitney Bureau for investigation and report.

Mr. Leo Feinen appeared before the Board and requested the reopening of the hearing in the matter of the application of John Woelkin to remove existing frame building and erect new brick building at 3560 Boulevard. He advised the Board that he was instructed by the Building Department to take the matter up with the Board.

Mr. Duff of the Building Department advised the Board that it was not referred to the Commission, but Mr. Feinen was told to make a new application in order to have it properly brought up again.

Commissioner Saul stated that the proposition was rejected by the Board and that he would vote "no" on the reopening; that the application is for a brick garage and milk station.

On motion of Commissioner Quinn the application of Mr. Feinen to reopen the hearing was denied by the Board.

Resolution authorizing the issuance of not exceeding $300,000.00 tax anticipation notes of 1926.

Resolved as follows:

On April 14, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the city, necessary to meet its lawful expenditures, as provided in the Tax Ordinance for the fiscal year of 1926, the city shall borrow the sum of $300,000.00 and shall issue therefor tax anticipation notes in said amount.

The said tax anticipation notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey, entitled, "An Act concerning Municipal and County Finances," approved March 28th, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated April 14, 1926, and shall mature on or at the option of the city before December 31st, 1926, and shall bear interest at the rate of five per cent per annum, payable July 1st, and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the chief financial officer of the city, who signs the notes herein authorized, states (a) they are issued pursuant to the Act above referred to; (b) that the total borrowing power is authorized by said Act for said instruments is $5,097,429.43; (c) that the total amount of said instruments outstanding (including this issue) is $2,800,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the notes herein authorized.

The said notes are awarded and sold to The Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

FRANCHISE HEARINGS

The hearing on the application of the Wolcott Holding Company, Inc., to use part of Communipaw Avenue and West Side Avenue for the construction of a marquise and vault in connection with the erection of a theatre building having been adjourned and continued to this time and place, and public notice having been advertised that the Board of Commissioners would consider the final passage of an ordinance covering said application at this time and place, the City Clerk read the ordinance and then called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received against the final passage of the aforesaid ordinance.

Commissioner Fagen thereupon moved the final passage of the following ordinance:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An ordinance granting permission to the Wolcott Holding Company, Inc., to use part of Communipaw Avenue and West Side Avenue, Jersey City, N. J., to the extent and for the purpose hereinafter set out.

Whereas, after due notice given in accordance with the statutes, a public hearing has been held on a petition of the Wolcott Holding Company, Incorporated, for permission to use a part of Communipaw Avenue and West Side Avenue, Jersey City, N. J., to the extent and for the purposes hereinafter set out, and there being no objection thereto:

Now, therefore, The Board of Commissioners of Jersey City do ordain:

Section 1. That permission be and the same hereby is granted to the Wolcott Holding Company, Incorporated, in the construction and erection of its business building on property known as Lots 4, 17, 18, 19, in Block 1743, also known as No. 810-812-814 Communipaw Avenue and 595 West Side Avenue, Jersey City, to erect, construct and maintain a vault under the sidewalk in front of building 810-812-814 Communipaw Avenue; said vault to be 39 feet, 6 inches long, extending from building about 10 feet over all, and to be 10 feet deep. The vault to be constructed entirely of concrete and steel and to be roofed off so as to restore the sidewalk without any obstruction; part of said vault roof to be two sets of flush iron doors, covering the coal hoist and stairs; and said doors to be constructed that they will not cause any obstruction on the sidewalk when the stairs and coal hoist are not in operation. This vault is to be used as a boiler room and coal vault.

Sec. 2. Permission is also hereby granted to the said Wolcott Holding Company, Incorporated, to construct in front of its proposed business building at 595 West Side Avenue, Jersey City, a steel and wire glass marquise awning to be 21 feet wide and to extend beyond building line a distance of 10 feet and to have a head room clearance above the sidewalk of 12 feet, all of which is more particularly described on the blue print attached to application and now on file in the office of

the City Clerk, City Hall, Jersey City. N. J.

Sec. 3. Permission for the construction of the vault is granted upon the express condition that should the surface of Communipaw Avenue be in anywise interfered with in the construction of the foregoing work, that such surface shall be restored to its former condition by the Wolcott Holding Company, Incorporated, to the satisfaction and approval of the Director of the Department of Streets and Public Improvements of Jersey City.

Sec. 4. All work herein authorized in the erection of the marquise awning shall be under the supervision of the Superintendent of Buildings and shall be constructed in accordance with plans to be filed with and approved by said official.

Sec. 5. This ordinance granting the foregoing privileges shall be in full force and effect for a period of twenty years.

Section 6. In accepting the privileges under this ordinance and in the construction and maintenance herein authorized, the Wolcott Holding Co., Inc., thereby agrees to assume full, complete and undivided responsibility for any and all injury or damage to persons or property by reason of such construction or maintenance, and to hold the city harmless therefrom.

Section 7. All costs and expenses incident to the introduction, passage and publication of this ordinance, and to the erection and construction of the work hereby permitted shall be borne and paid by the Wolcott Holding Co., Inc.

Section 8. This ordinance shall not become effective unless an acceptance in writing thereof shall be filed by the Wolcott Holding Co., Inc., within thirty days after receiving notice of the passage hereof.

Section 9. This ordinance being for the sole relief of the Wolcott Holding Co., Inc., in the maintenance and operation of its proposed theatre building, the privileges hereby granted shall not be assigned or permitted to be used by any other person, company or corporation whatsoever, except by the authority of or subsequent resolution of this board; provided, however, that this restriction shall not prevent the use of the privileges hereby granted by any assignee or transferee of the real property of the Wolcott Holding Co., Inc., upon which said building is being constructed.

Section 10. For the privileges herein accorded said beneficiary shall pay annually to the Board of Commissioners of Jersey City the sum of fifty dollars. Said payment to be made to the City Comptroller of Jersey City, at his office in the City Hall, Jersey City, on the first day of May next succeeding the day when this ordinance shall become effective, and each year thereafter in like manner.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

By Commissioner Fagen:

Resolved, That the hearing on the foregoing ordinance do now close.

CITY ORDINANCES

This time and place having been fixed by the Board of Commissioners of Jersey City, and public notice advertised for the purpose of onsidering the final passage of the following ordinance:

"An Ordinance authorizing $6,500 Temporary Improvement Bonds of the City of Jersey City,"

the City Clerk read the ordinance and then called for anyone who might desire to protest against the final passage of said ordinance. No one appeared to protest and no written protests were received against the aforesaid ordinance.

Commissioner Quinn thereupon

moved the final passage of the following ordinance:

By Commissioner Quinn:

Resolved, That the following Ordinance do now pass:

An Ordinance Authorizing $6,500 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Sec. 1. The sum of $6,500 is hereby appropriated for the purchase of one (1) 5-6 ton truck with all necessary attachments and equipments for use in the Department of Streets and Public Improvements.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses), $6,500 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding six per cent. per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the city, and attested by the City Clerk, and shall recite they are issued to temporarily finance the purchase of one (1) 5-6 ton truck.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

HEARINGS

The hearing on the application of John Hogan for permission to erect an additional story on present garage at 848-850 West Side Avenue, having been continued to this time and place, the City Clerk declared the hearing open.

Mr. Hogan, the applicant, appeared and in answer to the Mayor's inquiry, replied that he lived at 38 Tuers Avenue.

Mr. John J. Lyons of 164 Glenwood Avenue representing the persons who signed the protest against the proposed additional story, appeared and stated that he and the other residents on each side of the garage are opposed to the application.

Corporation Counsel Brogan appeared before the Board and stated that the matter had been referred to him for investigation and report; that he had sent Mr. Flagg, the City Architect, up to the building to measure it accurately; that Mr. Flagg shows a sketch that this proposed building is just a little bit over a foot backing up on Glenwood Avenue on a frame structure and on West Side Avenue it is three and one-quarter feet away from another frame structure; that under the Zoning Ordinance and building code, it is a violation of both and in his opinion he cannot see where the Commission has power to grant the application.

The Mayor advised Mr. Hogan that the Board would be unable to grant the permit; that the mere fact that the garage was erected before the adoption of the ordinances now in force governing such matters does not permit increasing this garage; that if the adjacent residents and property owners did not protest, and were agreeable to the proposed addition, it would be a different matter; that the existing garage is a violation of the ordinances now in force, but is permitted to remain, because it was erected prior to the adoption of the ordinances; that the Commission is working according to the provisions of the new ordinances and must abide by them; that the application is denied on the grounds that it would be unlawful to grant it.

Thereupon Commissioner Beggans moved the adoption of the following resolution:

By Commissioner Beggans:

Whereas, John Hogan and Charles J. Vogel made application for a permit allowing the building of an additional story upon an existing garage on Lots 4 and 5 in Block 1874, which is at the northeast corner of West Side Avenue and Glenwood Avenue ; and

Whereas, Protest has been made by the adjoining property owners both on West Side Avenue and Glenwood Avenue; and

Whereas, An investigation discloses that within one foot of the structure on Glenwood Avenue there is existing a frame dwelling house and on the West Side Avenue end of the structure and within three feet of the same there is another frame dwelling; and

Whereas, It further appears that the zoning ordinance prohibits the building of a garage within ten feet of a structure used for dwelling purposes; therefore, in consideration of all of the foregoing; be it

Resolved, That the application of the said John Hogan and Charles J. Vogel to build an additional story on an existing garage at 848-850 West Side Avenue, Jersey City, which is known as Lots 4 and 5 in Block 1874, be and the same is hereby denied, because the said addition would increase the hazard that already exists, and further, because the proposed addition in garage facilities is nearer than ten feet

from a dwelling house both on Glenwood Avenue and on West Side Avenue.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Mr. Robert Gilligan of 115 Coles Street, Jersey City, appeared before the Board and requested permission to erect a store house at 302 Sixth Street, Jersey City. He stated that the neighborhood contains stables, garages, and that seven garages are situated only two doors from the proposed building.

The Mayor stated that it is a residential section and suggested that Mr. Gilligan build in some other section.

Mr. Gilligan replied that he owned that property; that it is in bad shape; that it cannot be rented.

The Mayor asked Mr. Gilligan if the churches were near his property, and he replied that St. Anthony's Church and Holy Rosary Church were on the next block.

In conclusion the Mayor referred the matter to Mr. Duff of the Building Department for investigation and report back to the Board at the next meeting, April 27, 1926.

By Commissioner Fagen:

Whereas, the Mayor and Aldermen of Jersey City have decided that it is necessary and useful for the purpose of protecting the water supply of Jersey City and its reservoir at Boonton, to acquire the lands hereinafter described; and

Whereas, the Mayor and Aldermen of Jersey City have decided to acquire for such purpose the lands of Patrick J. O'Connor, situate in the Township of Hanover, County of Morris and State of New Jersey, for the purpose of adding to the lands now occupied by its reservoir at Boonton, New Jersey; and

Whereas, the City by its duly authorized agents has endeavored to acquire the lands hereinafter described and has been unable to do so because the owners of said lands will not sell the same to the City of Jersey City although an offer has been made.

Resolved, That proceedings be instituted in the name of The Mayor and Aldermen of Jersey City to acquire the lands hereinafter described under the provisions on an act entitled "An Act to regulate the ascertainment and payment of compensation for property

condemned or taken for public use," Revision of 1900 and acts supplementary thereto and amendatory thereof.

Following is a description of the lands required for the purpose aforesaid:

All those certain tracts or parcels of land and premises herewith particularly described, situate, lying and being in the Township of Hanover, in the County of Morris and State of New Jersey, and known as Lots Nos. 161 and 163, shown on a plan on file in the office for the Society for Establishing Useful Manufactures at Paterson, N. HEARINGS

Counsellor C. Atwood Wolf appeared before the Board and requested permission for George J. Wolf to erect a building for store and dwelling purposes and garage in the rear, at 26 Seidler Street. He stated that a plumbing contractor will occupy the store, dwelling and garage; that public and private garages are erected on both sides of the street, facing on the sidewalk.

Commissioner Saul moved that the application be granted.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to George J. Wolf to erect two-story brick building to contain store on first floor and living apartments above, and also garage in the rear on Lot 28-B, Block 1,953, also known as 26 Seidler Street, provided that said garage shall not be erected within ten feet of any building now used for a residence or living purposes, Provided Further, that the plans for said buildings comply with all the requirements of the building laws.

Robert J. Gilligan appeared before the Board with reference to his application to erect a storehouse at 302 Sixth Street for storing supplies and two automobiles.

Commissioner Saul advised him that the law does not permit the erection of a garage within ten feet of a building used as a dwelling; that the proposed building is right next to a six-family frame tenement house; that the garage could be erected in the rear of the lot provided it is not within ten feet of building used as a dwelling. In conclusion Commissioner Saul advised Mr. Gilligan to withdraw the present application and submit a new one, showing that cars will not pe put in there.

Mr. Chris Zeigler appeared before the Board and requested permission for Dugan Bros. to erect a brick building at 17, 19, 21, 23 Rutgers Avenue, to take the place of the present open wagon sheds. He stated that the application was approved by the Board of Commissioners about a year ago; that building operations were not started and the permit expired; that it is now before the Board for renewal.

Commissioner Fagen stated that the existing structures look very bad and a new structure would be an improvement. In conclusion he recommended that the application be referred to him for investigation.

Mr. George Kuntz, of 24 Stegman Terrace, appeared before the Board and requested permission to erect 42 garages at 47-61 Oxford Avenue.

Commissioner Saul stated that the street contained all garages. Thereupon the following resolution was introduced:

By Commissioner Beggans:

Resolved, That permission be and the same is hereby granted to George Kuntz to erect 44 private brick garages on Lots 20-34 in Block 1800 known as Numbers 47-61 Oxford Avenue, provided said garages shall not be erected within ten feet of any building now used for dwelling purposes and provided further, that the plans for said garages comply with all requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Philip Gott appeared before the Board and requested permission to erect three four-car garages in the rear of the three six-family apartment buildings at 15-17-19 Van Nostrand Avenue.

Commissioner Fagen recommended that the application be granted.

By Commissioner Fagen:

Resolved, That permission be and the same is hereby granted to Philip Gott to erect three one-story brick buildings each containing four private garages for the use of the tenants in six family tenement on Lot B-14-13-12 Block 1463 known as 15-17-19 Van Nostrand Avenue, Jersey City, provided said garages shall not be erected within ten feet of any building now used for dwelling or residence purposes and provided further, that the plans for said building comply with all requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Mr. Ernest Austin appeared before the Board and requested permission to erect store building at 224 Van Nostrand Avenue.

Commissioner Fagen recommended that the application be referred to him for investigation.

At this time Mr. Louis Waxberg of Pinebrook, N. J., and Mr. Jacob Konner of Pinebrook, N. J., appeared before the Board in connection with their application requesting permission to stop at Journal Square, Jersey City, N. J., in the operation of a bus line between New York and Denville, N. J.

This application was presented by Mr. Waxberg at the meeting of the Board on April 13, 1926, and referred to the Jitney Bureau for investigation.

Commissioner Quinn submitted a resolution granting the permission, which was referred to Miscellaneous Business.

Resolution authorizing the issuance of not exceeding $400,000.00 tax anticipation notes of 1926.

Resolved as follows:

On April 28, 1926, in anticipation of the receipt of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $400,000.00 and shall issue therefore Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled, "An Act concerning Municipal and County Finances," approved March 28, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated April 28, 1926, and shall mature on or at the option of the City before December 31, 1926, and shall bear interest at the rate of five per cent. per annum, payable July 1 and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the chief financial officer of the City, who signs the notes herein authorized, states (a) they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $5,097-429.43, (c) that the total amount of said instruments outstanding (including this issue) is $3,200,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the notes herein authorized.

The said notes are awarded and sold to The Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said notes prepared and after

execution thereof to deliver the same upon the receipt of the purchase price therefor.

Resolution determining the form of $4,236,000 General Improvement Bonds of the City of Jersey City, New Jersey.

Resolved, By the Board of Commissioners of the Mayor and Aldermen of Jersey City as follows:

Section 1. The $4,236,000 General Improvement Bonds of the City of Jersey City to be authorized by an ordinance entitled "An Ordinance authorizing the issuance of four million two hundred thirty-six thousand dollars ($4,236,000) General Improvement Bonds of the City of Jersey City," to be finally adopted on May 4th, 1926, shall be in substantially the following form:

No. UNITED STATES OF AMERICA $1,000

STATE OF NEW JERSEY
COUNTY OF HUDSON
CITY OF JERSEY CITY
GENERAL IMPROVEMENT BOND

The Mayor and Aldermen of Jersey City, a municipal corporation of the State of New Jersey, for value received, promises to pay to the bearer of this bond, or, if it be registered, to the registered holder, the sum of One Thousand Dollars ($1,000) on the first day of May, 19 , and to pay interest thereon at the rate of four and one-half per centum (4½%) per annum semi-annually on the first days of May and November in each year from the date of this bond until it matures, upon presentation and surrender as they severally mature of the coupons therefor annexed hereto, or if this bond be registered as to both principal and interest, then to the registered holder. Both principal and interest of this bond will be paid in gold coin of the United States of America of or equal to the present standard of weight and fineness at the office of the Treasurer of said City.

This bond may be registered as to principal by the holder in his name on the books of the City, kept in the office of the City Comptroller, and such registration shall be noted on the back of this bond, after which no valid transfer of this bond shall be made except on said books until after registered transfer to bearer. Such registration shall not affect the negotiability of the coupons, which shall continue to pass by delivery. At the request of the holder this bond will be converted into a bond registered as to both principal and interest and the coupons annexed hereto detached and canceled, and thereafter both principal and interest shall be payable only to the registered holder.

This bond is one of an issue the authorized principal amount of which is $4,236,000, the bonds of which are of like tenor, except as to maturity, and is issued pursuant to an Act of the Legislature of the State of New Jersey, entitled: "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," approved March 22, 1916, constituting Chapter 252 of the Pamphlet Laws of 1916, and the acts amendatory thereof and supplemental thereto, and by virtue of an ordinance of the City, entitled: "An Ordinance authorizing the issuance of Four Million Two Hundred Thirty-Six Thousand Dollars ($4,236,000) General Improvement Bonds of the City of Jersey City," finally adopted on May 4th, 1926, and published as required by law.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and Statutes of the State of New Jersey, to exist, to have happened and to have been performed, precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the issue of bonds of which this is one, together with all other indebtedness of said City, is within every debt and other limit prescribed by the Constitution and Statutes of said State.

IN WITNESS WHEREOF, The Mayor and Aldermen of Jersey City

have caused this bond to be signed by its Mayor and Director of the Department of Revenue and Finance under the seal of the City and attested by its City Clerk, and the Coupons hereto annexed to be authenticated by the facsimile signature of said Director of the Department of Revenue and Finance, and this bond to be dated the first day of May, 1926.

It is necessary and advisable to finance the foregoing, including the funding of temporary obligations and the cost of issuance, by issuing $4,236,000 General Improvement bonds of the City, pursuant to the Act hereinafter referred to. Now, therefore,

ORDINANCE

The Board of Commissioners of the Mayor and Aldermen of the City of Jersey City, hereby ordain:

Section 1. For the purposes stated in the recitals of this Ordinance, General Improvement Bonds of the City are hereby authorized in an aggregate principal amount not exceeding $4,236,000, in pursuance of the provisions of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations and the incurring of indebtedness by county, city, borough, village, town, township, or any municipality governed by an improvement commission," constituting Chapter 252 of the Laws of 1916 and the acts amendatory thereof and supplementary thereto.

Section 2. The said bonds shall be dated May 1, 1926, shall mature in the principal amount of $135,000 on May 1st in each year of the years 1927 to 1955 both inclusive, of $150,000 on May 1, 1956 and $171,000 on May 1, 1957; shall bear interest at the rate of four and one-half per centum (4½%) per annum, payable semi-annually on the first days of May and November in each year until maturity; shall be in the denomination of $1,000 each, numbered in order of maturity, and in such form as shall be provided by resolution.

Section 3. The money to be raised by the sale of the said bonds shall be applied to the purpose of permanently financing the acquisitions, erections and improvements described in recitals of this ordinance, including the funding of temporary notes or bonds issued and outstanding therefor and the payment of interest accruing during the statutory construction period (which interest is hereby determined to be a part of the cost of the improvements) and to the purpose of paying the cost of issuance and sale of the bonds herein authorized. The amount of money necessary to be raised for the said purpose is $4,236,000.

Section 4. The following matters are hereby determined and declared:

(a) The average of the probable periods of usefulness of the purposes for the financing of which these bonds are to be issued, within the limitations of section 4 of the said Act, computed as therein provided, taking into consideration the amount of bonds to be issued on account of the several purposes, is thirty-one (31) years.

(b) The average assessed valuation of the taxable real property (including improvements) of the City, computed upon the next preceding three valuations thereof in the manner provided in Section 12 of the said Act, is $498,541,086.00.

(c) The net debt of the City computed in the manner provided in section 12 of the said Act is $16,777,138.05.

(d) The statement required by said Section 12 has been made and filed as therein required.

Section 5. Pending the preparation of the definite pieces, interim receipts of certificates are hereby authorized to be issued in the denomination of $1,000, $10,000 and $25,000 or in any multiple of said sums as may be provided by law.

Section 6. All ordinances or parts of ordinances inconsistent herewith, but to the extent only of such inconsistency, are hereby repealed and this ordinance shall take effect at the expiration of ten (10) days from the date of its publication after final passage, as provided by law.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Quinn:

Resolved, That the hearing on the foregoing ordinance do now close.

Adopted.

Yeas: Commissioners, Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

ALTERATION HEARINGS:

This time and place having been set and notice advertised for the purpose of considering the applications of:

Joseph Morese, sign, 21 St. Pauls Avenue.

Robert G. Duff, sign, 93 Monticello Avenue.

The City Clerk called for anyone who might desire to protest against the granting of said permission. No one appeared to protest and no written protests were received.

By Commissioner Saul:

Resolved, That application of Robert G. Duff for permission to erect sign to extend eight feet from building line at premises 93 Monticello Avenue, Jersey City, be approved as per plans on file, same having been duly advertised according to laws and no protestants appearing. This permission is granted with the understanding that said sign will comply with all ordinances.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That application of Joseph Morese for permission to erect sign to extend four and one-half feet beyond building line at premises 21 St. Pauls Avenue, Jersey City, be approved, as per plans on file, same having been duly advertised according to law and no protestants appearing. This permission is granted with the understanding that said sign will comply with all sign ordinances.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

At this time, Mr. Charles F. Cafferty of the American Telephone & Telegraph Company of New Jersey appeared before the Board in reference to the application filed at the last meeting of the Board requesting a designation of certain streets in Jersey City for the maintenance of poles, conduits, etc. He stated that in the past the New York Telephone Company had maintained his company's lines and now the New York Telephone Company have asked the American Telephone & Telegraph Company to maintain their own lines; that his company is not asking for any new poles or conduits; that they are only asking for permission to maintain the lines already installed; that the legal department of his company advised that the consent of the municipalities must be obtained for this purpose.

Corporation Counsel Brogan advised the Board that he had taken the matter under consideration with Commissioner Fagen, whose opinion was that the matter is a franchise and should be advertised for hearing.

Mr. Cafferty replied that the state law distinctly says that it is not necessary to grant the permission by ordinance or resoluion. Mr. Brogan stated that the Board can act only by resolution or ordinance.

that the matter be tabled for one week and that he will communicate with Mr. Brogan and submit full details.

Whereas, the Goldberg Wrecking Company, a corporation of the State of New Jersey, has entered into a contract with the Mayor and Aldermen of Jersey City on the 18th day of July, 1925, for the purchase, demolition and removal of building on Plot A2, City Block 1865, formerly owned and occupied by the Evening Journal Association; and

Whereas, said contractor, pursuant to said agreement, did begin work within the time set forth in said specifications and did proceed with the demolition of said building under covenants and conditions named in said contract; and

Whereas, contractor was required to commence work within five days of signing the contract and to complete the same according to the specifications within forty (40) days thereafter, the entire work to be executed and completed to the entire satisfaction of the Director of the Department of Streets and Public Improvements or his authorized representatives; and

Whereas, James J. Henderson, Jr., engineer in charge, has certified to the said Director that the said work has not been completed within the said

forty days, and said forty days having long since expired, and said work not having, according to said notice of said engineer, been completed but that it is being executed in bad faith and not according to terms of contract and that there is a large amount of said work under said contract covered by said specifications still remaining to be finished and completed and that said contractor has abandoned said job, as is evidenced by the lapse of time from date upon which it should have been completed and the time that has expired since then; therefore be it

Resolved, That the said contractor be cited to appear before the Board of Commissioners, where he shall be given a hearing to show cause why his contract should not be declared abandoned because of the obligations set out in the said notice of Engineer transmitted to this Board by the Director of the Department of Streets and Public Improvements and which form part of this resolution in its preamble, and also why he should not discontinue the contract and also why the remaining part of the work that is yet to be performed under said contract should not be done either by the City itself, or, according to the terms of the specifications in the contract, by advertising and letting to the lowest responsible bidder; and be it further

Resolved, That the City Clerk certify a copy of this resolution to the said Goldberg Wrecking Company and said hearing be held at 2 o'clock p. m. (standard time) on Tuesday, May 11, 1926, in Assombly Chamber, City Hall, Jersey City.

Whereas, Lot 32, Block 60, on the Tide Water Basin was assessed for taxes for the years 1912 to 1922, inclusive; and

Whereas, it has been decided by the courts (Jersey City v. Hall, 79 New Jersey Law, 559) that the City is vested with the possession of all of said lot except the northerly 10-foot strip thereof; and

Whereas, on October 6, 1922, the New Jersey & New York Realty & Improvement Company, a corporation of New Jersey, conveyed said lot to Johan Swenson and deposited a sum of money to secure the payment of so much of said taxes as should be apportioned to the northerly 10-foot strip of said lot 32; and

Whereas, on July 11, 1924, the said New Jersey & New York Realty & Improvement Company made application to the Board of Tax Commissioners for an apportionment, to which petition the said Johan Swenson agreed in writing; and

Whereas, the said New Jersey & New York Realty & Improvement Company desires to have the taxes apportioned so that the proper amount of tax to be payable in respect of the 10-foot strip shall be allocated to it; and

Whereas, said 10-foot strip constitutes part of the area of said lot 32; therefore be it

Resolved, That the taxes for the years 1912 to 1922, both inclusive, on Lot 32, Block 60, Tide Water Basin, be so apportioned that the northerly 10-foot strip shall bear part of the

taxes so levied on said lot 32, together with interest on the several amounts for each of said years as shown below:

Resolved, By the board of commissioners of the mayor and aldermen of the City of Jersey City, as follows:

Section 1. The $4,236,000 General Improvement Bonds authorized by an ordinance entitled: "An ordinance authorizing the issuance of Four Million Two Hundred Thirty-six Thousand Dollars ($4,236,000) General Improvement Bonds of the City of Jersey City," passed May 4th, 1926, shall have coupons attached, shall be payable as to both principal and interest in gold coin of the United States of America of or equal to the present standard of weight and fineness at the office of the City Treasurer, and shall be in substantially the form determined by resolution adopted on April 27th, 1926, which form is hereby ratified and confirmed.

Section 2. In case the definitive bonds are not ready for delivery, interim receipts shall be issued therefor in substantially the form determined by a resolution of this Board adopted on April 27th, 1926, which form is hereby ratified and confirmed, and the said interim receipts shall be exchangeable for the definitive bonds in like principal amount, at the office of the Trust Company of New Jersey, corner of Sip and Bergen Avenues, Jersey City.

Section 3. Said bonds shall be sold on sealed proposals on the 13th day of May, 1926, at 12 o'clock noon, (daylight saving time) in pursuance of notice of sale which shall be given as required by law.

Section 4. Said notice of sale shall be in substantially the following form:

City of Jersey City, New Jersey

Notice of Sale

$4,236,000 General Improvement Bonds

Sealed proposals will be received by William B. Quinn, Director of the De-

partment of Revenue and Finance of the City of Jersey City, New Jersey, on May 18, 1926, at 12 o'clock, noon (daylight saving time) at the Assembly Chamber, City Hall, Jersey City, for the purchase of General Improvement Bonds of said City of the authorized amount of $4,236,000. Said bonds will be of the denomination of $1,000 each, will be dated May 1, 1926, will mature $135,000 on May 1 in each of the years 1927 to 1955, both inclusive, $150,000 on May 1, 1956, and $171,000 on May 1, 1957. Said bonds will bear interest at four and one-half percent per annum, payable semi-annually on the first days of May and November in each year. Both principal and interest will be payable in gold coin of the United States of America of or equal to the present standard of weight and fineness, at the office of the Treasurer of said City. The bonds will be coupon bonds, with the privilege of registration as to principal only, or as to both principal and interest.

No more bonds of said issue will be sold than will produce a sum equal to the authorized amount of such issue and an additional sum of less than $1.000. The sum required to be obtained at the sale of said bonds is $4,236,000. Unless all bids are rejected, said bonds will be sold to the bidder or bidders complying with the terms of sale and offering to pay not less than said sum and to take therefor the least amount of bonds commencing with the first maturity (stated in a multiple of $1,000); and if two or more bidders offer to take the same amount of said bonds, then to the bidder or bidders offering to pay therefor the highest additional price. The right is reserved to reject all bids and any bids not complying with the terms of this notice will be rejected. In addition to the amount bid, the purchaser must pay accrued interest at the rate borne by the bonds from the date of the bonds to the date of payment of the purchase price.

All bidders are required to deposit a certified check, payable to the order of the City of Jersey City for two per centum of the amount of bonds bid for, drawn upon an incorporated bank or trust company. Checks of unsuccessful bidders will be returned upon the award of the bonds. Interest at the rate borne by the bonds from the date of award to date of delivery will be allowed upon the amount of the check of a successful bidder and such check will be retained to be applied in part payment for the bonds, or to secure the City against any loss resulting from the failure of the bidder to comply with the terms of his bid.

Proposals should be addressed to William B. Quinn, director of the Department of Revenue and Finance, City Hall, Jersey City, New Jersey, and enclosed in a sealed envelope marked on the outside "Proposal for General Improvement Bonds"

The bonds will be delivered at the office of the Comptroller in said City on or before May 27, 1926, and must then be paid for by a certified check on an incorporated bank or trust company. If the definitive bonds are not then ready, temporary receipts, in the denominations of $1,000, $10,000, and $25,000, or in any multiple of said sums will be issued in lieu of said bonds and will be exchangeable therefor at the office of The Trust Company of New Jersey, Sip and Bergen Avenues, Jersey City, N. J.

The successful bidders will be furnished with the opinion of Messrs. Hawkins, Delafield & Longfellow, of New York City, that the bonds are binding and legal obligations of said City.

The bonds will be prepared under the supervision of The Trust Company of New Jersey, which will certify as to the genuineness of the signatures of the officials and the seal impressed thereon.

By order of the Board of Commissioners,

Dated May 4, 1926.

MEETING OF MAY 11, 1926

Minutes of a Regular Meeting of the Board of Commissioners of Jersey City, held on Tuesday, May 11, 1926, in the Assembly Chamber City Hall, Jersey City, N. J. at 3 o'clock P. M. (Daylight Saving Time).

Present: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Absent: Commissioner Saul (excused).

This time and place having been fixed by the Board of Commissioners for the purpose of giving a hearing to the Goldberg Wrecking Company to show cause why their contract entered into with the Mayor and Aldermen of Jersey City on the 18th day of July, 1925, for the purchase, demolition and removal of building on Plot A2, City Block 1865, formerly owned and occupied by the Evening Journal Association, should not be abandoned, because it is not being executed according to the terms of said contract, the City Clerk advised the Board that he had forwarded a copy of the resolution passed by the Board at the meeting of May 4, 1926, citing the contractor to appear at this time and place, to the Goldberg Wrecking Company and the surety company which bonded the contractor, and thereupon declared the hearing open.

Commissioner Fagen then advised the Board that the counsel for the Goldberg Wrecking Company had requested an adjournment for one week and he would recommend that the adjournment be granted. The Board concurred in the recommendation and the hearing was adjourned to May 18, 1926, at 3 o'clock p. m., Daylight Saving Time, in the Assembly Chamber, City Hall, Jersey City, N. J.

FRANCHISE HEARINGS

Commissioner Quinn thereupon moved the passage of the following ordinances:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $5,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $5,000.00 is hereby appropriated for the improvement of Colgate Street between Montgomery and Mercer Streets.

Section 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $5,000.00 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Section 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the improvement of Colgate Street.

Section 4. Said bonds shall be sold by the Director of The Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said director.

Section 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Section 6. The aforesaid appropriation is to apply to local improvements and an assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

HEARINGS

Counsellor William Sewell appeared before the board and stated that he understood that the Board would consider the application of the Gordon Realty Associates for permission to

construct a twelve-story store and office building at 649-651 Pavonia Avenue, known as Lots 102-103, Block 582½, at this time and place.

The Board discussed the application and Commissioner Quinn moved that the application be granted.

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to the Gordon Realty Associates to erect a twelve-story store and office building at 649-651 Pavonia Avenue, being lots 102-103, Block 582½, provided that the plans comply with all the requirements of the building laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

Mr. Harry Barker appeared before the Board and requested that the application of Eugene Ertle for permission to erect a one-story brick garage at 120 Stegman Street, be taken under consideration at this time. He stated that garages exist at the present time across the street and in the rear of the premises, and that the proposed garage will be twenty feet away from the present two-story frame dwelling.

Commissioner Fagen advised the Board that he would prefer to investigate the matter before action is taken and in accordance with his request the matter was referred to him, for investigation and report back to the Board at the next meeting on May 18th, 1926.

Mr. Paul J. Wulff appeared before the Board and requested permission to erect a two-car garage at the rear of 109 Randolph Avenue.

Mr. Duff of the Building Department advised the Board that a two-car garage is erected there at the present time and requested that the application be referred to him for further investigation.

Commissioner Quinn moved that the application be referred to the Building Department for investigation and report back to the Board on May 18th, 1926, the next meeting of the Board.

Mrs. Steve Marushak appeared before the Board and requested permission to erect brick garage in the rear of 341 Whiton Street.

Mr. Duff stated that he had called there to investigate and could not locate anyone; that there are some frame sheds there and requested that the matter be referred back to the Building Department for further investigation.

Commissioner Quinn moved that the application be referred to the Building Department for further investigation and report to the Board at the next meeting to be held on May 18th, 1926.

Mr. Fred Schmidt appeared before the Board and requested permission to erect a brick store building at 22 Bergen Avenue, the rear of which will be used as a battery service shop.

The Board discussed the matter and Commissioner Fagen moved that the application be granted.

By Commissioner Fagen:

Resolved, That permission be and the same is hereby granted to Fred Schmidt to erect a brick store building at 22 Bergen Avenue, provided that the plans comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

Herbert G. Brooks appearing for Seifert & Baime, of 2999 Boulevard, Jersey City, N. J., requested permission to erect a one-story building with a driveway at 516-518 Mercer Street. He stated that his company has been situated at 2999 Boulevard for the past eight years and on account of the traffic they are compelled to move; that the driveway is required in order to permit trucks to drive in and have tires loaded on them; that there will be no cars or automobiles stored on the premises.

Mr. Duff advised the Board that the Mr. Brooks represented very substantial people, and that he does not know of any objections to the application.

Thereupon Commissioner Quinn

moved that the application be granted.

By Commissioner Quinn:

Resolved, That permission be and the same hereby granted to Seifert & Baime to erect a one-story brick building to contain two stores and truck tire service station, at 516-518 Mercer Street, Jersey City, N. J., provided that the plans comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

Mr. Henry C. Casper of 1 Morton Place, Jersey City, appeared before the Board and requested that his application for permission to construct a three-story brick building to contain ten families and two stores at 133 Carlton Avenue be taken up for action.

The Board discussed the application, and no objections being presented, Commissioner Quinn moved that the application be granted.

By Commissioner Quinn:

Resolved, That permission be and the same is hereby granted to Henry C. Casper to erect a three-story brick building to contain 10 living apartments and two stores at 133 Carlton Avenue, Jersey City, N. J., provided that the plans for same comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn and Mayor Hague.

Nays: None.

Mr. Peter A. Kelly, of 228 Jewett Avenue, Jersey City; Edwin Hyde, of 206 Fairview Avenue, Jersey City, and Nicholas Schoendorf, of 1991 Boulevard, Jersey City, appeared before the Board and supplementing their written application for permission to run a bus line to Teaneck, N. J., from Journal Square, Jersey City, requested the Board to consider the application.

On motion of Commissioner Quinn the matter was referred to Miscellaneous Business.

Mr. Charles F. Cafferty of the American Telephone and Telegraph Company of New Jersey appeared before the Board with reference to their application for the designation of certain streets in Jersey City for the maintenance of their lines.

Commissioner Fagen advised the Board that the matter was referred to him and the Law Department, but due to the press of departmental matters, he has been unable to take the matter up properly, and requested that the application be laid over for one week.

Introducing an ordinance entitled "An Ordinance authorizing $30,000.00 Temporary Improvement Bonds of the City of Jersey City" (repaving of Bartholdi Avenue—Ocean Avenue to Boulevard).

On motion made, seconded and carried, the foregoing ordinance was introduced, received and read, and ordered placed on file in the office of the City Clerk for a period of at least two weeks for the purpose of public inspection and giving public notice thereof.

By Commissioner Quinn:

Whereas, specifications and proposals for the supply and delivery of coal to the several municipal buildings of Jersey City for the season ending April 30th, 1927, have been heretofore adopted; and

Whereas, bids have been received for the supplying and delivering of this aforesaid coal on April 20th, 1926; and

Whereas, it is not deemed to be in the best interest of Jersey City to accept any of these said bids heretofore submitted; now, therefore, be it

Resolved, That the City Clerk be, and he is hereby, directed and authorized to re-advertise for proposals according to the specifications heretofore adopted in connection with the supplying and delivering of coal to the several municipal buildings of Jersey City for the season ending April 30th, 1927.

By Commissioner Quinn:

Whereas, due to delay and other circumstances over which this Commission had no control, a contract for the supply and delivery of coal to the various public buildings of this City has not yet been entered into or executed, and

Whereas, this said contract must be re-advertised and further proposals received, and

Whereas, all of this necessary advertising and other procedures will prevent the execution of this aforesaid contract for another period of time, now therefore

Be it resolved, that according to the provisions of Chapter 152, Laws of 1917, and the supplements and amendments thereof, and also according to Chapter 178, Laws of 1919, and the supplements and amendments thereof, this Commission does declare a legal emergency to exist with reference to this supply and delivery of coal, and

Be it further resolved, that while

the said emergency still exists the Director of the Department of Public Affairs, be and he hereby is, authorized and empowered to purchase from time to time and without advertising and receiving proposals for same, coal in sufficient quantities for use in all of these various public buildings as aforesaid, wherever the same may be obtained and purchased.

Resolution authorizing the issuance of not exceeding $400,000.00 tax anticipation notes of 1926.

Resolved as follows:

On May 13, 1926, in anticipation of the receipts of taxes levied, as fixed by the certificate of the County Board of Taxation as the amount to be raised by taxation in the City, necessary to meet its lawful expenditures as provided in the Tax Ordinance for the fiscal year of 1926, the City shall borrow the sum of $400,000.00 and shall issue therefore Tax Anticipation Notes in said amount.

The said Tax Anticipation Notes are to be in registered form, and are issued pursuant to an Act of the Legislature of the State of New Jersey entitled, "An Act concerning Municipal and County Finances," approved March 28th, 1917, constituting Chapter 192, P. L. 1917, as amended, and by virtue of this resolution, and shall be dated May 13, 1926, and shall mature on or at the option of the City before December 31st, 1926, and shall bear interest at the rate of Five percent per annum, payable July 1st and at maturity, and shall be executed by the proper officials according to law.

The Director of the Department of Revenue and Finance, being the Chief Financial Officer of the City who signs the Notes herein authorized states (a) they are issued pursuant to the Act above referred to, (b) that the total borrowing power authorized by said Act for said instruments is $5,097,429.43, (c) that the total amount of said instruments outstanding (including this issue) is $3,600,000.00.

The faith and credit of the City of Jersey City are hereby pledged for the payment at the office of the City Treasurer, when due, of the principal and interest of the Notes herein authorized.

The said Notes are awarded and sold to The Trust Company of New Jersey at par and accrued interest, and the Director of the Department of Revenue and Finance is authorized and directed to have said Notes prepared, and after the execution thereof to deliver the same upon the receipt of the purchase price therefor.

Whereas, a personal tax assessment was levied against Isaac Gross of 630 Bergen Avenue against his automobile for the year 1925 at a valuation of $1,400, or $48.09 in taxes; and

Whereas, Isaac Gross of 15 Exchange Place, Jersey City, reports that the said Isaac Gross of 630 Bergen Avenue, a namesake of his removed from the city of Jersey City and now resides in Saratoga Springs; and

Whereas, due to the fact that the said Isaac Gross removed from the City of Jersey City, the City Collector and City Comptroller is unable to collect the said personal taxes; therefore, be it

Resolved, That the City Collector and City Comptroller be and they are hereby authorized to cancel said assessment on their records charging the same to 1925 personal taxes.

By Commissioner Quinn:

Whereas, a personal tax assessment was levied against automobile owned by Charles Horowitz of 106 Bowers Street, for the year 1924, at a valuation of $1,000, as per bill No. 60477, Book 13, page 129; and

Whereas, for the year 1923 a personal tax assessment was levied against said automobile at a valuation of $500 as per bill No. 59402, and

Whereas, inasmuch as the said automobile was assessed at a valuation of $500 in the year 1923, the 1924 tax assessment at a valuation of $1,000 was erroneous due to the fact that said automobile has depreciated in value; therefore, be it

Resolved, That the assessment for the year 1924 at a valuation of $1,000.00 be and the same is hereby reduced to $500.00, or $18.02, charging the difference, namely, $500.00, or $18.03 to 1924 personal taxes.

IMPROVEMENT HEARINGS:

The hearing on the final passage of the following ordinances:

"An ordinance to improve all that part of VanCleef Street between Dwight Street and Armstrong Avenue, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character."

"An ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in VanCleef Street between Dwight Street and Armstrong Avenue, in the City of Jersey City in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereby. The said improvement is local in character as defined by statute above referred to and will be assessed against the property benefited thereby," having been adjourned and continued to this time and place, Commissioner Fagen moved that the ordinances be considered for final passage. The City Clerk called for anyone who might desire to protest against the final passage of said ordinances. No one appeared to protest and no written protests were received against said ordinances.

Thereupon Commissioner Fagen moved the final passage of the following ordinances:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance to improve all that part of Van Cleef Street, between Dwright Street and Armstrong Avenue, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefitted thereby, being local in character.

Whereas, It is deemed advisable by

the Director of the Departments of Streets and Public Improvements that Van Cleef Street, between Dwight Street and Armstrong Avenue, should be improved.

Therefore, the Board of Commissioners of Jersey City do ordain:

That, All that part of Van Cleef Street, between Dwight Street and Armstrong Avenue, in the City of Jersey City, County of Hudson and State of New Jersey, shall be improved as follows:

1: To have the street for the full width thereof graded to the established grade by excavating or filling the same to the established grade.

2: To have new 5x16-inch bluestone curb set in concrete on each side thereof.

3: To have new cement walks five (5) feet in width laid on each side thereof.

4: To have the carriageway paved thirty (30) feet in width with asphalt pavement on a 6 inch base, and all other work done that may be necessary to provide for the flow of the surface water, and to complete the improvement in a good and substantial manner; said improvement to be made in conformity to the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, and in accordance with the specifications to be specially prepared under your direction.

5: The said improvement is local in character as defined by the statute above referred to and the cost of some will be assessed against the property benefitted thereby.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called the ordinance was passed by the following vote:

By Commissioner Fagen:

Resolved, That the following ordinance do now pass:

An Ordinance to provide for the making of private connections with sewer, gas and water mains or conduits for wires in Van Cleef Street, between Dwight Street and Armstrong Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

Whereas, The Director of the Department of Streets and Public Improvements of the City of Jersey City has reported that an ordinance has been introduced at a meeting of the Board of Commissioners of Jersey City providing for the improvement of Van Cleef Street, between Dwight Street and Armstrong Avenue; and

Whereas, There are already laid and existing in said streets sewer, gas and water mains and conduits for wires, and there are building lots within said area to be improved which have no private connections with said sewer, gas and water mains or conduits for wires; and

Whereas, After said contemplated improvement to the above described area has been made, no private connections can be made with said sewer, gas and water mains or conduits for wires without tearing up a portion of the proposed improvement which shall then have been completed therefore.

The Board of Commissioners of Jersey City do ordain:

1: That after notice shall have been served on or shall have been given as provided by law to owners orparties in interest of lands fronting on Van Cleef Street, between Dwight Street and Armstrong Avenue, such owners or parties in interest shall within the time mentioned in said notice, which shall not be less than thirty days after the passage of this ordinance,

cause at their own cost and expense, private connections to be made between each such lot of land twenty-five feet or less in width, owned or controlled by them, and the sewer gas and water mains or conduits for wires in said streets.

2: If the work of making private connections with said sewer, gas and water mains or conduits for wires shall not have been begun within the time limited in said notice, then the Director of the Department of Streets and Public Improvements shall cause such private connections to be made and the cost and expense thereof shall be assessed against any lands or real estate benefited.

3: The said improvement is local in character as defined by the statute above referred to and the cost of same will be assessed against the property benefited thereby.

4: All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

The City Clerk read the foregoing ordinance as ready for final passage.

By Mayor Hague:

Resolved, That the following ordinance do now pass:

An Ordinance concerning boarding houses for infants and boarding homes for children, and the business of plac-

ing infants, and maternity boarding houses or lying-in hospitals; providing for licences by the Board of Health, providing for the revocation thereof, and providing for penalties.

Be it ordained by the Board of Commissioners of the Mayor and Aldermen of Jersey City:

1.—Section 1. That it shall be unlawful for any person, firm or corporation or association to conduct or maintain a maternity hospital, a boarding house for infants, or a boarding home for children, or to engage in, or assist in conducting, a business of placing infants as herein defined, without having a written license therefor from the Board of Health; provided that nothing in this ordinance shall apply to any institutioin, commission, board or agency maintained and operated by the State of New Jersey nor any municipality thereof, or to any incorporated charitable institution or society for the caring for or placing of infants and children, nor by the New Jersey State Board of Children's Guardians, or the homes in which its wards are placed and cared for.

Section 2. The following terms used in this ordinance shall have the following meanings:

"Boarding house for infants" shall mean a house or other place conducted or maintained by any one who advertises himself or holds himself out as conducting a boarding house for infants under three years of age, or who received illegitimate children under three years of age, or who has in his custody or control one or more infants under three years of age unattended by parents or guardians, for the purpose of providing such children with food or lodging, excepting children related to him by blood or marriage, or who have been legally adopted by him.

"Boarding home for children" shall mean any children's home, orphanage or other institution, association, organization, or individual engaged in receiving, caring for, and finding homes for orphans, dependent or neglected children.

"Maternity hospital" shall mean any house or hospital wherein the principal business carried on shall consist in the care of women prior to, during and after childbirth.

The business of placing infants shall consisting in finding or assisting to find homes for any infant under the age of three years with persons other than relatives; in procuring or assisting in procuring the adoption of any such infant; in disposing or assisting to dispose of any such infant in any other manner.

Section 3. No license above provided for shall be granted for a term eceeding one year. Every such license shall state the name of the licensee, the particular premises in or at which the business shall be carried on, and the number of inmates that may be treated, maintained, boarded or cared for at any one time; and said license shall be posted in a conspicuous place in the house or other place at which the business is conducted. No greater number of inmates shall be kept at one time on the premises than is authorized in the license, and no inmates or infants shall be kept or disposed of within a building or place not designated in the license. The record of such license when issued shall be kept by the Board of Health. Said license shall be subject to revocation for violation of any of the provisions of this ordinance or whenever, in the judgment of the Board of Health, such boarding home is no longer needed. The Board of Health shall annually, or oftener if found desirable, visit and inspect the premises and investigate the manner of conducting the business licensed. Said Board and such persons shall have the right to call for and examine the records required by this ordinance to be kept, and to inquire into all matters concerning such licensed premises and the women and children therein, and it shall be the duty of the licensee to give all information to such persons and afford them every reasonable facility for ex-

amining the records, inspecting the premises and seeing the inmates thereof.

Section 4. Every person, firm, corporation or association conducting a maternity hospital, a boarding house for infants, or engaged in the placing of infants, as defined in this ordinance, shall keep a record in a form to be prescribed by the Board of Health, wherein shall be entered the name, age, sex, color and religion of every child born on his premises, cared for or treated by him or brought to him for placing, or finding a home for, or giving out for adoption, or otherwise disposing of, together with the name and address of each of the parents of said child; the name of every woman and of every child who dies while in his care, together with the date of such death; also the name and residence of the person with whom the child is placed or by whom it is adopted; this entry to be made within twenty-four hours after such child is given out, taken away or disposed of in any manner. A true copy of such record shall be sent to the Board of Health at such times as the Board of Health shall require.

Section 5. Any person who shall violate any of the provisions of this ordinance upon conviction thereof shall be punished by a fine of fifty dollars ($50), or shall be imprisoned in the County Jail for a term not to exceed thirty (30) days, or both, and if the person convicted shall be the one to whom the license shall have been issued under this ordinance, such license shall be revoked by the judge or magistrate at the same time.

2. This ordinance shall take effect immediately.

The City Clerk read the foregoing ordinance as ready for final passage.

The call being rolled, the ordinance was passed by the following vote:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An Ordinance Authorizing $35,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $35,000.00 is hereby appropriated for the improvement of Van Houten Avenue between Hudson Boulevard and Sterling Avenue.

Section 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $35,000.000 Temporary Improvement Bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An Act to authorize and regulate the issuance of Bonds and other obligations, and the incurring of indebtedness, by County, City, Borough, Village, Town, Township, or any municipality governed by an Improvement Commission" approved, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Section 3. Said bonds shall bear interest at the rate of not exceeding six percent per annum, and may from time to time be renewed. No bonds issued in pursuance of this Ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said Bonds shall be executed by the Mayor and the Director of The Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the improvement of Van Houten Avenue.

Section 4. Said Bonds shall be sold by the Director of The Department of Revenue and Finance, and shall be in such form, and shall mature in such

time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Section 5. Said Bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and collected, sufficient in amount to pay the interest on said bonds.

Section 6. The aforesaid appropriation is to apply to local improvements and assessment is thereafter to be levied on property in the vicinity thereof benefited or increased in value by reason thereof.

HEARINGS

The hearing in the matter of the Goldberg Wrecking Company citation to show cause why their contract with the City for the purchase, demolition and removal of the building formerly occupied by the Evening Journal Association, should not be abandoned, having been adjourned and continued to this time and place, Commissioner Fagen moved that the hearing be continued for one week to Tuesday, May 25, 1926, at 3 o'clock P. M. Daylight Saving Time, in the Assembly Chamber, City Hall, Jersey City, N. J.

At this time Mr. Paul J. Wulff appeared before the Board and requested permission to erect a two-car garage at the rear of 109 Randolph Avenue, the application having been presented at the meeting of the Board held May 11, 1926, and referred to the Building Department.

Commissioner Saul moved that the application be granted.

Mrs. S. Marasak appeared before the Board in reference to application for garage at 341 Whiton Street, which had been referred to the Building Department at the meeting of May 11, 1926, for further investigation.

Commissioner Saul advised the Board that the garage as proposed would replace present frame structure and would therefore be an improvement and would not be injurious to any property. Thereupon on motion of Commissioner Saul the application was granted.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Paul J. Wulff to erect a one-story brick and concrete building to be used as a private garage for two cars, on Lot 43, Block 2009, No. 109 Randolph Avenue, provided that no part of said garage will be erected within ten feet of any building now used as a dwelling, and further provided that the plans for same comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Steven Marask to erect a one-story brick building to be used as a private garage on Lot 20A, Block 2068, No. 341 Whiton Street, provided that the said garage will not be erected within ten feet of any building now used for a dwelling, and further provided that the plans for same comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Whereas, on March 30, 1926, bids were received (two in number) for the furnishing and delivering at the Jersey City Storehouse at Summit and Carlton Avenues, Jersey City, 2-12 in. and 1-16 in. pressure reducing valves and fittings for water; one bid was from the Ross Valve Manufacturing Company, Inc., and the other was from Kieley & Mueller, Inc., the Mueller bid being $850 and the Ross bid, $1,700; and

Whereas, the great difference between the two bids is such that it warrants the rejection of both bids, although the Mueller bid is absolutely informal and does not meet the specifications—a very important detail—but for the purpose of competition and also with a view of learning whether or not the Ross valve can be utilized t advantage by the City, it is, in my opinion, to the best interest of the City to reject both bids and readvertise for new proposals; therefore, be it

Resolved, That upon the recommendation of the Director of the Department of Streets and Public Improvements, the two bids, one from the Ross Valve Manufacturing Company, Inc., and the other from the Kieley & Mueller, Inc., for the furnishing and delivering of 2-12 in. and 1-16 in. valves received by the Board of Commissioners on March 30, 1926, and referred to the Director of the Department of Streets and Public Improvements for his recommendation, be and the same are hereby rejected and the City Clerk directed to advertise for proposals in conformity with the specifications hereto filed and adopted for proposals for regulating valves.

IMPROVEMENT HEARINGS

This time and place having been fixed by the Board of Commissioners and public notice advertised for the purpose of considering the undertaking of the following proposed improvement and the adoption or rejection of ordinances covering said improvements, viz:

The improvement of all that part of Cator Avenue, from Ocean Avenue to Princeton Avenue, in the City of Jersey City, by improving with asphalt pavement on concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property to be benefited thereby, being local in character, and

The making of private connections with sewer, gas and water mains or conduits for wires in Cator Avenue, from Ocean Avenue to Princeton Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby.

the City Clerk read the public notice of hearing and then called for anyone who might desire to be heard on the proposed improvement.

Mr. John W. Heck, Secretary and Treasurer of the Bay View Cemetery Association, appeared before the Board and presented a communication from his association setting forth that, under the "Act to Authorize the Incorporation of Rural Cemetery Associations and Regulate Cemeteries (Revision), approved April 9, 1875, which is found in the Compiled Statutes of New Jersey on Page 375, Section 8, the lands and property of any association former pursuant to said act or otherwise incorporated as a cemetery corporation, are exempted from all public taxes, rates or assessments, and the proprietors of lots or plots in such cemeteries, their heirs or devisees may hold the same exempt therefrom so

long as the same shall remain dedicated to the purpose of a cemetery. The petition further sets forth that the primary purpose of the communication is to avoid any possible misunderstanding, and that the views of the association for or against the proposed improvement can have no force or value.

Mr. George B. Sleigh, Attorney, representing Mark Townsend, Jr., appeared before the Board and stated that he represented two property owners—Dr. Donald Miner, owner of 125 feet on Cator Avenue; that Dr. Miner owns about 150 or 175 feet; that the Commission is aware of the fact that the entire northerly side of Cator Avenue is occupied by Bay View Cemetery between Ocean and Garfield Avenue, the other side consists of property used as private garages, the balance are back yards of homes and apartments facing on Danforth Avenue; that there is only one residence on the entire block; that the street is covered with an ash deposit which suffices for incoming and outgoing automobiles; that the cost per lot for the proposed improvement will be so great that the public and private benefit resulting will not adequately reflect the cost thereof; that the probabilities of building private houses there are very remote; that if the Cemetery Association is not assessable, then the parties Mr. Townsend represents, includes the two-thirds necessary to file the objections; that if there were homes there and it was a residential section, the improvement would be a benefit.

Commissioner Fagen stated that it is a mud street; from Garfield Avenue to Ocean Avenue it is built up with two family houses; that the City is very much interested in the improvement; that the Fifth Precinct is located there; that Cator Avenue running west from the Fifth Precinct, is an asphalt street and past that it is a mud hole; that the improvement is very desirable where the protestants are. In conclusion he advised the Board that the protests must be considered and calculated in order to determine whether or not they are sufficient to defeat the improvement.

Mr. Sleigh requested permission to file with the Board any further objections or protests that may be filed with him. Supplementing his statement, Mr. Sleigh filed a written protest for Donald Miner and F. M. Lockwood.

Commissioner Fagen replied that further objections may be submitted at any time.

Thereupon Commissioner Fagen moved that the protests filed with the Board be referred to him for investigation and the hearing on the proposed improvements be adjourned for a period of two weeks.

By Commissioner Fagen.

Resolved, That the hearing on the undertaking of the following improvements and the adoption or rejection of the ordinances covering said improvements, viz.:

The improvement of all that part of Cantor Avenue, from Ocean Avenue to Princeton Avenue, with asphalt pavement on concrete base, and the making of private connections with sewer, gas and water mains or conduits for wires in Cator Avenue, from Ocean Avenue to Princeton Avenue, in accordance with the provisions of Chapter 152, Laws of 1917, and the various supplements thereto and amendments thereof, be and the same is hereby adjourned and continued to Tuesday, June 8, 1926, at 3 o'clock, p. m. Daylight Saving Time, in the Assembly Chamber, City Hall, Jersey City, N. J.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

This time and place having been fixed by the Board of Commissioners and public notice advertised for the purpose of considering the undertaking of the following proposed improvement and the adoption or rejection of ordinances covering said improvements, viz.:

The improvement of all that part of Broadway from Wright Avenue to

Dales Avenue, in the City of Jersey City, by improving with asphalt pavement on a concrete base, in accordance with the provisions of Chapter 152 of the Laws of 1917, and the various supplements thereto and amendments thereof, the cost of which will be assessed against the property benefited thereby, being local in characted, and the making of private connections with sewer, gas and water mains or conduits for wires in Broadway between Wright Avenue and Dales Avenue, in the City of Jersey City, in accordance with the provisions of Chapter 152 of the Laws of 1917 and the various supplements thereto and amendments thereof. The said improvement is local in character as defined by the statute above referred to and will be assessed against the property benefited thereby, the City Clerk read the public notice of hearing and then called for anyone who might desire to be heard on the proposed improvement.

The following persons appeared and protested against the proposed improvement: Francis P. Fox, 71 Corbin Avenue; Mrs. Robert Woodman, 153 Broadway; Mrs. Mary Fox, 145 Broadway, and Mrs. Monprode, appearing for Mrs. Tiedemann, 125 Broadway. Mr. Fox also submitted a protest signed by twelve persons, protesting the passing of the ordinance on May 25th, 1926, and suggesting that the passing of the ordinance be postponed to some future date when they may know what action the State Highway Board is going to take in regard to the matter.

The following persons appeared in favor of the proposed improvement: Mary G. Pierro, 148 Broadway; Thos. R. Arlotto, 142 Broadway; P. Sorentino, 147 Broadway, and Grace Santiello, appearing for Biago Santiello, 151 Broadway.

Mrs. Pierro stated that she was appearing for the property owners who could not speak English who favored the improvement.

Commissioner Fagen advised the Board that the improvement was called for about four different times; that the last time it was put down for action; that Mrs. Pierro appeared before the Board in the Spring or late Winter and wanted the street improved; that a gentleman who runs the laundry in that section decided that he did not want the improvement down past his laundry; that since that time and while the hearing was being advertised in the newspapers, Mrs. Pierro asked that the improvement be killed.

Mrs. Pierro replied that somebody had advised her that the highway was coming through and that she did not see why she should lose money on the cost of the mprovement; that she had inquired from Commissioner Fagen and Mr. See as to the coming of the highway and they did not know what action would be taken; that Mrs. Woodman had informed her the highway was coming.

Mrs. Woodman stated that she did not know whether the highway was to be located there; that she did not see any reason why she should throw away money; that nobody knows what way the State road is coming and that they should wait.

Commissioner Fagen stated that they seem to be laboring under the impression, one side that the highway is coming down there and the other side that no State highway is coming down; that if they knew the State highway was not coming down, they would be anxious for the improvement; that it is not the footage which is calculated in defeating or approving an improvement, but the assessed valuation shown on the Tax Assesor's books—the amount of money shown on the collector's books.

In conclusion Commissioner Fagen recommended that the protests be referred to him for investigation, and the hearing on the proposed improvement be adjourned and continued for a period of two weeks, to Tuesday, June 8, 1926, at 3 p. m., in the Assembly Chamber, City Hall, Jersey City, N. J.

By Commissioner Fagen:

Resolved, That the hearing on the

undertaking of the following improvements and the adoption or rejection of the ordinances covering said improvements, viz:

The improvement of all that part of Broadway from Wright Avenue to Dales Avenue with asphalt on a concrete base, and the making of private connections with sewer, gas and water mains or conduits for wires in Broadway between Wright Avenue to Dales Avenue,

in accordance with the provisions of Chapter 152, Laws of 1917, and the various supplements thereto and amendments thereof, be and the same is hereby adjourned and continued to Tuesday, June 8, 1926, at 3 o'clock p. m. daylight saving time, in the Assembly Chamber, City Hall, Jersey City, N. J.

CITY ORDINANCES

This time and place having been fixed by the Board of Commissioners, and public notice advertised for the purpose of considering the final passage of the following ordinances: "An ordinance authorizing $30,000.00 temporary improvement bonds of the City of Jersey City" (repaving Bartholdi Avenue), "An ordinance authorizing $22,000.00 temporary improvement bonds of the City of Jersey City" (repaving Kearney Avenue), the City Clerk read the public notice of hearing and then called for anyone who might desire to protest against the final passage of the said ordinances. No one appeared to protest and no written protests were received against the aforesaid ordinances.

Commissioner Quinn thereupon moved the final passage of the following ordinances:

By Commissioner Quinn:

Resolved, That the following ordinance do now pass:

An ordinance authorizing $30,000.00 Temporary Improvement Bonds of the City of Jersey City.

The Board of Commissioners of the Mayor and Aldermen of Jersey City do ordain:

Section 1. The sum of $30,000.00 is hereby appropriated for the repaving with sheet asphalt on concrete base the roadway of Bartholdi Avenue from Ocean Avenue to Hudson Boulevard.

Sec. 2. For the purpose of meeting said appropriation, and of temporarily financing said improvement which is not yet completed (such improvement not being current expenses) $30,000.00 temporary improvement bonds shall be issued, in pursuance of an Act of the Legislature of the State of New Jersey, entitled, "An act to authorize and regulate the issuance of bonds and other obligations, and the incurring of indebtedness, by County, City Borough, Village, Town, Township, or any municipality governed by an Improvement Commissions" approval, March 22, 1916, constituting Chapter 252, P. L. 1916, as amended.

Sec. 3. Said bonds shall bear interest at the rate of not exceeding 6 per cent per annum, and may from time to time be renewed. No bonds issued in pursuance of this ordinance shall mature in more than six years from the date when the purpose for which they are issued has been carried out. Said bonds shall be executed by the Mayor and the Director of the Department of Revenue and Finance under the seal of the City, and attested by the City Clerk, and shall recite they are issued to temporarily finance the repaving of Bartholdi Avenue.

Sec. 4. Said bonds shall be sold by the Director of the Department of Revenue and Finance, and shall be in such form, and shall mature in such time or times, subject to the provisions hereof as he may determine, and all other matters in respect thereof shall be determined by said Director.

Sec. 5. Said bonds shall, at maturity, be paid out of the proceeds of funding bonds, or if not so paid a tax shall be levied and collected, sufficient in amount, to pay said bonds as they mature. In each year after the date of said bonds, a tax shall be levied and

collected, sufficient in amount to pay the interest on said bonds.

The City Clerk read the foregoing ordinance as ready for final passage.

The roll being called, the ordinance was passed by the following vote.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

This time and place having been fixed by the Board of Commissioners of Jersey City and public notice advertised for the purpose of considering final passage of the following ordinance:

"An Ordinance providing for the renumbering of all the houses and lots fronting or facing upon Journal Square."

The City Clerk read the public notice and then called for anyone who might desire to protest against the final passage of said ordinance.

Mr. Walter M. Nally of 10 Journal Square appeared before the Board and

objected to his property being renumbered "Thirteen."

Commissioner Fagen advised the Board that he will take the matter under consideration and submit an amendment to the ordinance at the next meeting of the Board.

By Commissioner Fagen:

Resolved, That the hearing on the final passage of the ordinance providing for the renumbering of all the houses and lots fronting or facing upon Journal Square be and the same is hereby adjourned and continued to Tuesday, June 1, 1926, at 3 p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

The hearing on the final passage of the following ordinances:

(1) Ordinance providing for the better inspection and control of the source or sources of dairy products and in particular milk, to be used or consumed in the City of Jersey City, and

(2) An ordinance providing for the reinspection of the source or sources of dairy products, and in particular milk, to be used or consumed in the City of Jersey City,

having been adjourned and continued to this time and place, Counsellor Egan, of the Jersey City Law Department appeared before the Board and requested that action on the said ordinances be deferred for two weeks, because of the fact that representatives of several of the large dairy companies in this City and outside of this City are endeavoring to cooperate with Jersey City, to the end that a model ordinance will be drawn that will suit Jersey City, New York and other large cities, and that for this purpose they have engaged health officers and doctors who will cooperate in the preparation of the details for the ordinance.

By Mayor Hague:

Resolved, That the hearing on the final passage of the following ordinances:

(1) An ordinance providing for the better inspection and control of the source or sources of dairy products and in particular milk, to be used in Jersey City &c.

(2) An ordinance providing for the reinspection of the source or sources of dairy products and in particular milk, to be used in Jersey City, &c. be and the same is hereby adjourned and continued to Tuesday, June 8th, 1926, at 3 p. m. in the Assembly Chamber, City Hall, Jersey City, N. J.

HEARINGS

Mrs. Mitchell of 54 Prescott Street, Jersey City and Miss Agnes Wilson of Prescott Street, appeared before the Board and stated that the erection of garages is proceeding at 54 Prescott Street notwithstanding their protests filed with the Board some time ago.

Commissioner Saul advised that the Board of Commissioners had denied the application and subsequently the applicant applied to the Supreme Court for a writ, which was issued and made it mandatory on the City Commission to permit these garages.

Mr. Louis Silverman, President of the David Zeik Company Inc., appeared before the Board and requested permission to erect a three-story brick building containing stores on the first floor and living apartments on the second and third floors at 235-7 Princeton Avenue. He stated that his company owned the adjoining property and that he does not know of any objections in the neighborhood; that there are no stores there and that the proposed stores would be a necessity in the neighborhood.

Commissioner Fagen moved that the application be referred to him for investigation and report at the next meeting of the Board, on June 1st, 1926.

Mr. E. A. Flavell of 263 Ogden Avenue, Jersey City, appeared before the Board in behalf of the Fowler Social Club, 103 Franklin Street, who have filed an application for per-

mission to conduct a bazaar for the benefit of the Club, the proceeds of which will, in addition to the other income, is necessary to take care of the overhead. He stated that the club consists of about 600 members and a ladies' auxiliary of about 100; that their property is worth about $15,000.00 and that the bazaar was intended to assist in payment of bills necessary to take care of the overhead; that Commissioner Beggans has advised him that money wheels would not be permitted at the bazaar, and that it was his contention that such action is discrimination, because these wheels are permitted at church bazaars.

The Mayor advised Mr. Flavell that the Director of Public Safety has jurisdiction in such matters and that the Board would not over-rule his action.

Mr. William Newman Jr., appeared for Frank Cappola, and requested permission to extend the present one and one-half story building by adding a one-story building 25 feet by 25 feet, the present upper frame story on existing building to be removed.

Commissioner Saul advised the Board that his department had no objection against the application. Thereupon the following resolution was moved:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Frank Cappola to erect a one-story brick addition to present one and one-half story stable and garage building at 513 Central Avenue, Jersey City, N. J., the second story of frame construction on present building, to be removed. The permission for the erection of the addition is granted provided that the plans for same comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

Counsellor Thomas Stanton appeared before the Board at this time and requested permission for Mrs. Ellen Stanton, to erect a one-story brick private garage at 201 Arlington Avenue. He stated that there was garage on the adjoining property, and that it is a party wall, the garage being only eight feet from Mrs. Stanton's house; that the garage has been there for the past three years.

Commissioner Saul stated that if the garage would be erected with a fireproof roof, it would meet with the approval of his department. Counsellor Stanton agreed to erect such a roof, thereupon Commissioner Saul moved the passage of the following resolution:

By Commissioner Saul:

Resolved, That permission be and the same is hereby granted to Mrs. Ellen Stanton to erect a one-story brick building with fire-proof roof, to be used as a one-car garage, at No. 201 Arlington Avenue, Jersey City, N. J., provided that the plans for same comply with all the requirements of the Building Laws.

Adopted.

Yeas: Commissioners Beggans, Fagen, Quinn, Saul and Mayor Hague.

Nays: None.

From John F. Nagle, requesting permission to erect roof sign at 3375 Boulevard, Jersey City, N. J.

Received.

From Olga Morse, requesting permission to erect a sign at 368 Pacific Avenue, Jersey City, N. J.

Received.

From Nathan Lefkowitz, requesting permission to erect a sign at 236 Old Bergen Road, Jersey City, N. J.

Received.

From property owners and residents of Jersey City, N. J., in the vicinity of Garfield and Communipaw Avenues, protesting against the continuance of obnoxious odors emanating from the Morris Canal, which is partly filled in at this location.

In connection with the foregoing petition, Mr. Harry Slepin of 460 Communipaw Avenue and Mr. Wm. Clarke of 467 Communipaw Avenue, appeared before the Board. Mr. Slepin stated that there is about 400 feet of water open from Grand Street to Communipaw Avenue; that garbage and dead animals are thrown in and the odor is unbearable; that it will be much worse in the warm weather.

The Mayor directed Captain Boyle of the Health Bureau to communicate with the Lehigh Valley Railroad Company officials, calling their attention to the condition, and that the nuisance must be remedied, because it affects the entire neighborhood, which is protesting against the continuance of these odors.

In conclusion the protest was referred to Captain Boyle of the Health Bureau.
